Special Town Meeting Warrant

April 7, 1990

To any of the constables of the Town of Plymouth, Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Saturday, the Seventh Day of April, 1990, at 10:00 AM, to act on the following articles to wit:

ARTICLE 1: To see if the Town will vote to raise, appropriate, transfer or borrow a sum of money to be added to funds already appropriated under Article 7 of the 1989 Annual Town Meeting for the purpose of supplementing departmental expenses, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 2: To see what action the Town will take with regard to the payment of certain unpaid bills as follows:

| ITEM | DEPARTMENT | CREDITOR | AMOUNT |
|------|------------|---------------------|----------|
| A. | Fire | John P. Latchaw, MD | \$195.00 |

To raise and appropriate a sum of money therefor, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 3: To see if the Town will vote to appropriate a sum of money from the Parking Meter Receipt Fund to purchase two portable radios and accessory equipment to be used by the meter maids, or take any other action relative thereto.

POLICE DEPARTMENT

ARTICLE 4: To see if the Town will vote to raise, appropriate, transfer or borrow a sum of money to be added to funds already appropriated under Article 38 of the 1987 Annual Town Meeting and Article 13 of the November 20, 1989 Special Town Meeting, as it relates to grease and scum treatment control at the Sewerage Treatment Facility, or take any other action relative thereto.

DEPARTMENT OF PUBLIC WORKS

ARTICLE 5: To see what action the Town will take to rescind action taken on Article 20 of the 1989 Annual Town Meeting as it relates to Article 10 of the Town By-Laws — Regulations Pertaining to Ponds, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 6: To see if the Town will vote to authorize the Board of Selectmen to grant an easement in favor of the Town of Bourne and/or its agents to enter upon the public way in the Town of Plymouth known as Head of the Bay Road, as shown on a plan entitled "Contract No. 3, Wastewater Treatment Facilities, Town of Bourne, Massachusetts, Hideaway Village Force Main" - prepared by Anderson-Nichols, Engineers, and on file with the Town Clerk, for the purpose of installing,

maintaining, repairing, reconstructing or removing a sewer pipeline, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 7: To see if the Town will vote to rescind the following unused borrowing authorities:

| AMOUNT | PURPOSE | AUTHORIZATION |
|---------------|--|---|
| \$300,000 | Federal Furnace School Construction | Article 27, voted at 11-18-75 Special Town Meeting |
| \$3,000,000 | Sewer Construction | Article 8, voted at 6-15-76 Special Town Meeting |
| \$3,000 | Ellisville Water Mains | Article 5, voted at 4-4-81 Special Town Meeting |
| \$1,000 | Cedarville Water Mains | Article 71, voted at 5-20-86 Annual Town Meeting |
| \$247,650 | Parking Garage | Article 5, voted at 10-27-86 Special Town Meeting |
| \$300 | Polvere Land Purchase | Article 43, voted at 4-13-88 Annual Town Meeting |
| \$36,000 | Darby Pond Well Site Purchase | Article 6, voted at 9-19-88 Special Town Meeting |

or take any other action relative thereto.

TOWN ACCOUNTANT

ARTICLE 8: To see what action the Town will take relative to adopting a by-law prohibiting the storage or disposal of low level radioactive waste, generated through the production of nuclear power in the Town of Plymouth, or take any other action relative thereto.

NUCLEAR MATTERS COMMITTEE

ARTICLE 9: To see if the Town will vote to amend Section 401.12 (General Commercial) of the Zoning By-Law by broadening the list of allowed uses and/or special permit uses set forth therein to include residential uses, or take any other action relative thereto.

BY PETITION: WILLIAM SYKES, ET AL

ARTICLE 10: To see if the Town will vote to transfer the custody of a certain parcel of Town owned land, shown as lot 14 of Plat 97 of the Plymouth Assessors' Maps, from the Board of Selectmen to the Plymouth Airport Commission, or take any other action relative thereto.

PLYMOUTH AIRPORT COMMISSION

ARTICLE 11: To see what action the Town will take to rescind its action on Article 16 of the April 4, 1988, Special Town Meeting as it relates to authorizing the Board of Selectmen to petition the General Court for permission to convey to Denis Candlen land used for park purposes, and shown as a portion of Lot 28 of Plat 48 of the Plymouth Assessors' Maps, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 12: To see if the Town will vote to authorize the Board of Selectmen to take all necessary steps and do all things in order to petition and obtain the approval of the General Court for Town's

conveyance of land, used for park purposes, to Denis P. Candlen, the land described on "A plan of land in Plymouth, Massachusetts showing land to be exchanged by Denis P. Candlen and Town of Plymouth", by Hood and Stefani Surveyors, Inc., Plymouth, Massachusetts, and dated March 31, 1989, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 13: To see if the Town will vote to convey to George W. and Joyce B. Durnin a certain parcel of Town owned land, shown as Lot 43 of Plat 132 of the Plymouth Assessors' Maps, for a sum and upon conditions as may be determined by the Board of Selectmen, or take any other action relative thereto.
BY PETITION:

ARTICLE 14: To see if the Town will vote to convey to Christopher and Karen Lombard a certain parcel of Town owned land, shown as Lot 29 of Plat 90 of the Plymouth Assessors' Maps, for a sum and upon conditions as may be determined by the Board of Selectmen, or take any other action relative thereto.
BY PETITION: CHRISTOPHER LOMBARD, ET AL

ARTICLE 15: To see if the Town will vote to restrict by deed the use of land known as the "Briggs Estate"; being the premises granted to the Town of Plymouth by Rose T. Briggs and Plymouth-Home National Bank as set forth in Deed Book 4649, Page 465, recorded March 27, 1981, at the Plymouth County Registry of Deeds; the intent of said restriction being for the continued preservation of the subject premises as forested open space for recreational purposes, or take any other action relative thereto.
BY PETITION: JOSEPH PARKER, ET AL

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof fourteen days at least before such meeting, in the Town Office Building and in a public place in each precinct and make return thereof with your doings thereon at the time and place above mentioned.

Given under our hands this the Twentieth Day of March, 1990.

Approved as to Legal
Form and Content:

Chairman

Plymouth, ss.

March 23, 1990

Pursuant to the foregoing warrant, I have this day notified and warned the Inhabitants of Plymouth qualified to vote in elections and Town affairs, to meet in said Plymouth on Saturday, the Seventh Day of April, 1990, at 10:00 AM, at the Plymouth North High School, by posting copies of this warrant in the Town Office Building and in a public place in each precinct.

s/ Jeffrey B. Peck
CONSTABLE
Town of Plymouth

Precinct Caucus

April 7, 1990

On April 7, 1990, at 9:40 A.M., Precinct 11 held a caucus with four members present. Proposed for a vacant seat was Carolyn Collins of 119 So. Meadow Road. She was unanimously elected to serve until the next election.

On April 7, 1990, at 9:45 A.M., Precinct #3 held a caucus at the Plymouth North High School, and elected Donald P. Matinzi to serve as a Town Meeting Member from Precinct #3 until the next election. Mr. Matinzi is a resident at 42 Summer Street.

SPECIAL TOWN MEETING

APRIL 7, 1990

The Special Town Meeting was called to order at 10:30 A.M. by the Moderator Clarence Krueger, who greeted all members.

The number of Town Meeting Members present was 92, as reported by the checkers.

The Moderator declared a quorum present.

ARTICLE 1: VOTED: (UNANIMOUSLY) That the Town transfer the sum of \$80,000.00 from Article 7, Item 242 (Debt & Interest) of the April 1989 Annual Town Meeting, transfer the sum of \$300,000.00 from Overlay Surplus, and appropriate the sum of \$829,735 from Free Cash to be added to funds already appropriated under Article 7 of the 1989 Annual Town Meeting for the purposes of supplementing departmental expenses, as follows:

ARTICLE 2: VOTED: (UNANIMOUSLY) That the Town appropriate the sum of \$195.00 from Free Cash for the purpose of payment of an unpaid bill as follows:

| ITEM | DEPARTMENT | CREDITOR | AMOUNT |
|------|------------|---------------------|----------|
| A. | Fire | John P. Latchaw, MD | \$195.00 |

said funds to be expended under the supervision of the Fire Dept.

ARTICLE 3: VOTED: (UNANIMOUSLY) That the Town appropriate the sum of \$1,540.00 from the Parking Meter Receipt Fund to purchase two portable radios and accessory equipment to be used by the Meter Maids, said funds to be expended under the supervision of the Police Department.

ARTICLE 4: VOTED: (UNANIMOUSLY) That the Town appropriate the sum of \$25,000.00 from Free Cash to funds already appropriated under Article 38 of the 1987 Annual Town Meeting and Article 13 of the November 20, 1989 Special Town Meeting, as it relates to grease and scum treatment control at the Sewerage Treatment Facility; said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 5: VOTED: (UNANIMOUSLY) That the Town rescind action taken on Article 20 of the 1989 Annual Town Meeting, as it relates to Article 10 of the Town By-Laws — Regulations Pertaining to Ponds.

ARTICLE 6: VOTED: (UNANIMOUSLY) That the Town authorize the Board of Selectmen to grant an easement in favor of the Town of Bourne and/or its agents to enter upon the public way in the Town of Plymouth known as Head of the Bay Road, as shown on a plan entitled "Contract No. 3, Wastewater Treatment Facilities, Town of Bourne, Massachusetts, Hideaway Village Force Main" prepared by Anderson-Nichols, Engineers, and on file with the Town Clerk, for the purpose of installing, maintaining, repairing, reconstructing or removing a sewer pipeline.

Said authorization subject to such conditions as may be required by the Board of Selectmen, including but not limited to the Town of Bourne and/or its agents bearing the cost and responsibility of returning the road to its original condition upon the completion of construction per Town of Plymouth standards, and further that the Town of Bourne is to comply with Plymouth street opening standards, and all cost of Police coverage for the construction period are to be paid by the Town of Bourne.

ARTICLE 7: VOTED: (UNANIMOUSLY) That the Town vote to rescind the following unused borrowing authorities listed in Article 7:

| AMOUNT | PURPOSE | AUTHORIZATION |
|-------------|--|---|
| \$ 300,000 | Federal Furnace School Construction | Article 27, voted at 11/18/75 Special Town Meeting |
| \$3,000,000 | Sewer Construction | Article 8, voted at 6/15/76 Special Town Meeting |
| \$ 3,000 | Ellisville Water Mains | Article 5, voted at 4/4/81 Special Town Meeting |
| \$ 1,000 | Cedarville Water Mains | Article 71, voted at 5/20/86 Annual Town Meeting |

| | | |
|------------|----------------------------------|--|
| \$ 247,600 | Parking Garage | Article 5, voted at 10/27/86 Special Town Meeting |
| \$ 300 | Polvere Land Purchase | Article 43, voted at 4/13/88 Annual Town Meeting |
| \$ 36,000 | Darby Pond Well Site Purchase | Article 6, voted at 9/19/88 Special Town Meeting |

ARTICLE 8: VOTED: That the Town adopt a by-law prohibiting the storage or disposal of low level radioactive waste generated through the production of nuclear power in the Town of Plymouth to be enacted substantially as follows:

PROPOSED BY-LAW

ARTICLE: 8

To see what action the Town will take relative to adopting a By-law to EXCLUDE RADIOACTIVE MATERIALS FROM TOWN WASTE DISPOSAL FACILITIES or take any other action relative thereto.

SECTION 1. LOW-LEVEL RADIOACTIVE WASTE

To the extent allowed by Federal and Massachusetts State law, no low-level radioactive waste generated by any government agency or pursuant to a government contract or license shall be treated, recycled, stored or disposed of in the Town of Plymouth boundaries except at a facility with a specific license for treatment, recycling, storage, or disposal of low-level radioactive waste whether or not such low-level radioactive waste has been reclassified as below regulatory concern by the U.S. Nuclear Regulatory Commission, the U.S. Environmental Protection Agency, the Department of Energy, or other federal agency.

SECTION 2. HI-LEVEL RADIOACTIVE WASTE

To the extent allowed by Federal and Massachusetts State law, it shall be unlawful to import any form of high-level radioactive waste into the Town of Plymouth for storage at Pilgrim Nuclear Power station or any other facility within the boundaries of the Town of Plymouth.

SECTION 3. SEVERABILITY

Should any section of this by-law be judged by a court of competent jurisdiction to be contrary to existing law or otherwise found to be of no legal effect or void, then all other sections shall remain in full legal force and effect.

SECTION 4. DEFINITIONS

"Hi-level radioactive waste:" irradiated reactor fuel, liquid wastes resulting from the operation of the first cycle solvent extraction system or equivalent, and the concentrated wastes from subsequent extraction cycles, or equivalent, in a facility for reprocessing irradiated reactor fuel and solids into which such liquid wastes have been converted. (Title 10 c. 1 CFR NRC)

"Low-level radioactive waste:" radioactive material that is not high level radioactive waste, spent nuclear fuel, transuranic waste or by-product material, as defined in the United States Code, Title 42, Section 2014 (e) (2), the Atomic Energy Act of 1954, Section 11 (E) (2); and that the United States Nuclear Regulatory Commission, consistent with

existing law, classifies as low-level radioactive waste. Low-level radioactive waste also includes any radioactive material that is generated through the production of nuclear power and that the United States Nuclear Regulatory Commission classified as low-level radioactive waste as of January 1, 1989, but which may be classified as below regulatory concern after that date.

SECTION 5. PENALTY

Any person or corporation violating any provision of this BY-LAW shall be fined the maximum amount allowed by M.G.L. c.40, s.21 or other applicable federal or state law plus all costs associated with the immediate removal of said materials.

ARTICLE 9: VOTED: (UNANIMOUSLY) That the Town amend its Zoning By-Law as shown in the Final Report and Recommendation of the Planning Board on the "Petition of WILLIAM H. SYKES, ET AL TO AMEND THE ZONING BY-LAW, SECTION 401.12 (B) (General Commercial: ALLOWED USES)

Mr. John Lee moved to amend Mr. Provenzano's motion by adding a provision that said use is to be by Special Permit.

This motion to amend the original motion was PASSED by a vote of 56 AFFIRMATIVE and 35 NEGATIVE.

The original motion was then PASSED UNANIMOUSLY.

The By-law will be as follows:

SECTION 401.12 subsection 16:

"16) — Multi-family dwelling units which:

(a) Contain a minimum net floor area of:

(i) 600 square feet for one bedroom units,

(ii) 720 square feet for two bedroom units, and

(iii) $(720 + 100 \times)$ square feet for $(two + X)$ bedroom units;

(b) Are located within the net floor area of buildings in existence as of January 1, 1990; and

(c) Are located within stories of such buildings other than the street level story thereof."

Such use is to be by Special Permit.

ARTICLE 10: VOTED: (UNANIMOUSLY) That the Town transfer the custody from the Board of Selectmen to the Airport Commission, a certain parcel of Town-owned land, shown as Lot 14 of Plat 97 of the Plymouth Assessors' Maps.

ARTICLE 11:

NO Action on Article 11.

ARTICLE 12: VOTED: (UNANIMOUSLY) That the Town change the custody of land held by the Board of Selectmen for park purposes to being held by the Board of Selectmen for the purpose of conveyance, said land more particularly being described on "A Plan of Land in Plymouth, Massachusetts, showing land to be exchanged by Denis P.

Candlen and Town of Plymouth", by Hood and Stefani Surveyors, Inc., Plymouth, Massachusetts and dated March 31, 1989.

And further, to authorize the Board of Selectmen to convey said land to Denis P. Candlen upon conditions to be determined by the Board of Selectmen, and to authorize the Board of Selectmen to take all necessary steps and do all things in order to petition and obtain the approval of the General Court for the Town's conveyance of land, used for park purposes, to Denis P. Candlen, the land being described on "A Plan of Land in Plymouth, Massachusetts, showing land to be exchanged by Denis P. Candlen and Town of Plymouth", by Hood and Stefani, Surveyors, Inc., Plymouth, Massachusetts and dated March 31, 1989.

ARTICLE 13:

No Action on Article 13.

ARTICLE 14:

No Action on Article 14.

ARTICLE 15: Mr. Joseph "Randy" Parker moved that the Town vote to restrict by deed the use of land known as the "Briggs Estate", being the premises granted to the Town of Plymouth by Rose T. Briggs and Plymouth-Home National Bank as set forth in Deed Book 4649, Page 465, recorded March 27, 1981, at the Plymouth County Registry of Deeds; the intent of said restriction being for the continued preservation of the subject premises as forested open space for recreational purposes; or take any other action relative thereto.

Mr. Parker moved to amend by adding: This action to be referred to the Board of Selectmen who will report back to the next Annual Town Meeting.

This motion to amend was PASSED — UNANIMOUSLY.

As amended by Mr. Parker's additional motion, the original motion was PASSED.

At 2:00 P.M. it was moved and so voted to adjourn and dissolve this Special Town Meeting.

1990 ANNUAL TOWN MEETING

April 7, 1990

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the inhabitants of Plymouth qualified to vote in elections, to meet in:

| | |
|------------|-------------------------------------|
| Precinct 1 | Hedge School |
| Precinct 2 | Cold Spring School |
| Precinct 3 | Town Hall |
| Precinct 4 | Plymouth North High School |
| Precinct 5 | Plymouth-Carver Intermediate School |

BY PETITION: JOYCE M. MALAGUTI, ET AL

ARTICLE 46: To see if the Town will vote to convey to the Kingsbridge Shores Civic Association certain parcels of Town owned land, shown as Lots 10B and 10C of Plat 54 of the Plymouth Assessors' Maps, for a sum and upon conditions as may be determined by the Board of Selectmen, or take any other action relative thereto.

BY PETITION: SYLVIA MCKEEVER, ET AL

ARTICLE 47: To see if the Town will vote to convey to Paul DiSalvatore certain parcels of Town owned land, shown as Lots L55-153B, L55-278 and L55-279B of Plat 27 of the Plymouth Assessors' Maps, for a sum and upon conditions as may be determined by the Board of Selectmen, or take any other action relative thereto.

BY PETITION: PAUL DISALVATORE, ET AL

ARTICLE 48: To see if the Town will vote to grant a Right of Way into a landlocked parcel of land, Plat 70, Lot 161 purchased from the Town of Plymouth in 1967, through Plat 70, Lot 14 owned by the Town of Plymouth.

BY PETITION: R. HELEN HALL, ET AL

ARTICLE 49: To see what action the Town will take with regard to certain unexpected appropriation balances, or take any other action relative thereto.

ADVISORY AND FINANCE COMMITTEE

ARTICLE 50: To see what action the Town will take to raise and appropriate or transfer from available funds, to the Stabilization Fund, as authorized by the provisions of Section 5B of Chapter 40 of the Massachusetts General Laws, as amended, or take any other action relative thereto.

ADVISORY AND FINANCE COMMITTEE

ARTICLE 51: To see what action the Town will take to transfer from available funds to reduce the tax levy of the forthcoming fiscal year, or take any other action relative thereto.

ADVISORY AND FINANCE COMMITTEE

And you are hereby required to serve this Warrant in the manner prescribed by vote of the Town by posting notices thereof, seven days at least before the meeting, in the Town Office Building and in public places in each precinct and make return thereof with your doings thereof at the time and place above-mentioned.

Given under our hands this the Twentieth Day of March, 1990.

Constable of Plymouth

Annual Town Meeting

April 7, 1990

The Annual Town Meeting was called to order at 10:10 A.M. by the Moderator, Mr. Clarence Krueger.

The number of Town Meeting Members present was 92, as reported by the checkers.

The Moderator declared a quorum present.

The Moderator led the body in a salute to the flag, and made pertinent announcements.

The Town Clerk administered the oath to all newly-elected Town Meeting Members.

Mr. Anthony Provenzano delivered the message of financial impact from the Advisory and Finance Committee.

Mrs. Alba Thompson presented a message from the Board of Selectmen.

At 10:30 A.M., it was moved and so voted to adjourn the Annual Town Meeting so as to consider the articles of the Special Town Meeting warrant.

At 2:00 P.M. The Annual Town Meeting was re-convened.

VOTED: UNANIMOUSLY — Upon motion of Mr. Provenzano, it was moved and voted to hold future adjourned sessions on Mon., April 9, 1990, and Tues, April 10, 1990.

ARTICLE 2: Mr. Provenzano moved that the Town receive the reports of various Town Committees, Boards, Commissions and Departments, and place them on file with the Town Clerk's Office.

The following reports were received.

130 Court Street Committee — Jane Montanari

Town Hall Study Committee — Dan Durkee

Temporary Animal Shelter Committee — Eileen Lawton

Public Works Facility Study Committee — Leighton Peck

It was VOTED — UNANIMOUSLY — to accept all reports.

Mr. Randy Parker moved to consider Article 33 out of order at this time.

By vote of 63 AFFIRMATIVE, and 17 NEGATIVE, it was voted to consider Article 33 at this time.

ARTICLE 33: Mr. Provenzano moved that the Town vote to amend its Zoning By-Law as shown in the Final Report and Recommendations of the Planning Board on the proposed "ZONING AMENDMENT OF M. JOSEPH LANDRY, ET AL."

To amend Map #1 Sagamore Quadrant by rezoning certain land from R25 Residential to Neighborhood Commercial for Lots 1194, 1195, 1195A, 5-14 and 5-15 on Assessors' Plat 122 as shown on "Phase 5, Definitive Plan of Land of Ponds of Plymouth", dated August 31, 1987, by Bradford Saivetz and Associates, defined on a plan dated November 1,

1989, prepared by Norwood Engineering, Co., Inc., on file with the Town Clerk.

Upon Consideration, this motion was voted UNANIMOUSLY — NOT TO PASS.

(SEE MINUTES OF APRIL 24 FOR FURTHER RE-CONSIDERATION)

ARTICLE 3: Mr. Provenzano moved that the Town authorize the Treasurer, with the approval of the Board of Selectmen, to borrow in anticipation of the revenue for the twelve month period beginning July 1, 1990, in accordance with Section 4 of Chapter 44 of the Massachusetts General Laws, as amended, of less than one year, in accordance with Section 17 of Chapter 44 of the Massachusetts General Laws. Mr. J. Kimball of the Finance Committee presented the data and information regarding this article.

It was VOTED UNANIMOUSLY to approve this motion.

ARTICLE 4: Mr. Provenzano moved that the Town vote, pursuant to Article 1, Section 4 of the Town By-Laws, to continue the following committees until the 1991 Annual Town Meeting:

Animal Shelter Study Committee — YES — UNANIMOUSLY

Public Works Facility Study Committee — YES — UNANIMOUSLY

Temporary Police Station Study Committee — YES — UNANIMOUSLY

Town Hall Study Committee — YES — UNANIMOUSLY

to continue the 1749 Court House Committe for three years — YES — UNANIMOUSLY

and further, to make changes in the membership of the following committees:

Permanent Land Use Study Committee — add the following: One (1) member of the Advisory and Finance Committee chosen from among the members; the Building/Zoning Inspector; and change "Executive Secretary" to "Executive Secretary or his designee." This portion of the Motion was PASSED — UNANIMOUSLY.

Plymouth Harbor Committee — Reduce membership to nine as follows: Harbormaster; 1 from the Chamber of Commerce; 1 Lobster Fisherman; 1 member of the Plymouth Yacht Club; 1 Master Mariner or Party Boat Owner; Four (4) Citizens at large, preferably dragger fisherman, pleasure boat owner, and boat yard operator, but no more than two (2) members from each of these last three categories. This portion of the motion was PASSED — UNANIMOUSLY.

ARTICLE 5: Mr. Santos of the Personnel Board moved that the Town vote to amend the Classification and Compensation Plans and the Personnel By-Law as recommended by the Personnel Board and outlined in a report from the Personnel Director to the Advisory and Finance Committee dated March 5, 1990; and that the folloing changes be incorporated into the Personnel By-Law effective July 1, 1990:

Town Accountant — adopt a revised job description and reclassify the position from S-17 to S-18. PASSED — UNANIMOUSLY.

Executive Director of P.D.I.C. — adopt a revised job description and reclassify the position from S-16 to S-17.

Mr. Provenzano moved to amend by voting to adopt the revised job description, but not to reclassify. This motion to amend Mr. Santos' motion was NOT PASSED.

Mr. Santos' original motion to adopt the new job description AND to Reclassify was then voted and PASSED.

Assistant to the Executive Secretary — adopt a revised job description, reclassify the position from S-15 to S-17, and change the title to Assistant Executive Secretary. PASSED — UNANIMOUSLY.

Assistant Director of Public Works — adopt a revised job description and change the job title to Operations Manager.

Mr. Provenzano moved to change the job title to "Assistant Director of Public Works/Operations Manager". This motion to amend Mr. Santos' motion was PASSED.

Mr. Santos' motion, as amended by Mr. Provenzano, was PASSED.

Waste Water Superintendent — Adopt a revised job description.

Mr. Provenzano moved to amend Mr. Santos' motion by adding that the position be reclassified to S-17. This motion PASSED.

Mr. Santos' motion, as amended by Mr. Provenzano, was PASSED — UNANIMOUSLY

Waste Water Laboratory Technician — Adopt a revised job description for the position.

Mr. Provenzano moved to amend Mr. Santos' motion by adding that the position be reclassified to S-13. This motion to amend was PASSED.

Mr. Santos' motion, as amended by Mr. Provenzano, was PASSED.

Water Superintendent — adopt a revised job description for the position.

Mr. Provenzano moved to amend Mr. Santos' motion by adding that the position is to be reclassified to S-17. This motion to amend was PASSED — UNANIMOUSLY.

Mr. Santos' motion, as amended by Mr. Provenzano was PASSED.

Assistant Beach Conservation Officer — Add a new job description and grade. (S-10).

Mr. Santos' motion was PASSED — UNANIMOUSLY.

ARTICLE 6: Mr. Provenzano moved to vote to fix the salaries of elected Town Officials beginning July 1, 1990, as follows:

| | |
|------------------------------|-----------|
| Moderator | \$ 300.00 |
| Chairman, Board of Selectmen | 3,000.00 |
| Selectmen, Others (Each) | 2,000.00 |
| Town Clerk | 18,226.00 |
| Town Treasurer | 18,226.00 |
| Town Collector | 39,000.00 |

Mr. Benjamin Brewster moved to amend the Moderators' salary figure from \$300.00 to \$350.00. This motion to amend did NOT PASS.

The original motion was voted and PASSED.

Mr. Harold Barufaldi moved to postpone action on Article 7 until the next adjourned session of Monday April 9 1990, and to consider Article 8 at this time. By vote of 60 in the Affirmative, and 15 in the Negative, it was so voted.

Mr. D. Malaguti questions a quorum.

An oral roll call showed 80 members present.

Mr. Walter Morrison moved to reconsider Article 33 at this time. This motion to reconsider did NOT PASS.

ARTICLE 8: Mr. Provenzano moved that the Town vote to raise and appropriate the sum of \$193,400.00 for the repair and/or purchase and/or lease and/or replacement of departmental equipment for the various departments as follows:

| ITEM | DEPARTMENT/ EQUIPMENT | COST |
|------|---|--------------|
| A. | Police — Eight (8) Police Cruisers | \$114,000.00 |
| B. | Police — Ten (10) Light Bars | 6,000.00 |
| C. | Police — Ten (10) Radios | 9,500.00 |
| F. | Police — Two (2) 4-Wheel Drive Vehicles | 39,500.00 |
| I. | Selectmen — Postage Machine | 9,300.00 |
| J. | Park — Tractor | 7,100.00 |
| K. | Park — Generator | 2,000.00 |
| L. | Engineering — Blue Line Print Machine | 6,000.00 |

This motion was PASSED — UNANIMOUSLY.

At 4:30 P.M. Mr. L. Gay moved to adjourn to Monday, April 9, 1990. So voted.

Annual Town Meeting Adjourned Session April 9, 1990

The adjourned session of the 1990 Annual Town Meeting was called to order at 7:37 P.M. by the Moderator, Clarence Krueger.

The number of Town Meeting Members present was 90, as reported by the checkers.

The Moderator declared a quorum present.

ARTICLE 7: Mr. Provenzano moved that the Town vote to raise and appropriate the sum of \$63,415,026.00 to provide for a Reserve Fund and to defray the expenses of the Town and for the purposes as listed in the Printed Report and Recommendations of the Plymouth Advisory and Finance Committee, and any amendments thereto voted, as follows:

\$ 33,882.67 shall come from State Aid to Libraries for Library — Salaries and Wages, Item #186.

- \$150,000.00 shall come from Overlay Surplus for the Reserve Fund, Item #11.
- \$ 60,000.00 shall come from Income from Cemetery Perpetual Care Funds for Cemetery — Salaries and Wages, Item #160.
- \$ 50,000.00 shall come from the Airport Revolving Fund for Airport — Salaries and Wages, Item #220.
- \$ 36,761.00 shall come from the Parking Meter Receipt Fund for Police — Salaries and Wages, Item #63.
- \$ 4,500.00 shall come from the Parking Meter Receipt Fund for Police — Building Maintenance/Parking Control — Supplies and Materials, Item #79.
- \$ 35,000.00 shall come from the Parking Meter Receipt Fund for Principal — Item #212.
- \$ 9,468.00 shall come from the Parking Meter Receipt Fund for Interest — Item #213.
- \$ 14,638.00 shall come from the Waterways Improvement Funds for Harbormaster — Salaries and Wages — Item #114.
- \$ 150.00 shall come from the Waterways Improvement Funds for Harbormaster — Waterfront Services, Salaries and Wages — (Uniforms) — Item #119.
- \$ 2,753.00 shall come from Receipts Reserve for Appropriation for the purpose of Administering the Wetland Protection Act for Conservation — Salaries and Wages — Item #46.

and the balance from the tax levy for the ensuing twelve month period beginning July 1, 1990.

This motion was PASSED.

ARTICLE 8: See prior session.

ARTICLE 9: Mr. Provenzano moved that the following items of Article 9 be considered and voted on as individual appropriations.

Item 1 — Mr. Provenzano moved that the Town raise and appropriate the sum of \$30,000. for the purchase of three (3) Transfer Station Containers, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 2 — That the Town raise and appropriate the sum of \$20,000. for the purchase of conducting the Public Works Study, Phase II, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 3 — No motion; and

Item 4 — That the Town vote to appropriate the sum of \$25,000. from the Stabilization Fund for the purpose of effectuating improvements to the Manomet Transfer Station, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 5 — That the Town vote to appropriate the sum of \$10,000. from the Sale of Lots and Graves Fund for the purpose of Cemetery Road Reconstruction, Phase Two, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 6 — No motion; and

Item 7 — That the Town vote to raise and appropriate the sum of \$10,000. to conduct a study of the South Street/Obery Street Intersection, said funds to be expended under the supervision of the Department of Public Works; and NO ACTION ON ITEM 7.

Item 8 — That the Town appropriate the sum of \$40,000. from Parking Meter Receipts, and raise and appropriate the sum of \$160,000. for the purpose of Water Street/Parking Reconstruction, Phase One, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 9 — That the Town appropriate the sum of \$50,000. from Free Cash for the purpose of effectuating sidewalk improvements, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 10 — No motion.

Item 11 — That the Town appropriate the sum of \$350,000. from the Stabilization Fund for the purpose of reconstructing Town Accepted Roads, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 12 — No motion.

Item 13 — No motion.

Item 14 — No motion.

Item 15 — That the Town raise and appropriate the sum of \$20,000. for the purchase of a Four-Wheel Drive Pickup Truck, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 16 — That the Town vote to appropriate the sum of \$53,000. from Free Cash for the purchase of a Dump Truck with plow, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 17 — No motion.

Item 18 — That the Town raise and appropriate the sum of \$15,000. for the purchase of a Van, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 19 — That the Town appropriate the sum of \$100,000. from Free Cash for the purchase of a Street Sweeper, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 20 — That the Town raise and appropriate the sum of \$24,000. for the purchase of two (2) Snow and Ice Control Sanders, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

At 11:10 P.M. Mr. Kenneth Tavares moved to adjourn to Tuesday, April 10, 1990, and it was so voted.

Annual Town Meeting

Adjourned Session

April 10, 1990

The Meeting was called to order by the Moderator, Clarence Krueger, at 7:45 P.M.

The number of Town Meeting Members present was 90, as reported by the checkers.

The Moderator declared a quorum present.

Mr. Provenzano moved to add Wednesday, April 11, 1990, to the schedule of adjourned sessions to be held.

So VOTED.

ARTICLE 9: (Cont.)

Item 21 — Mr. Provenzano moved that the Town raise and appropriate the sum of \$100,000 and appropriate the sum of \$80,000. from Free Cash for the purpose of constructing and equipping a Public Restroom and Information Center in the vicinity of Memorial Hall, said funds to be expended under the supervision of the Department of Public Works.

Mr. Ben Brewster moved to substitute his motion to amend by changing the figures in Item 21 to \$15,000. for architectural plans for a Restroom/Information Center; said funds to be raised and appropriated.

By vote of 48 AFFIRMATIVE, and 41 NEGATIVE, the motion of Mr. Brewster (to substitute his motion for consideration in place of the motion of Mr. Provenzano) was PASSED. (See reconsideration on April 23)

Item 22 — That the Town raise and appropriate the sum of \$115,000. for the purpose of removing asbestos and replacing a boiler at the Memorial Hall Building, said funds to be expended under the supervision of the Department of Public Works; and PASSED.

Item 23 — That the Town raise and appropriate the sum of \$23,000. for replacement of the curtains at Memorial Hall, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 24 — That the Town raise and appropriate the sum of \$15,000. for the purchase of a brush chipper, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 25 — No motion.

Item 26 — That the Town raise and appropriate the sum of \$95,000. for Jenny Pond Reconstruction, Phase I, said funds to be expended under the supervision of the Department of Public Works; and NOT PASSED.

Item 27 — That the Town raise and appropriate the sum of \$15,000. for the repair of clarifiers at the Sewer Plant, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 28 — That the Town raise and appropriate the sum of \$100,000. for Sewer System Rehabilitation, said funds to be expended under the supervision of the Department of Public Works; and PASSED.

Item 29 — That the Town raise and appropriate the sum of \$100,000. for the replacement of 3 Aerators, said funds to be expended under the supervision of the Department of Public Works; and PASSED.

Item 30 — That the Town raise and appropriate the sum of \$34,000. for the Billington Street Lift Station, said funds to be expended under the supervision of the Department of Public Works; and PASSED.

Item 31 — No motion.

Item 32 — That the Town raise and appropriate the sum of \$25,000. for the purchase of a Water Emergency Trailer Pump, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 33 — That the Town raise and appropriate the sum of \$150,000. for Water Main Replacement, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 34 — That the Town raise and appropriate the sum of \$120,000. for Corrosion Control in Manomet, said funds to be expended under the supervision of the Department of Public Works; and PASSED — UNANIMOUSLY.

Item 35 — That the Town appropriate the sum of \$130,000. from Free Cash for the purchase of a Brush Breaker, said funds to be expended under the supervision of the Fire Department; and PASSED — UNANIMOUSLY.

Item 36 — That the Town raise and appropriate the sum of \$20,000. to purchase a service truck, said funds to be expended under the supervision of the Fire Department; and PASSED — UNANIMOUSLY.

Item 37 — That the Town raise and appropriate the sum of \$48,000. for replacement of the Alarm Truck Chassis and Rehabilitate the Platform Unit, said funds to be expended under the supervision of the Fire Department; and PASSED — UNANIMOUSLY.

Item 38 — Mr. Russell Fry moves that the Town vote to appropriate the sum of \$350,000. for the purchase of approximately 11.35 acres of land shown as Lot 27 of Plat 44 and a portion of Lot 11D of Plat 43 of the Plymouth Assessors' Maps, and as shown on a plan entitled "Proposed Land Conveyance, State Road — Police Station, Plymouth, Massachusetts" prepared for Police Station Study Committee by Frederick J. Smith, Town Engineer, dated October 12, 1989, and on file at the Town Clerk's office; that to meet this appropriation the Treasurer with the approval of the Selectmen is authorized to borrow \$350,000. under G.L. c.44, S7(3), and

Mr. Fry also moved that the Town appropriate the sum of \$250,000. from Free Cash for the purpose of acquiring architectural services and

plans for a new police station, said funds to be expended under the jurisdiction of the Police Station Study Committee.

By vote of 15 Affirmative, and 71 NEGATIVE, this motion did NOT PASS.

Item 39 — No motion.

Item 40 — No motion.

Item 41 — Mr. Provenzano moved that the Town raise and appropriate the sum of \$55,000. and appropriate the sum of \$20,000. from the Waterways Fund for the purchase of a Patrol Boat, said funds to be expended under the supervision of the Harbormaster; and PASSED — UNANIMOUSLY.

Item 42 — No motion.

Item 43 — That the Town raise and appropriate the sum of \$81,000. for the replacement of a boiler and removal of asbestos at the Mount Pleasant School, said funds to be expended under the supervision of the Plymouth School Committee; and PASSED — UNANIMOUSLY.

Item 44 — That the Town vote to appropriate the sum of \$1,280,000. for reconstructing and making extraordinary repairs to school roofs; that to meet this appropriation the Treasurer with the approval of the Selectmen is authorized to borrow \$1,280,000. under G.L. c.44, S7(3A); and PASSED — UNANIMOUSLY.

Item 45 — That the Town raise and appropriate the sum of \$51,900. for exterior painting and replacement of Storm Windows at the Nathaniel Morton School, said funds to be expended under the supervision of the Plymouth School Committee; and PASSED — UNANIMOUSLY.

Item 46 — That the Town raise and appropriate the sum of \$34,775. from Free Cash for replacement of doors at the Nthaniel Morton School, said funds to be expended under the supervision of the Plymouth School Committee; and PASSED — UNANIMOUSLY.

Item 47 — No motion.

Item 48 — That the Town raise and appropriate the sum of \$20,000. for Electrical Improvements at the Nathaniel Morton School, said funds to be expended under the supervision of the Plymouth School Committee; and PASSED — UNANIMOUSLY.

Item 49 — That the Town raise and appropriate the sum of \$13,000. for walk and step repairs at the Nathaniel Morton School, said funds to be expended under the supervision of the Plymouth School Committee; and PASSED — UNANIMOUSLY.

Item 50 — That the Town raise and appropriate the sum of \$17,000. for Roof Replacement at the Manomet Elementary School, said funds to be expended under the supervision of the Plymouth School Committee; and PASSED — UNANIMOUSLY.

Item 51 — That the Town raise and appropriate the sum of \$18,000. to carpet corridors in the Manomet Elementary School, said funds to be expended under the supervision of the Plymouth School Committee; and PASSED — UNANIMOUSLY.

Item 52 — No motion.

Item 53 — No motion.

Item 54 — No motion.

Item 55 — No motion.

Item 56 — No motion.

Item 57 — Mr. Provenzano moved that the Town raise and appropriate the sum of \$17,000. to rehabilitate the heating system at Plymouth South High School, said funds to be expended under the supervision of the Plymouth-Carver Regional School District Committee; and

Dr. B. Sidman moved to substitute the figure of \$267,500. for Mr. Provenzano's figure, said funds to be raised and appropriated. This motion to amend was PASSED.

Mr. Provenzano's motion, as amended, was PASSED — UNANIMOUSLY.

Item 58 — Mr. Provenzano moved that the Town raise and appropriate the sum of \$30,000. to replace the Intercom System at Plymouth North High School, said funds to be expended under the supervision of the Plymouth-Carver Regional School District Committee; and PASSED — UNANIMOUSLY.

Item 59 — That the Town raise and appropriate the sum of \$30,000. for additional lightning rods at Plymouth South High School, said funds to be expended under the supervision of the Plymouth-Carver Regional School District Committee; and PASSED — UNANIMOUSLY.

Item 60 — That the Town raise and appropriate the sum of \$24,000. to purchase a 4x4 truck with plow for the Plymouth North High School, said funds to be expended under the supervision of the Plymouth-Carver Regional School District Committee; and PASSED — UNANIMOUSLY.

Item 61 — No motion.

Item 62 — That the Town vote to raise and appropriate the sum of \$16,500. for the purchase of a tractor/mower/snowblower for the Plymouth North High School, said funds to be expended under the supervision of the Plymouth-Carver Regional School District Committee; and PASSED — UNANIMOUSLY.

Item 63 — No motion.

Item 64 — Mrs. Bettencourt moved that the Town raise and appropriate the sum of \$88,750. for wheelchair lifts at Plymouth North High School. NOT PASSED.

Item 65 — Mr. Provenzano moved that the Town raise and appropriate the sum of \$16,000. for replacement of accordion walls at the Plymouth-Carver Intermediate School, said funds to be expended under the supervision of the Plymouth-Carver Regional School District Committee; and PASSED — UNANIMOUSLY.

Item 66 — That the Town raise and appropriate the sum of \$66,000. for replacement of carpet at the Plymouth-Carver Intermediate School, said funds to be expended under the supervision of the Plymouth-Carver Regional School District Committee; and PASSED — UNANIMOUSLY.

Item 67 — That the Town raise and appropriate the sum of \$49,000. for repair and sealing of the driveway and sidewalk at the Plymouth-Carver Intermediate School and the Plymouth North High School, said funds to be expended under the supervision of the Plymouth-Carver Regional School District Committee; and PASSED — UNANIMOUSLY.

Item 68 — No motion.

Item 69 — Mr. Provenzano moved that the Town raise and appropriate the sum of \$18,590. for a computer laboratory at the Plymouth North High School, said funds to be expended under the supervision of the Plymouth-Carver Regional School District Committee; and PASSED — UNANIMOUSLY.

Item 70 — No motion.

Item 71 — No motion.

Item 72 — No motion.

Item 73 — No motion.

Item 74 — Mr. Provenzano moved that the Town vote to appropriate the sum of \$15,000. from the Real Estate Fund, and appropriate from Free Cash the sum of \$235,000. for the purchase of approximately 10.27 acres of land shown as Lots 7-2 and 7-3 on a plan entitled "Compiled Plan of Lots #7-1, #7-2 and #7-3, Drew Road, Plymouth, Massachusetts", applicants Alexander Polvere, prepared by Shorey, Nims, and Bartlett, Inc., of Carver, MA., plan dated August 8, 1988, and on file in the Town Clerk's office, and Lots #7-4, #7-5 as shown on a plan entitled "Compiled Plan of Lots #7-4, #7-5 and #7-6, Drew Road, Plymouth, Massachusetts", applicant Alexander Polvere, prepared by Shorey, Nims, and Bartlett, Inc., of Carver, MA., plan dated August 9, 1988, on file in the Town Clerk's office, said funds to be expended under the jurisdiction of the Land Acquisition Committee; and

Mr. Ben Brewster moved to amend Mr. Provenzano's motion by stipulating that said land is to be incorporated into the Town Forest. This motion to amend was PASSED, UNANIMOUSLY

Mr. Provenzano's motion, as amended by Mr. Brewster, was then presented and PASSED — UNANIMOUSLY.

Item 75 — Mr. Triffletti moved to appropriate the sum of \$50,000. from Free Cash for improvements to drainage on Bay Shore Drive. This motion was PASSED.

Item 76 — No motion.

At 11:45 P.M., it was moved, and so voted, to adjourn to Wed., April 11, 1990, at 7:30 P.M.

Annual Town Meeting

Adjourned Session

April 11, 1990

The Meeting was called to order at 7:48 P.M. by the Moderator, Clarence Krueger.

The number of Town Meeting Members present was 81, as reported by the checkers.

The Moderator declared a quorum present.

ARTICLE 9: (Cont.)

Item 77 — Mr. Provenzano moved that the Town appropriate the sum of \$270,000. for laying water mains of not less than six inches in diameter in Lookout Point Road, Wamsutta Avenue, King Philip Road and a portion of Ellisville Road; that to meet this appropriation the Treasurer with the approval of the Selectmen is authorized to borrow \$270,000. under M.G.L. c.44, S8(5), and provided that the full cost be assessed pursuant to Article 23 of the Town By-Laws (Betterments).

Mr. Larry Ellis moved to substitute his motion by having Item 77 referred to the Board of Selectmen to report back at a future Town Meeting.

Mr. Ellis' motion, as substituted for the motion of Mr. Provenzano, was PASSED.

ARTICLE 10: VOTED: (UNANIMOUSLY) That the Town appropriate the sum of \$224,024. from available funds under Chapter 15 of the Acts of 1988, as the State's share of the cost of work under Chapter 90, Section 34 (2a) of the Massachusetts General Laws, said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 11: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$204,000. for the purpose of providing an ambulance service to the Town, as provided in Chapter 111C of the Massachusetts General Laws, said funds to be expended under the supervision of the Fire Chief.

ARTICLE 12: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$35,000. for the purpose of conducting an annual audit (Financial), said funds to be expended under the supervision of the Board of Selectmen.

ARTICLE 13: VOTED: (UNANIMOUSLY) That the Town accept an Equal Educational Opportunity Grant for Fiscal Year 1991, under the provisions of Section 5 of Chapter 70A of the Massachusetts General Laws; said funds to be expended under the supervision of the Plymouth School Committee for direct service expenditure.

ARTICLE 14: VOTED: (UNANIMOUSLY) That the Town accept an Equal Educational Opportunity Grant for Fiscal Year 1991, under the provisions of Section 5 of Chapter 70A of the Massachusetts General Laws, said funds to be expended under the supervision of the Plymouth-Carver Regional School District Committee, for direct service expenditures.

ARTICLE 15: VOTED: (UNANIMOUSLY) That the Town vote to raise and appropriate the sum of \$28,000. to sponsor or contribute to an area household hazardous waste collection day or other activity, said funds to be expended under the supervision of the Board of Selectmen.

ARTICLE 16: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$38,350. for the purpose of providing underground storage tank leak detection testing of Town-owned tanks, said funds to be expended under the supervision of the Fire Chief.

ARTICLE 17: Mr. Provenzano moved that the Town adopt a by-law prohibiting the transportation of the radioactive materials or waste on certain roadways within the Town as presented.

Mr. William Abbott moved to amend by changing Section 5.23 of the proposed by-law so that the words "Pilgrim Plant I" are substituted for the words "any nuclear facility".

This motion to amend did NOT PASS.

The original motion was presented and did NOT PASS.

At 10:15 P.M. there was a call for a quorum count. The checkers conducted a standing count, and there were 81 Town Meeting Members present at this time.

ARTICLE 18: Mrs. Thompson moved that the Town Meeting petition the General Court for special legislation, the intent of which shall be substantially as follows: Notwithstanding Chapter 138 of the General Laws or any other special or general law to the contrary, the Town of Plymouth is hereby authorized to insititute an alcohol server education program for all individuals and corporations authorized by the licensing authority to serve or sell alcoholic beverages on an annual or seasonal basis pursuant to Chapter 138. Completion of an alcohol server education program approved by the licensing authority shall be a condition of any license renewal, transfer or original license issuance. The licensing authority shall establish rules and regulations governing the implementation, administration and enforcement of the alcohol server education program. If a license holder is found to be no longer in compliance with the requirements of the alcohol server education program as established by the licensing authority, the licensing authority may revoke, suspend or otherwise modify said license after sixty days unless the license holder meets all the necessary requirements of the alcohol server education program.

This motion PASSED.

Mr. Provenzano moved that the body vote to hold the next adjourned session on Monday, April 23, 1990, if necessary at 7:30 P.M. in the same location.

SO VOTED.

ARTICLE 19: VOTED: (UNANIMOUSLY) That the Town change the custody of the land subject to an easement for drainage purposes, which is located on Lots 2-D-184 and 2-D-185 of Plat 130 of the Assessors' Maps, from being held by the Selectmen for drainage purposes ot being held by the Selectmen for purposes of abandonment, in consideration of the easement's relocation, said abandonment and relocation to be upon the following conditions, and further to authorize the Selectmen to abandon and accept said easements as aforementioned.

1. This easement will be relocated upon land owned by Norma E. Lane, 165 Lake Drive, Buttermilk Bay Shores;

2. The proposed construction required for relocation shall be the responsibility of Norma E. Lane. Said construction shall be completed and approved by the office of the Town Engineer prior to the formal release of the existing easements;

3. All fees, including survey, engineering, construction, legal and recording shall be borne by Norma E. Lane;

4. The Town will hold all original legal documents associated with the abandonment and relocation until the construction is complete and approved, at which time the Town will record the documents at the Plymouth County Registry of Deeds. The applicant shall prepay the recording fees by a check payable to the Plymouth County Registry of Deeds; and

5. All of the above shall be accomplished at least one hundred twenty (120) days after positive action at this Town Meeting.

This motion was PASSED.

ARTICLE 20: Mr. Provenzano moved that the Town amend the Town By-laws ARTICLE VIII — PLYMOUTH BEACHES, Section 8.20, PARKING RESTRICTIONS, as it relates to motor vehicles parking or traveling on White Horse Beach as follows:

Section Two:

No motor vehicle, truck, all terrain vehicle, or other such vehicle shall be allowed to park or travel on White Horse Beach from the boat launch area at the northernmost end of Taylor Avenue southward and running parallel to Taylor Avenue and ending at a point on White Horse Beach at the end of Taylor Avenue.

The only exceptions to this by-law are as follows:

1. The loading/unloading of a seacraft
2. The loading/unloading of commercial fishing equipment
3. The loading of seamoss by seamoss collectors
4. Owners or lessees of property that abut the beach area for emergencies only.

For exceptions 1 through 3, the vehicle must be removed from the beach upon completion of loading/unloading its cargo.

For exception 4, the vehicle must be removed upon passing of the emergency.

Section Three:

Any person who violates this by-law shall be fined \$100.00 for each offense.

Mr. S. Fairchild moved to amend by changing the words "1 through 3" to "1 and 3".

This motion to amend was PASSED.

The original motion, as amended was presented and did NOT PASS.

At 11:03 P.M., it was moved and so voted, to adjourn to Monday, April 23, 1990, at 7:30 P.M. in the same location.

Annual Town Meeting

Adjourned Session

April 23, 1990

ARTICLE 21: VOTED: (UNANIMOUSLY) That the Town accept and allow as Town Ways the following streets or portions thereof as laid out by the Board of Selectmen and reported to the Town:

ROAD

Dept. of Public Works

Mr. Kenneth Tavares moved to reconsider Article 9 — Item 21.

This motion to reconsider was PASSED.

ARTICLE 9 — Item 21 (Reconsideration)

Mr. Provenzano moved to substitute the following motion for the one originally presented and voted, as amended by Mr. Benjamin Brewster, at an earlier session.

This motion to substitute was PASSED — UNANIMOUSLY.

The new motion was VOTED: UNANIMOUSLY — That the Town raise and appropriate the sum of \$100,000. and appropriate the sum of \$80,000. from Free Cash for the purpose of constructing and equipping a Public Restroom and Information Center in the vicinity of Memorial Hall, upon the condition that \$15,000. of the above appropriation will be expended under the jurisdiction of the Department of Public Works for architectural plans, and the balance of \$165,000. will be encumbered and not expended until said plans are presented to a future Town Meeting for approval.

ARTICLE 22: Mr. Provenzano moved that the Town adopt certain rules and regulations promulgated by the Conservation Commission as it relates to wetlands protection.

The body voted to appoint Mr. Guy Dupont to act as Moderator Pro-Tem for Mr. Krueger, so that Mr. Krueger could speak on the matter before the Meeting.

Mr. MacGregor presented an explanation of the proposed by-law.

Mr. Randy Parker moved to amend by adding Section 13: EXEMPTIONS: Exempt from these rules and regulations are single family and two-family dwellings and additions thereto on any lot of record as of the effective date of these rules and regulations.

By vote of 42 AFFIRMATIVE, and 40 NEGATIVE, this motion to amend the proposed by-law was PASSED.

The original motion, as amended by Mr. Parker, was voted and PASSED.

ARTICLE 23: VOTED: (UNANIMOUSLY) That the Town amend the Zoning By-Law as shown in the Final Report and Recommendations of the Planning Board on the "CONSERVATION COMMISSION'S AMENDMENT TO THE ZONING BYLAW RELATIVE TO SECTION 401.17 AQUIFER PROTECTION DISTRICT."

ARTICLE 24: VOTED: (UNANIMOUSLY) That the Town amend the Zoning By-Law as shown in the Final Report and Recommendations of the Planning Board on the proposed "AMENDMENT TO THE ZONING BYLAW SO AS TO REZONE FROM R-20 MF (MULTIFAMILY) TO WF (WATERFRONT) CERTAIN LAND SHOWN ON ZONING MAPS 1 & 2 (PLYMOUTH QUADRANT) LOCATED OFF LOTHROP STREET, ON ASSESSORS' MAP 12".

ARTICLE 25: VOTED: (UNANIMOUSLY) That the Town amend its Zoning By-Law as shown in the Final Report and Recommendations of the Planning Board on the proposed "AMENDMENT TO THE ZONING BYLAW RELATIVE TO THE ESTABLISHMENT OF AN OFF-STREET PARKING FUND."

ARTICLE 26: VOTED: (UNANIMOUSLY) That the Town amend its Zoning By-Law as shown in the Final Report and Recommendations of the Planning Board on the proposed "AMENDMENT TO THE ZONING BYLAW RELATIVE TO PART III — GENERAL REGULATIONS".

ARTICLE 27: VOTED: (UNANIMOUSLY) That the Town amend its Zoning By-Law as shown in the Final Report and Recommendation of the Planning Board on the proposed "AMENDMENT TO THE ZONING BYLAW TO ESTABLISH A POSITION OF PLANNING BOARD ASSOCIATE MEMBER."

ARTICLE 28: VOTED: (UNANIMOUSLY) That the Town accept the provisions of Chapter 245 of the Acts of 1988 relative to the expenditure of subdivision bonds or deposits.

(Planning Board may now take up to \$25,000.00. This will increase the amount to \$100,000.00, as now allowed under the Massachusetts General Laws.)

ARTICLE 29: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$5,000. to engage a consultant to perform a study to investigate the possibility of expanding the existing historic district, said funds to be expended under the jurisdiction of the Plymouth Historic District Commission.

ARTICLE 30: VOTED: That the Town establish a seven (7) member permanent committee to be known as the Visitor Services Board for the purpose of recommending the expenditure of municipal funds used for marketing, promotion and visitor services within the Town.

Said Visitor Service Board to be appointed by the Board of Selectmen for three year overlapping terms and to be composed as follows:

— One representative of retail interests;

The following appointees are not to be officers, directors, trustees, partners or employees of the organizations recommending their membership:

- One member nominated by the Plymouth Area Chamber of Commerce

- One member nominated by the Plymouth Development and Industrial Commission

- One member nominated by the Plymouth County Development Council

- Three (3) citizens at large, preferably with experience in marketing, promotions, tourist services industries, hotel management, transportation systems, planning, economic development, publishing, or graphic arts;

and that a Temporary Chairman be designated by the Board of Selectmen.

ARTICLE 31: Mrs. Thompson moved that the Town Meeting vote to authorize the Board of Selectmen to petition the Massachusetts General Court for Special Legislation, the content of which shall be substantially as follows:

SPECIAL ACT OF THE LEGISLATURE
Plymouth Parking Authority

This motion did NOT PASS.

At 11:25 P.M. it was moved, and so voted, to adjourn to April 24, 1990.

Annual Town Meeting Adjourned Session April 24, 1990

The Meeting was called to order at 8:00 P.M. by the Moderator, Clarence Krueger.

The number of Town Meeting Members present was 80, as reported by the checkers.

The Moderator declared a quorum present.

ARTICLE 32: Mr. Provenzano moved that the Town authorize the Board of Selectmen to petition the Massachusetts General Court for authority to establish a "Town of Plymouth Affordable Housing Fund"; said legislation to be enacted substantially as follows:

TOWN OF PLYMOUTH AFFORDABLE HOUSING FUND

Said fund to be used for the creation, retention or maintenance of affordable housing in the Town of Plymouth, for rental or buyer assistance to households of low or moderate income as defined by the Department of Housing and Urban Development or its successor(s), to conduct planning, feasibility or land use studies as may be required from time to time to further the interests of affordable housing production, or for the acquisition of land which may be used by the Town of Plymouth

for the development of affordable housing, or for the development of said housing in conjunction with meeting other public purposes. To finance said fund, the Town Treasurer, with the approval of the Board of Selectmen, shall deposit receipts from certain sources, including the sale or lease of corporate municipal property; deposits made with the Town by developers of property owners who may contribute to said fund in lieu of developing and building affordable housing; contributions to the fund by private individuals, businesses, foundations, charitable organizations or corporations; or transfers or appropriations of municipal revenues as may be authorized by Town Meeting; and furthermore, to authorize the Board of Selectmen to expend from said fund without further appropriation by Town Meeting, provided any expenditures so made are consistent with the purposes specified herein

A. Cotti Amendment NOT PASSED.

By vote of 40 AFFIRMATIVE, and 38 NEGATIVE, this motion was PASSED, as originally presented.

Charlotte Collins questions the presence of a quorum, and a subsequent standing count shows 80 members present.

Mr. Randy Parker moved that the Town meeting reconsider Article 33. This motion PASSED.

After considerable discussion Mr. M. Malone moved that the body limit debate on Article 33. This requiring a 2/3 vote, the motion to limit debate did not pass, by vote of 44 Affirmative, and 35 Negative.

After further debate, the original motion was presented for action. By vote of 37 AFFIRMATIVE, and 43 NEGATIVE, this motion did NOT PASS.

ARTICLE 34: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$7,500. to support South Shore Women's Center upon the condition that South Shore Women's Center and the Board of Selectmen enter into a duly executed contract in conformity with the anti-aid provisions of the Massachusetts Constitution and Massachusetts General Laws, Chapter 41, Section 56. Said funds are to be expended under the jurisdiction of the Board of Selectmen.

ARTICLE 35: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$2,000.00 to support Plymouth County Rape Crisis Center upon the condition that Plymouth County Rape Crisis Center and the Board of Selectmen enter into a duly executed contract in conformity with the anti-aid provisions of the Massachusetts Constitution and Massachusetts General Laws, Chapter 41, Section 56. Said funds are to be expended under the jurisdiction of the Board of Selectmen.

ARTICLE 36: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$10,000. to support the Mayflower Mental Health Association, Inc., upon the condition that Mayflower Mental Health Association, Inc., and the Board of Selectmen enter into a duly executed contract in conformity with the anti-aid provisions of the Massachusetts Constitution and Massachusetts General Laws, Chapter 41, Section 56. Said funds are to be expended under the jurisdiction of the Board of Selectmen.

ARTICLE 37: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$5,500. to support the Plymouth Coalition for the Homeless upon the condition that the Plymouth Coalition for the Homeless and the Board of Selectmen enter into a duly executed contract in conformity with the anti-aid provisions of the Massachusetts Constitution and Massachusetts General Laws, Chapter 41, Section 56. Said funds are to be expended under the jurisdiction of the Board of Selectmen.

ARTICLE 38: Mr. William Burke moved that the Town vote to install a traffic light on Route 44 in the region of Route 80 and the Purity Supreme Mall, or take any other action relative thereto.

After discussion, Mr. Burke moved to withdraw his motion, and it was so voted.

ARTICLE 39: NO ACTION.

Mr. Malguti moved to reconsider Article 7, Item 118.

The motion for reconsideration did NOT PASS.

ARTICLE 40: NO ACTION.

ARTICLE 41: NO ACTION.

ARTICLE 42: NO ACTION.

ARTICLE 43: NO ACTION.

ARTICLE 44: NO ACTION.

ARTICLE 45: Mr. Provenzano moved that the Town vote to transfer to the custody of the Board of Selectmen for the purpose of sale, two parcels of Town-owned land, shown as Lots 113A and 113F of Plat 20 of the Plymouth Assessors' Maps, and further

Mr. Provenzano moved that the town vote to authorize the Board of Selectmen to convey said parcels to the Landmark Bank for Savings, for the sum of \$2,331.75, upon conditions to be determined by the Board of Selectmen, including but not limited to:

1. The Landmark Bank will be responsible to insure that the former spring remains capped to prevent use and any liability associated with the spring will be borne by the Landmark Bank for Savings;

2. Any existing rights that may be held by surrounding property owners will be maintained;

3. The Landmark Bank is responsible for any and all legal fees and expenses associated with this conveyance, and with preparing deeds for execution.

By vote of 25 AFFIRMATIVE, and 53 NEGATIVE, this motion did NOT PASS.

ARTICLE 46: NO ACTION.

ARTICLE 47: VOTED: (UNANIMOUSLY) That the Town transfer to the custody of the Board of Selectmen for the purpose of sale, certain parcels of Town-owned land, shown as Lots L55-153B, L55-154, L55-278 and L55-279B of Plat 27 of the Plymouth Assessors' Maps, and further,

Mr. Provenzano moved that the Town authorize the Board of

Selectmen to convey said parcels to Paul DiSalvatore for the sum of \$1,996.90 and upon conditions to be determined by the Board of Selectmen, including but not limited to the buyer assuming all legal and recording costs connected with the conveyance and that the parcels conveyed are not to be used for commercial purposes or as a residential dwelling.

ARTICLE 48: NO ACTION.

ARTICLE 49: NO ACTION.

ARTICLE 50: NO ACTION.

ARTICLE 51: NO ACTION.

At 10:40 P.M. Mr. Benjamin Brewster moved to adjourn and dissolve this Annual Town Meeting — So VOTED.

Annual Town Election

April 28, 1990

Pursuant to the foregoing warrant I have this day notified and warned the Inhabitants of Plymouth qualified to vote in elections and Town affairs, to meet in said Plymouth on Monday, the first day of October, 1990, at 7:30 P.M. in the Plymouth North High School, by posting copies of this warrant in the Town Office Building and in a public place in each precinct.

s/ Jeffrey B. Peck
CONSTABLE
Town of Plymouth

Precinct Caucuses

October 1, 1990

On Oct. 1, 1990, at 7:00 P.M. a caucus of Precinct 11 was held at the Plymouth North High School. At this time, the members present had no candidate to present, and therefore, no member was elected.

On Oct. 1, 1990, at 7:15 P.M., the members of Precinct 13 held a caucus. There were 5 members present, with William Burke serving as clerk. At this time Mr. Robert Gregory was elected to serve until the next election. This candidate was nominated by Lucille King, and the nomination was seconded by Mr. David Healy.

On Oct. 1, 1990, at 7:34 P.M. Precinct 12 held a caucus at the Plymouth North High School. There were 4 members present and voting. Mr. James Pomarole of 14 Ashberry St. was nominated and unanimously appointed to serve until the next election. Mr. George Parker served as clerk.

Special Town Meeting

October 1, 1990

The Special Town Meeting was called to order at 7:40 P.M. by the Moderator Clarence Krueger.

The number of Town Meeting Members present was 82, as reported by the checkers.

The Moderator declared a quorum present.

The Moderator led the body in the Pledge of Allegiance.

Mr. William Griffin made opening remarks and presented the Board of Selectmen's message.

The Town Clerk, Mr. Edward B. Maccaferri, Jr., administered the oath to all newly-elected Town Meeting Members.

ARTICLE 1: Mr. Provenzano moved that the Town vote to amend the appropriations voted under **Article 7** of the **1990** Annual Town Meeting by reducing budgetary appropriations made under the following line items:

\$343,934.00 from the Selectmen's Budget, Salaries & Wages Item #3.
 \$ 1,200.00 from the Selectmen's Budget, Out-of-State Travel, Item #7.
 \$ 20,000.00 from the Workers' Compensation Budget, Item #215.
 \$ 23,220.00 from the DPW Park Div. Budget, Salaries & Wages, Item #204.
 \$ 18,144.00 from the DPW Sewer Div. Budget, Salaries & Wages, Item #221.
 \$ 7,200.00 from the DPW Cemetery Div. Budget, Salaries & Wages, Item #160.
 \$216,771.00 from the Plymouth School Budget, Item #126.
 \$ 97,691.00 from the Plymouth-Carver Regional School District Operating Assessment, Item #127.

and further, by transferring as available funds \$200,000.00 from Free Cash; and the following monies, which are the balances of previous appropriations:

\$ 30,000.00 shall be transferred from Article 10 of the 1984 Annual Town Meeting.
 \$ 13,000.00 shall be transferred from Article 54 of the 1987 Annual Town Meeting.
 \$ 40,000.00 shall be transferred from Article 9, Item P of the 1988 Annual Town Meeting.
 \$ 72,915.00 shall be transferred from Article 9, Item JJJ of the 1988 Annual Town Meeting.
 \$ 7,150.00 shall be transferred from Article 9, Item III of the 1988 Annual Town Meeting.
 \$ 13,293.00 shall be transferred from Article 9, Item 59 of the 1988 Annual Town Meeting.
 \$ 28,148.00 shall be transferred from Article 9, Item 60 of the 1989 Annual Town Meeting.
 \$ 6,083.00 shall be transferred from Article 9, Item 68 of the 1989 Annual Town Meeting.
 \$ 3,000.00 shall be transferred from Article 19 of the 1989 Annual Town Meeting.
 \$ 9,000.00 shall be transferred from Article 9, Item 19 of the 1990 Annual Town Meeting.
 \$ 7,000.00 shall be transferred from Article 9, Item 20 of the 1990 Annual Town Meeting.
 \$ 46,575.00 shall be transferred from Article 9, Item 45 of the 1990 Annual Town Meeting.
 \$ 34,775.00 shall be transferred from Article 9, Item 46 of the 1990 Annual Town Meeting.

- \$ 10,980.00 shall be transferred from Article 9, Item 48 of the 1990 Annual Town Meeting.
- \$ 2,046.00 shall be transferred from Article 9, Item 49 of the 1990 Annual Town Meeting.
- \$ 500.00 shall be transferred from Article 9, Item 58 of the 1990 Annual Town Meeting.
- \$ 850.00 shall be transferred from Article 9, Item 62 of the 1990 Annual Town Meeting.
- \$ 4,067.00 shall be transferred from Article 9, Item 65 of the 1990 Annual Town Meeting.
- \$ 15,933.00 shall be transferred from Article 9, Item 66 of the 1990 Annual Town Meeting.
- \$ 9,509.00 shall be transferred from Article 9, Item 67 of the 1990 Annual Town Meeting.
- \$ 9,000.00 shall be transferred from Article 12, of the 1990 Annual Town Meeting.

Mr. Eugene Lane moved the first Item be discussed and voted separately.

This motion was PASSED.

After lengthy discussion, Mr. Lane moved to act on the question.

This motion was withdrawn by him, as several other members wished to present data and ask questions.

Mr. Eugene Lane moved that the vote on the first Item be taken by roll call.

This motion did NOT PASS.

Mr. Provenzano's motion, as relates to the first Item, was presented and voted.

This motion to delete \$343,934. from the Selectmen's Budget, Salaries and Wages, did NOT PASS. (Voice vote)

Seven members having questioned the voice vote, the Moderator called for a standing vote.

By vote of 29 AFFIRMATIVE, and 39 NEGATIVE, the motion to delete the above-referenced amount did NOT PASS. (Therefore, the funds are retained in the Selectmen's Budget, Salaries & Wages)

There was a question from the floor challenging the presence of a quorum.

Roll Call showed 78 members present in the hall.

Mr. Provenzano's motion regarding the remaining reductions in appropriations voted under Article 7, was voted and PASSED.

Mr. Provenzano's motion to transfer as available funds \$200,000 from Free Cash was voted and PASSED.

Mr. Tavares moved that action on the next Item (\$30,000. to be transferred from Article 10 of the 1984 Annual Town Meeting — Jesse's Boat Yard drainage) be taken separately.

This motion to take separate action was voted and PASSED.

Mr. Provenzano's motion to transfer \$30,000. from Article 10 of the 1984 Annual Town Meeting was voted and did NOT PASS.

At 10:11 P.M. Ms. Pat McCarthy questioned the presence of a quorum.

Roll Call showed an attendance of 77 Town Meeting Members. Since the established number of Town Meeting Members necessary to constitute a quorum is 78, the Moderator declared the Meeting adjourned because of a lack of quorum.

The next adjourned session of the Special Town Meeting was scheduled for Tuesday, October 2, at 7:30 P.M. in the Plymouth North High School.

Special Town Meeting

October 2, 1990

The adjourned session was scheduled for 7:30 P.M.

At 8:00 P.M. there were 75 Town Meeting Members present.

At 8:15 P.M. a roll call of attendance was taken, showing 74 Members present.

At this time, the Moderator declared the meeting dismissed because of lack of a quorum.

Next scheduled adjourned session to be held on October 9, 1990, at 7:30 P.M. in the Plymouth North High School.

Special Town Meeting

October 9, 1990

The Special Town Meeting was called to order at 7:42 P.M. by the Moderator, Clarence Krueger.

The number of Town Meeting Members present was 85, as reported by the checkers.

The Moderator declared a quorum present.

Mr. Richard Serkey moved to reconsider Item 1 of the first article, (still open.)

This motion to reconsider was PASSED.

After further discussion, the motion to reduce the Selectmen's Budget, Salaries and Wages, by \$343,934.00 was re-voted and did NOT PASS.

Mr. Eugene Lane moved to delete \$50,000.00 from Article 9, Item 75, of the 1990 Annual Town Meeting (Bay Shore Drive Drainage)

This motion did NOT PASS.

Mr. Eugene Lane moved to delete \$100,000.00 from Article 9, Item 9T, of the Annual Town Meeting of 1988, (Long Pond Road design).

This motion PASSED.

Mr. Eugene Lane moved to delete \$235,000.00 from Article 9, Item 74, of the 1990 Annual Town Meeting (Polvare Land Purchase).

This motion PASSED.

Mr. Randy Parker moved to amend by deleting various and sundry items from previously funded budget appropriations.

At this point it was suggested that said budgets be examined by the Town Accountant and Department heads so as to be certain that the amounts referred to in Mr. Parker's motion to amend are actually still available.

To this end, the Moderator declared a recess for conferring with the Town Accountant.

After recess, Mr. Bruce Allen questions the presence of a quorum.

A standing count shows 81 Town Meeting Members present.

Mr. Parker's motion to amend by transferring as available funds various amounts from prior-funded articles is as follows:

| | |
|-------------|--|
| \$ 60.00 | shall be transferred from Article 8 of the 1990 Annual Town Meeting (Postage machine) |
| \$ 2,106.00 | shall be transferred from Article 8 of the 1990 Annual Town Meeting (Police Cruisers) |
| \$ 692.00 | shall be transferred from Article 8 of the 1990 Annual Town Meeting (Police radios) |
| \$ 790.00 | shall be transferred from Article 8 of the 1990 Annual Town Meeting (Police vehicles — 4 WD) |
| \$ 2,755.00 | shall be transferred from Article 8 of the 1990 Annual Town Meeting (Blue Line Print Machine) |
| \$ 83.35 | shall be transferred from Article 9, Item 13 of the 1989 Annual Town Meeting (DPW Highway Road Reconstruction) |
| \$ 1,195.56 | shall be transferred from Article 9, Item 16, of the 1990 Annual Town Meeting (Dump Truck w/plow — DPW Maint) |
| \$ 629.16 | shall be transferred from Article 41 of the 1986 Annual Town Meeting (PARK — Dredging of Bangs Pond) |
| \$ 4.05 | Shall be transferred from Article 8 of the 1990 Annual Town Meeting (Park Generator) |
| \$ 8,315.12 | TOTAL |

Mr. Eugene Lane moved that the Town vote separately on the item transferring \$9,000.00 from Article 12 of the 1990 Annual Town Meeting (Audit).

This motion for separate vote did NOT PASS.

All remaining items of Mr. Provenzano's motion (from item regarding transfer of \$13,000.00 from Article 54 of the 1987 Annual Town Meeting through final item of his original motion) were voted and PASSED.

Brian Whitfield moved to reconsider Item 1 of the article for the purpose of transferring \$30,000.00 from the Selectmen's Budget, Salaries and Wages.

This motion to reconsider Item 1 did NOT PASS. (Voice vote)

Seven Members having questioned the Moderator's decision on the voice vote, the Moderator called for a standing count.

By vote of 24 Affirmative, and 59 NEGATIVE, the motion to reconsider Item 1 did NOT PASS.

Dorothy Barnes moved to reconsider the item regarding Article 10 of the 1984 Annual Town Meeting (Jesse's Boat Yard Drainage).

This motion to reconsider did NOT PASS.

Mr. MacKenzie moved to amend Mr. Porvenzano's motion by adding — That the Town vote to transfer as available funds the amount of \$30,618.88 from Article 9, Item 21, of the 1990 Annual Town Meeting (Restrooms by Memorial Hall).

This motion PASSED.

ARTICLE 2: Mr. Provenzano moved that the Town vote to rescind action taken under the following articles of the 1990 Annual Town Meeting, which funded the projects listed:

Article 9, Item 43 in the sum of \$81,000.00

Article 9, Item 50 in the sum of \$17,000.00

Article 9, Item 51 in the sum of \$18,000.00

Article 9, Item 59 in the sum of \$30,000.00

This motion was PASSED.

ARTICLE 3: Mr. S. Fairchild moved that the Town Meeting pass a resolution as to "Sense of the Meeting" regarding whether a non-binding referendum regarding the siting of a Federal Prison should be placed on the ballot for the Annual Election in 1991, at the latest.

This motion was PASSED.

At 9:55 P.M. Mr. B. Brewster moved to adjourn and dissolve this Special Town Meeting.

So Voted.

Special Town Meeting Warrant

December 3, 1990

To any of the constables of the Town of Plymouth, Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Monday, the Third Day of December, 1990, at 7:30 P.M., to act on the following articles to wit:

ARTICLE 1: To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-Law, including Collective Bargaining Agreements, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 2: To see what action the Town will take to amend Article 6 of the 1990 Annual Town Meeting with regard to the salaries of elected Town officials, or take any other action relative thereto.

SECTION 108, CHAPTER 41, MGL

ARTICLE 3: To see if the Town will vote to transfer a sum of money to fund certain collective bargaining agreements and other departmental expenses, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 4: To see what action the Town will take with regard to the payment of certain unpaid bills as follows:

| ITEM | DEPARTMENT/ | CREDITOR | AMOUNT |
|------|-------------|------------------------------|-------------|
| A. | Police | University Hospital | \$18,453.16 |
| B. | Police | F. Finkelstein MD | 233.10 |
| C. | Police | Boston Pain & Anesthesia | 1,441.00 |
| D. | Police | U.H. Cardiac & Thoracic | 6,930.00 |
| E. | Police | Plymouth Cardiovascular | 313.08 |
| F. | Police | Plymouth Cardiovascular | 41.00 |
| G. | Police | Milton Hospital | 345.43 |
| H. | Police | Braintree Hospital | 504.49 |
| I. | Police | Braintree Hospital | 2,946.26 |
| J. | Police | South Shore Hospital | 279.90 |
| K. | Police | Jordan Cardiology | 239.78 |
| L. | Police | Radiology Assoc. of Plymouth | 10.00 |
| M. | Town Clerk | Hutchinson, Fox Inc. | 1,995.90 |

to transfer a sum of money therefor, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 5: To see if the Town will authorize the Board of Selectmen to amend the Plymouth Home Rule Charter, as described in the report of the Charter Amendment Review Committee, to increase the size of the Representative Town Meeting and decrease the quorum requirement, to establish the Town Manager/Board of Selectmen/Representative Town Meeting form of government and a consolidated Department of Finance

and Department of Planning and Development and to establish the offices of Treasurer, Collector and Town Clerk as appointed rather than elected positions, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 6: To see if the Town will vote to make certain changes to the Plymouth By-laws, Chapter 1 — Town Meeting, or take any other action relative thereto.

ARTICLE 7: To see if the Town will vote to amend the Comprehensive Plan entitled "Refined Village Centers Plan", as adopted on May 27, 1980, as amended, by adding to that plan a document entitled "Manomet Village Master Plan," dated November, 1990, or take any other action relative thereto.

PLANNING BOARD

ARTICLE 8: To see if the Town will vote to accept the provisions of Massachusetts General Law Chapter 32, Section 22D, relative to the Plymouth Contributory Retirement System becoming a funding system.

RETIREMENT BOARD

ARTICLE 9: To see if the Town will vote to approve the plans for the new visitor information/public restroom facility in the vicinity of Memorial Hall voted under Article 9-21 of the 1990 Annual Town Meeting, or take any other action relative thereto.

OFFICE OF COMMUNITY DEVELOPMENT

ARTICLE 10: To see if the Town will vote to authorize the use of the construction funds voted in Article 9-21 of the 1990 Annual Town Meeting for the relocation and rehabilitation of the Loring Library as the visitor information booth/public restroom facility.

OFFICE OF COMMUNITY DEVELOPMENT

ARTICLE 11: To see if the Town will vote to accept 22.37 acres (Plat 125, Lot 5) from the Atlantic West Properties Realty Trust as part of the requirement of the growth management provisions of the zoning by-law, or take any other action relative thereto.

PLANNING BOARD

ARTICLE 12: To see if the Town will vote to appropriate a sum of money from the Parking Meter Receipt Fund to purchase parking tickets, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 13: To see if the Town will vote to transfer a sum of money from the Water Management Plan appropriated under Article 17 of the November, 1989 Special Town Meeting to the Water Master Plan appropriated under Article 33 of the April, 1988 Annual Town Meeting, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 14: To see if the Town will vote to amend the zoning by-law Section 401.14 — "Industrial" to expand the uses provided therein, or take any other action relative thereto.

PLYMOUTH COUNTY COMMISSIONERS

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof, fourteen days at least before such meeting, in the Town Office Building and in a public place in each precinct and make return thereof with your doings thereon

at the time and place above mentioned.

Given under our hands this the Thirteen Day of November, 1990.

Approved as to
Legal Form and Content

s/ Leonard Kopelman
Town Counsel

BOARD OF SELECTMEN

s/ Samuel H. Butterfield

s/ George W. Cameron

s/ Linda Sam Lenox

s/ Alba C. Thompson

s/ Bruce Arons
Chairman

Plymouth, s.s.

November 16, 1990

Pursuant to the foregoing warrant, I have this day notified and warned the Inhabitants of Plymouth, qualified to vote in elections and Town affairs, to meet in said Plymouth on Saturday, the Third Day of December, 1990, at 7:30 P.M., at the Plymouth North High School, by posting copies of this warrant in the Town Office Building and in a public place in each precinct.

s/ Jeffrey B. Peck
CONSTABLE
Town of Plymouth

Precinct Caucus

Monday, December 3, 1990

On this date Precinct #11 held a caucus in the Plymouth North High School at 7:05 P.M. There were 5 Town Meeting Members present, and at this time they nominated and elected Sidney Shuman of 4 Deer Hill Lane and Carolyn Collins of 119 So. Meadow Road to serve as Town Meeting Members from Precinct #11 until the next election in May, 1991.

Special Town Meeting

December 3, 1990

The Special Town Meeting was called to order at 7:35 P.M. by the Moderator, Clarence Krueger.

The number of Town Meeting Members present was 89, as reported by the checkers.

The Moderator declared a quorum present.

The Moderator led the body in the Pledge of Allegiance.

The Town Clerk, Mr. Edward B. Maccaferri, Jr., swore in the two newly-elected Town Meeting Members, and any others wishing to renew their oath.

ARTICLE 1: VOTED: (UNANIMOUSLY) That the Town amend its Classification and Compensation Plans and incorporate by reference the Collective Bargaining Agreements approved by the Board of Selectmen and representatives of:

Secretarial/Clerical Workers — N A G E #279

Department of Public Works — A F S C M E Local #2824

Dispatchers — A F S C M E Local #2824

Library workers — A F S C M E Local #2824

Superior Officers — A F S C M E Local #2824 (Police)

including all changes, including salaries in said agreements retroactive to July 1, 1990, and to run through June 30, 1991;

and futher —

to increase salaries for the S-group, permanent part-time employees covered under "Schedule D", and the Police Captain by 5.3% effective July 1, 1990;

to increase the salary of the Library Pages to \$4.50 per hour effective July 1, 1990; and to amend the Personnel By-law, Section 15, Sick Leave, to increase allowable sick leave accumulation from 165 to 180 days.

ARTICLE 2: Mr. Provenzano moved that the Town vote to amend action taken under Article 6 of the 1990 Annual Town Meeting and fix the salaries of Elected Town Officials as follows:

| | |
|-----------------|-----------|
| Town Collector: | \$41,067. |
| Town Clerk: | 19,192. |
| Town Treasurer: | 19,192. |

By voice vote, this motion was PASSED; however, on advice of Town Counsel, a standing vote was taken so as to verify a 2/3 majority. The standing vote was 69 AFFIRMATIVE, and 14 NEGATIVE.

ARTICLE 3: Mr. Provenzano moved that the Town vote to transfer the sum of:

- \$344,098. from the Selectmen's Salary Reserve to various departments, for salaries and wages as listed on the Finance Committee's Report, "December 3, 1990, Special Town Meeting, Amounts to Add to Budgets."
- \$ 70,000. from DPW Division Budget to the DPW Maintenance and Water Divisions to fund fuel and utility expenses as listed on the above-referenced report;
- \$ 25,000. from Police Department Salaries and Wages to Police Department, Gasoline and oil, as listed on the above-referenced report.

Mr. Walter Morrison moved to amend Mr. Provenzano's motion by reducing the amount to be deducted from Selectmen, Salary Reserve, by the sum of \$8,785.00 and transferring this sum from the Airport Revolving Fund.

This motion to amend was PASSED — UNANIMOUSLY.

Mr. Provenzano's motion, as amended by Mr. Morrison, was moved and PASSED — UNANIMOUSLY.

ARTICLE 4: VOTED: (UNANIMOUSLY) That the Town appropriate the sum of \$26,702.95 from free cash for the payment of certain unpaid bills of the Town as follows:

| ITEM | DEPARTMENT | CREDITOR | AMOUNT |
|-------|------------|------------------------------|-------------|
| A. | Police | University Hospital | \$18,453.16 |
| B. | Police | F. Finkelstein, M.D. | 233.10 |
| C. | Police | Boston Pain & Anesthesia | 1,441.00 |
| D. | Police | U H Cardiac & Thoracic | 2,846.00 |
| E. | Police | Plymouth Cardiovascular | 313.08 |
| F. | Police | Plymouth Cardiovascular | 41.00 |
| G. | Police | Milton Hospital | 345.43 |
| H. | Police | Braintree Hospital | 504.49 |
| J. | Police | South Shore Hospital | 279.90 |
| K. | Police | Jordan Cardiology | 239.89 |
| L. | Police | Radiology Assoc. of Plymouth | 10.00 |
| M. | Town Clerk | Hutchinson, Fox, Inc. | 1,995.90 |
| Total | | | \$26,702.95 |

ARTICLE 5: Mr. Provenzano moved that the Town authorize the Board of Selectmen to petition the General Court to amend the Plymouth Home Rule Charter, substantially as described in the report of the Charter Amendment Review Committee,

“CHAPTER 2 REPRESENTATIVE TOWN MEETING” as amended, to increase the size of the Representative Town Meeting and to decrease the quorum requirement,

“CHAPTER 1 POWERS OF THE TOWN” as amended,

“CHAPTER 3 THE EXECUTIVE BRANCH: THE BOARD OF SELECTMEN AND THE TOWN MANAGER” by substituting an entirely new chapter, and deleting the final sentence in Section 3-5-1 a,

“CHAPTER 4 ELECTED TOWN BOARD AND OFFICERS” as amended,

“CHAPTER 6 FINANCE” as amended,

“CHAPTER 8 GENERAL PROVISIONS” as amended,

“CHAPTER 9 TRANSITIONAL PROVISIONS,” as amended.

Selectman Samuel Butterfield presented the charter Amendment Review committee report.

Mr. Provenzano moved to divide the motion regarding Article 5 so that the provisions for Chapter 2 are considered separately from the rest of the article.

This motion was PASSED.

Mr. Butterfield moved that the Town Meeting consider Chapter 2 after all the other Chapters have been acted upon.

This motion did NOT PASS.

Mr. William Burke moved to amend Chapter 2 by changing the quorum to 70 and retaining 104 Town Meeting Members.

This motion did NOT PASS.

Mr. Bruce Arons moved to amend Article 5 by including a CHAPTER 7: "PLANNING AND DEVELOPMENT" as outlined in the report to Town Meeting entitled "FINAL PROPOSALS FOR CHARTER AMENDMENTS", and by inserting the last sentence of Section 3-5-1a.

This motion was PASSED — UNANIMOUSLY.

Mr. James Bell moved to vote on Section 2-3-5 on Chapter 2 separately.

This motion did NOT PASS.

Chapter 2 was presented for consideration and by voice vote did NOT PASS.

At least seven Town Meeting Members questioned the vote.

By standing vote, the count being 29 AFFIRMATIVE and 58 NEGATIVE, the motion to accept Chapter 2 did NOT PASS.

Mr. Provenzano's motion as regards to Chapters 1, 3, 4, 6, and 8, with the addition of Chapter 7, as amended by Mr. Arons, was voted and PASSED.

Mr. Provenzano moved that an adjourned session of this Special Town Meeting be held on Wed., December 5, 1990, at the Plymouth SOUTH High School.

This motion was PASSED.

At 11:10 P.M. it was moved and voted to adjourn until Dec. 5, 1990, at 7:30 P.M.

Special Town Meeting December 5, 1990

On Dec. 5, 1990, there being no quorum present, the Moderator declared "Lack of a quorum" based on a roll call taken by the Town Clerk, Edward B. Maccaferri, Jr., at 8:15 P.M. This roll call showed 71 Town Meeting Members present. Those present voted to adjourn to the Plymouth North High School on Wed., Dec. 12, 1990, at 7:30 P.M.

Special Town Meeting December 12, 1990

The adjourned session of the Special Town Meeting was called to order at 7:40 P.M. by the Moderator, Clarence Krueger.

The number of Town Meeting Members present was 87, as reported by the checkers.

The Moderator declared a quorum present.

Mr. R. Serkey moved to reconsider December 3, 1990, vote of this Special Town Meeting not to amend Chapter 2 (Representative Town Meeting) of the Plymouth Town Charter by amending said Chapter 2 as follows:

A. Replace current Section 2-3-2, which reads as follows: "The quorum necessary for the conduct of any business shall be seventy-five percent of the established Town Meeting membership. A smaller number than the established quorum, however, shall adjourn any meeting forthwith, to a stated date, time and place"

with the following:

"The quorum necessary for the conduct of any business shall be seventy members. A smaller number than the established quorum, however, shall adjourn any meeting forthwith to a stated date, time and place."

B. Replace current Section 2-8-1, which reads as follows: "All town officers, the Executive Secretary, the town engineer, chairmen of the boards and commissions, or their designated representatives, and department heads, shall attend all sessions of the representative town meeting. They shall have all the privileges of representative town meeting members, except the power to vote unless they have been elected to the office of town meeting member. The absence of any such person shall not invalidate the actions of the town meeting."

with the following:

"All town officers, the town manager, the town engineer, chairpersons of the advisory and finance committee and of all boards and commissions or their designated representatives, and department heads, shall attend all sessions of the representative town meeting. They shall have all the privileges of representative town meeting members except the power to vote unless they have been elected to the office of town meeting member. The absence of any such person shall not invalidate the actions of the town meeting."

On Mr. Serkey's motion to reconsider Article 5, it was so VOTED.

Mr. S. Triffletti moved to consider Proposal A and Proposal B separately.

This motion was NOT PASSED.

Mr. Serkey's motion to amend Chapter 2 as stated above was voted and PASSED.

Mr. Pomarole moved to reconsider Article 5 regarding Chapter 3 — this did NOT PASS.

ARTICLE 6: NO ACTION ON ARTICLE 6.

ARTICLE 7: VOTED: That the Town amend the Comprehensive Plan entitled "Refined Village Centers Plan", as adopted on May 27, 1980, as amended, by adding to that plan a document entitled "Manomet Village Master Plan," dated November, 1990.

Mr. Parker moved that the following corrections be incorporated into the Manomet Village Master Plan as presented:

Page 24, the final sentence continuing on to page 25, to now read as follows:

"It is recommended that the Selectmen appoint the Plymouth Historic District Commission as the Historic District Committee for Manomet".

Page 25, Paragraph 1, Lines 4 & 5, to now read as follows:

"If Town Meeting approves the District the Plymouth Historic District Commission should manage this District."

Page 25, second to the last paragraph, to now refer to the Plymouth Historic Commission.

Page 31, fourth paragraph, to now read as follows:

"The Plymouth Historic Commission should explore the possibility of creating other historic districts and conduct an inventory of historically significant sites throughout Manomet."

ARTICLE 8: VOTED: That the Town vote to accept the provisions of Massachusetts General Laws Chapter 32, Section 22D, effective December 23, 1990.

ARTICLE 9: Mr. Provenzano moved that the Town approve the plans for the new information/public restroom facility in the vicinity of Memorial Hall, voted under Article 9-21 of the 1990 Annual Town Meeting.

This motion did NOT PASS.

ARTICLE 10: No action on Article 10.

ARTICLE 11: VOTED: (UNANIMOUSLY) That the Town accept 22.37 acres (Plat 125, Lot 5) from the Atlantic West Properties Realty Trust; custody of said land to be held by the Board of Selectmen for "municipal purposes", and conveyance of the gift to be at no cost to the Town.

ARTICLE 12: VOTED: That the Town appropriate the sum of \$3,114.71 from the Parking Meter Receipt Fund for the purchase of parking tickets.

ARTICLE 13: VOTED: (UNANIMOUSLY) That the Town transfer the sum of \$20,000. from the Water Management Plan appropriated under Article 17 of the November, 1989, Special Town Meeting to the Water Master Plan appropriated under Article 33 of the April 1988 Annual Town Meeting.

ARTICLE 14: No Motion, therefore no action, under Article 14.

Mr. William Abbott addressed the Town Meeting and proposed that they vote to accept a resolution expressing the Town Meeting's opposition to the siting of an airport within the Town of Plymouth.

Mr. Abbott read his resolution into the record, and the Town Meeting voted to accept this resolution and ask the Board of Selectmen to present same to the Massachusetts Aeronautics Commission.

RESOLUTION

BE IT RESOLVED:

That it is the sense of this Town Meeting, as the duly-elected representatives of the citizens of the Town of Plymouth, that the construction and operation of a major airport within the Town of Plymouth, as contemplated by the Massachusetts Aeronautics Commission — indicated by their selection of two (2) sites in Plymouth and the inclusion of same on a list of eleven (11) sites in Massachusetts

proposed for a second airport — is contrary to the best interests of the Town of Plymouth

because of the extreme unmitigated adverse impacts of such airport on the Plymouth environment, our sole source aquifer and our other natural resources; and

because of the incompatibility of such airport with other land uses in the vicinity of the proposed sites such as, but not limited to, the nuclear power plant; and

because of the severe lack of adequate transportation access to such airport; and

because of the devastating impact of such airport on our community, our neighborhoods, and our very quality of life;

and the Board of Selectmen are hereby authorized to present this Resolution to said Massachusetts Aeronautics Commission.

By virtue of ONE DISSENTING VOTE, all others voting in the AFFIRMATIVE, this resolution was PASSED.

Edward B. Maccaferri, Jr.
Town Clerk

At 10:00 P.M., Mr. Benjamin Brewster moved to adjourn and dissolve this Special Town Meeting.

It was SO VOTED.

BOARD OF SELECTMEN

The report of the Board of Selectmen for the year 1990 is respectfully submitted to the citizens of Plymouth. The Board of Selectmen experienced considerable change in 1990 when longtime members David Malaguti and George "Tim" Butters chose not to seek reelection in April. After a hard fought campaign, Linda SAM Lenox and Sam Butterfield were elected to fill the vacancies on the Board. Alba Thompson was again chosen by her fellow board members to serve as chairman of the board. However, in September Mrs. Thompson chose to relinquish her chairmanship and Bruce Arons assumed the post of chairman. On a staff level, Assistant Executive Secretary Robert Canevazzi resigned to accept the position of Executive Secretary for the Town of Seekonk and Eleanor Seaton Beth was selected to replace Mr. Canevazzi. Ms. Beth brings to the assistant's position a wealth of municipal management experience and has already assumed an important role in the administration of town affairs.

The 1990 annual town election again saw the voters of Plymouth reject the town council-town manager form of government. Several other charter amendments, including a recall provision and a change in the date of the annual election to the second Saturday of May, were approved.

The town was fortunate in late winter of 1990 to retain its "Aa" bond rating from Moody's Investment Service. While that rating, one of the highest offered by Moody's, is important for debt issuance purposes, it also indicated Wall Street's confidence in the financial condition of Plymouth during a period of economic decline and financial crisis for the Commonwealth of Massachusetts. The economic climate and state financial crisis did require some operating and capital budget reductions for general government and education at the November special town meeting.

Following the annual town election, the Board of Selectmen embarked on its process of establishing short and long term goals for the town. Of those nineteen goals, the following are of particular note:

To insure continued adherence to the Attorney General's interim order addressing the town's wastewater treatment system and to continue the wastewater facility planning process.

To establish a working group to develop proposed changes to the town charter.

To support the implementation of the downtown/waterfront master plan.

To improve the recruitment process for volunteers to serve on boards, commissions and committees.

In addition to goal setting, the Board worked with department heads on the establishment of departmental objectives and the Executive Secretary initiated performance appraisals with department heads utilizing an evaluation instrument developed jointly by the Personnel Director and a department head task force.

The need to address the town's wastewater treatment system continues to be a high priority of the Board of Selectmen. The rapid growth of Plymouth during the past two decades together with an aging system has rendered the town's sewer system out of compliance with state and federal regulations. Legal sanctions have been imposed by the state's Attorney General to require the town to bring the system into full compliance with state and federal regulations. Considerable progress has been made to address the conditions set forth by Attorney General. The last major hurdle is the completion of the Cordage and Harbor Interceptor project in the fall of 1991. The receipt of lower than expected construction bids and the eligibility for state financial assistance for this project insures that the fiscal impact of this project on sewer users will be considerably less than originally estimated. In an effort to expedite the planning process for an expanded wastewater treatment and disposal system, the town agreed to submit the project under the Massachusetts Environment Protection Act (MEPA) guidelines.

As a result of many hours of study and deliberation, the Charter Amendment Advisory Committee created by the Board of Selectmen presented to the November town meeting a series of sweeping changes to the town's administrative structure. Central among those changes were the creation of a strong town manager position, the consolidation of all financial departments and the consolidation of all planning and development departments. Those charter amendments were overwhelmingly endorsed by town meeting and will be the subject of action by the Massachusetts General Court and placed before Plymouth voters at the 1991 annual town election. A reduction in the quorum for town meeting was also endorsed by town meeting members.

To support the implementation of the downtown/waterfront master plan, several initiatives were implemented by the Board of Selectmen. An application for the Main Street Program was prepared on behalf of the Board of Selectmen by the Office of Community Development and funded by the Executive Office of Communities and Development. Central to that program was the creation of the private, nonprofit Downtown/Harbor Corporation and the appointment by the corporation of the Main Street Manager. In an effort to coordinate and enhance the town's tourism promotion effort, the Board of Selectmen proposed and town meeting created the Visitor Services Board. That board is now in place to prepare and administer a tourism strategic plan.

Critical to the town's ability to serve its citizens and deliver efficient and effective municipal services is the recruitment of volunteers to serve on town boards, commissions and committees. Through the publication of a "Volunteer Response Form" in the Old Colony Memorial and the development of a volunteer database, many new and creative citizens are serving the town in a variety of capacities. Anyone wishing to receive a Volunteer Response Form is encouraged to contact the Selectmen's office.

In the area of transportation, the Board of Selectmen continued to support the reestablishment of the Old Colony Railroad for commuter rail service to Boston. The Board firmly supports the construction of a small station at the Cordage complex and a major parking facility in Kingston. The initiation of commuter rail service to Boston will not only greatly benefit Plymouth residents who work in the Boston area, but it

will also allow the town to establish a transportation link from North Plymouth to Plymouth Center.

The announcement by the Massachusetts Aeronautics Commission that several areas of Plymouth were being considered as sites for a second major airport in Massachusetts resulted in the creation of an ad-hoc task force to oppose any such siting. That task force continues to examine the environmental and sociological impacts of a facility that would forever negatively impact the quality of life in Plymouth.

In an effort to address the spiraling costs of employee pensions, the Plymouth Contributory Retirement Board and Board of Selectmen brought to the November special town meeting a recommendation that the town institute a funding plan for the town's unfunded pension liability of over \$20 million. That plan was strongly endorsed by town meeting and will commence in Fiscal 1992.

With the long-awaited court action relative to former police chief Richard Nagle being completed, the Board of Selectmen initiated the civil service process to select a new police chief. The retirement of Fire Chief Eugene Rasori has also caused the Board to commence the civil service process to select a new fire chief. The Board of Selectmen wishes to make note of the exemplary career of Chief Rasori and to wish him well in his retirement.

Special mention of the retirement of town employees John Holmes and Harold Strassel is also made. As Assistant Director of Public Works and Wastewater Superintendent respectfully, Mr. Holmes and Mr. Strassel were dedicated and respected employees who will be sorely missed.

Other major areas of concern during 1990 included the proposed construction of a federal detention center on county property, the expansion of the county prison facilities, the completion of the town's solid waste study, and the rising costs of health insurance, electricity and fuels.

In closing, the Board of Selectmen wishes to acknowledge all town employees who retired or otherwise left town employment during 1990. It also wishes to thank our town employees for their dedication to duty and commitment to quality, and to recognize the literally hundreds of volunteer members of boards, commissions and committees who serve this town with distinction and are listed elsewhere in this town report. Through the collective effort of our employees and volunteers, the town will weather this economical recession and be prepared to deal with this ever-changing world. Finally, the Board extends its prayers to the men and women serving our country in the Middle East and to the soldiers' families at home. You make us very proud.

FINANCE

Accounting

The following is the annual report of the Town Accountant for the fiscal year ending June 30, 1990 in compliance with Chapter 41, Sections 50, 53, 58, 60 and 61 of the General Laws of the Commonwealth of Massachusetts. The report of the independent auditors, David Verdolino, CPA will be available for public inspection at the Town Hall in the Selectmen's office. It includes:

Schedule A - Revenue & Expenditures

Schedule B - Appropriations

Schedule C - Estimated Receipts

Schedule D - Combined Balance Sheet

Schedule E - Funded Indebtedness

Schedule F - Authorized & Unissued Debt

Schedule G - Borrowing Capacity

Assessors

The office of the Board of Assessors continued with a very busy schedule during 1990 as a result of the conversion of the Town of Plymouth to the new computer system and the certification of the Fiscal 1990 values by the Department of Revenue. The first half of the Fiscal 1990 real estate tax bills were mailed on November 28, 1989 and were due on December 30, 1989. The second half of the bills were printed and mailed on March 30, 1990 with payment due on May 1, 1990.

On March 5, 1990 the Board of Selectmen appointed Mr. William Bows as Part-Time Assessor to replace Mr. Robert Collins. Mr. Bows was formerly the Lister/Appraiser for the Assessors Office. Ms. Anne Driscoll, a clerk in the Assessors Office, was appointed by the Board of Selectmen on March 5, 1990 to the position of Lister/Appraiser. Mrs. Helen Kirkness was appointed by the Board of Selectmen on April 23, 1990 as a clerk to replace Ms. Driscoll.

Because of the economy in the state and the drop in the real estate market, this office concentrated on an extensive study of the 1989 sales to prepare the data for the next fiscal billing. The Assessors Office along with Infocel, the new computer software vendor, and Littles Associates, Inc., the commerical consultant, continued working with the new programs and data to prepare for the next certification by the Department of Revenue in Fiscal 1993.

The Assessors Office has played an active part in conducting a cost/benefit analysis study on the new quarterly tax payment system that was adopted by area towns according the Section 41, Chapter 653 of the Acts of 1989.

The Board of Assessors would like to commend the combined effort of the staff in this office for their hard work throughout the year.

Data Processing

This department continues to grow with the needs of the town departments' computer services.

The Water and Sewer Divisions of the Department of Public Works received new software this fall and have begun to produce their first bills early this winter. The goal under this new product is to be billing utilities over a twelve month period but only bill each customer twice a year in six month cycles.

We have just completed a system upgrade, which will bring us up to the latest version available for our system. It also allows us the benefit of upgrades of our Infocel software, in the Accounting, Assessors and Collection Departments.

We presently have the capability of 46 users being connected to the main frame system. Of these some 12 users are connected to Infocel "Word Connection", a type of word processing. These include staff of the Selectmen, Board of Health, Board of Appeals, Planning Board, Building, Water and Sewer.

As more departments begin to use the system, they are finding the data base of various programs, such as the Assessors', useful to them for statistics, labels, etc. As years go by, this data will become a history file for future reference.

This department is responsible for the coordinating of all town departments utilizing the main frame computer, as well as the printing of all bills to residents. We process approximately 30,000 real estate and personal property bills as well as auto excise.

We would like to thank all departments for their patience and understanding during this past year.

Town Treasury

Fiscal 1990 was a year of increasing needs in debt management and cash management. Several of the town's approved projects were in progress or initiated. The Treasurer's authority to borrow was used throughout the year to keep up with the cash needs of the projects. All temporary bond issues of various due dates were consolidated throughout the year and a permanent bond was issued on March 1, 1990 in the amount of \$5,790,000.00. This bond will be completely retired in the year 2005. The Rating Committee of Moody's Investors Service assigned a rating of Aa for the bond. Moody's Investors Service described the rating as follows: "Bonds which are rated Aa are judged to be of high quality by all standards."

Throughout the fiscal period the Treasurer took an aggressive approach to investing the town's available funds. Funds were invested and maintained in various regional banks and maintained for liquidity and yield. Earnings and yields were reported regularly at Cash Management Committee meetings and were consistently above our objective of yields higher than three month Treasury bills. Consolidation of the town's trust funds facilitated investing in certificates of deposit to gain a yield higher than municipal money markets while maintaining a high degree of liquidity and safety.

PERSONNEL DEPARTMENT

During 1990, the Personnel Department continued to improve, develop and provide more efficient human resource services in the areas of benefits administration, compensation, employee relations, employment, and labor relations for 472 permanent full-time and part-time employees. In addition this department provides benefit program services to 186 municipal retirees and their spouses.

The overall goal of the Personnel Department continues to be to reduce costs while maintaining the efficient delivery and level of services to our employee and retiree population.

Benefits Administration

Much focus was given to the spiraling cost of health care for our employees and retirees. We continue to utilize the professional services of Insurance Cost Control for third party payment, reinsurance, consulting and management services. ICC saved town government and schools \$238,624.08 by monitoring claims for recoveries.

Many other steps were taken to reduce or maintain the many costs associated with health care. At the same time, a great deal of time and resources were committed to educating employees, retirees and the public concerning health care and health care costs.

Some of the specific steps that were taken in an attempt to reduce or maintain health care costs are listed below.

- On July 1, 1990, all Medicare eligible retirees were carved-out of the pension group and put in separate groups identifying their Medicare eligibility. These carve-out groups were established to ensure that Medicare is billed as the primary insurance provider. Once Medicare has made the appropriate payments, Blue Cross would provide secondary coverage.
- During 1990, Blue Cross informed the town that they would no longer provide reinsurance at the \$45,000 level. The minimum level offered would be \$75,000 at the same cost for the previous year's \$45,000 level. The town, through Insurance Cost Control, solicited bids for reinsurance and identified another carrier to supply a \$60,000 reinsurance level at the same cost that Blue Cross had quoted the town for the \$75,000 level.
- A Blue Cross membership update was completed. This had not been done for over five years. Updating the membership list provided the opportunity to remove dependents who are no longer eligible for benefits under the town's plan.
- A request was made to Blue Cross to consider a Joint Purchase Agreement between the Town of Plymouth and the Plymouth-Carver Regional School District. A joint Purchase Agreement would lower the administrative fee charged by Blue Cross. Blue Cross refused to underwrite the agreement. Their denial was based on

their experience with this type of arrangement and their opinion that it really is not a viable solution to health care cost containment.

- During the year, CURA (Visiting Nurse Association) was on-site to conduct free blood pressure, blood sugar, and cholesterol screening for all employees. Employee response was excellent.
- AccuMed, a workers' compensation auditing firm, was retained to review all active police and fire injured on duty and retired injured on duty medical claims. Their services ensure that the town does not pay in excess of the maximum allowable rates of payment issued by the Commonwealth of Massachusetts Rate Setting Commission. After only seven months of services, AccuMed has saved the town 37.4% of the total cost submitted for these medical claims.
- During 1990 partnerships were developed with many of the local medical providers who are treating town employees for job-related injuries. These ongoing relationships have resulted in the establishment of better case management procedures to monitor injured on duty and worker's compensation claims.

Compensation

Reclassified and revised job descriptions were developed for six key positions: Wastewater Laboratory Technician, Wastewater Superintendent, Water Superintendent, Assistant Executive Secretary, Town Accountant, and Executive Director — PDIC.

Employee Relations

The Performance Appraisal System for department heads was designed, developed and implemented with great success. Every town department head received a formal written appraisal by the Executive Secretary. The purpose of the system is to promote communication between the department head and the Executive Secretary, evaluate and document the yearly performance, and enhance employee development.

The Performance Appraisal System will be introduced to the next level of professional workers this year.

Employment

All employment opportunities were coordinated through the Personnel Department. A total of 24 permanent new employees were hired to replace employees who either terminated or retired from their employment with the town and over 100 seasonal employees were employed to meet the demands of the various seasons as well as the population increase during the summer months. Additionally, twelve employees were either promoted or transferred within the organization.

A new hire orientation booklet was designed, developed and distributed to all town employees. The booklet originally designed for new hires was so well received that the Board of Selectmen recommended that the booklet be distributed to all town employees. The booklet contains town policies, procedures, rules and regulations, an explanation of benefit entitlements and options, significant information concerning the cost of health care and health care tips to promote the maintenance of good health.

Employment policies and procedures were developed and implemented on the following subjects: military leave, drug and alcohol, and termination including exit interviews. Additionally, Town Rules and Regulations were updated and expanded.

Labor Relations

One-year contract settlements were reached with the Clerical Workers, Department of Public Works, Library Workers, Superior Officers, and Dispatchers. This is the first year that Labor Counsel did not participate in the collective bargaining process for these groups.

PLANNING & DEVELOPMENT

Planning

The year 1990 was one of adjustment for the Planning Board and the Planning Department, as the downward cycle of the economy brought both challenge and opportunity. The membership of both the board and staff remained unchanged as Malcolm A. MacGregor was re-elected to a five year term.

The board held 29 scheduled meetings and met additionally in conjunction with other boards and committees.

Subdivision Control

In administering its duties under the Massachusetts Subdivision Control Law, the board approved three Definitive Plans totalling 19 building lots. Also reviewed were 69 Approval Not Required Plans. While the submission of new subdivision plans was well below the pace established in the 1980's, the board continued to have an important role as many previously approved developments completed construction.

The board worked closely this year with both developers and troubled banks to work out uncompleted projects acceptably. This involved careful monitoring and the flexible administration of conservative performance guarantees. We are pleased to report that no public funds have been used to meet developer's responsibilities to local residents.

A significant amendment to the Subdivision Rules and Regulations was adopted which involves the maintenance of improvements. A requirement was imposed this year that developers establish a mechanism at the time of approval to ensure long term maintenance of streets, drainage and utilities. This will help to control public costs while protecting neighborhood safety and property values.

Zoning Bylaw

The Planning Board submitted 79 reports on applications to the Board of Appeals. Each of these cases involved review research and the filing of a written recommendation. Some of the major projects included:

MILL SQUARE — Located on Water Street between Howland Street and Chilton Street, this renovation of two mill buildings was the year's major waterfront investment. Included were a restaurant, bank, retail stores, whaling museum, and parking improvements.

SUNSET BAY REALTY TRUST — Located on Industrial Park Road, this 9,000 square foot office building associated with Bartlett Nuclear was a reassuring sign for the Industrial Park.

COACHMAN VILLAGE — This modification to a Retirement Mobile Home Planned Unit Development on Route 44 included plans for an 18 hole executive golf course and country club.

In addition, the board sponsored and received approval from Town Meeting of four amendments to the Zoning Bylaw. These involved site plan review, off street parking, and the rezoning of land on Water Street from commercial use, as well as the appointment of an Associate Member to serve on the board. Mr. Eric P. Cody was subsequently appointed to serve as an alternate on Special Permit applications.

Plymouth County

Along with other town agencies, the board was closely involved this year with the Plymouth County Commissioners in assessing the most appropriate use for a prominent piece of county-owned land off Long Pond Road, adjacent to Route 3. The appropriate long term use of this parcel was reviewed in light of specific proposals, including the development of a Federal Detention Facility and a rezoning to allow for Arterial Commercial use. This important debate will certainly extend into the coming years.

Master Plan Update and Implementation

The board worked closely this year with the Office of Community Development and the newly formed Downtown/Harbor Corporation on the implementation of the Plymouth Center/Waterfront Area Plan adopted in November of 1989. The revitalization of our downtown has become an issue of particular concern and will require an increasing amount of attention.

In the spring of this year the board established the Manomet Village Task Force. This seven member committee worked diligently throughout the summer months with the planning staff to develop a Master Plan for the Village of Manomet. This document was endorsed by Town Meeting in November as an element of the town's Comprehensive Plan. We are pleased to have assisted in this important project and look forward to similar efforts in the remaining Village Centers.

Office of Community Development

With increased grant resources from state and federal agencies, Plymouth's community development office expanded its services to the town during 1990. Consistent with the town's interest in a comprehensive planning and development approach, this department's programs formally expanded to include an improved housing services system, economic development boosts for the downtown/waterfront area, and social services for the town's neediest residents.

The office was responsible for helping the town obtain an additional \$550,000 in FY 1990 Massachusetts Small Cities Program funds and a \$53,000 grant from the Massachusetts Main Street Program, both funded by the federal Community Development Block Grant system; and a \$100,000 grant from the HUD Rental Rehabilitation Program. Many of these funds are used by the town to finance mortgage loans for low-income homeowners and landlords who house low-income tenants throughout the community.

Other monies will be used to develop architectural design guidelines for the Plymouth Center/Waterfront Area, finance storefront and business sign improvement projects in that district, and conduct a market study that will help identify the types of businesses likely to succeed downtown. By the close of 1990, economic conditions in the downtown/waterfront area had worsened considerably — a function of an unabating recession and the downtown's own need to re-examine its role in a growing Plymouth. With the help of the National and Massachusetts Main Street Centers and the fine work of the Plymouth Downtown/Harbor Corporation, Plymouth will one day have a social, cultural, economic and governmental center restored in its downtown district.

To facilitate local response to issues recognized by our grant sources as worthy projects, this office has also helped many town committees whose purposes touch on community development issues. The new Visitor Services Board and Plymouth Housing Partnership work closely with the Office of Community Development, and there is now a Community Development Advisory Council to help plan and implement annual Block Grant allocations to Plymouth. We also work collaboratively with the Downtown/Harbor Corporation on central business district revitalization strategies.

Plymouth is one of 35 Massachusetts communities receiving Block Grant funds competitively awarded by the Executive Office of Communities and Development.

Conservation Commission

The Conservation Commission consists of seven volunteer members, who are appointed by the Board of Selectmen. Assisted by a Conservation Administrator, they are charged with the protection of Plymouth's natural environmental resources. The summary of some of the Conservation Commission's responsibilities is as follows:

Under the Conservation Commission Act, General Laws of Massachusetts, Chapter 40, section 8C, the commission seeks to acquire and promote our natural resources by receiving donations or purchasing land and by managing existing land for passive recreation and/or protective buffers to developed land areas. The commission also strives to protect our coastal banks which reach up to 130 feet above the bay and our watershed resources, i.e. wetlands and waterways such as the ocean ponds, streams, marshes, swamps, bogs and isolated vegetated wetlands.

The majority of the commission's time is spent regulating activities in or near wetlands, which, if unchecked, may cause great harm to our underlying aquifer, to our fish, wildlife and plant species, to our property from flood and storm damage and to the general quality of life. To accomplish this, the commission uses the Wetlands Protection Act, M.G.L. Chapter 131, section 40, the Town Wetlands Protection Bylaw (Article #27), and other environmental/conservation laws and their corresponding regulations.

This year the commission processed over seventy permits with only one denial and dozens of jurisdictional opinions for work proposed in or

near wetlands or resource areas. The new Plymouth Wetland Bylaw Regulations were approved at the April Town Meeting. The commission developed the regulations in order to clarify the intent of the Wetlands Bylaw, to establish standard definitions, uniform procedures for the Conservation Commission to follow, and to provide more guidance to anyone wishing to work within an area subject to jurisdiction under the bylaw. The regulations thus complement the bylaw. In addition, they are also used in conjunction with State Wetlands Protection Act and regulations, making it easier to follow the permit process.

The commission acquired two parcels of land on Plymouth Long Beach totaling nearly one acre this year. The two donated parcels are adjacent to existing conservation land with frontage on both Warren's Cove and Plymouth Harbor. The commission continues to pursue land acquisitions and/or restrictive easements in unique areas of land for future generations to appreciate and receive benefit.

For the third year, the Conservation Commission sponsored the state Coastal Zone Management (CZM) Coastweek's Beach Cleanup event on Nelson and White Horse Beaches. Well deserved thanks is given to the Appalachian Mountain Club, the Plymouth Carver Intermediate School Environmental Club, the Eaglehill School and the other concerned people for their participation. Please come and help in September of 1991. Along with this, the commission has joined forces with the Plymouth Carver Intermediate School to sweep sections of Nelson and White Horse Beaches and Warren's Cove (just south of Long Beach) during the four seasons. The students will pick up all trash found on the beach and log by category the numbers of each item onto data sheets (example: 15 paper plates, 30 plastic cups, etc.). Later, this information will be put into a computer and analyzed for seasonal changes over the years, the source, ways to stop pollution, etc.

Several changes occurred in the Conservation Commission this year. Ms. Kathryn Barnicle and Mr. Jay Wennemer filled the openings on the commission left by Mr. Robert Balboni and Mr. Joseph Feroli. The commission is grateful for several years of support and expertise from these two gentlemen.

The commission and staff wish to thank their assistant members, all the boards, departments, commissions and committees from the Town of Plymouth and the various local, state, county and federal agencies and organizations for their assistance this past year.

Design Review

The Design Review Board examined 87 projects during 1990. The board's purpose is to consider the visual impact of new construction or alterations on their neighboring properties and the cumulative impact of these projects on the high quality standards we would like to have in Plymouth.

The board met on Wednesday evenings, twice per month in the beginning of 1990 and an average of once per month at the end of the year.

Some of the larger projects reviewed in 1990 have come to be known as "Harbour Place" on the waterfront. The old Mill building or Candle Shop has been renovated into Isaac's Restaurant, the Laundry Building for Governor Bradford will become a whaling museum, along with the addition of a banking kiosk near the existing parking lot. We enjoy perhaps the finest and most open waterfront of any municipality in the Commonwealth. Our waterfront is an integral part of whatever degree of success the town may enjoy. Accordingly, this area receives great attention from our board, and we work closely with property owners along the waterfront to ensure its continued integrity and vitality.

We reviewed a number of proposals for the State Road area. This is one area of town that is experiencing a surge of development. We are anxious for quality developments, and are sensitive to the idea that State Road not become a new Route 44. Toward that end, we worked closely with the developers of the new supermarket, Mr. Olavo DeMacedo for an automobile facility, and several other smaller projects.

We also reviewed plans submitted by Landmark Bank for Savings at 34-36 Main Street Extension. They propose to convert the vacant office building formerly known as the Old Colony Theatre into a dormitory style "Assisted Living Facility". This would be for the elderly who need assistance, but not medical care.

Many proposals reviewed were from inventive businessmen redesigning previously approved plans to keep them economically feasible with our current economy. Revisions in the Zoning By-Law have also helped by allowing residential uses in General Commercial Zones.

This board has found many real challenges finding pleasing designs for such functional uses as service station canopies, radio towers, etc., which are necessities but not necessarily pleasing to the eye. Sometimes the only alternative is to make these items as invisible as possible, using the proper locations, colors, and other inventive options.

Our board looks forward to the upcoming challenges of 1991 and will continue to be the watchdog for good design in Plymouth.

Plymouth Development and Industrial Commission

The Plymouth Development and Industrial Commission (PDIC) is pleased to submit its annual report for 1990.

During 1990, the PDIC experienced the addition of two new volunteer members to the commission and the loss of three, whose experience and dedication provided a benefit to the community. Chairman David Hager, Vice Chairman Leo Shea, and Commission Member Howard Kelman left the commission during 1990. Mr. Brian Currie and Mr. Peter Conner have joined the town's economic development agency.

Mr. Paul J. Nugent, Sr. and Mr. James Ryan were elected to the positions of Chairman and Vice Chairman, respectfully. The PDIC meets monthly.

During 1990, the PDIC worked in a variety of areas that impact the town's economic development efforts.

The continuance of the Public — Private Marketing Cooperative program was impacted by the slowing economy. The cooperative brought together local developers, banks, other interested businesses and the public sector in order to expand the town's economic development marketing efforts. The program welcomed the involvement of KAO Infosystems Company and the continued participation of Rockland Trust Company, as well as Cordage Park Company, Plymouth Five, Camelot Park, Plymouth Industrial Development Corporation (PIDC), Noonan Leyden Press and Pyramid Companies. The PDIC is the facilitating agency for the Cooperative.

A full color brochure was unveiled during 1990 which is multi component by design and is available as a response piece to chief executive officers, site planners, and others reviewing Plymouth as a business site. "Plymouth...The New Business Colony" is the overall theme of the effort, which will include design and production of additional collateral material as well as a print media campaign. The Design Exchange of Norwell is the agency selected to design the materials to be used to make Plymouth competitive with other communities in the attraction of new business in order to expand the town's overall economic base.

During 1990 the PDIC established the Plymouth Visitor Partnership which is designed to bring tourism industry businesses together in order to market and promote this Town of Plymouth in a more competitive and efficient manner. The first program of work of the Partnership, which is driven by private sector dollars was the "Come Home for the Holidays" promotion which brought together local restaurants, retailers, and lodging facilities in an effort to lure more visitors to our community. The PDIC has long recognized the significance of the visitor industry and its contribution to the local economy. The Visitor Partnership is the initial component developed under the Commission's Visitor Industry Program. A future component will link the visitor industry program with the Public/Private Marketing Cooperative in a variety of ways, including collateral materials designed to attract new tourism related businesses to our community.

The PDIC continued its commitment to the revitalization of downtown Plymouth and its waterfront area. The commission stands ready to assist the Plymouth Downtown and Harbor Corporation in their overall marketing efforts as well as their attempts to retain and attract new enterprise to the area.

Progress on Project 495 was initially stalled due to the failure of the project to meet the criteria set forth by the Massachusetts Executive Office of Communities and Development for the awarding of Feasibility Study Grant. Project 495 centers on the proposed development of a town owned parcel located in the South Plymouth. The project feasibility study will be completed "in house" using the resources available through other town and state agencies including the Planning Board, Engineering Department, Conservation Commission, Old Colony Planning Council and the various Massachusetts business development organizations.

The PDIC prepared and submitted the North Plymouth Commercial Area Revitalization District Renewal Application which was approved by the Massachusetts Executive Office of Communities and Development.

In order to better serve local employers as well as those wishing to grow a business in our community or relocate a facility in Plymouth, the PDIC has become affiliated with the Venture Capital Exchange based in Tulsa, Oklahoma.

The PDIC continued its work with private developers and the PIDC in an effort to expand the town's tax base through a program of retention, expansion, and attraction.

The Greater Plymouth Job Marketplace, an employment opportunity fair, was sponsored in 1990, jointly by the PDIC and the Massachusetts Department of Employment and Training. More than twenty local companies participated.

1990 saw an expansion of KAO Infosystems in Plymouth Industrial Park as well as a retail and service sector growth and the announcement of a new tourism attraction developed by New Bedford Whaling Museum planned for Plymouth's waterfront.

The commission is appreciative of the support it receives from town, state, and federal officials, residents, and members of the business community.

Plymouth Redevelopment Authority

The PRA is proud to report that the year 1990 was a banner year for the authority in housing rehabilitation programs.

During the latter part of 1989, the PRA filed applications for funding in MHFA's Home Improvement Loan Program (HILP). As a result of the application, Plymouth was awarded \$225,000 to be used to make HILP loans to Town of Plymouth property owners at 3% and 8.4% interest. By the end of 1989, the PRA successfully used its entire loan appropriation, the bulk of which was used to help the elderly and handicapped property owners. Because of the PRA's aggressiveness in using the HILP funds, in February 1990, MHFA increased the town's total allocation to \$575,000. In November 1990, the PRA received an additional HILP allocation of \$375,000 for a total of \$950,000.

In addition to MHFA HILP funds, the PRA filed an application for funding under the NHFA Neighborhood Rehabilitation Program. This program is designed to assist Plymouth home owners to refinance an existing high interest rate mortgage to a lower interest rate (8.25%) and at the same time receive monies for repairs to bring their properties up to building code standards. A total of \$225,000 was allocated to Plymouth and at this writing approximately \$270,000 is in the application stages awaiting final approvals from MHFA.

A recap of total MHFA funds brought into the Town of Plymouth by the PRA during the past 16 months was \$1,220,000. We are proud of our part time staff's achievements over the past year.

Summer High Street Activities

As a result of the 40 year control over the Summer High Street Urban Renewal Area (SHSURA) charged to the PRA in 1962 by the town, the authority continues to closely monitor the conditions in the area to ensure compliance with the SHSURA plan.

The law suit initiated by the owners of Spring Hill Corporation in their attempts to convert the Spring Hill Apartments to condominiums has not been resolved. In July the case was heard in the land courts and, as a result of the hearing, the judge decided that due to the evidence presented at the hearing, the case would go to trial. As of this writing, no trial date has been set. The authority is extremely interested in seeing a program of modernization take place throughout the apartment complex and has proposed a cooperative form of ownership to achieve the modernization goals.

The authority is pleased to report that the Jenney Grist Mill's machinery has been repaired and the mill can again grind corn. The economic stability of the Jenney Mill complex appears to have improved now that all the shops in the complex are occupied. It is the hope of the authority that shop occupancy will continue through the recessionary periods.

Much has been reported concerning the deplorable condition of Jenney and Poor House ponds as a result of the damage by waterfowl in the area. Since the PRA was instrumental in developing the park system, it is extremely interested in working with the town Park Department for a possible solution to the deterioration of the park.

In other areas of the Summer High Street area, the old Gulf service station next to Friendly's Ice Cream on Sandwich Street was leased by its owner for a small engine repair shop. As a condition of occupancy, the lessee was required by the authority to rehabilitate the building and grounds around it. After repeated attempts by the PRA to persuade the lessee to fulfill his responsibilities to complete the rehabilitation failed, the authority sought enforcement through the courts at which time the lessee decided not to continue his business at that location.

With regard to the condition of the Summer High Street area, there are several properties in the area that still remain a concern to the authority. However, the authority wishes to commend the majority of the property owners for keeping their buildings in a high state of repair.

Visitor Services Board

The Plymouth Visitor Services Board was created by vote of the 1990 Annual Town Meeting as part of the town's ongoing effort to implement the Plymouth Center/Waterfront Area Master Plan. Composed of representatives from local visitor industry groups, businesses and citizens at-large, this board was appointed in August, 1990 and has been meeting weekly to plan and address the town's promotional and marketing needs.

Town meeting established the Visitor Services Board to ensure proper coordination of Plymouth's visitor industry participants and the

many organizations whose work is directly or indirectly affected by tourism. To that end, we have maintained contact with the Plymouth Area Chamber of Commerce, Plymouth County Development Council, Plymouth Downtown/Harbor Corp. and Plymouth Development and Industrial Commission throughout our planning and decision-making process. It has become clear that one of the first concerns we must address is the inadequacy of reliable data on Plymouth's visitors — to develop a successful promotions program, the characteristics of our visitor markets must be fully understood.

Among our specific charges this year was to act as an interim building committee for the proposed public restroom/visitor information project, funded by town meeting last year. As of December, a special town meeting had rejected the architectural plans for the building. We are currently exploring several options to bring back to a future town meeting in hopes of addressing voter concerns about this project while simultaneously achieving the desired end: providing quality visitor services in Plymouth.

It is this board's position that to strengthen Plymouth's share of visitor markets and maximize the economic benefits of tourism, the town will need to invest more of its funds in promotion. Accordingly, we are recommending that Plymouth adopt a program similar to one in Sturbridge, where half of each year's local room occupancy tax is deposited in a special account for the express purpose of promotions and betterments. This proposal would be implemented over a three-year period beginning July 1, 1992. The competition for visitor dollars is intense both within New England and across the country. A well-conceived marketing plan is needed to sustain Plymouth's visibility as an attractive place for visitors.

We look forward to serving the town during 1991 and believe that many cost-effective, successful ways of improving the local economy can be implemented by a coordinated strategic marketing system.

Zoning Board of Appeals

The Plymouth Zoning Board of Appeals respectfully submits the following for its annual report for 1990.

FEES

The total amount collected in fees for 1990 was \$5,000.00.

SPECIAL PERMITS

The following petitions were granted Special Permits pursuant to the Plymouth Zoning By-laws:

Eight Mates Trust — Hedge Road and Prince Street. To construct a 74 unit apartment complex.

American Superstores Development Company — State Road and Old County Road, Cedarville. To construct a Star Market Superstore and other retail outlets.

RWA — State Road, Cedarville. To build a self service gas station/carwash/snack facility/self storage facility.

Southwestern Bell/Cellular One — Bourne Road. To erect a communications tower for automobile telephone transmission.

Manomet Plaza — Point Road, Manomet. To make additions and improvements to the plaza complex, including the Post Office and the Manomet Branch Library.

Isaac's Restaurant — Water Street. To allow a function room in conjunction with the restaurant allowing an increase of 80 seats.

Landmark Bank for Savings — Main Street Extension. To convert an existing office building for use as an elderly congregate care facility.

There were a total of 88 petitions filed for Variance/Special Permit requests and appeals in 1990. The board held 28 public hearings at the rate of 2-3 meetings per month.

There are still four appeals pending in Superior Court.

1990 was a productive year for the Zoning Board of Appeals in light of the economic situation. It appears as though residential home owners are maintaining their existing properties by requesting hearings for variances and/or special permits to alter/add/or improve their living quarters which are not in compliance with the current by-law.

The board appreciates the time and effort of other boards, commissions, and departments who review applications and make recommendations to the board of their findings.

In conclusion, the board looks forward to another productive year. Each petition is reviewed carefully on its own merit and each decision rendered accordingly.

Plymouth has seen many changes, and with the continued effort and guidance of the Board of Appeals, will grow towards a positive future, creating a community that is congenial and inviting to all who visit "America's Hometown."

PUBLIC SAFETY

Fire Department

Herewith submitted is the annual statistical report of the Fire and Forest Fire Departments for the year ending December 31, 1990.

Retired:

Eugene J. Rasori, Chief of Department — Entered the Fire Department on May 4, 1958. Promoted to Fire Lieutenant — July 1973, promoted to Fire Captain May 1976. Promoted Deputy Chief — January 1983. Promoted to Chief of Department — April 1984. Retired on September 30, 1990.

Chief Rasori served the department with dedication and pride to duty for thirty-two years. As Chief of the Department he provided leadership to the highest level and is responsible for a department we are all proud of today.

Appointments:

| | |
|-----------------------|------------------|
| Robert E. Parsons Jr. | January 31, 1990 |
| Kevin T. Murphy | April 7, 1990 |
| Steven P. Correa | April 8, 1990 |
| James J. McGonagle | April 9, 1990 |
| John F. Winterson | October 7, 1990 |

The Fire Department is pleased to provide the following information regarding expansion of service:

With the completion of the Manomet Fire Station we are now able to provide additional fire suppression services to the entire South Plymouth area. At the Manomet Station we now have in service a ladder truck and a new 2,500 gallon tank truck. This apparatus will respond as needed to all structure fires in South Plymouth.

We also have increased our medical services provided to the town. In addition to the Advanced Life Support provided by Brewster Ambulance Co., it is now policy to provide Fire Department assistance on all life threatening responses.

1990 Responses:

| | |
|-----------------------------|-------|
| Still Alarms | 1,399 |
| Box Alarms | 122 |
| Malicious False | 112 |
| Malicious False (by phone) | 8 |
| Accidental Alarms | 144 |
| Rescue | 770 |
| Mutual Aid (to other towns) | 13 |
| Bomb Threats | 13 |

Hose Used (footage)

| | |
|--------------------|--------|
| Total footage used | 57,112 |
|--------------------|--------|

| | |
|------------------------|-----|
| Ladders Used (footage) | 818 |
|------------------------|-----|

| | |
|----------------------|--------|
| Water Used (gallons) | 37,755 |
| Mileage (fire duty) | 19,993 |

FOREST FIRE DEPARTMENT

| | |
|------------------------------------|---------|
| Responses | 216 |
| Hose Used (footage) | |
| 1½" | 32,370 |
| Water Used (tank supplied) gallons | 126,360 |
| Mileage (fire duty) | 1,687 |
| Total Incidents | 2,581 |
| Total Company Runs | 4,086 |

| Oil Burner Inspections | 314 |
| Violations | 25 |
| Re-inspections | 25 |

| | |
|---|------|
| Commercial Garage Permits Issued | 0 |
| Residential Garage Permits Issued | 125 |
| Open Air Burning Permits Issued | 1070 |
| Other Permits Issued | 129 |
| Sprinkler Permits Issued | 10 |

FIRE ALARM DIVISION

The growth in the use of the municipal fire alarm system for automatic notification to the Fire Department of alarm conditions in industrial and commercial properties continues. These systems are installed at no cost to the taxpayer and utilize existing fire alarm circuits throughout the town. Many alarms are received by the automatic activation of detection devices that are connected to the municipal fire alarm system. Most are trivial in nature due to this early detection and reporting. The potential for considerable reduction in fire loss is great and, therefore, Fire Department operating expense is reduced. The change of loss of tax base and employment within the community is also reduced.

Municipal Fire alarm system activity for 1990:

- 493 - Box Alarms received from system
- 103 - Malicious false alarms
- 5 - Significant fires automatically reported

NEW FIRE ALARM BOXES 1990

- 1375 - KAO Infosystems Bldg. 2 - 40 Grissom Road
- 1376 - KAO Infosystems Bldg. 1 - 40 Grissom Road
- 1535 - Long Pond Road and Holman Road
- 1536 - Holman Road and Natalie Way
- 1537 - Holman Road at Cul De Sac
- 1544 - Camelot Drive and Raffaele Road
- 1545 - Camelot Drive and Mary B Lane
- 4154 - State Road and Elliot Lane
- 4155 - Elliot Lane and Teaberry Circle
- 4164 - Ocean Point Condo - 21 Taylor Avenue
- 4171 - Beaver Dam and O'Toole Roads
- 4311 - Donna Drive
- 4312 - Donna Drive and Andrews Way
- 4313 - Kathleen Drive and Penny Lane
- 4314 - State Road and Kathleen Drive
- 4315 - Andrews Way and Barbaras Way
- 4316 - Kathleen Drive and Andrews Way
- 464 - Swales Farm Road and Hayloft Road
- 465 - Swales Farm Road and Old Barn Road
- 63 - 114 Water Street - Mill Shops and Isaac's Restaurant

Activity in the Fire Alarm Office for 1990:

- 2,581 - Fire Emergency Responses
- 2,241 - Ambulance Emergency Responses
- 4,086 - Company Responses
- 177,065 - Telephone Messages Handled
- 149,736 - Radio Messages Handled
- 1,070 - Burning Permits Issued

The computer system continues to be utilized in an ever increasing fashion as personnel become more adept in its operation.

An extensive program of painting and testing of fire alarm boxes is now nearly complete.

Plans and preparations for the work upcoming in the spring of 1991 around the Phase 1 portion of the major rebuilding of Sandwich Rd., Main St., Ext., Main St., and Court St. are well under way. The project includes new municipal fire alarm signal cable for the entire length. Also included is the relocation of many of the fire alarm boxes and pedestals so as to get them away from the road edge. When complete this improvement will provide more reliable service with much needed room for future expansion. When Phase 1 and 2 are complete many of the municipal communications circuits now leased on a monthly basis can be placed in this cable system. Monthly charges of hundreds of dollars can then be eliminated. As this work was necessitated by the road work, the cost will be covered by state funding.

Valuable assistance has, as usual, been rendered this division by other members of the Fire Department. Many projects would still remain incomplete without this aid.

Police Department

Listed below is the statistical information pertaining to major crimes and motor vehicle accidents for the calendar year 1990:

| | |
|------------------------------------|---------------|
| Homicide | (2 Victims) 1 |
| Rape | 15 |
| Armed Robbery | 13 |
| Breaking and Entering and Attempts | 648 |
| Larceny and Attempts | 917 |
| Motor Vehicle Theft | 295 |
| Motor Vehicle Accidents | 1,426 |
| Motor Vehicle Citations | 3,352 |
| Motor Vehicle Fatalities | 1 |
| Arrests | 2,182 |

Funds turned over to the Town of Plymouth from sources indicated:

| | |
|--------------------------|--------------|
| Court Fines and Fees | \$510,845.50 |
| Reproduction of Reports | 5,294.00 |
| Pistol Permits/FID Cards | 7,734.00 |
| FID Dealers License | 375.00 |
| Photographs | 130.00 |
| Sunday Openings | 20.00 |
| Parking Tickets | 130,886.00 |

Total: \$655,284.50

The following were appointed during the year 1990:

Denis Hassan - Police Officer - 2/5/90
Anthony Flood - Police Officer - 5/14/90
Edwin Almeida - Police Officer - 10/1/90

Christopher Wallace - Police Dispatcher
(Full Time) - 7/1/90
Patricia Rogers-Keenan - School Crossing
Guard/Meter Maid - 1/2/90
Acting Chief William Murphy - Retired - 2/12/90
Officer Idore Butters - Retired - 7/20/90

Emergency Preparedness and Civil Defense Agency

The Office of Emergency Preparedness and Civil Defense is located in the basement of Memorial Hall on 83 Court Street. This location was chosen for security and survival reasons.

This department is the town agency responsible for the coordination of all town departments and resources in time of disaster, natural or man-made.

During the past year, we have been deeply involved in developing our new Radiological Emergency Response Plan for the Town of Plymouth. This is considered a "living document", which means it will be constantly updated and revised as needed.

Also, during the year we were involved with some natural civil defense emergencies. During the year, we had both a hurricane watch and a tornado watch. Fortunately for Plymouth, neither came to the area.

The Civil Defense volunteers also participated in the two bike races in town as well as the July 4th parade and fireworks.

This department will continue to work closely with other departments to insure the health and safety of all residents during a time of natural or man-made disaster. The office is manned with a full-time Civil Defense Director and a permanent part-time secretary. If an emergency should arise, the office becomes fully operational on a 24-hour basis keeping in close touch with both local and state authorities.

Harbor Master

The Pond Patrol was very effective this year with several violations issued and safe boating inspections at an all time high. We had no boating accidents on any ponds this year which seems to be a direct result of increased safety inspections and the efforts of the Pond Patrol Officers to try to monitor as many ponds as possible.

We received another grant from the State to be used for salaries to promote safe boating on the waters of the Town of Plymouth. This money enabled us to run extra patrols and add another officer. I hope to secure this grant again this coming year.

The party fishing and whale watching vessels had another successful year but not as good as last year, probably due to the economy.

The dragger fishermen had a very poor year due to the decrease in fish stocks. Lobster fishermen had a good year but the prices were down due to a poor economy.

Again this year, The Mariner Boat Shop donated a 20 foot Proline with a 110 hp Johnson to this department as a fast response boat. There were several rescues made with this boat that would have otherwise placed our larger patrol-boat in jeopardy or lives could have been lost.

HARBOR STATISTICS
1990

| | |
|---|-----------|
| Response to Medical Emergencies | 4 |
| Overdue Boat Calls | 23 |
| Boats Towed | 152 |
| Valuation of Boats Towed | 3,040,000 |
| Boats Reported Missing/Stolen | 29 |
| Boats Recovered | 22 |
| Boats Pumped | 41 |
| Boat Fires | 2 |
| Boats Jump started | 16 |
| Boats given Fuel | 8 |
| Arrests | 12 |
| Dragger Trips Logged Out | 5,000 |
| Visiting Boats Logged In | 3,000 |
| (Including Marina & Yacht Club facilities) | |
| Boats Launched at Boat Ramp (estimated) | 7,000 |
| Moorings in Harbor | 554 |
| Charter Boats Using Wharfs | 10 |
| Fishing Vessels Using Wharfs | 26 |
| Parking Violations Issued | 1,257 |

SHELLFISH

| | |
|--|-----|
| Commercial Blue Mussel Permits | 13 |
| Family Scallop Permits | 0 |
| Commercial Scallop Permits | 0 |
| Resident Clamming Permits | 456 |
| Non-Resident Clamming Permits | 28 |

Building and Zoning Department

The Building/Zoning Department is a public safety department. Our basic duties are to enforce the following codes.

- 1. State Building Code
- 2. Zoning Regulations - State and local
- 3. Plumbing
- 4. Gas
- 5. Electrical
- 6. Certifications of places of assembly (restaurants, etc.)
- 7. Certification of schools

We work very closely with the Board of Appeals in enforcing their decisions as well as helping the Board of Selectmen as it pertains to all the licenses they issue.

We are a multi-faceted department. One of the additional things we did this year was to concentrate on illegal signs and cleaning up unregistered vehicles. We will continue this program in 1991.

Aside from our enforcement duties this department had three goals.

1. Complete review of our fee schedule to see if an increase was necessary.
2. Enhancement of professional development and knowledge of all applicable codes for all personnel in the department.
3. Development of a strategy to improve the performance level and timeliness of all inspections.

This department is pleased to report that Goals 1 and 3 have been accomplished and Goal 2 will be accomplished by the end of February.

On the next few pages you will find information as to the number of permits issued and monies brought in during 1990.

In closing let us issue an invitation to the citizens of Plymouth to address their questions or concerns at any time. This department works best protecting the citizens interest and safety when the public is well informed.

| | 1988 | 1989 |
|---|--------------|--------------|
| Total number of building permits issued | 1,515 | 1,492 |
| Total receipts from building permits | \$258,465.00 | \$197,908.00 |
| Total receipts from certifications | \$10,008.50 | \$6,908.00 |
| Inspections made by the Building Inspector | 4,467 | 4,573 |
| Mileage of the Building Inspector | 13,216 | 13,041 |
| Zoning permits issued | 1,898 | 1,848 |
| Total receipts from zoning permits | \$17,200.00 | \$16,540.00 |
| Inspections made by Zoning Inspector | 1,674 | 1,771 |
| Mileage of Zoning Inspector | 5,764 | 5,623 |
| Total receipts from wiring permits | \$73,428.50 | \$56,937.00 |
| Total number of wiring permits issued | 1,600 | 1,606 |
| Wiring inspections made | 2,894 | 3,351 |
| Mileage of the Wiring Inspector | 12,512 | 13,701 |
| Total receipts from Plumbing/Gas Inspector | \$80,220.00 | \$76,175.00 |
| Total number of Plumbing/Gas permits issued | 1,656 | 1,780 |
| Plumbing/Gas inspections made | 3,614 | 4,206 |
| Mileage of Plumbing/Gas Inspector | 8,899 | 6,223 |

NOTE: Figures for mileage are from the use of the Inspector's personal cars only, not included is the mileage on the town car. Also the Alternate Inspector does not receive mileage.

DEPARTMENT OF PUBLIC WORKS

Administration

The following is the annual report of the Department of Public Works for the year ending December 31, 1990.

John E. Holmes, Assistant Director of Public Works retired on February 22, 1991 after 29 years with the town, the past 15 years as the Assistant Director and prior to that, 8 years as the Water Superintendent.

Harold Strassel, Superintendent of the Sewer Division retired on December 31, 1990 after 26 years with the town, the past 21 of which were in the Sewer Division with the last 6 years as Superintendent.

Both John and Harold have performed their duties in a very professional and dedicated manner and should be proud of their achievements. We wish them both a healthy and happy retirement.

With the cost of fuel and electricity increasing at unpredictable rates and the need to balance the department's budget, the Department of Public Works has experienced personnel cutbacks. The divisions affected will be Cemetery and Parks and the level of service will be noticed.

Public Works projects scheduled for the Spring of 1991 include the following:

1. Summer Street (Morton Park Road to Edes Street) road reconstruction, including sidewalks and new bituminous pavement.
2. Cordage and Harbor Sewer Interceptor Project is scheduled to be completed on or before November 1991.
3. The new municipal water supply at Darby Pond is scheduled to go on line on or about April 1, 1991.

The completion of the town's Solid Waste Master Plan and Water Master Plan update will serve as a short and long-term management tool to plan the future improvements.

On January 2, 1991 Terrance Westgate of the Water Division was activated to serve overseas with the 772 Military Police as part of Operation Desert Storm. Our hearts and prayers go with Terry and his family for his safe return.

The cooperation and assistance of other town departments is acknowledged and appreciated. We would also like to express thanks to the Division Superintendents and also the men and women of the department for a job well done during 1990.

Cemetery Division

The Cemetery Division maintains and services a total of sixteen cemeteries. This year the Cemetery Division had fourteen stones repaired on Burial Hill, most of which had been down for some time. Seventy-six new Revolutionary flag holders and Betsy Ross flags were put on Burial Hill.

This division created fourteen new lots (Y Section) in the Vine Hills Cemetery for a total of 132 new graves. The division located and uncovered three different sets of stairs that had been buried and overgrown with grass. Flowers were planted around the new Veterans Monument in Vine Hills and around the gate at Route 44 opposite Royal Street. The Summer Street gate was painted.

The division is in the process of removing brush from areas around the Vine Hills/Oak Grove Cemeteries as well as Manomet and Cedarville Cemeteries.

The division is continuing its efforts to expand Manomet and Cedarville Cemeteries.

We would like to thank all the other divisions of the Department of Public Works for their assistance during the year: the Engineering and Highway Divisions for all their help with the expansions of Manomet and Cedarville Cemeteries; the Water and Highway Divisions for their assistance with digging graves when more than two were needed at one time; the Sewer Division for their help repairing tools and the use of their trailer to move our backhoe; the Maintenance Division for keeping our vehicles in good working order and helping repair some of our equipment; the Water Division for their help in repairing water leaks throughout the different cemeteries and for the installation of the new water main shutoff at the Summer Street gate; the Park and Forestry Division for their help in cleaning up piles of leaves in the cemeteries and removing trees in the Manomet and Cedarville Cemeteries for lot expansions.

We look forward to more improvements in the year ahead.

Sale of Lots (Single Graves)

| | |
|--------------|----|
| Vine Hills | 70 |
| Oak Grove | 10 |
| Manomet | 39 |
| Chiltonville | 6 |
| South Pond | 3 |
| Cedarville | 1 |

A total of 128 graves were sold and one pauper grave for a total of 129 graves in six cemeteries.

| Burials | Full | Cremation |
|--------------|------|-----------|
| Vine Hills | 72 | 18 |
| Oak Grove | 17 | 4 |
| Manomet | 15 | 3 |
| Chiltonville | 7 | 3 |
| Cedarville | 2 | |
| South Pond | 1 | |

| | | |
|-----------------|-----------|----------|
| Faunce Memorial | 1 | 1 |
| Braley Lane | | 1 |
| | <hr/> 115 | <hr/> 30 |

There was a total of 145 burials in eight cemeteries this year. Fifty-five foundations for monuments (grave stones) were put in this year by this Division: 13 in Manomet, 5 in Chiltonville, 35 in Vine Hills and 2 in Oak Grove.

The Cemetery Divisions wishes to thank all the division heads and their employees for their cooperation this year.

Engineering Division

The Engineering Division is a multi-faceted unit of the Department of Public Works. We collect, catalogue and maintain plans and other information that relate to roadways construction and the municipal infrastructure. Although we are a part of the DPW, our services touch and interface with numerous town departments, boards, commissions and agencies. For example, this division performs proposal reviews for the Appeals, Building and Planning Departments, and their decisions are sometimes based on our expertise and recommendations. A firm grasp of land surveying and law and drafting techniques enable us to perform surveys and studies on town owned properties and assist the Assessors in maintaining the town maps that form the basis for tax billing.

Acting as agents of the DPW and Board of Selectmen, this division maintains lists of all streets by condition and status, issue street numbers and propose various ways for public acceptance. As a unit of the DPW, we produce engineering construction plans, specifications and estimates for roadway and drainage improvements on our sprawling street system.

Collectively, these functions, most of which are essential in a community the size of Plymouth, form the basis for the existence of a full-time agency such as the Engineering Division. Plymouth, besides being the largest land mass community in the state (103 square miles) with a population (45,000) that rivals some of the smaller cities, has one of the largest land parcel inventories and one of the lengthiest roadway systems in the Commonwealth. These numbers alone dictate the need for an agency to gather, catalog, interpret and disseminate this information. Your Engineering Division does this and does it more efficiently and economically than if these services were hired out.

A summary of our activities during 1990 is as follows:

- A. Assessors Map Revisions: 736 parcels on 66 maps. Full and half size original plans revised;
- B. Street Acceptances (11):
Wind Rose Lane, Nicholas Avenue, Jocelyn Avenue, Cardinal Drive, Veronica Road, Francis Road, Route 3A (Kingston Town Line to Jabez Corner) and portions of Carver Road, Great Wind Drive, South Wind Drive and Darling Road.

C. Department of Public Works Projects and Surveys:

Completed: Pleasant Street — Reconstruction
Cedar Bushes — Water Betterment
Cordage Interceptor — Easement Plans

In Progress: Summer Street — Reconstruction
Shore Drive — Reconstruction
Pinewood Road — Reconstruction
Kingsbridge Shores — Water Betterment
Water Street — Reconstruction
Intersection Study — Federal Furnace/Seven Hills
IMS — Yearly Update
Drainage Studies — Atlantic St., Ellisville Road

D. Printing Services:

1. Eighteen (18) sets of Assessors Maps (142 sheets each);
2. Eighty-six (86) sets of Zoning Maps (9 sheets each), and;
3. Approximately 770 prints of various plans;

E. Subdivision and Site Plan Reviews (25);

Planning Board — 4, Board of Appeals — 15, Building Department — 6;

F. State Aid Reconstruction Projects:

1. Route 3A (Stage A) — Town has completed R.O.W. and Layout plans and associated documents. Construction expected to begin mid-1991.
2. Route 44 — Project on hold. Design at 25% review stage;

G. Requests for information on miscellaneous projects were processed as received.

We wish to take this opportunity to thank all those individuals and agencies, both public and private, who throughout the year have been so gracious with their advice and assistance.

Highway Division

The following is a report of work done in the Highway Division of the Department of Public Works from January 1, 1990 to December 31, 1990.

STREET CLEANING

On March 14, 1990, two mobile sweepers started cleaning winter sand. The main roads, Main Street and the waterfront are swept daily during the summer months and every other day the rest of the year. The side streets are swept in rotation. The second sweeper serviced Manomet, Cedarville, Chiltonville, Long Pond, Buttermilk Bay and private developments.

DRAINAGE AND DRAINAGE MAINTENANCE

The installation of a drainage system was started on Pinewood Road. When completed, it will consist of twelve catch basins and eight

manholes with 1,880 feet of reinforced concrete pipes of various sizes. Completion of this system is expected in the Spring of 1991.

Installation and repairs to catch basins were completed on the following streets: Hedge Rd., Priest Rd., Soule Rd., Clearwater Dr., Liza Ave., Kingsbridge Shores, Sandwich Rd. and Wood St.

The cleaning of drain lines and several retention areas was also completed during the year.

To alleviate a large drainage problem, a complete drainage system was installed on Shore Dr. and Windsor Drive, with catch basins on Allen Dr. and Prince Rd. This system consisted of fifteen (15) 6 x 8 — 1000 gallon leaching pits, twelve (12) 6 x 6 — 800 gallon leaching pits, two (2) 6 x 6 — 500 gallon leaching pits and four (4) catch basins.

After completion of the installation a binding course of pavement was installed by T. L. Edwards Co.

FENCES

Fences, guard rails and cement posts were repaired and painted. A section of guard rail was replaced on Mayflower St. Also replaced was the wooden fence at Halfway and Long Pond Rd. with steel rails and posts.

ASPHALT SIDEWALKS AND CONCRETE SIDEWALKS

New concrete sidewalks were installed by Manual Pavao Construction Co. on the following streets:

- Portion of Park Ave.
- Portion of Water St.
- North St., South Green St., Pleasant St.
- Portion of Russell St.
- Portion of Brewster St.

Numerous repairs to sidewalks throughout the town were completed by town personnel.

HIGHWAY CONSTRUCTION AND RECONSTRUCTION

A leveling course of Type I bituminous concrete was placed by contractor James Gallant of Hanover with the assistance of town forces on the following streets:

- Strand Avenue; Pearl Street; Jordan Road; Howes Lane; Doten Road; Delancey Drive; River Street; South Pond Road; Langford Road; Bay View Terrace; Russell Mills Road; Enchanted Lane; and Trade Wind.

Portions of:

- Boot Pond; Roxy Cahoun Road; Great Wind Drive; and Federal Furnace Road.

Reconstruction and paving was completed on:

- Winslow Street; North and South Green Street; Pleasant Street; and a portion of Summer Street.

Road reclamation work was done by Fitzgerald Grading Inc. and Woodland Construction. Paving work was completed by T. L. Edwards,

Inc. of Avon, MA.

A chip seal was completed on Bartlett Road and Center Hill Road by Able Bituminous Contractors Inc. Crack sealing was completed on South Meadow Road.

PATCHING OF TRENCHES

The Infra-Red heat patching of streets at various locations was completed by Felix A. Marino Co., contractor from Peabody.

PRIVATE ROADS

Repairs with funds allocated at Town Meeting and spent under the direction of the Board of Selectmen. Repairs completed on private roads included grading, graveling, patching and drainage work.

TRAFFIC AND STREET MARKING

Traffic Marking of Franklin, MA painted center lines on various streets throughout the town.

Parking areas, meter spaces, stop lines, school zones, directional arrows, handicapped areas and crosswalks were painted by the personnel in the Highway Division.

Many signs were made and installed during 1990. A great expense to the Town of Plymouth was incurred in replacing signs which were vandalized, stolen or destroyed by accidents.

MISCELLANEOUS

The work in the Manomet, Long Pond and Cedarville Districts have been carried out satisfactorily.

Other work done by the Highway Division included patching of roads, sidewalks and roadside mowing, grading and graveling of dirt roads, installing and removal of snow fence; application of calcium chloride on dirt roads; replacing parking meters; plowing and sanding; rubbish pick-up; removal of tree stumps; patching and pumping of poor drainage areas. The basin cleaner cleaned out catch basins from March to December.

Requests from the public, Selectmen's Office and Office of the Dept. of Public Works were taken care of by this office.

We wish to thank all division heads as well as the employees of the Highway Division for the cooperation given during this year.

Maintenance Division

As in the past the Maintenance Division was kept busy maintaining the buildings under this division's control. These buildings, with the exception of the fire stations, are old and are a constant maintenance problem. The three Building Maintenance Craftsmen's services were in constant demand with the wide variety of talent utilized. There are twenty-five buildings of various sizes, which are maintained by these town employees.

The D.P.W. vehicles were repaired as usual at the Municipal Garage on Long Pond Road. The fleet consists of approximately one hundred pieces, including trucks, sedans, heavy equipment and trailers. There are also sanders, rollers, pumps etc. to be maintained by the four mechanics and one maintenance man.

This division also maintains the twenty-five vehicles of the Plymouth Police Department. We try to do all repairs possible by in-house personal, thus keeping down repair costs.

The highlight of the year is most definitely the replacement of the original stage curtains and drapes at the Memorial Building. This building is utilized by many groups during the year and the improvements are appreciated by all. We are fortunate to have a building the size of Memorial Hall making many functions possible locally.

In closing, we would like to publicly thank the men of the Maintenance Division for their endeavors, without them the job of superintendent would not be possible. We would also like to thank Town Meeting, Board of Selectmen and all department heads for their cooperation.

Parks and Forestry Division

During the past year, the Parks and Forestry Divisions enjoyed a very productive schedule. Improvements were made in several areas in both the many recreational areas and the public shade tree management program.

The Stephen's Field tennis courts were resurfaced and a color coat sealing application was completed in time for the summer season. Also, a new collegiate size basketball court was constructed at the Walter Haskell Little League Field. Both of these projects were the result of the Capital Improvement Plan instituted by the town two years ago. These projects will greatly improve our recreational facilities.

The Park Division personnel rejuvenated three ballfield infields during the spring and fall seasons along with the regular maintenance schedule for all our areas throughout the rest of the year.

The Beach Maintenance/Management Program was also very successful this past year. Many areas were planted with beach grass and approximately fourteen acres were fertilized. The installation of a pole and cable system was initiated this past year to protect the dunes from vehicle damage. Beneficial results have already been gained and this project will continue over the next few years. A beach grass nursery was also begun this year which will help insure availability of this important plant for dune stabilization.

Through the efforts of the Tree Division this past year our town was appointed to the Tree City U.S.A. list. This is an award that is based on criteria concerning a public shade tree planting program and Arbor Day projects. We hope this recognition can be earned each year.

A continuing schedule of pruning and trimming is resulting in healthier and safer trees that grow along our streets. This on-going maintenance program coupled with the annual tree plantings will

enhance our public ways for future generations.

The public shade tree inventory also continued this past year. This project will take several years to complete and will need to be continually updated but will provide an invaluable aspect of the maintenance program.

In conclusion the Park and Forestry Divisions would like to thank the various departments, commissions and individuals for their assistance and support during this past year.

Sewer Division

In the months between January and December 1990, eight hundred sixty-one million, two hundred twenty thousand (861,220,000) gallons of wastewater were treated at the Plymouth Wastewater Treatment Plant on Water Street. This represents a reduction of ninety-five million, seven hundred seventy-three thousand (95,773,000) gallons from 1989 or a 10% reduction in total flow, indicating that the town's aggressive sewer line rehabilitation program is having a positive effect on reducing the hydraulic loadings on the Wastewater Treatment Plant. The plant treated a total of six million, nine hundred twenty-six thousand, one hundred and seven (6,926,107) gallons of septic waste in 1990, six hundred twenty-one thousand, nine hundred sixty-one (621,961) gallons more than in 1989 for a 9.8% increase. The septic flow was .8% of the total sewer flow.

The Roediger Belt Filter Press processed seven million, seven hundred thirty-one thousand, nine hundred fifty (7,732,950) gallons of waste sludge, a 21.9% increase from 1989. The Belt Press processed 4,532 cubic yards of sludge cake with an average of 17.3% solids, an increase of .7% dryness which works out to 368.9 dry tons of solids that were taken to the Manomet Landfill for disposal.

Three new aerators were ordered in August to be delivered in 1991. Together with the one awaiting installation on site, the rehabilitation of the aeration tanks will be complete when all are installed in 1991.

Sewer Division personnel cleaned, rebuilt, maintained, painted and repaired all pumps and motors within the wastewater system throughout the year, saving thousands of dollars in repair costs.

The Cordage and Harbor Interceptor work began and work is progressing ahead of schedule. The contractor, FED Corp, working with Metcalf & Eddy, the project engineering firm, had installed the following sections of pipe by the end of 1990:

- Hedges Road to Knapp Terrace, Railroad easement, 4200' of 30" reinforced concrete pipe
- Hedges Road, 2200' of 24" diameter PVC sewer pipe
- Bourne Street, 800' of 24" diameter PVC sewer pipe
- Union Street, 1200' of 18" diameter PVC sewer pipe
- Water Street, State Pier to Leyden Street, 1200' of 24" PVC sewer pipe

P. Caliacco Corporation completed its contract with the town for the Sewer System Rehabilitation and Separation by removing drain lines

which were flowing into sewer lines on Howland Street, Water Street, Court Street and Middle Street, the results of which appear to be reflected in the 10% reduction of total flow to the treatment plant.

The tide gate that insures that no raw untreated wastewater enters the harbor is still on order with anticipated delivery in 1991. The opening remains permanently sealed so that no bypass can occur.

Insituform of New England video taped, inspected and installed insitupipe (relining existing sewer pipe) and completely rehabilitated the following:

Knapp Terrace, Right of Way, 596' of 10" diameter pipe and 297' of another section

North Street, 115' of 15" diameter pipe

South Street, 265' of 10" diameter pipe

Sandwich Street, 208' of 15" diameter pipe

Water Street 251' of 15" diameter pipe

Willard Place, 2883 of 12" diameter pipe

The Grease and Scum Treatment System and building, designed by Camp, Dresser and McKee Engineering is 85% complete and it is anticipated that it will be up and running by late February 1991. This will be a big addition to the treatment plant's solids handling and waste disposal process.

The Sewer Division is continuing to work closely with the Health Department to locate failed septic systems within the town.

The town received approval from the Environmental Protection Agency in April for the Industrial Pretreatment Program prepared by Metcalf & Eddy, Inc. Industrial Discharge Permits were issued to twelve industries in the significant/categorical and minor user categories. Sampling was completed by the Sewer Division for the domestic background data and analyses run by Envirotech Laboratories. Gale Associates has been contracted by the town to set the technology based local limits for incorporation into the town of Plymouth's Sewer User Ordinance and Industrial Discharge Permits. The division will continue its efforts to successfully implement this program.

In November, 1990 the Board of Selectmen voted to increase the sewer usage rate from \$1.00 per 100 cubic feet of water used to \$1.40 per 100 cubic feet and the septic disposal fee from .015 cents per gallon to .04 cents per gallon.

In 1990 the Laboratory Technician, Mrs. Mary J. Gatslick, received her Grade VII Operator's License and Mr. David Coleman, Outside Maintenance, received his Grade V Operator's License.

Mr. Harold Strassel, Superintendent of the Sewer Division, retired on December 31, 1990 after 26 years with the town, the past 21 of which were in the Sewer Division with the last six years as Superintendent. Mr. Gary Frizzell was appointed Acting Superintendent.

The Sewer Division will continue its aggressive sewer line rehabilitation and plant and equipment upgrading to insure the highest quality of treatment possible.

The division wishes to thank all other departments for their assistance and cooperation throughout 1990.

Water Division

This 136th annual town report is respectfully submitted for your consideration by the Water Division Superintendent for the calendar year 1990.

The Board of Selectmen appointed Michael A. Hunter as the Water Division Superintendent January 8, 1990.

The total rainfall for the year was 45.53 inches which is approximately 3.0 inches below the annual average for this area. The annual average elevation for Great South Pond was 104.2 feet. Full pond level for Great South Pond is 106.0 feet.

The total pumpage for all sources was 1,545,779,500 gallons. This represents a modest reduction of 4,495,200 gallons over last year.

Receipts from the sale of water, connections to mains, services rendered, etc., was approximately \$1,144,000.00.

As the 1990 calendar year came to a close, the Water Division was facing several critical compliance related issues stemming from the **Safe Drinking Water Act** of 1986 and its various subdivisions; i.e., the Surface Water Treatment Rule, the Coliform Rule, the Lead Rule and the expanded testing requirements for numerous chemical constituents.

The decade of the 90's will present growing and increasingly more complex challenges for the Water Division in all areas of compliance with federal and state laws that govern all aspects of source supply, treatment and distribution practices. This Water Division with its well trained and highly motivated cadre of personnel stands ready to work in concert with the town to meet these challenges.

SUMMARY OF STATISTICS

Population: 45,177

Summer Population: 58,000 (estimated)

Date of Construction: the Town built system began production of water in 1855

Sources of Supply: Great and Little South Ponds, Lout Pond Well, Wanno's Pond Well, Ship Pond Well, Federal Furnace Well, North Plymouth Well, Bradford Well and Ellisville Well

Mode of Supply: Pumping

PUMPING

Pumpage for the year via all sources by electric pumps:

| | |
|---|---------------------|
| Lout Pond Pump Station (surface supply) | 317,129,000 gals. |
| Lout Pond Well | 70,727,000 gals. |
| Wanno's Pond Well | 114,558,400 gals. |
| Ship Pond Well | 72,170,800 gals. |
| Federal Furnace Well | 197,998,800 gals. |
| North Plymouth Well | 254,010,800 gals. |
| Bradford Well | 350,327,600 gals. |
| Ellisville Well | 168,857,100 gals. |
| Total Pumpage | 1,545,779,500 gals. |

Re-Pump:

| | |
|---|-------------------|
| Deep Water Booster Station | 99,270,000 gals. |
| Pine Hill Booster Station | 81,505,800 gals. |
| Ellisville Booster Station (Cedarville) | 41,040,000 gals. |
| Total Re-pump Pumpage | 221,815,800 gals. |

CONSUMPTION OF WATER

Estimated population on pipeline: 38,850 (approx'ly 85% of Town)
Total consumption for the year: 1,545,779,500 gals.
Average daily consumption: 4,235,012 gals.
Gallons per day per capita: 109.0 gals.
Gallons per day per service tap: 382.0 gals.

CONSTRUCTION

| Location | Length and Size | |
|-----------------------------------|-----------------|----------|
| Darby Well Pump Station | 5,825 ft/ | 12" D.I. |
| Cedar Bushes | 2,520 ft/ | 8" PVC |
| Hiawatha Road | 1,230 ft/ | 8" PVC |
| Massasoit Avenue | 1,080 ft/ | 8" PVC |
| Minnehaha Road | 210 ft/ | 8" PVC |
| Pleasant Street | 1,216 ft/ | 8" D.I. |
| North Green Street | 220 ft/ | 8" D.I. |
| South Green Street | 205 ft/ | 8" D.I. |
| South Street | 98 ft/ | 8" D.I. |
| Robinson Street | 65 ft/ | 8" D.I. |
| Franklin Street | 68 ft/ | 8" D.I. |
| Washington Street | 51 ft/ | 8" D.I. |
| Jefferson Street | 38 ft/ | 8" D.I. |
| Total Length of Pipe | 12,826 ft/ | |

DISTRIBUTION SYSTEM

Type of pipe: Cement-lined sheet iron (jacket pipe), cement-lined cast iron, cement-lined ductile iron, Asbestos-cement and PVC
Sizes: From 2 inches to 30 inches
Extended: 12,826 feet
Discontinued: 0
Total length of pipe in use: 194.0 miles
Repair cost per mile: \$32.50
Number of leaks per mile: 0.13
Total length of pipe 4" or Less: 3.0 miles
Number of hydrants in use: 1,484 public and 25 private
Gate valves added: 29
Gate valves removed: 2
Gate valves in use — total: 2,589

SERVICE CONNECTIONS

Type of pipe: copper tubing, PVC, cement-lined cast iron,
cement-lined galvanized and lead

Size range: three-quarter (3/4) inch to six (6) inch

Service taps added: 297

Service taps discontinued: 4

Service taps in use — total: 11,100

Service tap — average length: 35 feet

Service tap — average cost of installation: \$475.00

Water meters added: 278

Water meters in use — total: 9,914

Percentage of services metered: 89.3%.

HUMAN SERVICES

Elder Affairs

Due to an economic downturn in Massachusetts, 1990 was a year of cuts in state grants. Federal monies remained level funded and our local town budget grew only by inflation factors required to maintain level services. We did expand, however, our outreach program, our volunteers and our self actualization programs; such as, art class, crafts and exercise. An average of twelve participants attended each of these programs.

Under Older Americans Act, Title III, Rev. David Saylor continued to recruit volunteers to address the needs of elders who are isolated. Volunteers made telephone contacts with individuals, provided individualized transportation to hospitals and nursing homes, and continued to make inquiries regarding the home sharing program. Carol Lifieri's position now comes under the state formula grant. She continued to coordinate the over 100 daily home delivered meals, working closely with case managers and the nutrition segment of Old Colony Elderly Services. Despite illnesses and departures of some volunteers, Carol has seen to it that the 100 or more daily meals went out to the homebound five days a week. Viola Kessell remained the nutrition site manager in charge of our kitchen and dining room.

Under Older Americans Act, Title V, the Senior Community Service Employment Program, our town has continued to lose staff by attrition. Hildride Padovani and Chester Gronberg left the program due to illness. Ginny Haskins remains as dispatcher. Bernadine Tarjick, Alpheus Richmond and Laura Gavoni delivered meals on wheels. Victor Lopes and Robert Rogers served as nutrition aides. Barbara Grife served as clerical assistant. Antonnette Scalabrini, John Ferrigno, Mary Valerini and Mary Boyle worked in the nutrition program under the Elder Service Corps.

Ninety volunteers who freely contributed 113,204 hours of their personal time to the Council on Aging were honored during a volunteer recognition luncheon conducted at 130 Court Street, Plymouth on May 24th. Selectman Alba Thompson and IRS Tax Education Coordinator Martha Clapp thanked the volunteers and made presentations of small plaques to those presented by the Director Christian Schembri.

Our Dial-A-Ride program, operated under the Greater Attleboro Regional Transit Authority (GATRA) provided approximately 1,800 rides each month for elderly and handicapped. The transit authority initiated a new public policy this year of repairing the GATRA buses at its Taunton Garage. Reimbursement to our town to-date this year (January to end of October, 1990) amounted to \$40,276.91.

The Board of Selectmen appointed Sam Ferrari, Joseph Barrett and Robert Weiss to the Council on Aging. Agnes Fernandes was elected Chairman. Richard Hengst was elected to the first Plymouth District House of Representatives as a member of the Silver Haired Legislature. Hope Cole was appointed to the newly-formed Senior Council of Blue Cross and Blue Shield.

Among our losses this year was the demise of Hildride Padovani who answered our telephones during the late morning and early afternoon hours. Hildy also called the numbers at our weekly Bingo games. She was a faithful Senior Aide serving our Council on Aging for two and a half years. To her, we dedicate this report.

Health

The Plymouth Health Department is pleased to present its Annual Report for 1990.

Reappointed to the Board of Health were members Warren F. Whitaker, Chairman, Robert J. McKenna and Dr. Sidney Nirenberg. The board met to review and update its current fees and regulations. Among the regulations to be revised were the conditions required for obtaining a stable permit. A lot of thought and time went into preparing a set of rules and regulations to protect not only the animal but the homeowner and neighborhoods as well.

The board met in September to assign a transfer station at the Beaver Dam Road landfill. The board's coordinated efforts with the State Department of Environmental Protection and Plymouth's Department of Public Works resulted in the assignment of a transfer station for the purpose to serve the town for many years.

An evident decline in the economy was shown in new construction permits issued this year. However, repair permits increased over previous years. The Health Department has worked closely with the Plymouth Office of Community Development to aid eligible homeowners in the upgrading of their septic systems and water supplies.

The Health Department has been able to maintain its vaccine program in spite of the economic problems the State Department of Public Health has been facing. The state continues to supply its local Health Departments with necessary vaccines for immunization and flu clinics.

The Health Department has maintained level funding as mandated and has still been able to function effectively providing citizens with health and safety services.

COMMUNITY HEALTH

Biologic Products Distributed (Doses)

| | |

The Health Department also carried out usual general inspections and consultations, e.g.: subdivision plan review, water analysis samples, nuisance complaints, restaurant and school inspections, etc.

Cura Visiting Nurse Association

Cura Visiting Nurse Association, formerly Plymouth Community Nurse Association, continued to add to the town's quality of life in many public and private ways in 1990.

Through the contract with the Board of Health, the non-profit agency helped thousands of Plymouthers improve and protect their health through monthly well-child clinics, flu clinics and at cholesterol testing at workplaces. Cura VNA also tested the cholesterol levels and blood pressure of police, firefighters, teachers and other town employees. Cura VNA's staff provided the mandated Mantoux (TB) testing for food handlers. The need for inoculation against flu is of utmost importance as our geriatric population expands and greater numbers of people with chronic diseases remain at home.

Cura VNA's nurses and social workers helped 176 pregnant and parenting teenagers and their babies in Plymouth improve their health and living situations. According to federal estimates, every \$1 spent on preventive care for young mothers and babies saves \$4 in remedial care in the future. With Cura VNA's assistance, these women complete their education, find productive jobs and raise healthy children.

Cura VNA's goal is to help residents attain health and independence. The quality of health in Plymouth directly and substantially contributes to its general economic and social health. Serving the town for nearly 75 years, Cura provides residents with cost-efficient, case managed home care and community programs. All services are offered regardless of race, creed, sex, age or ability to pay.

A brief statistical review of public health activities shows the diversity of preventive health programs which reached a total of 2,974 Plymouthers in 1990:

| | |
|---|------|
| Outreach, incl. Clinics & Cholesterol Screening | 655 |
| Influenza Immunizations (ongoing) | 1400 |
| Communicable Disease Follow-Up | 45 |
| Immunizations/Lead Testing | 201 |
| Mantoux Testing | 462 |
| Home Assessments | 112 |
| Evaluations at Well Child Clinics | 26 |
| Maternal/Infant Phone Contacts | 73 |

In addition, Cura VNA has worked closely with the Plymouth Council on Aging to bring health counseling services to 383 seniors at the council's headquarters at 130 Court St. and at the Little Red Schoolhouse in Cedarville.

Plymouth Housing Authority

The report from the Plymouth Housing Authority is respectfully submitted to the Town of Plymouth for the period 1990. Since its inception in 1949, the authority has consistently developed and applied for housing programs which will serve the local community and the ever changing need within the community at large. In 1990 the authority continued these efforts by not only broadening its existing programs but by also focusing on other special needs groups, such as the frail elderly, clients from the Department of Mental Health and the Early Teen Parenting Program administered through the Department of Social Services and the Plymouth YMCA.

The Plymouth Housing Authority owns and operates twelve facilities in the Town of Plymouth, which represents over 400 residents. In addition, the authority operates two rental assistance programs funded through the Executive Office of Communities and Development and the Department of Housing and Urban Development for another 350 residents. The total number of units under mangement with the PHA exceed 820 units and represent seven different housing programs.

These programs are:

| | | |
|-----------------|-----------------------|-----------|
| Chapter 200-1 | Family Development | 40 units |
| Chapter 667-1 | Castle Court/Elderly | 50 units |
| Chapter 667-2 | Southfield/Elderly | 60 units |
| Chapter 667-3 | Cherry Hill/Elderly | 81 units |
| Project 001 | High Cliff/Elderly | 82 units |
| Project 002 | Northfield/Congregate | 30 units |
| Chapter 707/DMH | Scattered Sites | 24 units |
| Chapter 705 | Scattered Sites | 6 units |
| Section 8 | Rental Assistance | 203 units |
| Section 8/Mob | Rental Assistance | 45 units |
| Chapter 707 | Rental Assistance | 203 units |

Our authority has consistently received high marks from both HUD and EOCD for our financial and management capabilities. Further, we are proud of the quality in which our facilities are maintained. The PHA continuously takes measures to maintain this standard by performing modernization at all of the facilities owned by the authority and by explaining the requirements we expect from participating landlords under our rental assistance program.

Our agency recently completed Part III of our three phase modernization grant for improvements at our elderly and family housing facilities. The total amount expended through these grants amounted to over \$900,000. The work included upgrading our fire alarm protection system at two elderly facilities, repairing exterior brick and porches at two elderly facilities, increased weatherization at three facilities, upgraded electrical service at our family development along with

complete renovation of the exterior, replacement of windows, repaving of sidewalks, driveways, plumbing system and floors at our family development. This along with other miscellaneous work under our operating budget, which included painting, and other miscellaneous repairs at our Chapter 705 locations, demonstrate the on-going interest our agency has in the investment of our public housing in this community and our dedication to provide quality housing to our residents.

Most recently, the PHA has embarked on a course which collaborated services with the Department of Mental Health and the Plymouth YMCA. These programs will continue to serve residents within the community and will be supported by service groups already existing in the community without additional service dollars. The joint efforts will provide day-to-day life-skill training and development for these residents of special needs. In November of 1990, the authority was selected out of 90 housing authorities to receive a grant for the development of eight units under a Transitional Housing Program. During 1991, the authority will proceed through a \$25,000 planning grant to develop this program with the cooperation of the supportive service groups.

In 1990 the authority, after 32 years of service, Mr. Frederick Wirzburger retired from the Board of Commissioners. It was with deep regret that the authority accepted this resignation after so many years of dedicated service to this agency.

Library

The new Plymouth Library took tangible shape in 1990. Ground was broken in June and by the end of the year concrete was poured, steel construction was completed and brick masonry begun.

Suffolk Construction Company was low bidder for the project and was awarded the contract to build the library after an unusually heavy response to the invitation to bid. Over 300 companies requested copies of the bid documents. Responding to requests and verifying and tabulating bids was a time consuming process.

Library supporters and staff worked hard to persuade the state to disburse the promised construction grant funds, and by the end of the year the town received the first of two installments of the \$1,027,159 grant award.

Staff began purchasing new books and audiovisual materials for the new library this year. An additional librarian was hired to help order and catalog materials.

In October 1990, Plymouth Library (and the Manomet Branch) went on line with circulation and the public access catalog. Before going on line, all circulating items had to be added to the computer database and all library users had to register for a new card. Plymouth was the 3rd library in the 21 library computer network to go on line and the first to go on line with all collections in all locations. Both staff and patrons have adjusted quickly and enthusiastically to the new system.

More people used the library in FY1990 than during any previous year since 1983. Circulation overall was up about 5%, from 180,565 to 189,099. Programming activities continued to draw many people into the library. 6622 people attended 352 programs, an increase of 32%. Many of these were children's programs. The Friends of the Plymouth Library continued their active support through donations and volunteer activities.

The Board of Trustees of the Plymouth Public Library Corporation as of December 1990 are: Linda Murphy (President), Williston Holbert (Vice President), Joyce Stewart (Treasurer), Charlotte Collins (Secretary), Stanley Bernstein, Paul Blanchard, Jill Brooks, Jeffrey Chute, Otto Fehlow, Kenneth Fosdick, Gloria Higgins, Louise Hoagland, Maria White.

The Plymouth Public Library Corporation is a non-profit corporation dedicated to the provision of quality library service to the Town of Plymouth.

Recreation

The Recreation Activities Commission once again provided programs and activities to over 10,000 residents in 1990. During January thru April the commission conducted field trips to the Ice Capades and to Disney on Ice, staged two basketball shooting contests for parents and children, offered a Gymnastics Program to youngsters in grades 4 thru 6, held an Area Youth Basketball Tournament, jointly sponsored a visit from the Harlem Magicians basketball team with the Plymouth Boys/Girls Club, held a Children's Easter Egg Hunt, and sponsored the Annual Children's Fishing Derby. From June thru December the commission conducted swimming lessons at Plymouth Beach, Morton Park, White Horse Beach, and Fresh Pond; offered Playground Programs at Stephens Field, Briggs Field, West Elementary School, South Elementary School, and at the Elmer Raymond Playground, conducted a series of Sports Clinics which included Soccer, Baseball, Girls' and Boys' Basketball, Gymnastics, Tennis, and Golf; took a trip to a Boston Red Sox game; initiated a Summer Basketball program; and sponsored a Halloween Party.

In addition to the recreational programs, the commission continued to supervise the activities held at the Manomet Youth Center, the town's lifeguards, parking attendants, matrons, and concession operators. The commission also turned over a total of \$56,730 collected at Plymouth Beach and Morton Park.

The Recreation Commission extends their thanks to the following who have contributed to the success of the many programs and activities conducted: Mr. Douglass Gray and his Park Division staff, Mr. Leonard Harlow, of the Maintenance Division, the Plymouth School Dept., the Plymouth Board of Selectmen, and to the many local merchants and civic organizations who so generously support the Annual Children's Fishing Derby.

Saving Lives Program

The Plymouth Saving Lives Program is an innovative, comprehensive, community-based traffic safety program designed to address the disturbing rate of motor vehicle related fatalities and serious injuries.

The program is completing its third year of a 3 year grant and recently received notification that funding has been approved for two additional years.

The Plymouth Saving Lives Program has five major components which are chaired by community leaders:

1. Community Awareness — Major Paul Worcester, chairman
2. School Education — Assistant Superintendent Dick Silva, chairman
3. Business For Safety — Bob Hollis, chairman
4. Alcohol Servers — Joel Urdang, chairman
5. Law Enforcement — Chief George Madsen, chairman

A major accomplishment this year was the training of 275 alcohol servers through the H.E.A.R.T. (Help Eliminate Alcohol Related Tragedies) Program. We believe that a 34% decline in night-time injuries (those likely to involve alcohol) were a direct result of this effort.

Other accomplishments of the Program include:

Funding activities of local S.A.D.D. chapters;
Sponsoring Parent Peer Leader training sessions;
Holding the 2nd annual Peer Leadership Awards dinner for Plymouth/Carver Regional Schools;
Funding law enforcement patrols and assisting in the purchase of a breathalyzer for the Plymouth Police Department;
Participating in area health and fitness expositions;
Co-sponsoring a car seat misuse clinic at Jordan Hospital;
Providing a safety program at the Plymouth Public Library during story hour;
Holding the 2nd annual Community Awareness Day in conjunction with Airport Fun Day.

Veterans Services and Administration

SERVICES

During 1990, a gubernatorial election year, several administrative changes have taken place. Appointments from cabinet level positions down within human services are pending. As of today, the Commissioner, Deputy Commissioner, Chief of Investigators, and several other key positions remain unfilled.

While M.G.L. Chapter 534 now recognizes all the Lebanese Peace Keeping Forces and the Grenada Rescue Mission combatants as veterans, pending legislation will soon recognize the members of the Panamanian Invasion forces as veterans also. The legislators are certain to recognize all activated members of operation "Desert Storm" in the very near future with all entitlements.

Because of the financial crisis being experienced throughout the state, no cost-of-living increases on assistance were made during 1990. The Commissioner's headquarters began installing its first new computer system during 1990 and will soon be operational.

A point of interest is the average age for the following categories of veterans:

| | |
|-----------------|------|
| Vietnam | 42.8 |
| Korean Conflict | 58.5 |
| World War II | 68.4 |
| World War I | 93.1 |

There are no available figures at this time for the following: Lebanese Peace Keeping Forces, the Grenada Rescue Mission, the Panamanian Invasion Force, and for all those recently activated for "Desert Storm." It should be clarified that WW II Merchant Marines are entitled to federal benefits from the Veterans' Administration in full.

M.G.L. Chapter 121B, Section 32, sets out preference for veterans in public housing, especially disabled veterans determined by the Veterans' Administration. Second preference shall be given to families of deceased veterans whose death has been determined by the Veterans' Administration to be service-connected. Third preference shall be given to families of "other veterans."

Despite the difficult economy, a high unemployment rate, and need for additional personnel, our office continues to provide all veterans, their dependents, gold star parents and widows with first-class services. We wish to thank Mrs. Anne Torrance and Mrs. Mary Zacchilli for all their fine efforts.

ADMINISTRATION

On October 1, 1990, a major reorganization of Veterans' Benefits Administration (VBA) was made with the approval of the new Secretary of Veterans' Affairs, Edward J. Derwinski.

The fifty-eight VBA Regional Offices will be aligned into four areas coinciding with the regional structure of Veterans' Health Services and Research Administration. (VHS & RA) The FY 1991 budget for the Department of Veterans' Affairs was increased by \$1 billion to \$31.3 billion.

During 1990, Plymouth's veterans, their dependents, widows, gold star parents, etc. received \$3,815,924 in compensation, pensions, insurance, educational benefits, indemnities, burial allowances, and vocational rehabilitation. This does not include any medical services, such as hospitalization, out-patient care, prescriptions, etc. All these funds are direct federal funds.

Several new pieces of legislation have been passed into law. H.R. 5002 extends eligibility in the Home Loan Guaranty Program to include those who have completed six years in select reserves including the National Guard. H.R. 4089 extends several educational and vocational counseling programs for qualified veterans. Effective January 1, 1990, P.L. 101-237 establishes a maximum loan funding fee of one and one-quarter per cent on all loans guaranteed, insured, or made by DVA. P.L. 101-237 addresses the issue of VA denials and makes clearer the due process of appeal.

Nearly two-thirds of America's veterans were volunteers who joined the military. Almost one-half of all these veterans served in a war zone. These were the findings of a major survey conducted for the VA by the U.S. Census Bureau. VA pensions were increased by 4.7 per cent this year.

PLYMOUTH AIRPORT COMMISSION

The year 1990 brought no major change of persons to the Airport Commission. The airport had an extremely busy year in spite of a slight down turn in the State of Massachusetts and Town of Plymouth. Fuel sales exceeded 300,000 gallons of aviation fuel. Aircraft, which includes helicopters and gliders, remained between 190-200 units based at Plymouth Airport. From a recent survey many of the aircraft owners were local Plymouth people and persons living in the immediate surrounding towns of Plymouth, such as Kingston, Carver and Weymouth.

For the year the Plymouth Airport Commission involved itself in major Airport Improvement Programs (AIP) at Plymouth Airport. These projects included reconstruction of runway 15/33 (\$532,000), building 6600 linear feet of security fencing (\$77,000), surveying and bounding the entire boundary of the airport (\$20,000) and a continuing effort of updating a master plan for the airport. The Commission would like it to be noted that the funds for these efforts were at no cost to the taxpayers of Plymouth per se as the federal government pays 90% of the costs and the remaining 10% of the costs for the above programs are generated by income from airport users. For the above programs the Commission has been working with Hamilton Engineering Associates and BETA Engineering of Boston.

The Plymouth Airport also employs over 100 full time people in 16 businesses that include flight schools, maintenance shops, helicopter flight school/cranberry bog spraying, glider school, aircraft sales and charter, corporate aircraft and aircraft storage. As part of the commission's master planning they are looking for additional areas at Plymouth Airport to be set aside for business operations at the airport. Mr. E. E. Randall completed one more storage hangar in the Northwest Hangar Complex. The Commission welcomed aboard the American Velodur, Inc. of Scituate who will be flying their corporate aircraft from Plymouth.

The airport staff handled in excess of 500 visitors that included school children, scouts and adult groups who are given tours of the airport. Plymouth Airport still is a viable employer of people in the local area and with its many businesses the airport puts \$35,000-\$45,000 per week from payroll into the local economy.

Special thanks for this report should go to Chester and Sylvia Motyka who for over 30 years operated the New England Aero Service of Plymouth. They were both honored at a testimonial this year. In addition to running a successful business at the airport, Mr. Motyka served as a town meeting member and on many boards and commissions of the Town of Plymouth. Both are outstanding citizens of the airport and of the town. We wish them well in retirement.

The Plymouth Airport Commission is very optimistic for the future of the airport in Plymouth. Despite a bleak economic outlook they continue to look for ways to make the airport a self-sufficient entity and also ways the airport can serve the community and the surrounding area. The citizens can be aware that the Plymouth Municipal Airport is still considered one of the best general aviation airports in New England. Everyone is welcome and encouraged to visit this excellent aviation facility.

PLYMOUTH SCHOOLS

Plymouth Elementary Schools

The Plymouth School Committee and its administration would like to express its appreciation to the many citizens and parents of Plymouth who have voluntarily given many hours of their time and expertise to assist on various committees and projects.

Plymouth Public School District Enrollment — October 1, 1990

Plymouth-Carver Regional Schools (Plymouth)

PLYMOUTH-CARVER INTERMEDIATE SCHOOL

The year 1990 has been exciting and challenging at PCIS. PCIS is in its third year as a middle grades school. We now house 1746 students in grades 6, 7, and 8. Our goal this year has been to continue developing unique programs at each grade level which would fit the growing and changing needs of early adolescents. Sixth graders and staff are located in two "houses". To ease in the transition from the elementary schools, sixth graders work primarily with two teachers following a model similar to what is done in grade five. Seventh graders are on "teams" of 125 students and six teachers. Eighth graders are clustered in two houses

with preparation for high school as a major theme. Our use of the "house" plan offers students the opportunity to be part of a small school while having the enriching opportunities of a large facility. Within a house, students know an administrator and a counselor as well as a small number of teachers.

It is with great enthusiasm that we begin planning for the fourth year of improving and enhancing our middle grades programs at PCIS. We hope that budget constraints and growing enrollments do not have a serious impact on current or future program planning. We will open school in the fall 1991 with over 100 additional students.

The administration of PCIS appreciates the tremendous support and cooperation of students, staff, community, School Improvement Council, the Home School Association, office of the Superintendent, and School Committees in making PCIS a place "where good things happen everyday."

PLYMOUTH NORTH HIGH SCHOOL

This past year, 1990, proved to be a very positive one for Plymouth North High School, as it completed its third year as a traditional Grade 9-12 high school.

The focus was an academic excellence and we are pleased to report that the Freshmen Class and the Senior Class performed very well in Standardized State Testing. The Freshmen Class had a 96% passing rate on the Basic Skills Test and the Seniors exceeded the state average on the Educational Assessment Test.

In June, 1990, Plymouth North graduated 218 Seniors in ceremonies at Romano Field. Of this number, 45% continued their education at 4-year schools and 21% pursued education at 2-year schools. The Plymouth Scholarship Committee was able to award \$59,600 to graduates of Plymouth North High School.

The Plymouth Athletic Teams continued a successful tradition with Boys Basketball winning a League Championship and Ice Hockey, Girls Soccer and Boys Soccer qualifying for the State Tournament. In addition, Girls Field Hockey and Girls Basketball achieved the highest academic average for teams during their seasons.

The Drama Club enjoyed another successful season. Its production of "Sandbags" was a Boston Globe Drama Competition winner at Sandwich High School. In addition, the musical "Anything Goes" was well received in the refurbished Plymouth North Auditorium in April.

Various school clubs and activities enjoyed a productive year. Band and Choral Concerts, the National Honor Society Phon-a-thon for the Heart Fund, the Senior Class Blood-drives in December and May were just a few of the activities at Plymouth North.

We would like to thank the Class of 1990 for the generous donation of the Athletic Banners for the gymnasium which have been well received by students and townspeople alike.

We also wish to thank the Plymouth North student body, the dedicated professional and support personnel, the Central Office Administration, and the Plymouth-Carver Regional School Committee

for their continued support. Because of them, Plymouth North continues to be the "Home of High Ideals, Achievements, and Goals."

PLYMOUTH SOUTH HIGH SCHOOL

Plymouth South High School is now in its third year of operation. We are most proud of our growth and development since we opened in September of 1988.

We continue to establish ourselves as a separate entity with our own traditions and history, as short listed as they might seem. In the Spring of 1990 we began the tradition of our own Junior Prom and Senior Dinner Dance. We also established our own William Bradford Chapter of the National Honor Sociey and inducted its first members. Students began working on our first yearbook, "The Rock", last spring. The inaugural edition will be published for the Class of 1991. We look forward to Plymouth South's first ever graduation this June.

Our students have established a record of excellence in the short time we've been opened. We continue to win awards in both our academic and technical programs. Individual students have won awards in writing, art, drama, and in VICA and DECA competitions, among others.

The Massachusetts Educational Assessment scores for the Class of 1990 were above the state average in every category. Eighty-eight of our graduating seniors in 1990, both academic and technical, went on to four-year college programs. Reports from some of those students at the end of their first semester in college attest to the excellent preparation they had at Plymouth South High School. These include students who are currently attending Tufts, Rensselaer Polytechnic Institute, University of Texas, West Point, Scripps, and University of Massachusetts/Amherst.

Our "caring" curriculum of community service continues to expand. Each semester the National Honor Society's Blood Drive exceeds the previous semester's in total pints collected. Our traditions of food drives at the holiday season, providing holiday meals for families, and hosting a holiday tea for the elderly grow each year. Our Peer Leaders and SADD Chapter continue to expand their operations within and outside the school.

The students and staff of Plymouth South High School have made it a vital part of our community.

We all look forward to the report that includes the graduating Class of 1992, which will be the first class to spend their entire high school career at Plymouth South High School.

| | 25 May — Memorial Day |

OTHER BOARDS AND COMMITTEES

Advisory and Finance Committee

The Plymouth Advisory and Finance Committee is pleased to report that it has engaged in yet another year of scrutinizing budget and capital outlay requests for both general government and the school departments. The committee has made its recommendations to the town meeting regarding not only the necessity of these expenditures, but also on the wisdom of a multitude of issues ranging from the acquisition of new town property to zoning by-law amendments.

As in all years, the committee reviewed town operating and capital budgets for the annual town meeting. This year (fiscal 1991) these budgets total \$63,415,026.00. These budgets were reviewed by the committee in a public forum, open to the inquiries of all.

In addition to our preparation for the annual town meeting, the committee held hearings for three special town meetings called during calendar 1990. The first of them principally addressed articles relating to supplemental appropriations. Of the total supplemental appropriation of \$1,201,735.00 the bulk fell in accounts for health and life insurance for town workers and retirees. The rest of the appropriations fell into various categories, some of which resulted from increased energy costs to the town.

The second special (October), town meeting dealt with a deficit in the budget in the amount of \$1.4 million. This deficit was addressed through corresponding reductions in operating budgets and by the postponement of various capital expenditures.

In the third special (December), town meeting funded settlements for various town employee unions and passed important pension reform articles.

The Finance Committee is again this year deeply indebted to our secretary, Marsha Silva, for her dedication and effort on behalf of the committee. We would also like to extend our gratitude to Angelo Brigida who had to leave the committee due to health reasons this year. His wise counsel will be missed.

Arts Lottery Council

The Plymouth Arts Lottery Council maintained a stable and active membership in 1990. Grant funding cycles went smoothly and efficiently, which may be credited to the development of our new local guidelines and to our unanimous decision to meet in a day long Saturday session for the semiannual grant review and decision making process. As a result of provisions made in our new local guidelines, we had for the first time, during the Fall '90 cycle, grant applicants present their grant proposal and project during the morning session of our meeting.

Following last year's successful logo design contest, we now have new letterheads, posters, envelopes, and business cards, utilizing the new logo. Our council is dedicated to "Putting the Arts First", and we expect this new design will make us a more visible and recognizable entity in the community.

The most noteworthy and unfortunate of the year's events was the significant reduction in funding to Local Arts Lottery Councils, as a result of the severe state budget cuts that took place in the late summer of 1990. When comparing the state allocated funds listed below for each cycle, keep in mind that although it looks like a 50% reduction from the Spring '90 cycle to the Fall '90 cycle, the Spring cycle was a "fatter" cycle due to some holdovers both locally and at the state level from the previous Fall '89 cycle. The state cuts are actually closer to 33%. This made our grant review process harder and more arduous this past Fall, as we had a record number of applicants and the least amount of money to work with since 1988.

At the end of August, State Representative Peter Forman held a reception for the new Executive Director of the Massachusetts Cultural Council, Mary Anne Piantentini, at the Plimoth Plantation. Several arts and cultural organizations were invited and represented at this luncheon, and two members of the Plymouth Arts Lottery Council, Marie Pattysan, and Joyce Malaguti, attended this event.

As chair and representative of the PALC, Pam Noble, attended the 9th Annual Convention of the Massachusetts Local Arts Lottery Councils, on Saturday, October 20, 1990, at the Massachusetts College of Art, in Boston. Workshops were offered on Advocacy and Public Relations. Representative Byron Rushing gave the Keynote Address entitled "On Censorship."

This fall, a member of the council, Mary Cotter, attended one in a series of regional meetings held in the state for Local Arts Lottery Council members and local arts and cultural organizations. It was held in Falmouth and was given by the Southeastern Massachusetts State Liaison, Robert Olivia, from the South Shore Conservatory. The regional meetings were held statewide by the recently formed state agency, the Massachusetts Cultural Council, as a forum for as many local arts community members as possible. The state wanted input that could be used in developing programs and services guidelines with the limited funds made available by the state. Mary conveyed several concerns our council has about limited funding and the reorganization at the state level.

The Massachusetts Cultural Council has also suffered severe budget cuts this year, and is scrambling to maintain a semblance of order regarding their programs of operational support, educational programs, and project support for arts and cultural organizations. The demand on Local Arts Lottery Councils to take up the slack, is already noticeable given the increased number of applications for the Fall '90 cycle. The new *Massachusetts Cultural Council: Guide to Programs and Services 1992* will be available in February of 1991. Unfortunately, it is a shadow of its former self.

Below is a record of the semiannual grant funding cycles of 1990:

We would like to extend thanks to the members of this council for giving their valuable time to promote community cultural arts programs and events for the residents of Plymouth.

Plymouth Beaches Advisory Committee

The Plymouth Beaches Advisory Committee (PBAC) functions as an unpaid volunteer observation team which is charged by the Selectmen with the study, research, and preparation of recommendations and proposals relative to the long-range utilization, management, protection and development of Plymouth beaches and ponds. The PBAC initiated the first activities/research program on the East Coast, which monitors all beach activities and provides protection

to the various wildlife species over and above what other governmental agencies provide. The PBAC recommended and participated in the development of a new management structure for Plymouth beaches, which has led to better cooperation among those who share in beaches administration and greatly increased the efficiency of beach related law enforcement. The PBAC wishes to thank everyone who supports beach preservation from the citizens who contribute their discarded Christmas trees to all of the citizens, merchants, students, Boy Scouts and the Massachusetts Beach Buggy Association who perform the volunteer labor for beach and dune erosion control and clean up projects. The PBAC wishes to thank the previous Chairman Joe Vera and Secretary Donna Hartlage who served the town so well. The PBAC members pay the same beach sticker price as everyone else and also volunteer much time and energy throughout the entire year to preserve the beach and dunes and the citizen's rights to use and enjoy Plymouth's recreational beaches. The PBAC welcomes more citizen involvement and attendance at the monthly meetings. Please make a serious effort to attend our meetings, get acquainted and play an active role in preserving the beach and pond recreation so many citizens love and enjoy so much.

Contributory Retirement Board

Fiscal year 1989 ended December 31 and we are pleased to report that much was accomplished during this year.

In 1989 the system's assets were up over \$2.5 million. Our investments earned enough to pay our members over \$400,000 interest on their deposits and to put over \$1,000,000 into the system's pension reserve fund. This fund, which is for the town's future pension costs, is now over \$4,000,000.

As a result of the board's membership policy review, it was discovered that many eligible employees were not members of the system. Thus, our 1989 membership grew 14.5% from 998 members at the end of 1988 to 1137 at this year end.

Last January we obtained the services of The Rockland Trust Company for our retiree payroll processing. This allowed us to provide our retired members with an electronic direct deposit program that has been widely used with great success.

Our long-time clerk Stephen Reposa retired in February and the board hired Audrey Lewis as our administrator. Audrey came to us from the Plymouth County Retirement System.

Last winter, town meeting adopted our proposed change in ordinary retirement benefits. The change was made available under Chapter 697 of the Acts of 1987. We have submitted several more changes for action at the next Town Meeting.

In August, Dick Manfredi was re-elected to a three year term on the board. The next election will be held in the spring of 1992.

This past fall, the firm of J A Hannah Associates was hired to help us reduce investment risk and improve investment returns. They, along with State Street Bank will provide the on-going professional attention our investments require.

We are grateful for the opportunity to have served you this past year and look forward to an equally significant 1990.

Old Colony Planning Council

Plymouth's representatives to the Old Colony Planning Council are pleased to present this report on behalf of the council for 1990.

The Old Colony Planning Council serves as the Area Agency on Aging; the Metropolitan Planning Organization for Transportation Planning; the Region Clearinghouse for the review of federal and state grant applications; and, the Economic Development District responsible for coordinating area economic development efforts. Basic to these designated responsibilities, the Council is the region's planning agency concerned with a wide variety of areawide and inter-municipal issues and concerns such as land use policy, water supply, solid waste disposal, environmental protection, housing and natural resource conservation. The Council also assists its member local governments with grantsmanship services and local technical planning assistance and provides socio-economic information on local and regional trends.

The Old Colony Planning Council District includes fourteen communities for general planning purposes consisting of the City of Brockton and the thirteen towns of: Abington, Avon, Bridgewater, East Bridgewater, Easton, Halifax, Hanson, Kingston, Pembroke, Plymouth, Stoughton, West Bridgewater and Whitman. This year, the Town of Plympton voted to become a member of the Planning District effective January 1, 1991. In its capacity as the Area Agency on Aging, the Council serves a twenty-three community area.

Each municipality is represented on the Council by one delegate and one alternate delegate. The Council members establish policy.

develop the work program, employ the professional staff and determines the activities of the Council to be carried out by the staff. The Council meets on the last Wednesday of each month at 8 PM in the Council offices located at 70 School Street, Brockton, MA.

In 1990, Robert W. Smith of East Bridgewater served as President of OCPC; John F. Lenox of Plymouth served as Council Secretary; and, James A. Kassos of Brockton served as Council Treasurer.

The Council gratefully acknowledges the generous support and cooperation of its member communities, the participation and involvement of members of the Joint Transportation Committee chaired by Mr. John Hurley; the Overall Economic Development Committee chaired by Mr. Joseph Joseph; and, the Area Agency on Aging Advisory Committee chaired by Ms. Barbara Farnsworth. The Council also recognizes the work of local boards and commissions and the government agencies, public and private institutions and individuals who assisted the Council.

Old Colony Planning Council Area Agency On Aging

Plymouth's representatives to the Old Colony Planning Council, Area Agency on Aging Advisory Committee, are pleased to present this report of the area agency's activities for 1990.

In 1990, the Old Colony Planning Council completed its tenth year as the Area Agency on Aging. The area agency is responsible for administering Title III funds under the Older Americans Act for twenty-three communities in southeastern Massachusetts. This federal funding has enabled the area agency to respond to the growing needs of elders, particularly those over the age of 85. In partnership with councils on aging and other community agencies, Title III monies have been creatively combined with other funding to develop a range of in-home and community services.

Services funded by the area agency during fiscal year 1990 included:

- Senior center and outreach programs
- Home health aide services
- In-home mental health services
- Senior center services for deaf and physically handicapped elders
- Transportation services
- Legal services
- Emergency services
- Congregate and home delivered meals
- Nursing home ombudsman services

These services have become an integral part of the elder service network.

The council gratefully acknowledges the generous support and cooperation of the Area Agency on Aging member communities, specifically the participation and involvement of the members of the

Area Agency on Aging Advisory Committee chaired by Ms. Barbara Farnsworth of Marshfield. The council also recognizes the work of local boards and commissions and the many government agencies, public and private institutions and individuals who have assisted the council.

Old Schoolhouse Committee

The Old Schoolhouse Committee has five members who meet the second Tuesday of each month at 6:30 p.m. The Committee oversees the use of the Schoolhouse. The facility is available to civic and non-profit groups along with neighborhood associations. Each group is required to file an application for approval by the committee.

This past year many organizations have used the building. The Cedarville Arts & Crafts Group, which meets each Wednesday, donated new chairs and tables. They also sponsor an annual Halloween and Christmas party along with a Fourth of July Celebration for children from the area. Blood pressure clinics are held monthly. The Old Schoolhouse is also the polling place for precinct 8. The Committee is very glad to see an increase in the use of the building.

Town Forest Committee

1990 marks the first year of implementation of the ten year Forest Management Plan which was drawn up in 1989. Our first goal was to improve any roads critical to the operation of the forest, such as fire access and future management of its various stands. This was accomplished with the aid of the DPW Highway Division supplying approximately thirty yards of processed gravel. A private contractor then reworked these critical roads and applied the gravel and graded as needed. This having been accomplished our fear was accessibility to rubbish dumping which has been an on-going problem in the forest. We addressed this in two ways: 1. No roadside trimming was done as it would encourage vehicular traffic, and 2. Plans and locations were discussed to install cable-gates at access points to the most abused areas. This was then reviewed by the Plymouth Fire Department and their approval was granted. This project will hopefully be done through volunteer efforts by local scouts during the Spring of 1991. It may be noted at this point that six truckloads of rubbish were removed in 1990 by scout groups and the Department of Public Works. Efforts have been made to identify those responsible, but with no success. However, due to these efforts and more frequent patrols, we have seen a reduction in the frequency of rubbish dumping in the forest.

The Plymouth Town Forest has been neglected for the past several years. Fortunately, there have been no significant storms, fires, or infestations to further delay its productivity. During the year we have taken the first of many positive steps that will be necessary in the reclamation of the town forest. We are fortunate to have the help of the Plymouth Highway, Parks and Tree Divisions of the Department of Public Works.

1749 Court House Committee

We had our busiest season ever — 10,208 tourists visited our museum from its opening weekend of May 26th to its closing on October 16th; 2,000 more than last year. The museum, which is staffed by one guide, was open on a daily basis for the months of July and August, our busiest period. It was a strange season, in that Monday, traditionally the slowest day, was the busiest. Also, October, which is rather a slow month, was almost as busy as the summer. Even on the hot, humid summer days, with temperatures in our building reaching the low 90's, tourists came in, in great numbers. As in previous seasons, we had our many repeat visitors from all over the country. Some of the more unusual countries represented were: Uruguay, Czechoslovakia, Yugoslavia, Malaysia and Shanghai. Four gentlemen from South Africa visited in August. A group of 25 theology students were in on October 9th. We also entertained a group of 16 Korean ministers in September. This was a challenge, as only one of them spoke English. However, he was a friendly, willing translator for the group.

In early May press releases went out to local newspapers and radio stations, and they were most cooperative in advertising the opening of our museum. The two information booths, walking tour leaflet, and PLYMOUTH GUIDE publication all give us good coverage and bring many visitors to our door.

In June we had a most unusual inquiry from a lady in Medfield. She was looking for a quaint, historic building in which to hold her friend's evening wedding. We regretfully informed her that the second floor courtroom could not accommodate one hundred wedding guests. But it was an interesting concept. Maybe someday we can host such a function, only on a smaller scale. We'd like to present special events in keeping with the building's history, but unfortunately there are some limitations, such as the relatively small size of the room, limited seating, dim lighting, and no restrooms within the museum itself.

Our research is ongoing. We had much correspondence with several sources this past season, regarding our popular 1828 fire engine, the 1910 Larkin Rocking Chair, and the 1890 pencil sharpener. Members of the committee, too, are involved in the continuing research on the prisoner's dock.

We have an eclectic collection of artifacts, with something for everyone — from the early 1800's wooden farm set, which fascinates the youngsters; our WHAT IS IT? guessing game for school age children; to the 1820 hearse and 1828 fire engine which appeal to adults. And everyone has a special, warm feeling for the courtroom on the second floor. Many times family groups linger upstairs while holding mock trials, accompanied by much giggling and laughter.

Again our thanks to the Town of Plymouth for the excellent maintenance of our free museum building. We receive many compliments from tourists concerning its fine appearance, both inside and out.

SPECIAL TOWN MEETING WARRANT

APRIL 6, 1991

To any of the constables of the Town of Plymouth, Commonwealth of Massachusetts:

MEETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Saturday, the Sixth day of April, 1991, at 10:00 A.M., to act on the following articles, to wit:

ARTICLE 1: To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-law, including Collective Bargaining Agreements, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 2: To see if the Town will vote to transfer a sum of money to fund certain collective bargaining agreements, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 3: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to be added to funds already appropriated under Article 7 of the 1990 Annual Town Meeting for the purpose of supplementing departmental expenses, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 4: To see what action the Town will take with regard to the payment of certain unpaid bills as follows:

| Item | Department | Creditor | Amount |
|-------------|-------------------|-----------------|---------------|
| A. | Fire | Jordan Hospital | \$844.56 |

to raise and appropriate a sum of money therefor, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 5: To see if the Town will vote to appropriate a sum of money from the Parking Meter Receipt Fund to purchase parking meters, or take any other action relative thereto.

POLICE DEPARTMENT

ARTICLE 6: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to add to the F.Y.'90 Reserve for Abatements and Exemptions account, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 7: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money for additional design services as part of the Preliminary Environmental Impact Statement for the wastewater facility plan, or take any other action relative thereto.

DPW SEWER DIVISION

ARTICLE 8: To see if the Town will vote to raise, appropriate, transfer, or borrow from the Massachusetts Water Pollution Abatement Trust or otherwise, a sum of money for the wastewater treatment facility plan, or take any other action relative thereto.

DPW SEWER DIVISION

ARTICLE 9: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to pay Framingham Excavating Company for work on the Mully Street-Water Street outfall, or take any other action relative thereto.

DPW SEWER DIVISION

ARTICLE 10: To see if the Town will vote to transfer the balances in Article 9-3 of the 1990 Annual Town Meeting and Article 9-5 of the 1989 Annual Town Meeting to examine by TV, clean, remove roots, and line 1,200 feet of sewer pipe on R/W of Billington Street, or take any other action relative thereto.

DPW SEWER DIVISION

ARTICLE 11: To see if the Town will transfer the balance of Article 7 of the November 20, 1989 Special Town Meeting for the purpose of drainage improvements in Filmore Street, or take any other action relative thereto.

DPW HIGHWAY DIVISION

ARTICLE 12: To see if the Town will vote to raise, appropriate, borrow, or transfer a sum of money to acquire an easement for drainage purposes on land located on Ellisville Road at the southeast corner of the portion of Lot 12, Plat 53, located on the westerly side of Ellisville Road, as shown on a plan entitled "Drainage Study Ellisville Road, Plymouth, Massachusetts, - Scale: 20 feet to an inch, October 10, 1990, Plymouth Department of Public Works Engineering Division, Frederick J. Smith, Town Engineer - Revised: January 25, 1991", and to construct a drainage system on a portion of Ellisville Road running southerly approximately 2,600 feet from said Lot 12, and to authorize the Board of Selectmen to acquire by gift, purchase, or eminent domain such interest in land as may be necessary to construct and maintain said drainage system, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 13: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money for a site assessment and initial testing of the groundwater in the area of the Cedarville Landfill, or take any other action relative thereto.

DPW ADMINISTRATION

ARTICLE 14: To see if the Town will vote to accept a gift of land on Plymouth Beach or raise, appropriate, transfer, or borrow a sum of money to purchase property on Plymouth Beach, or take any other action relative thereto.

LAND ACQUISITION COMMITTEE

ARTICLE 15: To see if the Town will vote to approve architectural plans and drawings for the Memorial Hall Public Restroom Project and authorize the expenditure of construction funds previously appropriated within Article 9 of the 1990 Annual Town Meeting; and empower the Board of Selectmen and the Plymouth-Carver Regional School Committee to enter into any agreements that may be necessary to deploy vocational-technical students as volunteer construction labor on said project in accordance with MGL Chapter 74:2A, or take any other action relative thereto.

VISITOR SERVICES BOARD

ARTICLE 16: To see if the Town will vote, under the provisions of MGL Chapter 40C, to expand the Plymouth Historic District as shown on a plan entitled "Plymouth Historic District: Existing and Proposed", dated June 1, 1977, and which is on file with the Town Clerk; and to amend the Plymouth Historic District By-law by substituting at Article 14 of the Plymouth By-laws, Sect. 14.2, "Establishment of the Plymouth Historic District", the following language, or take any other action relative thereto.

14.2 Establishment of the Plymouth Historic District

There is hereby established in the Town of Plymouth an amended historic district, which includes the area shown on a plan prepared by Delano and Keith, Inc. for the Historic District Study Committee dated October 18, 1972, entitled "Plymouth Historic District: Existing and Proposed", and prepared by the Town of Plymouth Engineering Department for the Plymouth Historic District Commission, a copy of which is on file with the Plymouth Town Clerk.

PLYMOUTH HISTORIC DISTRICT COMMISSION

ARTICLE 17: To see if the Town will vote to amend its Zoning By-law so as to establish a new district designation and to make related map changes to Zoning Maps #1 and #2 (Plymouth Quadrant) in the general vicinity of Court Street, Main Street, Main Street Extension, Water Street, and other connecting streets to provide for a mix of commercial, office, residential and other uses, or take any other action relative thereto.

PLANNING BOARD

ARTICLE 18: To see if the Town will vote to amend its Zoning By-law relative to of street parking requirements to provide for a payment per space procedure as a alternative to on-site facilities, or take any other action relative thereto.
PLANNING BOARD

ARTICLE 19: To see if the Town will take action on revolving funds as provided MGL Chapter 44, Section 53 (E 1/2) or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 20: To see if the Town will vote to raise, appropriate, or transfer a sum of money in order to conduct a professional assessment and evaluation of the Police Department of the Town of Plymouth, or take any other action relative thereto.
BY PETITION: LINDA SAM LENOX, et al

ARTICLE 21: To see if the Town will vote to dissolve the Permanent Elementary School Building Committee as it is presently constituted, a new committee to be appointed by the Board of Selectmen to carry out the vote and instructions of the Plymouth School Committee.
BY PETITION: WALTER E. MORRISON, JR., et al

ARTICLE 22: To see if the Town will vote to authorize the Board of Selectmen to sell and convey, within the requirements of MGL, Chapter 30B, the Uniform Procurement Act, all or a portion of a certain parcel of Town-owned land, shown as Lot 29 on Plat 90, Black Cat Road, for a sum and upon conditions as may be determined by the Board of Selectmen, and to rescind any prior vote inconsistent herewith, or take any other action relative thereto.
BY PETITION: KAREN LOMBARD, et al

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof fourteen days at least before such meeting, in the Town Office Building and in a public place in each precinct, and make return thereof with your doings thereon at the time and place above-mentioned.

Given under our hands this, the Nineteenth day of March, 1991.

or take any other action relative thereto.

ARTICLE 10: To see if the Town will vote to appropriate the sum of \$222,024 from available funds under Chapter 15 of the Acts of 1988, as the State's share of the cost of work under Chapter 90, Section 34 (2a) of the Massachusetts General Laws, or take any other action relative thereto.

DEPARTMENT OF PUBLIC WORKS

ARTICLE 11: To see if the Town will vote to raise and appropriate a sum of money for the purpose of providing an ambulance service to the Town, as provided in Chapter 111C of the Massachusetts General Laws, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 12: To see if the Town will vote to raise and appropriate a sum of money for the purpose of conducting an annual financial audit, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 13: To see if the Town will vote to raise and appropriate a sum of money to the Town's Unemployment Compensation Fund, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 14: To see if the Town will vote to transfer from the Waterways Fund a sum of money to repair the finger pier at the Town Wharf, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 15: To see if the Town will vote to appropriate from the Sale of Lots and Graves Fund a sum of money to be expended by the DPW Cemetery Division for the embellishment and improvement of the cemeteries or take any other action relative thereto.

DEPARTMENT OF PUBLIC WORKS

ARTICLE 16: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be expended by the Board of Selectmen on the commendation of the Community Development Board for the purpose of procuring certain public/social services to benefit residents of the Town of Plymouth, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 17: To see if the Town will vote to raise, appropriate, or transfer from available funds, a sum of money to support the Plymouth Area Coalition for the Homeless, Inc. in their service to homeless families.

PETITION: EDNA SEROCKI, et al

ARTICLE 18: To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be expended by the Visitor Services Board with the approval of the Board of Selectmen for the purpose of implementing certain public improvements within the Plymouth Center/Waterfront Area, or take any other action relative thereto.

VISITOR SERVICES BOARD

ARTICLE 19: To see if the Town will vote to accept an Equal Educational Opportunity Grant for Fiscal Year 1992, under the provisions of Section 5 of Chapter 70A of the Massachusetts General Laws, said funds to be expended under the supervision of the Plymouth School Committee for direct service expenditures, or take any other action relative thereto.

PLYMOUTH SCHOOL COMMITTEE

ARTICLE 20: To see if the Town will vote to accept an Equal Educational Opportunity Grant for Fiscal Year 1992, under the provisions of Section 5 of Chapter 70A of the Massachusetts General Laws, said funds to be expended under the supervision of the Plymouth-Carver Regional School Committee, for direct service expenditures, or take any other action relative thereto.

PLYMOUTH-CARVER REGIONAL SCHOOL DISTRICT COMMITTEE

ARTICLE 21: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to sponsor or contribute to an area household hazardous waste collection day or other activity, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 22: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money for the purpose of providing Hepatitis B vaccinations for public safety personnel in the Town of Plymouth, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 23: To see if the Town will vote to authorize the Board of Selectmen to file a home rule petition with the Massachusetts General Court for the purpose of establishing a Plymouth Promotions Fund into which account will be deposited a portion of local room occupancy tax for the purpose of providing funds for programs and projects that enhance the beautification, recreational, resources, public safety, promotional and marketing activities, event services, and public improvements for residents and visitors of the Town of Plymouth and which strengthen Plymouth as an attractive center for tourism, conventions, and related purposes of the visitor industry, or take any other action relative thereto. (Full text of the proposed legislation is on file at the Town Clerk's office.)
VISITOR SERVICES BOARD

ARTICLE 24: To see if the Town will vote to adopt the following by-laws relative to the prohibition of swimming at public beaches, ponds, and any coastal waters adjacent thereto when conditions are deemed too dangerous for safe swimming. No person shall bathe or swim in the waters of Plymouth Beach, White Horse Beach, or any coastal waters adjacent thereto or any ponds which are under the jurisdiction of the Town of Plymouth during such time as the lifeguard on duty at said beach determines conditions to be hazardous to the health, safety, and welfare of swimmers and bathers. Upon posting of warning signs by the lifeguard on duty or call notice from the lifeguard that conditions are deemed hazardous, all persons shall exit the water until it is determined that the hazardous condition has abated. Violations of this by-law shall be punishable by a fine of \$50.00 for each offense. This by-law may be enforced by means of a complaint or non-criminal disposition under M.G. Chapter 40:21D by any police officer of the Town, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 25: To see what action the Town will take to adopt a by-law prohibiting the transportation of radioactive materials or waste on certain roadways within the Town, or take any other action relative thereto.
NUCLEAR MATTERS COMMITTEE

ARTICLE 26: To see if the Town will vote to accept and allow as Town Ways the following streets or portions thereof as laid out by the Board of Selectmen and reported to the Town, make an appropriation for the payment of expenses for acquiring title, and for the payment of damages, where necessary, and for such other incidental legal expenses:

| Road | Petitioner |
|-----------------------------|----------------------------|
| Hettencourt Road | Christopher Chase, et al |
| Driftwood Lane | Department of Public Works |
| Beach Road | Department of Public Works |
| Crabtree Road (portion) | Department of Public Works |
| Sugarbush Lane | Department of Public Works |
| Lafayette Road (portion) | Department of Public Works |
| Cranberry Circle | Department of Public Works |
| Micajah Pond Road (portion) | Department of Public Works |

or take any other action relative thereto.

ARTICLE 27: To see if the Town will vote to establish a standing committee for purposes including implementing the recommendations outlined in the Manomet Village Master Plan, or take any other action relative thereto.

PLANNING BOARD

ARTICLE 28: To see if the Town will vote to amend its Zoning By-law and associated maps so as to further control the development of land in association with the Buttermilk Bay Drainage Basin, or take any other action relative thereto.

PLANNING BOARD

ARTICLE 29: To see if the Town will vote to authorize the Redevelopment Authority and its designees to enforce rules and regulations within their jurisdiction by means of a non-criminal monetary penalty of a specified sum, including any necessary related amendments to the Summer High Street Urban Renewal Plan, or take any other action relative thereto.

PLYMOUTH REDEVELOPMENT AUTHORITY

ARTICLE 30: To see if the Town will vote to amend its Zoning By-Law Section 302, "Conservation of Open Space Quality", relative to the regulation of signs and other advertising devices, or take any other action relative thereto.

BY PETITION: CLIFFORD F. CONTI, et al

ARTICLE 31: To see if the Town will vote to raise, appropriate or transfer a sum of money necessary to continue police coverage as heretofore evenings from 6:00 P.M. to 2:00 A.M. from Memorial Day to Labor Day, 1991, in the area of the beach entrance on Cape Cod Avenue, Manomet.

BY PETITION: EILEEN COLLINS, et al

ARTICLE 32: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to provide police presence at access to Manomet and Colony beaches, so-called; said access located at the southerly end of Shore Drive, contiguous to and including Lot B of the section labelled Lot 2 of Plymouth Assessor

Map 49, and also including the northeast extremity of the juncture or Centerville Way and Sea View Drive of the section labelled Lot 3 of Plymouth Assessors Map 49; said presence to be consistent with that provided to the beach access areas of Churchill Landing and Cape Cod Avenue for the purpose of providing comfort, security, and protection to residents of the town from unlawful behavior upon the access beaches.

BY PETITION: JOSEPH "RANDY" PARKER, JR., et al

ARTICLE 33: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to pave a portion (or entire length at your option) of Bay Terrace and Centerville Way, or take any other action relative thereto.

BY PETITION: JEAN T. GIBBONS, et al

ARTICLE 34: To see if the Town will vote to authorize the Board of Selectmen to sell within the requirements of MGL Chapter 30B, the Uniform Procurement Act, a certain parcel of Town-owned land, Lot 1-9 shown on Plat 124, abutting the land of Thomas S. Doherty, shown as Lot 1-8 on Plat 124, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 35: To see if the Town will vote to convey to Thomas S. Doherty a certain parcel of Town-owned land, Lot 1-9 and Lot 1-10, shown on Plat 124. Both lots combined are (120') one hundred twenty feet by (100') one hundred feet abutting the land of said Thomas S. Doherty, shown as Lot 1-8 on Plat 124, for a sum and upon conditions as may be determined by the Board of Selectmen, or take any other action relative thereto.

BY PETITION: THOMAS S. DOHERTY, et al

ARTICLE 36: To see if the Town will vote to convey to Thomas Kinch and Janet Kinch, owners of Lot 62 on Map 30, Lot 65A on Map 30, which abuts Lot 62.

BY PETITION: NANCY LAPOINTE, et al

ARTICLE 37: To see if the Town will vote to amend the Zoning Map Number Sagamore Quadrant, by re-zoning from R-25 (Medium Lot Residential) to NC (Neighborhood Commercial) land shown as Lot 1075 on a Plan of Land Prepared for Pond Properties, Inc., dated June 7, 1990, by Norwood Engineering Co., Inc., which plan is on file with the Town Clerk. Said land is located on the easterly side of Raymond Road, north of Grassy Pond, at 133 Raymond Road.

BY PETITION: MILLARD JOSEPH LANDRY, JR., et al

ARTICLE 38: To see what action the Town will take with regard to certain unexpended appropriation balances, or take any other action relative thereto.
ADVISORY AND FINANCE COMMITTEE

ARTICLE 39: To see what action the Town will take to raise and appropriate or transfer from available funds, to the Stabilization Fund, as authorized by the provisions of Section 5B of Chapter 40 of the Massachusetts General Laws, and

nended, or take any other action relative thereto.

ADVISORY AND FINANCE COMMITTEE

ARTICLE 40: To see what action the Town will take to transfer from available funds to reduce the tax levy of the forthcoming fiscal year, or take any other action relative thereto.

ADVISORY AND FINANCE COMMITTEE

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof, seven days at least before the meeting, in the Town Office Building and in public places in each precinct and make return thereof with your findings thereof at the time and place above-mentioned.

Given under our hands this the Nineteenth day of March, 1991

Pursuant to the foregoing warrant, I have this day notified and warned the Inhabitants of Plymouth qualified to vote in elections and Town affairs to meet in the Plymouth North High School on Saturday, the Sixth day of April, 1991, at Ten o'clock in the forenoon to conduct the Annual Business Meeting of the Town of Plymouth, and I have further warned the Inhabitants of Plymouth qualified to vote in elections to meet in Precinct 1, Hedge School; Precinct 2, Cold Spring School; Precinct 3, Town Hall; Precinct 4, Plymouth North High School; Precinct 5, Plymouth-Carver Intermediate School; Precinct 6, Manomet Elementary School; Precinct 7, Indian Brook Elementary School; Precinct 8, Old Cedarville School House; Precinct 9, South Elementary School; Precinct 10, Federal Furnace Elementary School; Precinct 11, Plymouth Airport; Precinct 12, West Elementary School; Precinct 13, West Elementary School in said Plymouth to cast their votes for Town Officers between the hours of Eight o'clock in the forenoon and Eight o'clock in the afternoon on Saturday, the eleventh day of May, 1991, by posting copies of this warrant in the Town Office Building and in a public place in each precinct, seven days at least before such meeting.

March 22, 1991

s/Jeffrey B. Peck

APRIL 6, 1991 - PRECINCT CAUCUSES

On the above date at the Plymouth North High School, Precinct #1 caucused with Town Meeting. Members present. Mr. Leonard Vaz served as clerk. Mr. Benjamin Husted, Jr. of 13 Saverys Lane, was elected to serve until the next election. Mr. Husted was sworn in on April 8, 1991.

On April 6, 1991, the Tn. Mtg. Members of Precinct #6 held a caucus at the Plymouth North High School. Maureen MacKenzie served as clerk and Mr. Eugene T. Lane, Jr. of Arboretum Road was elected to serve to the next election.

On April 6, 1991, Tn. Mtg. Members of Precinct #9 held a caucus at the Plymouth North High School, at which time they elected Linda M. Kundhardt of West Long Pond Road to serve to the next election. Mr. Walter E. Morrison, Jr. served as clerk.

On April 6, 1991, Precinct #13 held a caucus at Plymouth North High School with Tn. Mtg. Members present. Mr. William D. Burke acted as clerk. Mr. Pasquale LaGambina of 29 Surrey Drive was elected to serve to the next election.

APRIL 6, 1991 ANNUAL TOWN MEETING

The Annual Town Meeting convened at 10:12 A.M. in the Plymouth North High School, by the Moderator, Clarence Krueger.

The number of Town Meeting Members present was 91, as reported by the checker.

The Moderator declared a quorum present.

The Invocation was given, and the Moderator led the body in the Pledge of Allegiance to the flag.

Any newly-elected Town Meeting Members were sworn to their position by the Town Clerk, Mr. Edward B. Maccaferri, Jr.

The Annual Town Meeting was adjourned so as to consider the articles for the Special Town Meeting.

It was voted that future adjourned sessions of the Annual Town Meeting would be held on April 8, April 9, and April 10 in the Plymouth North High School.

APRIL 6, 1991 SPECIAL TOWN MEETING

The Special Town Meeting was called to order at 10:26 A.M. by the Moderator, Clarence Krueger.

ARTICLE 1: Mr. Provenzano moved that the Town vote to amend the Classification and Compensation Plans and incorporate by reference the Collective Bargaining agreements approved by the Board of Selectmen and representatives of:

the Plymouth Police Brotherhood and

the Crossing Guard Union, AFSCME, Local 2824

and further, that the Personnel By-Law be amended by incorporating said agreements, including all changes, including salaries in such agreements retroactive to July 1, 1990, and to run through June 30, 1991; and further, to increase hourly wages for seasonal personnel covered under "Schedule D", by 5.3% effective with the date of commencement of employment in calendar year 1991.

This motion was PASSED.

ARTICLE 2: VOTED: That the Town transfer the sum of \$186,970 from the Selectmen's Budget, Salaries and Wages, (Salary Reserve), and appropriate the sum of \$887 from Parking Meter Receipts to fund certain collective bargaining agreements, as follows:

| Department/Item | Amount | Transfer To | Transfer From |
|----------------------------|-----------|----------------|----------------|
| SELECTMEN: | | | |
| Info Aide/Director | \$63 | Salary/Wages | Salary Reserve |
| POLICE: | | | |
| Park Police | \$107 | Salary/Wages | Salary Reserve |
| Crossing Guards | \$1,802 | Salary/Wages | Salary Reserve |
| Meter Enforcement | \$887 | Salary/Wages | Meter Receipts |
| Patrolmen | \$183,742 | Salary/Wages | Salary Reserve |
| HARBORMASTER: | | | |
| Assistants | \$570 | Salary/Wages | Salary Reserve |
| DPW WATER DIVISION: | | | |
| Seasonal Employees | \$686 | Salary/Wages | Salary Reserve |
| TOTAL: | \$187,857 | | |
| | \$887 | Meter Receipts | |
| | \$186,970 | Salary Reserve | |

ARTICLE 3: VOTED: (UNANIMOUSLY) That the Town vote to transfer the sum of \$249,450 as follows:

| Total | | \$249,450 | | | \$249,450 |

ARTICLE 4: VOTED: (UNANIMOUSLY) That the Town vote to appropriate the sum of \$844.56 from Free Cash for the payment of a certain unpaid bill of the Town, as follows:

| Item | Department | Creditor | Amount |
|------|------------|-----------------|----------|
| A. | Fire | Jordan Hospital | \$844.56 |

ARTICLE 5: VOTED: (UNANIMOUSLY) That the Town appropriate the sum of \$8,800 from the Parking Meter Receipt Fund to purchase parking meters, said funds to be expended under the supervision of the Police Department.

ARTICLE 6: VOTED: (UNANIMOUSLY) That the Town transfer the sum of \$123,000 from the Overlay Surplus Account to add to the FY '90 Reserve for Abatements and Exemptions.

ARTICLE 7: Mr. Provenzano moved that the Town vote to transfer the sum of \$15,000 from Police Salaries, Budget #210, for additional design services as part of the Preliminary Environmental Impact Statement for the wastewater treatment facility plan.

This motion was PASSED.

ARTICLE 8: Mr. Provenzano moved that the Town vote to authorize the appropriation of \$600,000 for the purpose of financing the development of a facility plan and environmental impact report (EIR) for an upgrade to the Town's wastewater facility plant, including without limitation all costs thereof as defined in Section 1 of Chapter 29C of the General Laws; that to meet this appropriation the Treasurer, with the approval of the Selectmen, is authorized to borrow \$600,000 and issue bonds or notes therefor under Chapter 44 (7) of the General Laws and/or Chapter 29C of the General Laws; that such bonds or notes shall be general obligations of the Town unless the Treasurer with the approval of the Selectmen determines that they should be issued as limited obligations and may be secured by local system revenues as defined in Section 1 of Chapter 29C; that the Treasurer with the approval of the Selectmen is authorized to borrow all or a portion of such amount from the Massachusetts Water Pollution Abatement Trust established pursuant to Chapter 29C and, in connection therewith, to enter into a loan agreement and/or security agreement with the Trust and otherwise to contract with the Trust and the Department of Environmental Protection with respect to such loan and for any federal or state aid available for the project or for the financing thereof; that the Board of Selectmen is authorized to enter into a project regulatory agreement with the Department of Environmental Protection, to expend all funds available for the project and to take any other action necessary to carry out the project.

By vote of 79 AFFIRMATIVE and 5 NEGATIVE, this motion was PASSED.

ARTICLE 9: VOTED: (UNANIMOUSLY) That the Town transfer the sum of \$7,179.12 from Free Cash to pay Framingham Excavating Company for work on the Murray Street-Water Street outfall, said funds to be expended under the supervision of the Department of Public Works

ARTICLE 10: VOTED (UNANIMOUSLY) That the Town transfer the balance in Article 9-30 of the 1990 Annual Town Meeting (\$34,000.00) and the balance in Article 9-5 of the 1989 Annual Town Meeting (\$50,000.00) to examine by TV, clean, remove roots, and line 1,200 feet of sewer pipe on right of way off Billington Street, said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 11: VOTED: That the Town transfer the Balance of Article 7 of the November 20, 1989, Special Town Meeting (\$4,698.00) for the purpose of drainage improvements on Filmore Street; said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 12: VOTED (UNANIMOUSLY) That the Town transfer the sum of \$125,000 from Free Cash and \$25,000 from the Sale of Real Estate Funds to acquire an easement for drainage purposes on land located on Ellisville Road at the southeast corner of the portion of Lot 12, Plat 53, located on the westerly side of Ellisville Road, as shown on a plan entitled "Drainage Study-Ellisville Road, Plymouth, Massachusetts. Plymouth Department of Public Works Engineering Division, Frederick J. Smith, Town Engineer-Revised: January 25, 1991" and to construct a drainage system on a portion of Ellisville Road running southerly approximately 2,600 feet from said Lot 12, and to authorize the Board of Selectmen to acquire by gift, purchase, or eminent domain such interest in land as may be necessary to construct and maintain said drainage system. The funds to be expended under the supervision of the Department of Public Works.

ARTICLE 13: VOTED: (UNANIMOUSLY) That the Town transfer the sum of \$12,000 from Police Department Salaries, Budget #210, for a site assessment and initial testing of the groundwater in the area of the Cedarville Landfill; said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 14: NO ACTION ON ARTICLE 14.

ARTICLE 15: Mr. Provenzano moved that the Town vote to approve architectural plans and drawings for the Memorial Hall Public Restroom Project and authorize the expenditure of construction funds previously appropriated within Article 9 of the 1991 Annual Town Meeting; and empower the Board of Selectmen and the Plymouth Carver Regional School Committee to enter into any agreements that may be necessary to deploy vocational-technical students as volunteer construction labor on said project in accordance with MGL Chapter 74:2A; And further, that the balance of the original appropriation no longer necessary to fund said construction (approximately \$40,000.00) will be returned to surplus.

After some discussion regarding the esthetics of the roof design of this project, Mr. John Lee moved to limit debate and vote the question. This motion to limit debate did NOT PASS.

Mr. Lawrence Pizer moved to amend Mr. Provenzano's motion by adding "with any future roof modifications thereto" after the title of the project in line 2 above.

This motion to amend PASSED.

Mr. Provenzano's motion, as amended by Mr. Pizer's motion, was voted and PASSED.

ARTICLE 16: Mr. Provenzano moved that the Town vote, under the provisions of MGL Chapter 40C, to expand the Plymouth Historic District as shown on a plan

entitled "Plymouth Historic District: Existing and Proposed", dated June 1, 1977, and which is on file with the Town Clerk; and to amend the Plymouth Historic District By-law by substituting at Article 14 of the Plymouth By-laws, Sect. 14.2, "Establishment of the Plymouth Historic District", the following language:

1.2 Establishment of the Plymouth Historic District

There is hereby established in the Town of Plymouth an amended historic district, which includes the area shown on a plan prepared by Delano & Keith, Inc. for the Historic District Study Commission dated October 18, 1972, entitled "Proposed Historic District", and an expanded district shown on a plan entitled "Proposed Historic District, Plymouth, Massachusetts, as presented by Plymouth Historic District Commission, March 19, 1991", and prepared by the Town of Plymouth Engineering Department for the Plymouth Historic District Commission, a copy of which is on file with the Plymouth Town Clerk.

By vote of 72 AFFIRMATIVE, and 13 NEGATIVE, this motion PASSED.

ARTICLE 17: Mr. Provenzano moved that the Town vote to amend its Zoning By-law as shown in the "Final Report and Recommendations of the Planning Board on the PROPOSED AMENDMENT TO THE ZONING BY-LAW TO ESTABLISH THE DOWNTOWN/HARBOR DISTRICT."

Mr. John Lee moved to amend by eliminating Item C-4 under Special Permit ses.

His motion to amend did NOT PASS.

The original motion of Mr. Provenzano was PASSED by vote of 78 AFFIRMATIVE, and 1 NEGATIVE.

FINAL REPORT AND RECOMMENDATION OF THE PLANNING BOARD ON THE PROPOSED AMENDMENT TO THE ZONING BY-LAW TO ESTABLISH THE DOWNTOWN/HARBOR DISTRICT

DATES OF PUBLICATION OF PUBLIC NOTICE:

JANUARY 24, 1991

JANUARY 31, 1991

DATES OF PUBLIC HEARING:

FEBRUARY 12, 1991

FEBRUARY 26, 1991

VOTED: On Tuesday, February 26, 1991, the Planning Board VOTED (4-0) to recommend that the proposed amendment be approved, provided that is effective concurrent to the Historic District expansion to be voted on at this same Special Town Meeting.

PROPOSED AMENDMENT:

- I) To amend Section 401 - "District Regulations" by adding the following Section thereto:

Section 401.21 DH Downtown/Harbor District

A) Intent

To encourage a mix of commercial and residential uses on individual lots and throughout the district that complement the Town's rich historical background.

To create a pedestrian oriented environment by creating links between existing and proposed areas of activity, to better serve residents and tourists.

To preserve and protect the distinctive characteristics of buildings and places significant in the history of Plymouth or their architecture, and through the maintenance and improvement of settings for such buildings and places and the encouragement of designs compatible therewith.

B) Allowed Uses

- 1) Single family, two family, and multi-family dwellings, containing less than nine (9) units on the same lot, provided:

A) That each unit contains a minimum floor area of:

- i) 600 square feet for one bedroom units,
- ii) 720 square feet for two bedroom units,

and

- iii) $(720 + 100X)$ square feet for $(two + X)$ bedroom units

AND

- B) Such uses are not allowed on the street floor of a building located on a state numbered highway, as designated as of January 24, 1991.

- 2) Boat sales, service, rentals, ramps, and docks: commercial sightseeing or ferrying.
- 3) Marine railways, repair yards, storage yards, marine supply outlets.
- 4) Commercial fishing and seafood wholesale or retail outlets and related uses.

- 5) Hotels, motels, and inns, for occupancy of 25 rooms or less.
- 6) Indoor and outdoor eating and drinking establishments.
- 7) Retail establishments.
- 8) Personal service establishments, including such uses as barber and beauty shops, shoe repair shops, self-service laundry and cleaners, laundry and dry-cleaners.
- 9) Offices, studios, laboratories.
- 10) Professional and business services.
- 11) Financial institutions and establishments.
- 12) Recreational, social, or cultural facilities such as theatre, play-house, bandshell, outdoor pavilion, museum, community center.
- 13) Commercial recreation uses.
- 14) Private clubs and lodges.
- 15) Other cultural and recreational uses, public or private.
- 16) Parking lots and garages, whether public, private, or commercial.
- 17) Clinics and laboratories.
- 18) Funeral homes.
- 19) Day nurseries and kindergartens.
- 20) Colleges, universities, technical or vocational schools and dormitories.
- 21) Rental agencies, such as miscellaneous appliances and equipment.
- 22) Wholesaling, distribution, and storage, involving not more than 2,000 square feet of storage space.
- 23) Service and repair establishments (except automotive service stations and minor repair shops), provided that all repairs take place inside an enclosed structure, including all such uses as household appliance repair and servicing, office equipment repair, and miscellaneous small repair shops, provided that all repairs shall take place in completely enclosed structures, or in areas completely screened from public ways and, where necessary, adjacent uses.

C) Special Permit Uses

- 1) Drive-thru establishments.
- 2) Rest homes, halfway houses, convalescent homes, homes for the elderly, orphanages, and similar institutions.
- 3) Passenger stations for buses and other types of mass transit.
- 4) Automobile service stations and minor repair shops, provided that all repairs shall take place in enclosed buildings or screened areas.
- 5) Multi-family uses of greater than eight (8) units on the same lot, subject to the density provisions of Section (B) (1).
- 6) Lodging Houses.
- 7) Hotels, motels, and inns, for occupancy of more than 25 rooms.

D) Prohibited Uses

- 1) Industrial uses not otherwise provided for above.
- 2) Any use other than as permitted above, including exterior storage of products or merchandise in substantial quantities, or of new used building materials, junk, scrap, salvage, or any other second hand materials, warehouses and distribution facilities containing over 2,000 square feet, permanent or regular outdoor displays of merchandise in any required yard, major automotive garages, and body shops, or any garage which conducts repairs out of doors, tire recapping and retreading, storage or distribution of bulk petroleum products, and any other use of any equal or greater nuisance level.
- 3) Any use which is determined to be potentially dangerous or offensive to persons in the district, or to those who pass on public ways by reason of emission or odor, smoke, fumes, particulate matter, noise, vibration, glare, radiation, electrical interference, or of threat of fire or explosion, or which is likely for any reason to be incompatible with the character and function of the district.

E) Dimensional Requirements

- 1) All uses, premises, and structures should be designed to allow pedestrian access to and along the shore.
- 2) The front line for a structure hereafter erected may extend to an alignment consistent with the predominant setback of existing structures along the same side of the street within 500 feet of the site.
- 3) The side and rear yards of detached structures shall be a minimum of five (5) feet, variable by Special Permit. Attached structures may have no side or rear setback provided that internal sprinkling and fire alarm systems are provided.

- II) To amend Zoning Maps #1 & #2 (Plymouth Quadrant) so as to delineate the Downtown/Harbor District, as shown on a map entitled "Proposed Downtown Harbor District, February 12, 1991", on file with the Town Clerk.**

Need & Justification

In November 1979, Town Meeting adopted the Plymouth Center/Waterfront Area Master Plan. This plan recognized the problems, potentials, and interaction between the waterfront and Plymouth Center. A series of recommendations was included to protect aesthetic values while addressing the need for change in economic use.

Much of the area's charm lies in the historical nature of its architecture, which provides a distinct sense of place. The Town must protect and enhance what exists and ensure that future improvements are harmonious with the historical nature of the area.

The Downtown/Harbor is well established as the historic, social, governmental, and economic center of the entire community. There is a need for one zoning district uniquely suited to the area, established in conjunction with an expanded Historic District. This new zoning district should specifically include connector streets between downtown and the harbor, which have been identified in the adopted Master Plan.

Effect

The proposed amendment would establish the Downtown/Harbor District. As shown in the enclosed map, this district is bounded by Samoset Street/Park Avenue on the north, Plymouth Harbor on the east, the Water Street/Sandwich Street intersection on the south, and line one block off Route 3A to the West. Not included in this district are Brewster Street and Chilton Street.

The effect of this proposal is to allow increased flexibility in use. A mix of light commercial, office, residential, and waterfront uses is encouraged. The merging of several separate districts results in a consistent use pattern, more capable of implementing the goals of the Master Plan. Setback and dimensional requirements have been limited as the expanded Historic District would assure appropriate building and site design.

Intent

The intent of this amendment is to bring the Zoning By-law into consistence with the adopted Village Master Plan, and to assist in revitalizing the Downtown/Harbor area.

As noted in the plan, this area has largely avoided overdevelopment, retaining the character, charm, and ambience of its historical roots. Preservation and enhancement must be at the forefront of any improvement strategy.

The quality of the Downtown/Harbor area lies in its diverse mix of stores, services, and residences. This amendment encourages such a mix. Use regulation is minimized, with an emphasis on quality.

THE PLANNING BOARD

CC: Town Clerk
Board of Selectmen
Advisory & Finance Committee

By vote of 81 AFFIRMATIVE, and 1 NEGATIVE, this motion was PASSED.

DATES OF PUBLICATION OF PUBLIC HEARING: JANUARY 24, 1991
JANUARY 31, 1991

DATES OF PUBLIC HEARING: FEBRUARY 12, 19
FEBRUARY 26, 19

On Tuesday, February 26, 1991, the Planning Board voted (4-0) to recommend approval of the amendment to Town Meeting.

To amend Section 305 of the Zoning By-law as follows:

- I) Section 305.01, "Off-Street Parking required within 400 feet", is to be amended so that the third paragraph reads as follows:

(underlined sections to be added)

The Board of Appeals may, on appeal or reference from the Building Inspector, grant a Special Permit making such modifications in the standards or prescribed safeguards and conditions as it shall warrant appropriate provided that it finds that it is impractical to meet the standards and that such modifications are appropriate by reason of the proposed use and will not result in or worsen parking or traffic problems in the district. The Board may impose conditions of use or occupancy appropriate to such modifications, and/or impose conditions relative to the provisions of the Off-Street Parking Fund, Section 305.12.

- II) Section 305 is to be amended to include the following:
305.12 Off-Street Parking Fund

Land uses within the General Commercial Zoning District and the Waterfront District shall provide off-street parking spaces according to the ratios established under Section 305.11. In the alternative, as a Special permit condition, a payment may be made to an Off-Street Parking Fund to be established in a manner determined by a Town Meeting separate from the General Fund. Land uses within the Downtown/Harbor District may make such a payment in lieu of 15 or fewer parking spaces as an allowed procedure. A payment for more than 15 spaces may be made as a Special Permit condition.

A payment to this fund shall be reasonably proportionate to the ratios referenced in Section 305.11, as well as the estimated cost of land and improvements necessary to support the parking demands of the subject use. This payment shall be in accordance with a schedule adopted by the Board of Selectmen.

Expenditures from this fund are to occur only with the approval of a Town Meeting, or the approval of an agency so authorized. Eligible parking related uses for these funds include land acquisition, facility construction, and the preparation of plans and specifications therefore. Expenditures shall directly benefit the aforementioned land use. Funds shall not be expended for routine maintenance, or for facilities located outside of the associated Village Service Area.

NEED & JUSTIFICATION

In November of 1989, Town Meeting adopted the Master Plan for the Plymouth Center/Waterfront Area. At that time the Planning Board was directed to prepare certain Zoning By-law changes for consideration.

The 1990 Annual Town Meeting overwhelmingly adopted an amendment relative to off-street parking requirements to provide for a payment per space procedure as an alternative to on-site facilities. This proposed amendment was rejected by the Attorney General. This rejection was solely for accounting reasons. The General Law requires all revenue generated by the Town to be deposited into the General Fund unless another lawfully recognized account is in place.

To address the Attorney General's concerns, language referring to the outside holdings of funds has been eliminated. In conjunction with this article, it is necessary to establish a revolving account. This is now provided for in the General Laws.

The only significant change in substance relates to uses in the Downtown/Harbor District. A payment in lieu of 15 parking spaces or less could now be made in this district as allowed procedure.

EFFECT

The effect of this amendment would be to provide for a payment to an off-street parking

fund as an alternative to providing on-site parking spaces. This would enable commercial properties which are incapable, due to limited lot size or other factors, to be put to appropriate use while not exacerbating existing parking problems.

INTENT

It is intended that a property owner be given the opportunity to participate financially in the construction of public parking facilities. Too often the Appeals Board has been faced with the dilemma of approving a worthwhile project, which negatively impacts an area's parking situation. It is intended that this article will encourage commercial investment, while providing an alternative to taxpayer financing of parking lots and garages.

TOWN OF PLYMOUTH BY:

Michael F. Babini, Chairman
Malcolm A. MacGregor
Robert L. Hollis, Jr.
Derryl P. Lawrence
Donald A. Nicholson, III

BEING A MAJORITY OF THE PLANNING BOARD

ARTICLE 19: VOTED: That the Town establish the following revolving funds as provided in MGL Chapter 44, Section 53 (E 1/2):

- a) The Manomet Village Parking Revenue Revolving Fund
 - b) The Cedarville Village Parking Revenue Revolving Fund
 - c) The West Plymouth Village Parking Revenue Revolving Fund
 - d) The North Plymouth Village Parking Revenue Revolving Fund
 - e) The Plymouth Center Village Parking Revenue Revolving Fund
- 1) These five funds shall be for the programs and purposes identified in Section 305.12 of the Plymouth Zoning By-law;
 - 2) The departmental receipts credited to these five funds shall be those identified in Section 305.12 of the Plymouth Zoning By-law. Said departmental receipts shall be deposited to the appropriate revolving fund relative to the Village Center for which the funds have been collected;
 - 3) The Board of Selectmen shall be empowered with the authorization to make expenditures from the funds so established;
- and
- 4) The limit of expenditures authorized for fiscal year 1991 shall not exceed \$1.0 from any fund so established.

ARTICLE 20: Mrs. Lenox moved to transfer a sum of \$20,000.00 from the Fiscal Year 1991 operating budget, Police Department Administration, Salaries and Wages, in order to conduct a professional assessment and evaluation of the Police Department of the Town of Plymouth; said funds to be expended under the direction of the Board of Selectmen.

This motion did NOT PASS.

ARTICLE 21: Mr. Walter Morrison moved that the Town vote to dissolve the Permanent Elementary School Building Committee, as it is presently constituted, a new committee to be appointed by the Board of Selectmen to carry out the vote and instructions of the Plymouth School Committee.
This motion was UNANIMOUSLY DEFEATED.

ARTICLE 22: Mr. Provenzano moved that the Town vote to transfer to the custody of the Board of Selectmen for purposes of sale and conveyance all of the Town's right, title, and interest in Lot 29 on Plat 90, Black Cat Road, and vote to authorize the Board of Selectmen to sell and convey, within the requirements of MGL Chapter 8B, the Uniform Procurement Act — in or within six months from the date of passage of this motion, all or a portion of all of the Town's right, title, and interest in Lot 29 on Plat 90, Black Cat Road; for a sum and upon conditions as may be determined by the Board of Selectmen. By voice vote — UNANIMOUS "YES"; no NEGATIVE oral vote; one Town Meeting Member requests to be recorded as abstaining.

5:00 P.M. Mr. Brewster moved to adjourn and dissolve this Special Town Meeting.

SO VOTED.

APRIL 8, 1991 ANNUAL TOWN MEETING

The adjourned session of the Annual Town Meeting convened at 7:45 P.M. in the Plymouth North High School.

The number of Town Meeting Members present was 87, as reported by the checkers.

The Moderator declared a quorum present.

ARTICLE 1: ANNUAL TOWN ELECTION — MAY 11, 1991

ARTICLE 2: Mr. Provenzano moved that the Town receive reports of various Town Committees, Boards, Commissions, and Departments, and place them on file at the Town Clerk's office.

130 Court Street Committee;
D.P.W. Facility Study Committee;
Animal Shelter Study Committee;
Permanent Elementary School Building Committee;

VOTED — UNANIMOUSLY to accept these reports as presented.

ARTICLE 3: VOTED: (UNANIMOUSLY) That the Town authorize the Treasurer with the approval of the Board of Selectmen, to borrow in anticipation of revenue the twelve month period beginning July 1, 1991, in accordance with Section 4 Chapter 44 of the Massachusetts General Laws, as amended, of less than one year in accordance with Section 17 of Chapter 44 of the Massachusetts General Laws.

ARTICLE 4: VOTED: That the Town, pursuant to Article 1, Section 4 of the Town laws

| | |
|---|---|
| vote to discharge the Permanent Parking and Traffic Study Committee | Y |
| vote to continue the following committees until the 1992 Annual Town Meeting: | |
| Public Works Facility Study Committee | Y |
| Temporary Police Station Study Committee | Y |
| Town Hall Study Committee | Y |
| Animal Shelter Study Committee | Y |

and further

| | |
|--|---|
| vote to continue the Ambulance Committee for a period of three years | Y |
| and the Manomet Sewage Planning and Construction Committee for three years | Y |

(said committee to consist of (7) seven members, one from each "Service Area" and (3) three at-large citizens)

| | |
|--|---|
| and the Recreation Activities Commission for a period of three years | Y |
| *(Recreation to be subject to results of the May, 1991 election ballot question regarding Plymouth Home Rule Charter). | |

*On May 11, 1991, the Plymouth Home Rule Charter, as proposed, was PASSED, therefore eliminating the Plymouth Recreation Activities Commission from the government structure.

ARTICLE 5: Mr. Provenzano moved that the Town vote to amend the Classification and Compensation Plans and the Personnel By-law and Collective Bargaining Agreements contained therein as follows:

| | |
|---|-----|
| adopt job description for Payroll Administrator | NO |
| amend language in Section 13A — Longevity Payment | YES |
| amend language in Section 15 — Sick Leave | YES |
| amend language in Section 15B — Sick Leave Buy Back | YES |

as recommended by the Personnel Director and outlined in a letter to the Finance and Advisory Committee dated February 22, 1991.

ARTICLE 6: Mr. Provenzano moved that the Town vote to fix the salaries of elected officials as follows:

| | |
|------------------------------|-----------|
| Moderator | \$300.00 |
| Chairman, Board of Selectmen | 3,000.00 |
| Selectmen, Other (each) | 2,000.00 |
| Town Clerk | 19,488.00 |
| Town Treasurer | 19,488.00 |
| Tax Collector | 41,383.00 |

James Bell moved that the salaries be considered and voted as separate items.

This motion did NOT PASS.

Mr. George W. Parker, Jr. moved to substitute the following schedule for the one proposed by Mr. Provenzano:

| | |
|-------------------------|-----------|
| Moderator | \$000.00 |
| Chairman, Selectmen | 000.00 |
| Selectmen, Other (each) | 000.00 |
| Town Clerk | 20,000.00 |
| Town Treasurer | 20,000.00 |
| Town Collector | 41,000.00 |

This motion to amend did NOT PASS.

Mr. Provenzano's motion, as originally presented, was voted and PASSED.

ARTICLE 11: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$223,841.00 for the purpose of providing an ambulance service to the Town as provided in Chapter 111C of the Massachusetts General Laws; said funds to be expended under the supervision of the Fire Chief.

ARTICLE 12: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$27,000.00 for the purpose of conducting an annual financial audit; said funds to be expended under the supervision of the Board of Selectmen.

ARTICLE 13: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$25,000.00 to the Town's Unemployment Compensation Fund; said funds to be expended under the supervision of the Board of Selectmen.

ARTICLE 14: VOTED: (UNANIMOUSLY) That the Town transfer the sum of \$8,500.00 from the Waterways Fund to repair the finger pier at the Town Wharf; said funds to be expended under the supervision of the Harbormaster.

ARTICLE 15: VOTED: (UNANIMOUSLY) That the Town appropriate \$3,000.00 from the Sale of Lots and Graves Fund to be expended by the DPW Cemetery Division for the embellishment and improvement of the cemeteries; said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 16: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$20,000.00 and transfer the sum of:

- \$922.00 from the Murdock Trust Fund
- \$1,110.00 from the Holmes Trust Fund
- \$2,968.00 from the LeBaron Trust Fund

to the general fund for the purpose of procuring certain public/social services to benefit residents of the Town of Plymouth. Said funds are to be expended by the Board of Selectmen on the recommendation of the Community Development Advisory Council.

ARTICLE 17: NO ACTION

ARTICLE 18: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$10,000.00 to be expended by the Visitor Services Board with the approval of the Board of Selectmen for the purchase and installation of park benches and enhanced signage within the Plymouth Center/Waterfront Area.

ARTICLE 19: VOTED: (UNANIMOUSLY) That the Town accept an Equal Educational Opportunity Grant for Fiscal Year 1992, under the provisions of Section 5 of Chapter 70A of the Massachusetts General Laws; said funds to be expended under the supervision of the Plymouth School Committee for direct service expenditures.

ARTICLE 20: VOTED: (UNANIMOUSLY) That the Town accept an Equal Educational Opportunity Grant for Fiscal Year 1992, under the provisions of Section 5 of Chapter 70A of the Massachusetts General Laws; said funds to be expended under the supervision of the Plymouth-Carver Regional School Committee, for direct service expenditures.

ARTICLE 21: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$30,000.00 to sponsor or contribute to an area household hazardous waste collection day; said funds to be expended under the supervision of the Board of Selectmen.

ARTICLE 22: VOTED: (UNANIMOUSLY) That the Town raise and appropriate the sum of \$30,000.00 for the purpose of providing Hepatitis B vaccinations for the public safety personnel in the Town of Plymouth; said funds to be expended under the supervision of the Personnel Department.

ARTICLE 23: Ms. Susan Lincoln moved that the Town vote to authorize the Board of Selectmen to file a home rule petition with the Massachusetts General Court for the purpose of establishing a Plymouth Promotions Fund into which account will be deposited a portion of the local room occupancy tax, for the purpose of providing funds for programs and projects that enhance the beautification, recreational resources, public safety, promotional and marketing activities, event services, and public improvements for residents and visitors of the Town of Plymouth and which strengthens Plymouth as an attraction center for tourism, conventions, and related purposes of the visitor industry.

Mr. Paul Nugent moved to amend Ms. Lincoln's motion by adding a section which reads:

The expenditure of any and all public funds (Raised through the local room occupancy tax) deposited in said fund be matched by private sector funds 2 : 1, that is, for every public dollar granted to a public or private sector for or non-profit/not-for-profit organization for any program described herein or related to, the organization is responsible for raising and dedicating a minimum of two private sector dollars for each public sector dollar to be granted. The public matching funds shall not exceed the funds available in the Plymouth Tourism Promotions Fund, or take any other action relative thereto.

This motion to amend did NOT PASS.

The motion, as originally presented, was considered and voted - by vote of 22 AFFIRMATIVE, and 57 NEGATIVE, this motion did NOT PASS.

At 11:25 P.M., it was voted to adjourn until April 22, 1991, at 7:30 P.M. in the Plymouth North High School.

APRIL 22, 1991 ANNUAL TOWN MEETING

The adjourned session of the Annual Town Meeting was called to order at 7:40 P.M.

The number of Town Meeting Members present was 87, as reported by the checkers.

The Moderator declared a quorum present.

ARTICLE 36: NO ACTION

ARTICLE 37: NO ACTION

ARTICLE 38: NO ACTION

ARTICLE 39: NO ACTION

ARTICLE 40: NO ACTION

At 9:50 P.M. it was moved to adjourn and dissolve this Annual Town Meeting.

SO VOTED.

On June 24, 1991, at 7:15 P.M., Precinct #3 held a caucus at the Plymouth North High School. There were four members present, Michael Gallerani acted as clerk, and those members elected Sean P. Stanford to serve to the next election. Mr. Stanford is replacing Mr. Provenzano, who passed away.

Mr. Stanford is a resident at 7 Wagon Wheel Road.

On June 24, 1991, at 7:15 P.M., Precinct #9 held a caucus in the Plymouth North High School. There were five members present and voting. At that time Mr. Vincent Long of 14 Arch Street was elected to serve to the next election. This vacancy was created by the "Failure to Elect" at the last annual town election.

Precinct #12 was notified of the need for a caucus in order to fill a vacancy in the membership. On June 24, 1991, there being only two Town Meeting Members present from this precinct, and they having no candidate, they did not hold a caucus and therefore Precinct #12 is still short one member.

On September 11, 1991, a caucus for Precinct #2 was held at the Plymouth North High School at 7:00 P.M. There were 7 members present, and Mr. Richard Serkowski acted as clerk. There were three candidates for the vacancy - Gaetano Brigida of 24 Water Street, Frederick A. Wasti of 6 West Street, and John "Rusty" Eufrazio of 2 Alden Terrace. Mr. Frederick A. Wasti was elected with 4 votes. (Mr. Brigida received no votes, and Mr. Eufrazio received 3 votes.)

Mr. Wasti will serve to the next election.

Precinct #12 held a caucus on Wednesday, September 11, 1991, at 7:00 P.M. in the Plymouth North High School. There were three voting Town Members present. George Parker nominated Alice Parker of 16 Ashberry Street; seconded by Mr. James Pomarole. Mrs. Parker was unanimously elected with three votes. Mr. Gordon Dunn acted as clerk.

SPECIAL TOWN MEETING WARRANT

JUNE 24, 1991

To any of the Constables of the Town of Plymouth, Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Monday, the Twenty-fourth day of June, 1991, at 7:30 P.M. to act on the following articles, to wit:

ARTICLE 1: To see if the Town will vote to amend the Classification and Compensation Plans and the Personnel By-law, including Collective Bargaining Agreements, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 2: To see if the Town will vote to transfer a sum of money to fund certain collective bargaining agreements, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 3: To see if the Town will vote to transfer a sum of money to be added to funds already appropriated under Article 7 of the 1990 Annual Town Meeting for the purpose of supplementing departmental expenses, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 4: To see if the Town will vote to appropriate the sum of \$998,868 from available funds under Chapter 33 of the Acts of 1991, as the State's share of the cost of work under Chapter 90, Section 34 (2A) of the Massachusetts General Laws, or take any other action relative thereto.

DEPARTMENT OF PUBLIC WORKS

ARTICLE 5: To see if the Town will vote to accept the provisions of Chapter 291 of the Acts of 1990 relative to Enhanced 9-1-1 service, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 6: To see if the Town will vote to dedicate the North Plymouth Fire Station to the memory of John Vincent and thereby name the station after him, any funds necessary for this memorial to be raised by private donations, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 7: To see if the Town will vote to accept a gift of land from Digital Equipment

Corporation for the purpose of a public safety building, said land located on a portion of Lot 14, Plat 77, as shown on a plan entitled "Sketch Proposed Land Conveyance - Clark Road - Municipal Lots, Plymouth, Massachusetts, prepared for the Police Station Study Committee, Plymouth Department of Public Works Engineering Division, Frederick J. Smith, Town Engineer, 4/23/91; Scale 200 feet to one inch; said plan on file in the Town Clerk's Office, or take any other action relative thereto."
POLICE STATION STUDY COMMITTEE

ARTICLE 8: To see if the Town will vote to transfer the sum of \$25,000.00 from Article 9, Item 50, of the 1989 Annual Town Meeting for engineering and consulting services in connection with a site selection process by the Permanent Elementary School Building Committee for a new elementary school and return the remaining \$50,000.00 to the Real Estate Fund and \$45,000.00 to the General Fund; said funds to be expended under the supervision of the Permanent Elementary School Building Committee, or take any other action relative thereto.
PERMANENT ELEMENTARY SCHOOL BUILDING COMMITTEE

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof fourteen days at least before such meeting, in the Town Office Building and in a public place in each precinct and make return thereof with your doings thereon at the time and place above mentioned.

Given under our hands this the Fourth Day of June, 1991

Plymouth, s.s.

June 6, 1991

Pursuant to the foregoing warrant, I have this day notified and warned the Inhabitants of Plymouth, qualified to vote in elections and Town affairs, to meet in said Plymouth on Monday, the Twenty-Fourth day of June, 1991, at 7:30 P.M. at the Plymouth North High School, by posting copies of this warrant in the Town Office Building and in a public place in each precinct.

s/Jeffrey B. Peck
CONSTABLE, TOWN OF PLYMOUTH

SPECIAL TOWN MEETING

JUNE 24, 1991

The Special Town Meeting convened at 7:40 P.M. in the Plymouth North High School.

The number of Town Meeting Members present was 89, as reported by the checkers.

The Moderator declared a quorum present.

The Moderator, Clarence Krueger, outlined procedures for new members.

All newly elected Town Meeting Members were sworn to their positions by the Town Clerk, Mr. Edward B. Maccaferri, Jr.

ARTICLE 1: VOTED: (UNANIMOUSLY) That the Town amend the Classification and Compensation Plans and incorporate by reference the Collective Bargaining Agreement approved by the Board of Selectmen and representatives of Local 1768, the International Association of Firefighters, and further, that the Personnel By-law be amended by incorporating said agreement, including all changes, including salaries in said agreement retroactive to July 1, 1990, and to run through June 30, 1991.

ARTICLE 2: VOTED: (UNANIMOUSLY) That the Town fund the collective bargaining agreement between the Board of Selectmen and the International Association of Firefighters Local 1768 as follows:

SCAL 1991

Transfer to:

| | | |
|-------------|--------------------|---------------------|
| Fire Dept. | Salaries and Wages | \$189,529.00 |
| Forest Fire | Salaries and Wages | 1,373.00 |
| | | \$190,902.00 |

Transfer from:

| | | |
|-----------|--------------------|---------------------|
| Selectmen | Salaries and Wages | \$190,902.00 |
|-----------|--------------------|---------------------|

SCAL 1992

Transfer/Appropriate to:

| | | |
|-------------|--------------------|---------------------|
| Fire Dept. | Salaries and Wages | \$189,819.00 |
| Forest Fire | Salaries and Wages | 1,373.00 |
| | | \$191,192.00 |

Unincorporated and appropriate

\$1,192.00

Transfer from Selectmen Salaries and Wages

\$190,000.00

ARTICLE 3: Mr. Provenzano moved that the Town vote to transfer the sum \$4,434.00 to be added to funds already appropriated under Article 7 of the 1991 Annual Town Meeting for the purpose of supplementing departmental expenses follows:

| Dept./Request | Account | Amount | To |
|--|-----------------------|-------------------|-------------------|
| LIBRARY | | | |
| Transfer to: | Salaries and Wages | \$2,080.00 | \$2,080.00 |
| From: | Memberships | 365.00 | |
| | Audio Visual | 1,100.00 | |
| | Postage | 10.00 | |
| | Graphics | 230.00 | |
| | Microforms | 240.00 | |
| | In-State Travel | 55.00 | |
| | Tech Supplies | 80.00 | |
| | | | 2,080.00 |
| DPW ADMIN. | | | |
| Transfer to: | Radio Maint. Contract | 850.00 | 850.00 |
| From: | Uniforms | 850.00 | 850.00 |
| DPW WATER DIV. | | | |
| Transfer to: | Water Testing | 1,200.00 | 1,200.00 |
| From: | Water/Chemicals | 1,200.00 | 1,200.00 |
| RECREATION | | | |
| Transfer to: | Telephone | 304.00 | 304.00 |
| From: | Rescue Equipment | 200.00 | |
| | Lifeguard Suits | 58.00 | |
| | Print Parking Tickets | 46.00 | |
| | | | 304.00 |
| TOTAL BUDGET TRANSFERS, ARTICLE 3 | | \$4,434.00 | \$4,434.00 |

The motion as presented, was VOTED and PASSED.

ARTICLE 4: VOTED: (UNANIMOUSLY) That the Town appropriate the sum \$998,868.00 from available funds under Chapter 33 of the Acts of 1991, as the State's share of the cost of work under Chapter 90, Section 34 (2A) of the Massachusetts General Laws; said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 5: Mr. Provenzano moved that the Town vote to accept the provisions of Chapter 291 of the Acts of 1990 relative to Enhanced 9-1-1 service. This motion was presented and PASSED.

ARTICLE 6: VOTED: (UNANIMOUSLY) That the Town vote to dedicate the North Plymouth Fire Station to the memory of John Vincent and thereby name the station after him, any funds necessary for this memorial to be raised by private donations.

ARTICLE 7: VOTED: (UNANIMOUSLY) That the Town vote to accept a gift of land from Digital Equipment Corporation for the purpose of locating public safety buildings, said land located on a portion of Lot 14, Plat 77, as shown on a plan entitled Sketch Proposed Land Conveyance - Clark Road - Municipal Lots, Plymouth, Massachusetts, Prepared for the Police Station Study Committee, Plymouth Department of Public Works Engineering Division, Frederick J. Smith, Town Engineer, 4/3/91; Scale 200 feet to one inch", said plan to be held by the Board of Selectmen, and legal fees associated with conveyance of the gift to be borne by the Town of Plymouth.

and further, subject to reversion of this parcel in the event no public safety building commences on this parcel within ten (10) years of its conveyance by Digital Equipment Corporation to the Town of Plymouth.

ARTICLE 8: Mr. Provenzano moved that the Town vote to transfer the sum of \$25,000.00 from Article 9, Item 50 of the 1989 Annual Town Meeting for engineering and consulting services in connection with a site selection process by the Permanent Elementary School Building Committee for a new elementary school. Said funds to be expended under the supervision of the Permanent Elementary School Building Committee.

and further, that the Town vote to transfer the remaining \$95,000.00 from the Fund Balance Reserved for Special Purposes as follows: \$50,000.00 to the Real Estate Fund, and \$45,000.00 to the Undesignated Fund Balance.

Mr. Daniel Sullivan moved to amend Mr. Provenzano's motion by eliminating the second paragraph from consideration.
His motion to amend did NOT PASS.

Mr. S. McSharry moved to divide the original motion and consider each paragraph separately.
His motion did NOT PASS.

Mr. Provenzano's motion, as originally presented, was voted and PASSED.
9:20 P.M. it was moved by Mr. S. Brewster to dissolve and adjourn this Special Town Meeting. SO VOTED.

SPECIAL TOWN MEETING WARRANT

SEPTEMBER 11, 1991

To any of the constables of the Town of Plymouth, Commonwealth of Massachusetts

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Wednesday, the Eleventh day of September, 1991 at 7:30 P.M., to act on the following article, to wit:

ARTICLE 1: To see if the Town will vote to disapprove the July 16, 1991 vote of the Plymouth-Carver Regional School District Committee; said vote recorded and read as follows:

VOTED: That for the purpose of completing the financing of costs of constructing, equipping, and furnishing the new comprehensive school located in Plymouth including costs incidental and related thereto, thereby and hereby is authorized, under and pursuant to Chapter 71, Section 16 (d) of the General Laws and the District Agreement, as amended, the incurring of debt on the full faith and credit of the District by the issuance and sale at one time or from time to time of bonds or notes in the aggregate principal amount of \$500,000.00 in addition to all other debt previously incurred for the project.

BY PETITION: Henry L. Cappella, et al.

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof fourteen days at least before such meeting, in the Town Office Building and in a public place in each precinct and make return thereof with your doings thereon at the time and place above mentioned.

Given under our hands this the Twentieth day of August 1991.

Plymouth, s.s.

Pursuant to the foregoing warrant, I have this day notified and warned the Inhabitants of Plymouth, qualified to vote in elections and Town affairs, to meet in said Plymouth on Wednesday, the Eleventh day of September, 1991, at 7:30 P.M. at the Plymouth North High School, by posting copies of this warrant in the Town Office Building and in a public place in each precinct.

s/JEFFREY B. PECK
CONSTABLE, TOWN OF PLYMOUTH

SPECIAL TOWN MEETING (I)

SEPTEMBER 11, 1991

The Special Town Meeting convened at 7:40 P.M. in the Plymouth North High School.

The number of Town Meeting Members present was 95, as reported by the checkers.

The Moderator declared a quorum present.

The Moderator, Clarence Krueger, outlined procedures for new Town Meeting Members.

Newly-elected Town Meeting Members were sworn to their duties by the Town Clerk, Edward B. Maccaferri, Jr.

The Moderator led the body in the Pledge of Allegiance to the flag.

Mr. Krueger recognized service to the Town by Mr. Henry Cappella, and Mr. Vincent Sgarzi, both of whom are recently deceased.

At 7:55 P.M., it was voted to adjourn to the second Special Town Meeting warrant for the evening. (This warrant includes the School bond-related article only.)

SPECIAL TOWN MEETING (II)

SEPTEMBER 11, 1991

The second Special Town Meeting convened at 7:55 P.M. in the Plymouth North High School.

The number of Town Meeting Members present was 95, as reported by the checkers.

The Moderator declared a quorum present.

ARTICLE 1: Mr. Provenzano moved that the Town vote to disapprove the July 1991 vote of the Plymouth-Carver Regional School District Committee, said vote recorded and reads as follows:

VOTED: That for the purpose of completing the financing of costs of construction, equipping, and furnishing the new comprehensive school located in Plymouth, including costs incidental and related thereto, thereby and hereby is authorized under and pursuant to Chapter 71, Section 16 (d) of the General Laws and the District Agreement, as amended, the incurring of debt on the full faith and credit of the District by the issuance and sale at one time or from time to time of bonds or notes in the aggregate principal amount of \$500,000.00 in addition to all other debt previously incurred for the project.

Mr. Triffletti moved that the method of voting for all substantive amendments to the main motion in connection with Article 1 be set as a roll call vote.
This motion did NOT PASS.

Mr. Eugene Lane Sr., Dr. Sidman, Dr. Ehrlich, Geo. Handy, James Sorensen, among others presented data relating to the above article.

Mr. William Hanson moved that the method of voting be by roll call for the main motion on the following article: Article 1.

This motion to vote by roll call on Article 1 was PASSED.

By roll call vote, 34 members voting in the AFFIRMATIVE, and 61 members voting in the NEGATIVE, the article as presented by Mr. Provenzano did NOT PASS.

At 11:00 P.M. it was voted to adjourn and DISSOLVE this Special Town Meeting.

At 11:05 P.M. the Special Town Meeting I was reconvened, and at this time it was moved and so voted to adjourn to September 12, 1991, at 7:30 P.M. in Plymouth North High School.

SPECIAL TOWN MEETING WARRANT (II)

SEPTEMBER 11, 1991

To any of the constables of the Town of Plymouth, Commonwealth of Massachusetts:

MEETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Wednesday, the Eleventh day of September, 1991, at 7:30 P.M. to act on the following articles, to wit:

ARTICLE 1: To see if the Town will vote to raise, appropriate, transfer, or borrow a sum of money to be added to funds already appropriated under Article 7 of the 1991 Annual Town Meeting for the purpose of amending departmental expenses, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 2: To see if the Town will vote to transfer funds already appropriated under Article 7 of the 1991 Annual Town Meeting for the purpose of upgrading the town's computer system, or take any other action relative thereto.

DATA PROCESSING DEPARTMENT

ARTICLE 3: To see what action the Town will take with regard to the payment of an unpaid bill as follows:

| Department | Creditor | Amount |
|------------|-------------------------|-----------|
| DPW Sewer | Richland Research Corp. | \$327,300 |

to transfer a sum of money therefore, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 4: To see if the Town will vote to authorize the Plymouth School Committee to expend Insurance Recovery funds received as a result of the West Elementary School fire, or take any other action relative thereto.
PLYMOUTH SCHOOL COMMITTEE

ARTICLE 5: To see if the Town will vote to authorize the Town Manager to enter into a contract for seven years with New England Telephone Company for a computerized telephone system, to borrow a sum of money to purchase said system, and further, to transfer sums from certain departmental budgets to centrally pay telephone costs, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 6: To see if the Town will vote to authorize the Town Manager to enter into a contract for up to ten years for recycling/solid waste disposal services, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 7: To see if the Town will vote to rescind the following unused borrowing authority:

| Amount | Purpose | Authorization |
|-----------|-------------------------------|---------------------------|
| \$405,000 | Cedarville Recreation Project | Article 17, 1986 A. T. I. |

or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 8: To see if the Town will authorize the Board of Selectmen to petition the Massachusetts General Court, in the form of a special act, for the passage of legislation in substantially the following form:

"AN ACT PROVIDING THAT THE OFFICE OF CHIEF OF POLICE OF THE TOWN OF PLYMOUTH SHALL BE EXEMPT FROM CIVIL SERVICE LAW AND RULES"
SECTION 1: The office of Chief of Police of the Town of Plymouth shall be exempt from the provisions of Chapter 31 of the Massachusetts General Laws and all rules adopted thereunder.

SECTION 2: This act shall be submitted for acceptance to the voters of the Town of Plymouth at the next annual or special town election in the form of the following question which shall be placed upon the official ballot to be used for the election of Town Officers: "Shall an act passed by the Massachusetts General Court in the year 1991 entitled "AN ACT PROVIDING THAT THE OFFICE OF CHIEF OF POLICE OF THE TOWN OF PLYMOUTH SHALL BE EXEMPT FROM CIVIL SERVICE LAW AND RULES" be accepted?" If a majority of the voters vote in the affirmative on this question, this act shall thereupon take full effect, but not otherwise.

or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 9: To see if the Town will vote to adopt a by-law prohibiting the feeding of ducks and other waterfowl anywhere within the Town Brook Corridor, that is, from Millington Sea to Brewster Gardens inclusive, including Jenny Pond, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 10: To see if the Town will vote to authorize the Board of Selectmen to purchase, for the purpose of locating a water storage tank, approximately 15,225 square feet of land and a 5 foot easement within Lots 11-13, 11-14, and 11-15B of lot 61 on the Town of Plymouth Assessor's map; said property located off Pine Mountain Drive in the Cedarville/Ellisville area; to transfer a sum of money from the Real Estate Fund to purchase said land, and further, to transfer a sum of money from Article 9-39 of the 1991 Annual Town Meeting for the purpose of paying incidental costs associated with installing water mains under Route 3A in connection with this project, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 11: To see if the Town will vote to authorize the Board of Selectmen to acquire by gift, purchase, or eminent domain an easement for drainage purposes on land located on Driftwood Lane, as shown on a plan entitled "Proposed Layout of Driftwood Lane, Plymouth, Massachusetts, scale 40 feet to an inch, February 18, 1991, Plymouth Department of Public Works - Engineering Division, Frederick J. Smith, Town Engineer", or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 12: To see if the Town will vote to accept the provisions of MGL Chapter 151B, Section 90 G (3/4) relative to creditable service after age 70, or take any other action relative thereto.

CONTRIBUTORY RETIREMENT BOARD

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof fourteen days at least before such meeting, in the Town

Office Building and in a public place in each precinct and make return thereof with y
doings thereon at the time and place above mentioned.

Given under our hands this the Twentieth day of August, 1991.

CONSTABLE, TOWN OF PLYMOUTH

SPECIAL TOWN MEETING (II)

SEPTEMBER 12, 1991

ADJOURNED SESSION

The adjourned session of the Special Town Meeting convened at 7:35 P.M. in
Plymouth North High School.

The number of Town Meeting Members present was 85, as reported by the checke

The Moderator, Clarence Krueger, declared a quorum present.

ARTICLE 1: Mr. Provenzano moved that the Town vote to transfer the followi
sums of money to be added to funds already appropriated under Article 7 of the 19

Annual Town Meeting for the purpose of amending departmental expenses:

| | Amount | From | Amount |
|--------------------------------|----------|--------------------------------------|----------|
| Selectmen, Unemployment | \$30,000 | Property Insur. | \$30,000 |
| Selectmen, Lease | 2,500 | Parking Receipts | 2,500 |
| DPW Administration Licenses | 2,500 | DPW Administration Landfill Cover | 2,500 |

This motion was voted and PASSED.

ARTICLE 2: VOTED: That the Town transfer the sum of \$11,760.00 from Data Processing, Hardware Maintenance, for the purpose of purchasing a disk drive for the sum of \$8,350.00, and a controller for the sum of \$3,410.00; said funds to be expended under the supervision of the Data Processing Manager.

ARTICLE 3: VOTED: (UNANIMOUSLY) That the Town pay the following unpaid bill:

| Department | Creditor | Amount |
|--------------------|-------------------------|----------|
| DPW Sewer Division | Richland Research Corp. | \$327.35 |

The sum of \$327.35 to be transferred from the DPW Sewer Division Budget, Line Item 00-440-02-5530-255 (Chemicals).

ARTICLE 4: VOTED: (UNANIMOUSLY) That the Town vote to transfer the sum of \$0,000.00 from Receipts Reserved for Insurance Recovery for the purpose of replacing and/or repairing equipment damaged during a fire at the West Elementary School; said funds to be expended under the supervision of the Plymouth School Committee.

ARTICLE 5: Mr. Provenzano moved that the Town vote to authorize the Town Manager to enter into a contract for seven years with the New England Telephone Company for a computerized telephone system; that \$112,000.00 is appropriated for the purchase of such a system; that to meet this appropriation the Treasurer, with the approval of the Selectmen, is authorized to borrow \$112,000.00 under G.L.c.44 S7 (f); and that the following transfers shall be made from the following line items of the current fiscal year's budget:

Transfer To:

| Department | Account Name | Amount |
|----------------------|--------------|-------------|
| Switchboard/Mailroom | Telephones | \$18,258.00 |

Transfer From:

| | | |
|-----------------|-----------------|----------|
| Data Processing | Telephone Lines | 1,290.00 |
| D.I.C. | Telephone | 550.00 |

| | | |
|------------------------|------------------------|-------------------|
| Police | Station Telephone | 5,400) |
| | Dog Pound Telephone | 263) |
| Fire | Telephone | 2,050) |
| Civil Defense | Telephone | 550) |
| Harbormaster | Telephone | 600) |
| DPW Highway Div. | Storm Emergency Phones | 675) |
| DPW Maintenance | Telephones | 300) |
| Council on Aging | Telephones | 2,500) |
| Handicapped Commission | Telephones | 750) |
| Library | Main Library Phones | 2,230) |
| | Manomet Telephone | 1,100) |
| TOTAL: | | \$18,258) |

By standing count, 79 voting in the AFFIRMATIVE, and 1 voting in the NEGATIVE, the motion was PASSED.

ARTICLE 6: VOTED: (UNANIMOUSLY) That the Town vote to authorize the Town Manager to enter into a contract for recycling/solid waste disposal services for up to ten years, subject to ratification by a subsequent Town Meeting.

ARTICLE 7: VOTED: (UNANIMOUSLY) That the Town rescind the following unauthorized borrowing authority:

| Amount | Purpose | Authorization |
|---------------|-------------------------------|----------------------|
| \$405,000.00 | Cedarville Recreation Project | Art. 17, 1986 A |

ARTICLE 8: Mr. Butterfield moved that the Town vote to authorize the Board of Selectmen to petition the Massachusetts General Court, in the form of a special act for the passage of legislation in substantially the following form:

"AN ACT PROVIDING THAT THE OFFICE OF CHIEF OF POLICE OF THE TOWN OF PLYMOUTH SHALL BE EXEMPT FROM CIVIL SERVICE LAW AND RULES"

SECTION 1: The Office of Chief of Police of the Town of Plymouth shall be exempt from the provisions of Chapter 31 of the Massachusetts General Laws and all rules adopted thereunder.

SECTION 2: This act shall be submitted for acceptance to the voters of the Town of Plymouth at the next annual or special town election in the form of the following question which shall be placed upon the official ballot to be used in the election of Town Officers: "Shall an act passed by the Massachusetts General Court in the year 1991 entitled "AN ACT PROVIDING THAT THE OFFICE OF CHIEF OF POLICE OF THE TOWN OF PLYMOUTH SHALL BE EXEMPT FROM CIVIL SERVICE LAW AND RULES" be accepted?"

EXEMPT FROM CIVIL SERVICE LAW AND RULES" be accepted?" If a majority of the voters vote in the affirmative on this question, this act shall thereupon take full effect, but not otherwise.

After lengthy discussion, Mr. Charles Vandini moved to limit debate.

By vote of 50 AFFIRMATIVE, and 20 NEGATIVE, this motion to limit debate was PASSED.

Whereupon, Mr. S. Triffletti moved that the vote on Article 8 be taken by roll call.

This motion PASSED.

By vote of 44 AFFIRMATIVE, and 38 NEGATIVE, it was VOTED that the question be placed on the next Annual Town Election ballot.

ARTICLE 9: Mr. Provenzano moved that the Town vote to adopt the by-law entitled "Feeding or Baiting of Migratory Waterfowl", as printed in the Advisory and Finance Committee Report and Recommendations, under Article 5 of the Town By-laws, Section 5.23; Said by-law to prohibit the feeding of ducks and other waterfowl anywhere within the Town Brook Corridor, that is, from Billington Sea to Brewster Gardens, inclusive, including Jenny Pond.

Laureen MacKenzie moved to amend Mr. Provenzano's motion by inserting an effective date of March 1, 1992, in said by-law.

The motion to amend was PASSED.

The original motion, as amended by M. MacKenzie was then moved and PASSED.

FEEDING OR BAITING OF MIGRATORY WATERFOWL BY-LAW

No person, except the Director of the Division of Fisheries and Wildlife or his agent or designee, as authorized pursuant to Chapter 131 of the General Laws, shall feed or bait any waterfowl of the family Anatidae (including, but not restricted to ducks, geese, and swans) on any public property within or abutting the Town Brook Corridor from Billington Sea to Brewster Gardens, inclusive. As used in this paragraph, "feeding" and "baiting" shall mean placing, exposing, depositing, distributing, or scattering, directly or indirectly, of shelled, cracked or unshucked corn, wheat, or other grains, bread, salt, or any other feed or nutritive substances, in any manner or form, so as to constitute for such birds a lure, attraction, or enticement to, on, or over any such areas where such feed items have been placed, exposed, deposited, distributed, or scattered.

Notwithstanding any of the above, the Director of the Division of Fisheries and Wildlife or his agent or designee may authorize the emergency feeding of waterfowl and

other birds when, in his opinion, such action is necessary in order to alleviate undue loss and suffering of such birds due to unusual weather conditions and other circumstances. The Director may authorize such action by such means as he deems necessary and expedient; such means shall include the immediate notification of the Selectmen thereof by first class mail.

Any person who violates any provision of this by-law shall be subject to a fine of Twenty Dollars (20.00) for each offense thereof.

This by-law may be enforced by police officers, shellfish constables, the harbor master and assistant harbor masters, agents of the Board of Health, other enforcement officers of the Division of Law Enforcement, and other town officials as designated by the Board of Selectmen.

Upon approval of this by-law, the Selectmen shall cause one copy thereof to be mailed to the Director of the Division of Fisheries and Wildlife and one copy to the Director of the Division of Law Enforcement.

As approved at the Special Town Meeting of September 12, 1991, this by-law was amended to insert an effective date of March 1, 1992.

ARTICLE 10: VOTED: (UNANIMOUSLY) That the Town authorize the Board of Selectmen to purchase, for the purpose of locating a water storage tank, 15,200 square feet of land and a 25 foot wide easement within Lot 11-15B of Plat 61 on the Town of Plymouth Assessor's Map; said property located off Pine Mountain Drive, in the Cedarville/Ellisville area; to transfer the sum of \$49,000.00 from the Real Estate Fund to purchase said land, and further, to transfer the sum of \$50,000.00 from Article 9-39 of the 1991 Annual Town Meeting for the purpose of paying incidental costs associated with installing water mains under Route 3A in connection with the project; said funds to be expended under the supervision of the Department of Public Works.

ARTICLE 11: VOTED: (UNANIMOUSLY) That the Town authorize the Board of Selectmen to acquire by gift, purchase, or eminent domain an easement for drainage purposes on land located on Driftwood Lane, as shown on a plan entitled "Proposed Layout of Driftwood Lane, Plymouth, Massachusetts, scale 40 feet to an inch, dated February 18, 1991, Plymouth Department of Public Works - Engineering Division, Frederick J. Smith, Town Engineer".

ARTICLE 12: VOTED That the Town accept the provisions of MGL Chapter 30A, Section 90G (3/4) relative to creditable service after age 70.

At 11:10 P.M. it was moved and so voted to adjourn and dissolve this Special Town Meeting.

SPECIAL ELECTION

OCTOBER 26, 1991

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to vote in elections, to meet in:

| | |

Board of Selectmen

1991 was a year of progressive change and transition for both the Board of Selectmen and the municipality as a whole.

Selectman George W. Cameron was reelected to a three year term.

With a major change voted in the town's administrative structure by the community, the Board of Selectmen appointed a search committee to interview and recommend finalists for the newly created Town Manager position. After a lengthy interview process, Mr. William Griffin was hired by the Board of Selectmen to serve as Plymouth's first Town Manager. The Board has since overseen consolidation of the municipality's financial departments and its planning and development departments by the Town Manager.

The Board's strong support for the construction and financing of our new public library building on South Street was rewarded with the official opening of its doors to the community this past October. It is truly a "crown jewel" that will shine for generations to follow in our community.

After several years of deliberation and negotiation, the Board of Selectmen was successful in signing a Final Agreement Order with the State Attorney General to bring the town sewer system into full compliance with state and federal regulations by the year 1998.

A major step forward in bringing the town's sewer system closer into compliance was reached with the completion of the Cordage and Harbor Interceptor Project. Preliminary findings show a considerable reduction in flow. A wastewater consultant will be selected in early 1992 to prepare the necessary wastewater facilities plan and environmental impact study.

The Board of Selectmen strongly supports a management program introduced to them by the Town Manager. It is referred to as "Total Quality Management," a team oriented system which seeks to continuously improve the municipality's performance and service to its "customers." This is an extremely progressive and challenging system of management - one that the Board believes will greatly enhance our municipality's performance and image.

Recognizing the number of dedicated professionals our municipality currently has in its employ under the new administrative structure, the Board of Selectmen is now able to begin focusing more exclusively on policy setting and strategic planning to be implemented by the Town Manager as he manages the day to day operations of the municipality.

In closing, let it be said — “1991 — the year accountability has been set in place.”

The Board of Selectmen also wishes to acknowledge all town employees who retired or otherwise left town employment. The Board also wishes to thank our employees for their dedication to duty and commitment to quality and to recognize the literally hundreds of volunteer members of boards, commissions and committees who serve this Town with distinction and are listed elsewhere in this town report. Through the collective effort of our employees and volunteers, the town will weather this economic recession.

Town Manager

It is with pleasure that I submit to the citizens of Plymouth the 1991 Annual Town Report of the Town Manager, the first report of the Town Manager in Plymouth's history. By action of the voters in May of 1991, the Town of Plymouth amended its home-rule charter to create the position of Town Manager and to consolidate all finance and planning/development functions. The amended charter became effective on July 1, 1991. By action of the Board of Selectmen, I was appointed Acting Town Manager effective July 1, 1991 and Town Manager in late September of 1991.

As Plymouth's first Town Manager, I looked to the balance of 1991 as a period of transition and program implementation. My first priority was the appointment of Plymouth's first Director of Finance and Director of Planning and Development. We were very fortunate to have within the organization two individuals fully qualified and prepared to assume these important positions, Michael Daley as Director of Finance and Jack Lenox as Director of Planning and Development. Other key appointments made in the first months of my tenure as Town Manager included Michael Flynn as Assessor and Thomas Fugazzi as Fire Chief. Once again, both individuals bring outstanding experience and dedication to their positions.

There were several other transitional issues that were addressed in the first months under the amended charter. The relationship between and responsibilities of the Board of Selectmen and the Town Manager were key subjects in need of clarification and agreement. To assist in achieving clarity, a series of workshop sessions were held to review the detailed provisions of the charter and to identify and resolve likely areas of confusion. A number of discussions with department heads took place to define lines of authority and reporting systems. A number of discussions with community groups took place, including a meeting with the Plymouth Association of Concerned Taxpayers. Finally, I initiated an every-other week show on Delphia Cable called “The Plymouth Town Report.” Each show highlights an issue of topical concern to the community and an interview with a local government or

community leader. The cable show is intended to allow viewers an opportunity to keep abreast of issues of interest to the community and to hear from key town department managers, employees and community leaders on their area of expertise.

As Town Manager, I have placed great emphasis on our organization being the first "total quality management" system in Massachusetts local government. Total quality management, or TQM, is a private sector management system that places great emphasis on meeting and exceeding customers' needs through teamwork and dedication to continuous improvement. The implementation of a TQM system is a long and complex endeavor. However, an implementation plan has been approved by the Board of Selectmen and is currently being set in motion. To assist in implementation, the Town has sought and received valuable assistance from Johnson Hospital and KAO Infosystems here in Plymouth. In addition, I serve on the executive board of the Massachusetts Task Force for Total Quality Management in Local Government. During 1992, we will continue to adhere to the implementation plan and increase our customer service training effort. The TQM system places Plymouth at the cutting edge of local government's efforts to better serve its residents through efficient, effective and prioritized services.

Finally, I would like to thank the many elected and appointed officials and involved citizens who have assisted me in my many years as Executive Secretary and my new life as Town Manager. In seeking and accepting the position of Town Manager, I did so recognizing the magnitude of the challenge before me. I accepted that challenge knowing the professionalism, dedication and honesty of the department managers and employees that I will depend on to carry out our mission. I also knew that the Board of Selectmen believed in the new system of government and would work diligently to insure its successful implementation. We are now about the business of fulfilling our promise of a better town government that meets and exceeds our citizens' demands. Thank you.

Department of Finance

On July 1, 1991 the Plymouth consolidated Department of Finance was established as a result of the charter change. Over the ensuing six months, the department has begun to organize itself and develop strategies for the future.

The first changes visible to the public were those made in issuing town billings. Real Estate, Personal Property and Motor Vehicle Excise bills as well as Water and Sewer bills were printed and mailed using new computer technologies introduced by the Data Processing Division. Using laser printers, we were able to eliminate the former carbon type bill forms resulting in a cleaner and much more legible billing document.

The use of laser printing also allowed us to introduce a scan line on the bill form. The scan line technology will allow the Collection Division to further automate both the banking and posting of over 150,000 bills that we expect the Town to issue and process during FY '93.

The FY '93 budget is the first budget prepared as a consolidated department. This budget has provisions within it that allow for the introduction of quarterly tax billing, for the first step towards merging Collections and Treasury into a single division, for the establishment of a citizen Board of Assessors and for increased use of automation.

The Assessing Division is in the early stages of a complete revaluation of the town's real estate and personal property as required by state law. The revaluation is required during FY '93 and will be the most significant project for the Department of Finance during the next year.

Accounting

We hereby submit this annual report for the fiscal year ending June 30, 1991.

In order to comply with MGL C41, s50, we have provided a June 30, 1991 Reconciliation of Treasurer's Cash.

In order to comply with MGL C41, s53, we have provided a June 30, 1991 Total of Plymouth Trust Fund Combined Balance Sheet and detail Balance Sheets for Expendable and the Non-Expendable Trust Funds. We have also provided a Statement of Revenues, Expenditures & Changes in Trust Fund Balances.

In order to comply with MGL C41, s58 and MGL C41, s61; we have provided the following financial statements:

June 30, 1991 Combined Balance Sheet (Audited)

June 30, 1991 Combined Statement of Revenues, Transfers and Expenditures with Changes in Fund Balance.

June 30, 1991 Summary Statement of Revenues, Transfers and Expenditures - Budget and Actual - General Fund.

June 30, 1991 Statement of Revenues, Expenditures and Transfers for Budgetary Items.

FY '91 State & Local Revenue Summary - Budget and Actual

FY '91 Schedule of Federal Financial Assistance

June 30, 1991 Schedule of Real Estate, Personal Property and Excise Tax

June 30, 1991 Schedule of Outstanding Fixed and Funded Debt with FY '91 Activity.

June 30, 1991 Schedule of Authorized and Unissued Debt with FY '91 Activity.

June 30, 1991 Summary of Available Borrowing Capacity.

References to notes contained on the enclosed schedules refer to notes made within the annual audit of the town. Copies of the audit for FY '91 are available from the Accounting Division Office.

Detailed information relating to any of the summary data provided herein is also available at the Accounting Division Office in Plymouth Town Hall.

Town of Plymouth, Massachusetts - Summary of Excess Borrowing Capacity

FY '91 Equalized Valuation (Chap. 58, Sec. 10c): \$3,550,394,657

Legal Borrowing Capacity:

| | |
|---------------------------------------|----------------------|
| For General Purposes (Inside): | |
| 5% of Equalized Valuation | \$177,519,733 |

| | |
|--|----------------------|
| For General Purposes (Outside): | |
| 10% of Equalized Valuation | \$355,039,466 |

Less:

Outstanding Debt, June 30, 1991:

| | |
|------------------------------------|--------------------|
| General - Inside Debt Limit | \$4,235,000 |
| Water - Outside Debt Limit | \$1,275,000 |

Equals:

Available Borrowing Capacity, June 30, 1991:

| | |
|---------------------------|----------------------|
| Inside Debt Limit | \$173,284,733 |
| Outside Debt Limit | \$353,764,466 |

Assessors

The Assessing Division continued with a very busy schedule during 1991 as a result of the revaluation of the Town of Plymouth for Fiscal 1990. The first half of the Fiscal 1991 real estate tax bills were mailed on November 19, 1990 and were due on December 19, 1990. The second half of the bills were printed and mailed on March 29, 1991 with payment due on May 1, 1991.

On August 19, 1991, William Bows retired from the position of part-time Assessor. Mary E. Ford, Chairman, also retired on November 6, 1991 after more than eighteen years of service to the Town of Plymouth. Kathleen M. LaVallee was appointed acting part-time Assessor to serve as a member of the Board of Assessors on September 18, 1991. Mrs. LaVallee also served as Chairman of the Board until November 12, 1991.

Michael P. Flynn was appointed Assessor on October 1, 1991 by the Town Manager. Mr. Flynn worked for the City of Boston for the past seven years and served as a Supervisor of Assistant Assessors. He brings with him a wealth of experience and expertise in the valuation of commercial and industrial properties. Mr. Flynn is welcomed by the Town of Plymouth and will serve as an important member of the management team.

During the second year of a depressed economy in the state and the drastic drop in the real estate market, this office concentrated on an extensive study of the 1990 sales to prepare the data for the next fiscal billing. In addition to issuing preliminary bills for the first half of Fiscal 1992, the Assessors Office has been preparing for the next certification by the Department of Revenue for Fiscal 1993.

The Board of Assessors is anticipating the quarterly tax payment system in accordance with Section 41, Chapter 653 of the Acts of 1989 for FY '93.

The Board of Assessors would like to commend the combined effort of the staff in this office for their hard work throughout the year, most especially Kathleen M. LaVallee.

Edward D. Borgatti
Tax Collector

Data Processing

This division continues to grow with the needs of the town departments' computer services.

This year we have purchased a Helical Scan Tape Backup System. This allows unattended backup of the system during off hours, and assures the town of complete backup on a continuous basis.

We have instituted a new type of bill for both our Real and Personal Property, and Water and Sewer Utilities. We process over 50,000 auto excise bills each year, 2,000 Water/Sewer bills, and 50,000 Real and Personal Property bills each year, not including demands or warrants for past-due payments. We feel this is a much needed improvement from our prior bills. They are easier to read, have no carbons and have an envelope for the customer's return to our Lock Box banking facilities. The bank scans each bill and records the data contained on the scan line on the bottom of each bill. This reduces errors and helps the Collector's office in posting them. We will be utilizing this same type of bill for Auto Excise beginning with the first commitment in February, for Fiscal 1992.

We have recently completed a system upgrade, which brings us up to the latest version available for our present system and very shortly will be in receipt of one new disk drive for storage and retrieval to replace four drives close to ten years old.

As we continue to serve town departments, we are continually looking for better ways to automate their needs.

Due to the charter change in our form of government, this department now comes under the Department of Finance, and is responsible to the Finance Director. This is working very well and will enable this division to work with all other departments within that group as a whole.

I would like to thank all departments for their patience and understanding during this past year.

Town Treasury

1991 was prominent with a cautious and changing financial environment which the Treasury Department had to shift its priorities from previous years. The new order of business greatly changed the priority of earnings on investment to the safety of the town's cash. The Treasury took an aggressive approach to providing security for cash. Diversity of methods and banks for secure deposits overcame the previous focus on yield. In this new market high yields produced the greatest risk. It was demanded that banks provide alternatives to their standard money market funds. Banks which were adjusting to the economy and market changes were offering various means of protection. Of the institutions we were involved with, no two offered the same method. Those banks that did not respond adequately experienced a changed relationship with the town. Methods employed were to take advantage of the Federal Deposit Insurance, Deposit Insurance Fund of Massachusetts, Repurchase Agreements (Government Securities), and Collateralized Accounts. All of these reduce yields. In addition to the insured accounts, our trade association provided some information on banks through various reports which rate banks on their financial performance. The top rated banks (a high degree of safety) also offered low yields but were available to maintain funds until insurance was provided by other sources. It can be expected that safety will continue to be the priority over liquidity and yield into 1992.

In addition to the safety concerns, those involved with the market for the issuance and investment in municipal bonds were watching the state election process and the Commonwealth's credit rating. The town found itself in a position for borrowing in anticipation of revenue in the Spring. Institutions were not as willing to bid on the notes of municipalities as they would under more stable economic conditions. Although the number of participating banks involved in our bids was reduced, our presence in the market was adequate due to our Moody's Bond rating of AA and the Treasurer's policy of utilizing a large number of banks for deposit purposes.

Personnel Department

During 1991, the Personnel Department continued to improve, develop and provide more cost efficient and effective human resource services to 490 Town employees and 290 retirees and their spouses. We continued to reduce costs while maintaining services in the areas of benefits administration, workers' compensation, employee relations, employment, and labor relations by researching and implementing new concepts and strategies. A great deal of time and effort continues to be devoted to managing and cost-containing health insurance and workers' compensation.

HEALTH INSURANCE

The Town's health insurance budget for FY '92 and FY '93 increased by 7.63% which represents a 3.4% increase for each year. The following efforts were made during the year to contain/reduce health care costs.

Trust Fund

A Health Insurance Trust Fund was established last year commensurate with MGL Chapter 32B. Trust funds are required when a governmental entity is self-insured. The Town is required to have approximately two (2) months worth of claims on hand which equates to approximately \$800,000 (for Town and Schools). Last year we did not expend our total health insurance appropriation. The remaining dollars from both the schools and the town were put into the newly established trust fund. Establishing this separate account has given us the ability to earn interest on all monies in the account which includes employee withholdings, COBRA contributions, grant contributions and various other contributions. The trust fund will absorb approximately \$226,000 (6.4%) of the estimated overall 14% increase in the coming year's budget.

Preventative Health Care Programs

We have continued our efforts in the area of providing preventative health care clinics. We conducted blood pressure, blood sugar and cholesterol screening through CURA for our employees. We also sponsored a smoking cessation program through the American Cancer Society and a stress management seminar offered through the Jordan Hospital.

At last year's Annual Town Meeting an appropriation was established to inoculate all public safety employees against Hepatitis B. The Personnel Department coordinated the program with the assistance of CURA Visiting Nurse. By self-administering this program, the town saved approximately \$20,000 and reduced the exposure risk to our public safety employees.

Employee Benefits Advisory Committee

The Employee Benefits Advisory Committee continues to meet concerning health benefits. The committee is made up of representatives from town and school union and non-union groups. One of the primary purposes of the committee is to educate employees about health insurance. The committee recently completed a health insurance survey for all retirees and school/town employees. Through the survey, we were able to assemble a significant amount of valuable data regarding retiree/employee concerns about changing health carriers and utilizing HMO's. The survey results clearly indicate that retirees and employees are not interested in an HMO unless the town were to

pay 99% of the costs.

Injured-on-Duty (111F) Claims & Disabled Retiree (100B) Claims

Massachusetts General Laws require the town to pay directly for all 111 (police and fire injured-on-duty) and 100B (police and fire injured-on-duty retiree) claims. The Personnel Department continues to closely monitor the injured-on-duty claims with the Police Chief and Fire Chief. Partnerships with many medical providers continue to expand. All medical claims for injured on duty and retired disabled police and firefighters are sent to AccuMed for review and discounting appropriate with workers' compensation rates. Last year, the average reduction was 38.4%. For every dollar paid to AccuMed the Town saved \$13.00.

WORKERS' COMPENSATION

During the past year, the town changed workers' compensation carriers. We are now working with the Massachusetts Interlocal Insurance Association (MIIA). MIIA is extremely progressive and provides a number of loss control services never before afforded to the town. Since joining MIIA the town has been able to take advantage of a number of successful programs to supplement our own internal efforts. The following programs and initiatives are currently underway:

Claims Review by Frank B. Hall Risk Management

Frank B. Hall Risk Management provides aggressive overall claims review and accident analysis. They monitor all claims, provide follow-up to employees concerning benefit entitlement, review all documentation, represent the Town at hearings and oversee compliance with the state workers' compensation requirements.

Early Intervention Program

The Early Intervention Program is made available through MIIA. The goal of this program is to reduce workers' compensation costs through a reduction in lost workdays. This program provides early intervention by a registered nurse who then facilitates communications with the doctor, employee, and the town.

Loss Control Assessment

A specialist in the field of loss control has done worksite safety assessments of all town departments and public works facilities and has made a list of safety recommendations. Most of the recommendations have been addressed through internal resources, others will involve minimal costs and a few will be addressed through the Capital Improvement Process.

Safety Training Program

MIIA's Loss Control Manager is providing safety training on such issues as snow-plowing and sanding, minimizing back strains, tree trimming, chlorine safety, treatment plant safety, and chain saw safety.

Safety Poster Program

On a quarterly basis, we have distributed safety posters throughout Town departments to remind employees about on-the-job safety. These posters are provided by MIIA.

DPW Safety Committee

The DPW Safety Committee meets on a monthly basis to identify and discuss safety issues and programs. The committee, made up of three DPW union employees and three DPW management employees, makes formal safety recommendations.

Safety Statement

A safety statement has been recently written and distributed to all employees which emphasizes our commitment to safety in the work place, encourages employee responsibility, and designates a Safety Coordinator.

Executive Safety Committee

A newly established Executive Safety Committee comprised of managers or assistant managers from major town departments such as DPW, Police, Fire and Schools will meet quarterly to formulate safety policies and recommendations, review all employee and fleet accident investigation reports and determine training needs for each department.

These new efforts will result in a better managed program which will help to reduce workers' compensation accidents and costs.

COMPENSATION

During the past year, the Personnel Department in conjunction with the Accounting Department established a payroll/human resource system. This system has organized, classified and computerized all payroll and human resource data. The system's capabilities cover a wide spectrum of applications that include providing basic employee information, timing of step increases, sick leave usage, computations for collective bargaining, affirmative action reports, and retirement projections. The system will continue to be expanded to maximize its optimum capabilities.

EMPLOYEE RELATIONS

The Performance Appraisal System originally designed for department heads was redesigned and implemented for assistant department heads. Department heads provided a written evaluation of their assistant's performance. For the second year in a row, the Town Manager conducted performance evaluations for all department heads. The overall purpose of the system is to promote communication between the Town Manager, department heads and assistant department heads, evaluate and document yearly performance and enhance employee development.

A supervisory training program was written for DPW superintendents for the purpose of assisting them with the appropriate documentation of employee problems and issues. The overall goal of the program is to train supervisors in the corrective action process.

EMPLOYMENT

During the year, 16 permanent new employees were hired to replace employees who either terminated or retired from their employment with the Town. A formal seasonal employment policy was written and adopted and 75 seasonal employees were employed to meet the seasonal demands of the various departments. Additionally, 17 employees were either promoted or transferred within the organization.

LABOR RELATIONS

One-year contract settlements were reached with the Police Brotherhood and the Firefighters. All eight collective bargaining agreements expired on June 30, 1991. Collective bargaining sessions have been ongoing for approximately one year. During the year, 24 grievances were heard by the Personnel Director at the step 2 level.

DEPARTMENT OF PLANNING & DEVELOPMENT

The adoption of the new town charter in 1991 brought the establishment of the Department of Planning and Development. This department is responsible for the planning, community development and economic development functions of the town. This includes the supervision and coordination of town agencies related to subdivision control, land acquisition, conservation, redevelopment and revitalization, zoning appeals, design review, historic preservation, affordable housing, and economic development.

The implementation of the new charter began in July, and in these six months important transitional steps were taken. The Town Manager appointed John F. Lenox as the Town's first Director of Planning & Development. The staff divisions began meeting on a weekly basis with the goal of improving communication and coordination of activities. Steps were also taken toward a consolidated budget process. The organizational structure established this year holds great promise for improved support for boards and commissions as well as increased administrative efficiency under the new Town Manager form of government.

Planning Board

The continued economic downturn has provided a unique opportunity for the Planning Board to concentrate its efforts on planning issues. The reduction in applications for development has allowed the board and its staff to concentrate on the completion of deficient developments, the revitalization of the Downtown/Harbor area, and the updating of the town's Master Plan.

The board held 24 scheduled meetings in 1991. This year marks the twentieth anniversary of Michael F. Babini's election to the Planning Board. The Board is extremely grateful for the leadership, hard work, and expertise Mr. Babini has provided to the Town of Plymouth over the past twenty years. The Board's membership changed this year as Jeffrey M. Metcalfe was elected to replace Derryl A. Lawrence. The Board thanks Mr. Lawrence for his five years of dedicated service. His contributions will have a lasting and positive effect on the Town. We wish him well and welcome our newest member. The structure of the Planning Board is as follows:

| | |
|--------------------------|---------------|
| Michael F. Babini | Chairman |
| Malcolm A. MacGregor | Vice-Chairman |
| Jeffrey M. Metcalfe | Clerk |
| Robert L. Hollis | Clerk Pro Tem |
| Donald A. Nicholson, III | Member |

SUBDIVISION CONTROL:

In administering its duties under the Massachusetts Subdivision Control Laws, the Planning Board reviewed 51 Approval Not Required plans. No new residential subdivisions were submitted in 1991.

The board continues to have an important role in reviewing the work presently underway in previously approved subdivisions. In addition, the board continues to work closely with both developers and troubled banks to complete problem subdivisions. This involves careful monitoring and flexible administration of conservative performance guarantees. The board is again pleased to note that no public funds have been used to meet the needs of the residents within these developments.

ZONING BYLAW:

The Planning Board reviewed and made recommendations on 51 Zoning Board of Appeals cases. In addition, the board also reviewed industrial and commercial site plans. Some of the major projects included:

ASB II, INC. (MILL BUILDING)—Located on Water Street, this 1,560 square foot addition will serve as an open deck for the Issac's Restaurant and provide additional commercial space on the first floor.

STAR MARKET—Located on State Road in Cedarville, a two year extension of the original special permit was granted. A 60,134 square foot shopping center proposed.

KAO INFOSYSTEMS—The Board reviewed and approved a site plan for KAO Infosystems, located on Grissom Road in the industrial park. The proposal included the construction of a 59,510 square foot addition.

In addition, the Board sponsored and received approval by Town Meeting of three Zoning Bylaw amendments. These involved the establishment of the Downtown/Harbor District, the Off Street Parking Fund, and the Buttermilk Bay District.

STREET NAME CHANGES:

The board continues to make progress in eliminating duplicate street names. In 1991 the board through a public hearing process eliminated seven duplicate names. The elimination of duplicate street names is an important component in the implementation of a 911 emergency telephone system.

MASTER PLAN UP-DATE AND IMPLEMENTATION

The board worked closely with the Historic District Commission, and the Downtown/Harbor Corporation on implementing several important elements of the Plymouth Center/Waterfront Plan. These elements include a major expansion of the Historic District, the approval of the referenced zoning amendments, and the establishment of a fee for the Off-street Parking Fund.

As a result of the Manomet Village Master Plan, the Manomet Village Steering Committee was established this year. This seven member board was created by Town Meeting. It is charged with implementing the recommendations of the master plan and with advocating for the needs of Manomet.

In the spring of this year the board established the Cedarville Task Force. The six member committee met on a weekly basis throughout the spring and summer with staff to develop a master plan for Cedarville. The board will present this document at the 1992 Annual Town Meeting and looks forward to the preparation of the North Plymouth Master Plan in the coming year.

Office of Community Development

The Office of Community Development expanded its programs and services to the town during 1991. Drawing from Massachusetts Small Cities Program grant resources, our Housing Services Program helped 25 low-income residents repair and improve their homes replaced 9 failed septic systems and removed lead paint from six dwelling units. Additionally, a new element of the Housing Services Program called "Project Homeownership" financed loans for five first-time homebuyers, all from Plymouth.

The office's involvement in downtown/waterfront revitalization efforts also increased last year. Working with the town's non-profit central business district organization and the Plymouth Downtown/Harbor Corp., with funding from Massachusetts Main Street and Small Cities Program grants, consulting teams were retained to produce architectural design guidelines for commercial buildings, an urban design plan for the district, and an economic development strategy to create and retain viable businesses downtown. These endeavors culminated in commercial facade "demonstration projects," including the new improvements at Pebbles on the waterfront, and Luigi's on Court St.

The success of these activities led to Plymouth becoming the first town in Massachusetts to receive two Small Cities grants. In December, Plymouth was awarded over \$1 million for its 1992 community development programs. One of the grants continues our Housing Services Program and includes substantially higher funding for downtown improvements. The other is a six-town grant in which Plymouth is the administering community. That grant is devoted entirely to public/social services, with 51% of the funds earmarked for Plymouth residents. Community development also prepared grant applications to the National Endowment for the Arts Design Arts Program for a new directional/interpretive signage system and the Massachusetts Historical Commission for historic district surveys and an economic development feasibility study.

In addition to its grant-related duties, community development provided other services to Plymouth last year. Working with the Department of Public Works and Plymouth South High School, this office coordinated construction of the new visitor information center on the waterfront. We also provide ongoing staff support and technical assistance to the Visitor Services Board, Plymouth Housing Partnership, and Community Development Advisory Council.

Community Development Advisory Council

The Community Development Advisory Council (CDAC) provides consultation and planning assistance to the Community Development Office. We are also responsible for identifying local needs that could be met, in whole or in part, by various grant sources.

CDAC worked on two major needs assessments during 1991. These efforts clearly became worthwhile when in December, the town was awarded two grants totaling over \$1 million from the Massachusetts Small Cities Program. The grants, which largely reflect the conclusions of our needs studies, will fund housing, downtown revitalization and human programs during the coming year.

This committee's responsibilities for social service funding were met through a related task, that being general oversight of town meeting's human service appropriation of \$25,000. In the past, town meeting funded select agency requests in response to petitioned articles placed on the warrant. By 1990, it became clear in order that to comply with the Uniform Procurement Act, the town could no longer fund these programs through petitioned articles. Thus, the 1991 town meeting appropriated money under a single article. It became CDAC's function to decide how best to spend the funds, and conduct whatever competitive procurement steps were required to execute legal contracts with human service agencies.

The town's \$25,000 was matched by \$11,200 from a previous MSCP grant for 5 programs. A Pilot, first-of-its-kind Emergency Housing Fund established to help tenant households from becoming homeless, was administered by the Plymouth Housing Authority (\$5,000). The town contracted with South Shore Womens Center to continue aiding local victims of domestic violence (\$8,250) and, with Mayflower Counseling Center, to help the town's neediest residents obtain psychological services (\$8,250). We also funded the library's Adult Literacy Program until another grant came through in November (\$7,000) and paid scholarships for needy Plymouth children to attend summer camp (\$8,750).

CDAC looks forward to another year of steering the town's search for and use of grant funds. This committee routinely meets on the first and third Tuesdays of the month.

Conservation Commission

The Conservation Commission is charged with several duties. The two major duties are the acquisition of land for the purpose of management and the promotion of unspoiled natural resource areas and the protection of natural resources. These benefit the town by providing flood control, protection from storm damage, clean water supplies, wildlife diversity, and recreational values. Any time which remains spent pursuing long range planning, problem solving, and community education.

One way that the Conservation Commission protects the town's natural resources is through the State Wetlands Protection Act and the town Wetlands Protection Bylaw. The commission, and its staff have been very busy this past year in spite of a slow economy. The commission met almost every Monday night at the Town Hall in order to act on over one hundred applications for projects ranging from sheds, to stairs, to single family houses. In addition to the standard types of permits, the commission and staff also processed over two hundred and forty emergency permits for work related to the Halloween Storm, which destroyed or caused property damage along all of Plymouth's approximately eighteen mile coastline. Although the commission relaxed some of its standards during the end of this year,

Because of the storm, compliance with the environmental protection laws will be strictly enforced. If any construction, earthmoving or even tree or shrub cutting projects are planned, please check with the Conservation Commission office beforehand. A permit may be required.

Another way the commission protects the town's natural resources is through acquisition and management of existing land. The commission has accepted one inland parcel and three coastal tracts of land this year. The inland parcel, donated by Jay Dee Trust, is 2.01 acres and abuts Dugway Pond. The three Saquish Beach donations, a 10,000 square foot area donated by James R. Sollis, and two areas totaling 40,000 square feet, donated by William J. Chase add to the existing open space inventory. The commission seeks to protect land which may be thought of as being borrowed from our children so that it can be and used appreciated for generations to come. The commission also improved some existing conservation land this year, with the help of several groups. Greg Angley of Boy Scout Troop 47 achieved the status of Eagle Scout by teaming up with the Parks Division and other Boy Scouts from his troop, to install eight hundred feet of chain link fence along the Taylor Avenue/White Horse Beach conservation dunes.

In terms of planning for the protection of the town's resources, the commission's co-nomination (along with the Town of Bourne) of the Herring River Watershed as an Area of Critical Environmental Concern, was officially completed on October 28, 1991 by the Massachusetts Secretary of Environmental Affairs. This designation means that Little Herring Pond, Great Herring Pond, the Herring River, and other adjacent resource areas will benefit from enhanced environmental standards. Richard Daniels, assistant to the commission, was instrumental in collecting and preparing all the data necessary to support the nomination and designation. The commission has also been keenly aware of the problems associated with the Billington Sea and is in the process, with assistance from the Ad Hoc Billington Sea Management Committee, of exploring ways to solve the pollution problems with proper management solutions. Copies of the Billington Sea Diagnostic and Feasibility Report are available for review at the Conservation Office and the new main library.

The commission also strives to increase everyone's knowledge about the environmental laws, pollution and resource/wetlands protection. A presentation on beach cleanups and a field trip to Nelson Beach, were made for Cathy Marx's P.C.I.S. eighth grade science class. This field trip was a continuation of a program established between the P.C.I.S. Science Department and the commission in order to involve the children of Plymouth in an ongoing environmental awareness process. Also, the commission sponsored the fourth annual Massachusetts Coastal Zone Management Beach Cleanups on both Nelson and White Horse Beaches. The Appalachian Mountain Club's Southeast Chapter and several students and citizens of Plymouth and other towns made these two events a success. In addition to the

P.C.I.S. System, the commission, for the first time, presented a lecture on Wetland Protection to the Quincy College at Plymouth Environmental Science class. The commission would like to make themselves available (time permitting) for presentations on wetlands and resource area protection and the roles of the commission and other agencies.

Few changes occurred on the Conservation Commission this year. The Commission has retained last year's members and their respective position in office but Herbert Ryder is no longer an assistant to the commission. Also, the commission has received assistance from unofficial assistants Dennis Griffin and Tom Delis. The Commission welcomes anyone with the enthusiasm and desire to protect our resources to assist in any way they can.

In closing, the commission and their staff wish to thank their assistant members, all the boards, departments, commissions and committees from the Town of Plymouth and the various local, state, county and federal agencies and organizations for their assistance this past year.

Design Review Board

The Design Review Board examined 44 projects during 1991. The board met on Wednesday evenings on an average of once per month. In the year ahead, we will be holding our meetings in the new meeting room on the first floor, at the rear of the Town Hall, so that our meetings will be accessible to the handicapped.

The membership of the board changed this year when Jeffrey Metcalfe was elected to the Planning Board, Stephen Murphy was appointed to the Zoning Board of Appeals, and Robert Watson concluded 17 years of invaluable service. We appreciate their many contributions. New members appointed were Lester Lloyd, Joseph A. Marshall, and Jonathan Balas. Bruce Allen was elected Chairman and Richard Vaughn was elected Vice-Chairman.

Our duties have come to include advising the Plymouth Historic District Commission, as their jurisdiction in the center of town and ours under the Appearance Code has overlapped. How our two departments will be working together reviewing proposals in this area will be more defined in the future. We are of the mind that the professional expertise required of our board members enables us to review projects in a different light than the Historic District Commission and, therefore, our review can be very beneficial.

Due to the sluggishness of the economy, our office has received half the number of last year's incoming proposals. Therefore, in order to be as cost effective as possible, our secretary has also assumed the duties as secretary of the Historic District Commission, which was previously without a secretary.

During 1991 we had many requests from petitioners wishing to extend, modify, or had recently purchased projects that were previously issued special permits, having come before the board at least once in the past. Much of our review has been sent to alterations to single family homes and nursing homes, as well as radio and cellular phone tower proposals, which also reflect our times.

We look forward to working in our new role under the Department of Planning and Development in 1992 and are eager to be challenged by a better economy.

Plymouth Housing Partnership

The Plymouth Housing Partnership's 1991 year was extremely successful. Despite the economic recession and its attending real estate market conditions, the partnership entertained town support for two affordable housing developments that will be seeking permits during 1992.

In the spring of 1991, The Marinilli Co. approached this committee for support and assistance in transforming an approved subdivision at Little Hios Hill into an affordable homeownership development. Working with the developer, the Partnership helped shape an 81-unit single-family project that will look like any other subdivision in Plymouth, including those in its surrounding neighborhoods. "Little Hios Hill Estates" will offer conventional homes on 25,000 sq. ft. lots to a mix of market and moderate-income first-time buyers. The development will include a fully equipped playground.

The second, Indian Brook Woods, will be located behind the Shallow Pond subdivision adjacent to Indian Brook Elementary School. Indian Brook Woods consists of 80 house lots, again sized at 25,000 sq. ft. This project is designed as a cluster rather than conventional subdivision. The developers, Robert White and Daniel Orwig, have agreed to provide the town with a feasibility study to link Rte. 3A with Beaver Dam Rd., a plan desired by town officials for some time.

Both developments are coming to Plymouth through the "Local Initiative Program." LIP is a new state program designed to help communities control the production of affordable housing while requiring developers to make projects feasible without reliance on public housing subsidies. The partnership will be involved in marketing these developments to ensure that eligible Plymouth residents have opportunities to purchase their first homes.

Manomet Village Steering Committee

The Manomet Village Steering Committee was established by the 1991 Annual Town Meeting. The primary function of this seven member permanent committee is to assist in the implementation of the Manomet Village Master Plan.

The committee began meeting in July of 1991, and holds a monthly meeting at the Manomet Branch Library. Meetings are generally scheduled at 7:30 PM on the third Wednesday of each month.

Issues addressed in the Committee's first year of work were:

Research and delineation of geographic comprehensive traffic study limits and related pedestrian circulation.

The need for a sidewalk on Point Road from the Manomet Elementary School to White Horse Beach. The committee has expressed support for an eminent domain taking for a new layout for the road if necessary to obtain the right to install and maintain this badly needed and already funded walk.

The committee has advised White Horse Beach residents in the mechanics of obtaining seasonal restrictions regarding parking on the beach. The committee is pleased to help concerned residents with their problems but limits such assistance to providing residents the information necessary to help themselves.

Communication with the Massachusetts DPW has been established for identification of sidewalk and crosswalk improvements proposed by the state. Town and state sidewalk and crosswalk installation or maintenance locations are being plotted for coordination of prioritization. Additional crosswalk locations are being defined.

The committee has reviewed a proposed gift of land to the Town, "Mayflower Park", in the bluffs section of the village. The committee is unanimously in favor of accepting this gift for neighborhood recreational purposes. There was also a consensus that no housing would be appropriate at the site.

The planning and economic development staff of the Department of Planning and Development is working with the committee to develop a joint survey for village business and residential communities. The survey is intended to solicit additional specific information primarily from Manomet businesses regarding their perspective on prudent improvements to the village, its economic and social environment.

The committee looks forward to continuing these tasks in the year ahead.

Old Colony Planning Council

The Old Colony Planning Council serves as the Area Agency on Aging; the Metropolitan Planning Organization for Transportation Planning; the regional clearinghouse for the review of federal and state grant applications, and as an Economic Development District designated by the U.S. Secretary of Commerce to coordinate area economic development efforts. Basic to these responsibilities, the council is the authorized regional planning agency for a wide variety of areawide and inter-municipal issues and concerns such as land use policy, water supply, solid waste disposal, environmental protection, housing and natural resource conservation. The Council also assists its member local governments with grantsmanship services and local technical planning assistance and maintains socio-economic and other information on local and regional trends.

The Old Colony Planning Council District includes fifteen communities for general planning purposes consisting of the City of Brockton and the fourteen towns of: Abington, Avon, Bridgewater, East Bridgewater, Easton, Halifax, Hanson, Kingston, Pembroke, Plymouth, Plympton, Stoughton, West Bridgewater and Whitman. As the Area Agency on Aging, the Council serves a twenty-three community area, which, in addition to the regular planning district, includes the eight communities of Carver, Duxbury, Hanover, Lakeville, Marshfield, Middleborough, Rockland and Wareham.

Each municipality is represented on the council by one delegate and one alternate delegate. The council members establish policy, develop the work program, employ the professional staff and determine the activities of the council to be carried out by the staff. The Council meets on the last Wednesday of each month at 8 PM in the council offices located at 70 School Street, Brockton, MA.

In 1991, John F. Lenox of Plymouth was elected as President of OCPC; James A. Kassos of Brockton as Council Secretary; and, John G. Mather of Halifax as Council Treasurer.

The council gratefully acknowledges the generous support and cooperation of its member communities, the participation and involvement of members of the joint Transportation Committee, with Leighton Peck representing Plymouth; the Overall Economic Development Committee, with Michael Gallerani representing Plymouth; and the Area Agency on Aging Advisory Committee, with Chris Schembri, Richard Hengst, and Louise Sullivan representing Plymouth. The Council also recognizes the work of local boards and commissions and the government agencies, public and private institutions and individuals who assisted the council.

Plymouth Development and Industrial Commission

The Plymouth Development and Industrial Commission (PDIC) the town's economic development agency is pleased to submit its Annual Report for 1991. During 1991, the PDIC welcomed the return of former commission member David C. Hager to the commission, filling a vacancy that resulted from a resignation that occurred late in 1990. Also, Paul J. Nugent, Sr. and James Ryan were reappointed to the commission by the Board of Selectmen to full five year terms. Mr. Nugent and Mr. Ryan were voted Chairman and Vice Chairman respectively for FY '92.

As a result of the town charter amendments the staff of the PDIC became part of the newly created Department of Planning and Development. With the change, the Executive Director moved from a position of working for the commission to one that works with the commission to develop economic development programs and initiatives and to address problems and situations impacting the town's overall economic development.

During 1991, a year that was part of an extended recessionary period, this office continued its work in a number of areas and in the development of a major new initiative designed to strengthen our local economy.

The professional staff consisting of the Executive Director and Administrative Secretary, handles inquiries about Plymouth as a business site as well as working with existing businesses that are considering expansion. In addition, the PDIC and professional staff work to retain businesses that may be contemplating an expansion or relocation outside of Plymouth.

During 1991, the Town received good economic news as it was labelled by WCVB-Channel Five-Boston as a community most likely to rebound quickly from the current recession. Kao Infosystems Company continued their commitment to our community with a major new expansion to their World Infosystems Headquarters located in Plymouth Industrial Park. The expansion will provide over 250,000 square feet of total space for the more than 400 employees of Kao. Kao's production capabilities at the Plymouth site now exceeds 10 million floppy disks per month.

Party Lite Gifts, a division of Colonial Candle moved into a new facility, the former Capri Cabinet Building, in Plymouth Industrial Park which will give the distributor of home giftware room to grow and prosper.

The Whale Discovery Center, the only all new tourist attraction to open in 1991 in the Commonwealth of Massachusetts, began operations on Plymouth's historic waterfront. The center is a hands-on science museum dedicated to the life and beauty of whales and their environment.

The Plymouth Rock Commercial Area Revitalization District (CARD) designation renewal was applied for and obtained during 1991. The district covers a geographic area bounded to the north by Nelson Street, to the south by Stephen's Field, and to the west by the properties located on the west side of Court, Main, Main St. Extension and Sandwich Streets.

Late in 1991, the decision was made by Governor William Weld and the Secretary of Transportation Richard Taylor to extend the MBTA Old Colony Rail Line to Plymouth's Cordage Park Marketplace. The extension will provide a transportation link to neighboring communities, which will expand our available work force, as well as to Boston proper, which will give commuters and visitors to Boston and Plymouth a means of access to and from the city.

During 1991, the Plymouth Visitor Partnership, a public-private cooperative program established by the PDIC in collaboration with the Plymouth Area Chamber of Commerce, moved forward with an economic development program which will serve to reposition Plymouth in the tourism marketplace. It is anticipated that the program will help to strengthen existing visitor industry business while acting as an attraction to potential new tourism related business. The basis of the program is an all new marketing strategy that includes the development of a new fulfillment brochure and display ad campaign. Funding for the program will utilize available public monies (Town Promotion Budget) which is matched by private sector dollars.

The PDIC continued to work with private developers and the Plymouth Industrial Development Corporation (PDIC) in an effort to expand the town's tax base and to create job opportunities through business attraction, retention and expansion.

Also in 1991, the PDIC in cooperation with the Plymouth Area Chamber of Commerce, conducted a survey of Town Meeting Representatives in order to determine a proper direction for the development and implementation of future economic development initiatives. The survey which was titled Plymouth 20-20 was completed in the spring.

The commission operates under Chapter 40 Subsection 8A of the General Laws of Massachusetts.

The Commission and the professional economic development staff are appreciative of the support it receives from town, state, and federal officials, residents, and business community members.

Plymouth Historical Commission

1991 was a banner year for preservation in Plymouth. Years of preparation resulted in growth in protection for Plymouth's historic structures.

Following the mandate provided by the report of the Plymouth Downtown Waterfront Area Task Force, the Historic District Commission inserted an article in the Annual Town Meeting for the expansion of the Historic District to include the entire downtown area. To qualify through state statutes, the Commission hired a consultant to complete a survey of all structures in the proposed area not previously checked. The resulting body of information has already served both researchers and developers.

After approval by Town Meeting of the expansion and reorganization of town government, the commission improved its efficiency to deal with the increased applications from affected landowners. The commission moved its offices into the Department of Planning & Development at Town Hall and gained the services of a part-time secretary. That investment by the town has allowed the Commission to respond without delay to the needs of applicants. Our excellent secretary, Maria Britto, has made the transition quick and easy.

The commission has considered several times the number of applications in previous years because of the growth of the district. In September, it moved to biweekly meetings from the previous monthly sessions.

The Plymouth Historical Commission, responsible for general oversight of preservation in Plymouth, put all but the finishing touches on an application to the National Register of Historic Places for inclusion of several dozen properties along Town Brook. The Commission expects to complete several district nominations in the coming years.

The commission expresses its thanks to two retiring commissioners, Richard Shiff and Reno Zammarchi following sixteen years each of devoted service.

Plymouth Redevelopment Authority

The Plymouth Redevelopment Authority (PRA) is again pleased to report another banner year in housing related activities. During the period between January and December 1991, the authority processed low interest loans valued at \$823,380. It is a pleasure to report that in these times of difficult economic conditions, the bulk of the construction contracts were awarded to Town of Plymouth contractors. The major source of funds received by the PRA for making the loans came through the

Massachusetts Housing Finance Agency, an agency that continues to be extremely innovative in designing housing related programs. The authority looks forward to their continued leadership and support for housing programs.

Counseling Program — Lead Paint Program

In November, the authority submitted an application to Massachusetts Housing Finance Agency for involvement in MHFA's Loan Counseling Program. Under this program, successful graduates of the counseling course could receive first time homebuyer money for as low as 6% interest. We expect approvals to begin counseling sessions sometime in February, 1992. MHFA is also proposing to fund a new lead paint removal program whereby home owners can apply for low interest loans to de-lead their homes. Low income property owners will be able to receive loans at a zero rate of interest.

Summer High Street Activities

The law suit initiated by the owners of Spring Hill Corporation in their attempt to convert the complex from rental to condominiums remains unresolved. However, recent meetings between the PRA and the principal owner of Spring Hill revealed an interest to work with the authority to resolve the suit. As a condition to resolve the suit, the authority is insisting on a program of modernization and the exploration of a cooperative form of ownership for some units. The owner has verbally agreed to these conditions which must now be drafted into a legal document for execution by the authority and Spring Hill.

Now that the Town meeting has voiced its opinion on the waterfowl issues at Jenney Pond, it is the hope of the Authority that the grounds can be restored and beautified to its original condition so that the area can be an asset to the Town. With regard to Jenney Pond/Town Brook Park area, the Authority in conjunction with other departments of the Department of Planning and Development is exploring the feasibility of developing an "Industrial Plymouth Plantation" whereby the industries (Mills), once located on the Brook be re-created as living museums. It is felt that, should the idea become a reality, it would be a tremendous asset in helping depict another part of Plymouth's history along with being a tremendous asset to Plymouth's down town revitalization. The mechanics of how the idea can become a reality are now being explored.

In May 1991, the town meeting voted to establish a new department of Planning and Development including the Plymouth Redevelopment authority staff. The PRA, although an autonomous commission operating under the regulations of Massachusetts General Law 121B (Housing Authority Law), is happy to be a participant. The PRA has always supported a meld between the various departments that share the same objectives, those being the betterment of the community through community and economic development. Whereby the various departments that seek these goals join together to share ideas, experience and input to help better achieve the

objective, it is the opinion of the authority that the newly formed department can or become successful when there is total cooperation, understanding and input by of the departments participating.

The Annual PRA meeting and election of officers was held in December.

The results of the vote for officers were:

John Droege, Chairman
Robert Wollner, Vice-Chairman
Catherine Farren, Secretary
Chester Bagni, Treasurer
Edward Angley remains as Commonwealth appointee

Visitor Services Board

The Visitor Services Board has successfully begun the process of overhauling Plymouth's system of visitor promotions, making several significant changes in 1991. We have adhered to town meeting's 1990 intent in establishing this Board that being the creation of a more organized, goal-oriented and "de-politicized" means of promoting Plymouth, attracting visitors, and serving them while they are here.

The board initiated a competitive procurement process to engage promotional services from a vendor. The general purpose of this contract is to develop a new advertising campaign for Plymouth, produce a new town brochure, and set up a system for enlisting private investment in promotions. This process resulted in the award of a contract to the Plymouth Area Chamber of Commerce, which collaborates with the Plymouth Development and Industrial Commission to form the "Plymouth Visitor Partnership." PACC brought a new advertising firm in to design concepts for newspaper and magazine ads, and the brochure. The investment of \$25,000 in town funding from the promotions budget promises a minimum private match of \$27,000.

The board also competitively procured visitor information services. The second, related contract makes Destination Plymouth responsible for handling visitor requests for information. Both this program and PACC's will be rebid in the spring of 1992 at which time the Board hopes to engage services under a two-three-year agreement.

In other activities, the board hired Mark Johnston Associates to conduct a study of overnight visitors to Plymouth using data from local motels. This study will help shape future marketing strategies, and can be updated by in-house staff. The Board also established official visitor information lines for the town, created a "mini-grant" program to help local organizations and businesses improve events and activities for visitors and residents, and established a subcommittee to produce and enter a float in the 1992 Washington, D.C. July 4 Parade.

Zoning Board of Appeals

The Plymouth Zoning Board of Appeals (ZBA) consists of seven members, 5 regular members and 2 alternates. The function of the board is to grant relief, when appropriate, from the Plymouth Zoning By-laws under the Statute of Massachusetts General Laws Chapter 40A of the Zoning Act. The Zoning Board of Appeals is a judicious board and renders their decisions accordingly.

Each application is reviewed by various commissions, boards and departments for recommendations and other miscellaneous information. This provides the members with an in depth look and a more precise review of the properties being petitioned. Any interested person has the right to voice their support, objection or opinion during the Public Hearing which is held at Town Hall. The board then discusses all of the information presented and deliberates amongst themselves to render a decision. Few decisions were appealed to Superior Court in 1991, which in some instances may take years to be acted upon. This process may restrain an approved project from exercising their granted relief.

The following are examples of some petitions presented in 1991:

Whale Discovery Center, located on the corner of Water and Howland Streets, at Harbor Place. A request for signage was approved. A request for a full scale vinyl whale was proposed and denied by the ZBA.

Isaac's Restaurant, located on Water Street was approved for a retail shop on the first level and an outside deck to the second floor that will serve as a waiting area for patrons.

Oakwood Living Center's of Mass. Inc., A/K/A Mayflower Nursing Rehabilitation and Child Care Center, Inc., located on South Street. Approved was a request for an increase of 5,100 square feet on the second floor for 12 pediatric beds and accessory rooms.

Plymouth Hotel Corp.-A/K/A Plymouth Sheraton Hotel, located on Water Street. Approved was a request to modify off-street parking as the hotel leases a parcel of land for 146 parking spaces owned by the Massachusetts Bay Transit Authority (MBTA).

Cellular One, located off Old Sandwich Road on the east side of Route 3. Approved was a request to erect a 190 foot utility/communication tower. This decision has been appealed to Superior Court.

Extensions granted were as follows:

Brian Whitfield-North Street-Special Permit

American Superstores, Inc.-State Road-Special Permit

P.A. Landers, Inc.-Off Nicks Rock Road-Special Permit

Roger Belanger-State Road-Special Permit & Variance

These extensions were requested due to economical and/or financial strains. Therefore, the board has found good cause to extend these permits.

The board held 23 Public Hearings during 1991, excluding the month of February. The amount in filing fees collected totaled \$2,875.00. This amount has decreased considerably due to the drop in larger commercial projects being filed.

Two new board members were appointed to the ZBA in 1991, Attorney Stephen Murphy, regular member and Sandra Leet, Alternate. The organization of the board is as follows: Leonard J. Vaz, Chairman; A. Wendy Longo, Vice-Chairman; Marc Garrett, Clerk. The board also wishes to extend their sincere appreciation to former members Evelyn Pedro and Dolores Churchey for their time and service that they generously contributed.

We wish to thank all commissions, boards and departments for their continued efforts and assistance.

In conclusion, the board will strive to encourage growth and advancement of the Town as well as enhance the beauty of Plymouth.

PUBLIC SAFETY Fire Department

Herewith submitted is the annual statistical report of the Fire and Forest Departments for the year ending December 31, 1991

Retired:

Firefighter Joel R. Tassanari - Entered the Fire Department on August 17, 1975 and retired on March 5, 1991.

Resigned:

Firefighter Steven P. Govoni - Entered the Fire Department on January 2, 1977 and resigned on April 9, 1991.

romotions:

Deputy Chief Fugazzi to Chief of Department
Captain Joseph Folger to Deputy Chief
Lieutenant John Furtado to Captain
Firefighter Michael McNeil to Lieutenant

ew Appointments:

Jeffrey Sundras - Firefighter - October 10, 1991
Ronald Eldridge - Firefighter - October 10, 1991

The Fire Department has once again experienced an increase in the number of emergency responses required in 1991. With a total of 2,760 incidents requiring 252 company responses, the Department has experienced an increase of seven percent over last years incidents.

1991 also presented us with two major storms which required the town to declare a state of emergency and also required this department to respond to over one hundred storm related incidents. In addition, it also proved that this department could join forces with all other town departments in providing assistance to persons in need and still maintain vital public safety services.

991 Responses:

| | | |
|-------------------------|--------------------------|------|
| TOTAL COMPANY RESPONSES | Fire & Forest Fire | 4,25 |
|-------------------------|--------------------------|------|

The threat of forest fire continues to be major concern within the town. Historically, Plymouth has a long history of major forest fires and, recently, with the residential growth causing expansion of residential development into our wooded areas, the potential of a forest fire destroying many homes and endangering lives is of considerable concern.

On April 11, 1991, a forest fire originating on Ship Pond Road burned 128 acres and destroyed three structures. This fire was reported to the department by telephone and by radio from the Pine Hills Fire Tower at 1:08 P.M. Before it was extinguished, some twenty-four hours later, we summoned to assist us over 300 firefighters, 100 pieces of apparatus and assistance from other town, county and state agencies.

I wish to express my sincere appreciation to those that participated. Without the assistance and efforts of these dedicated people, this forest fire could have been disastrous. If we could learn one lesson from this event, it should be that the potential still remains for major forest fires in our town.

FIRE ALARM DIVISION
Peter Gage, Superintendent of Fire Alarm
Donald Thomas, Fire Alarm Technician

The growth in use of the municipal fire alarm system for automatic notification to the Fire Department of alarm conditions in industrial and commercial properties continues. These systems are installed at no cost to the taxpayer and utilize existing fire alarm circuits throughout the town. Many alarms are received by the automatic activation of detection devices that are connected to the municipal fire alarm system. Most are trivial in nature due to this early detection and reporting. The potential considerable reduction in fire loss is great and, therefore, Fire Department operating expenses are reduced. The chance of loss of tax base and employment within the community is also reduced.

Municipal Fire Alarm System Activity for 1991:

| | |
|-----|--|
| 491 | Box Alarms received from system |
| 101 | Malicious false alarms |
| 12 | Significant fires automatically reported |

NEW FIRE ALARM BOXES 1991

| | |
|------|---|
| 322 | DPW PUMP STATION HEDGE RD |
| 631 | Whale Discovery Center Howland St. |
| 1378 | Bartlett Nuclear Bldg 2 Industrial Park Rd. |
| 1534 | Plymouth Public Library South St. |
| 4511 | East Bay Lane And Harborlight Drive |

Activity in the Fire Alarm Office for 1991:

| | |
|--------|-------------------------------|
| 2760 | Fire Emergency Responses |
| 2543 | Ambulance Emergency Responses |
| 5303 | Total Combined Responses |
| 194772 | Telephone Messages Handled |
| 164710 | Radio Messages Handled |
| 961 | Burning Permits Issued |

The largest fire automatically detected and transmitted by Fire Alarm Box 7 was at the West Elementary School.

At this time there are in excess of 50,000 devices connected to the Municipal Fire Alarm System that automatically detect fire and transmit alarms by Fire Alarm Box to Fire Headquarters.

The work on the reconstruction of Sandwich St., Main St. Ext., Main St., and Court St. is in progress. The Fire Alarm work of relocation of all involved Fire Alarm boxes has not been started to date. Replacement of all involved Fire Alarm cable with new cable over the entire length of the project remains to be done. When complete, this improvement will provide more reliable service with much needed room for future expansion. When Phase 1 and 2 are complete many of the Municipal communications circuits now leased on a monthly basis can be placed in this cable system. Monthly charges of hundreds of dollars can then be eliminated. As this work was necessitated by the road work, the cost will be covered by the State funding of the road work.

The computer system continues to be utilized in an ever increasing fashion as personnel become more adept in its operation.

Valuable assistance has, as usual, been rendered this division by other members of the Fire Department. Many projects would still remain incomplete without this aid.

Police Department

Listed below is the statistical information pertaining to major crimes and motor vehicle accidents for the calendar year 1991:

| | |
|------------------------------------|-------|
| Homicide | 4 |
| Manslaughter | 1 |
| Rape | 8 |
| Armed Robbery | 19 |
| Breaking and Entering and Attempts | 705 |
| Larceny and Attempts | 1,010 |
| Motor Vehicle Thefts/Attempts | 169 |
| Motor Vehicle Accidents | 1,249 |
| Motor Vehicle Citations | 3,824 |
| Motor Vehicle Fatalities | 6 |
| Arrests | 1,852 |

Fines turned over to the Town of Plymouth from sources indicated:

| | |
|--------------------------|------------------|
| Court Fines and Fees | \$ 311,401.00 |
| Reproduction of Reports | 4,828.50 |
| Pistol Permits/FID Cards | 6,396.00 |
| FID Dealers License | 533.00 |
| Photographs | 720.00 |
| Parking Tickets | <u>96,902.76</u> |
| Total | 420,781.26 |

The following were appointed as indicated during the year of 1991:

| | | |
|----------------------|------------------------------|----------|
| Thornton Morse | Police Sergeant | 10/22/91 |
| Michael Peddell | Full Time Temporary Sergeant | 10/22/91 |
| Andrew McGonagle | Police Dispatcher | 06/08/91 |
| Daniel Mosher | Police Dispatcher | 08/09/91 |
| Marsha Holman | Senior Clerk-Police Dept. | 06/17/91 |
| Porter Loring | Custodian-Police Dept. | 09/23/91 |
| Kathleen DiSalvatore | School Crossing Guard | 09/25/91 |

The following resigned or retired from this department as indicated:

| | | |
|-------------------|------------------------|----------|
| Andrew McGonagle | Police Dispatcher | 08/07/91 |
| F. Joseph Wilson | Custodian-Police Dept. | 08/23/91 |
| Lucille Sosnowski | School Crossing Guard | 08/21/91 |

After serving 26 years with this department, Sergeant Lawrence Mansfield retired on September 30, 1991. He served this department and the Town of Plymouth earnestly, faithfully and with the dedication one can only admire. He was initially appointed as a Police Officer in September of 1966. He worked as a Detective for a number of years and was appointed as a Police Sergeant in 1972. His wisdom, knowledge and easy going manner will be missed.

Emergency Preparedness and Civil Defense

The year 1991 proved to be a very busy one for the office. On April 11 a extensive forest fire in the southern part of town activated our office. Mutual aid agreements were used to bring in additional men and equipment from 30 additional towns. A shelter was set up at Indian Brook School for people that were evacuated from their homes.

In August 19, Hurricane Bob roared into town. The town declared a State of Emergency and opened shelters. Electric power was out for 1 to 6 days in Plymouth and the office remained open 24 hours a day for 5 days.

On October 30 the famous unnamed storm came to Plymouth. The town again declared a State of Emergency and opened shelters. Widespread damage was done on low lying coastal roads and a long cleanup and reconstruction is still going on. Many houses were damaged and some were destroyed. No loss of life was reported. The office remained open 24 hours a day for 7 days and the State of Emergency was not declared over for almost 2 weeks.

We hope 1992 does not require Civil Defense to respond to any emergency, but we will be ready.

Harbormaster

The Pond Patrol was very effective again this year with several violations issued and inspections at an all time high. We had no boating accidents on any ponds this year which seems to be a direct result of increased safety inspections and the efforts of the Pond Patrol Officers to try to monitor as many ponds as possible.

The party fishing and Whale Watching vessels had another good year but not as good as last year, probably due to the economy.

The dragger fisherman had a very poor year due to the decrease in fish stocks. Lobster fisherman had a good year but the prices were down due to a poor economy.

We weathered two storms this year, Hurricane Bob and a 4 day Nor'easter the last of October. We had some damage but overall we made out very well, compared to other towns in our area. This is a direct result of our Harbor Mooring Regulations and sizes of mooring blocks, chains and associated gear.

HARBOR STATISTICS 1991

| | |
|---|-------------|
| Response to Medical Emergencies | 9 |
| Overdue Boat Calls | 23 |
| Boats Towed | 122 |
| Valuation of Boats Towed | \$2,440,000 |
| Boats Reported Missing/Stolen | 25 |
| Boats Recovered | 20 |
| Boats Pumped | 23 |
| Boat Fires | 1 |
| Boats Jumped Started | 9 |
| Arrests | 2 |
| Dragger Trips Logged Out | 4,800 |
| Visiting Boats Logged In | 3,500 |
| (Including Marina & Yacht Club facilities) | |
| Boats Launched at Boat Ramp (estimated) | 7,800 |
| Moorings in Harbor | 554 |
| Charter Boats Using Wharfs | 10 |
| Fishing Vessels Using Wharfs | 26 |
| Parking violations issued | 1200 |

SHELLFISH

| | |
|--------------------------------------|---|
| Commercial Blue Mussel Permits | 1 |
| Resident Clamming permits | 3 |
| Non-Resident Clamming Permits | 5 |
| Commercial Soft-shell Permits | 6 |

Building/Zoning Department

The year 1991 was one of adjustment for the Building/Zoning Department. The downward cycle of the economy added to our usual challenges that we deal with every year. Whenever the economy is in recession and people are out of work they can't afford to pay to have work done on their houses. Because of this they try doing the work themselves without permits. This added to our regular workload of enforcing the State Building Code, Zoning By-law, Plumbing, Gas and Wiring regulations.

The two storms we had this year also added to our workload. Members of the department went to all storm damaged areas, including Saquish, to help homeowners and to control clean up of all structures, either damaged or destroyed by the storms. We are currently still going through that process.

As you can see we are a multi-facet department. There are many things we accomplish during the year. Two of our most noted accomplishments are as follows:

1. A new streamlined procedure to help petitioners through the building permit process by development of new written guidelines to assist in this process.
2. A streamlined process for reviewing structural plans for commercial and industrial buildings in order to shorten the time it takes to review these plans and issue permits. This was done by acquiring some standard forms and revising them to meet the town of Plymouth's standards. The review time has been cut in half.

Our Office also has been doing a lot of background work for court appearances. As you are aware, we are in court from time to time on appeals taken on Board of Appeals decisions as well as other situations.

By doing this, as well as developing and compiling critical information for the Town Counsel, we have appeared as an expert witness in these matters. By becoming knowledgeable of the court systems, it has helped Town Counsel win winning court cases for the town.

BUILDING DEPARTMENT

| | 1990 | 1991 |
|---|----------|-----------|
| total number of building permits issued | 1,290 | 1,082 |
| total receipts from building permits | 144,190. | 118,517. |
| total receipts from certifications | 7,691.50 | 8,737. |
| inspections made by the Building Inspector | 4,685 | 4,279 |
| mileage of the Building Inspector | 8,950 | 10,060. |
| zoning permits issued | 1,566 | 1,325 |

DEPARTMENT OF PUBLIC WORKS

Administration

Major road reconstruction projects began during this past year with completion scheduled during the next calendar year:

1. Route 3A (Jabez Corner to Cushman Street)
2. Route 3A (Barquentine Road to Bourne Town Line)
3. Route 3A (Vinal Avenue to Barquentine Road)

These projects are being funded with federal and state monies and the construction is being administered through the Massachusetts Department of Public Works. The work on these projects has progressed very well because of the close coordination between the state, town, contractors and businesses/residents affected.

Major rehabilitation of the two boat ramps (Plymouth Harbor and Long Pond) were completed by the Massachusetts Access Board/Division of Fisheries & Game.

Major water main improvements were made on Water Street from Sandwich Street to the Rotary. The new 12-inch ductile iron water main replaced a 100+ year old 4-inch and 6-inch jacket water main. These improvements have greatly increased pressure and quality of water in the entire downtown area. The last of the water betterment projects were completed in Kingsbridge Shores with over 160 new water services installed.

On December 3, 1991 the Board of Selectmen signed the Final Judgement which sets forth a predetermined schedule to upgrade the Town of Plymouth Sewage Treatment System.

The project is to prepare a complete and comprehensive facilities plan and environmental impact report for wastewater treatment, effluent disposal and residuals management.

On March 18, 1991, Joseph S. Pine Jr., was hired as the Assistant Director of Public Works/Operations Manager. Mr. Pine comes to the Town of Plymouth having served the Town of Falmouth for fourteen years in public works as Engineer and Highway Superintendent.

I would like to express thanks to the Division Superintendents and also the men and women of the department for a job well done during 1991.

The cooperation and assistance of other departments is acknowledged and appreciated.

Cemetery

The Cemetery Division maintains and services sixteen (16) town cemeteries and ten (10) smaller cemeteries with veterans buried within.

This division repaired over a dozen damaged stones on Burial Hill this year. There was an employee working in Burial Hill almost all summer to help with the upkeep and to assist people in locating various stones.

There was some vandalism the weekend after Christmas when fourteen stones were broken and/or knocked over. Most were reset or repaired by the Cemetery Division. The remaining stones will have to wait until warmer weather.

The first section of the new area of the Manomet Cemetery was opened in July with 20 lots equalling 180 graves. The second section has been loamed and seeded and this will be ready when needed. Work on the second half of the new area was held up by Hurricane Bob and the Northeaster.

A total of 139 graves sold in four cemeteries. This is an increase of 10 graves over last year.

| | |
|--------------|----|
| Vine Hills | 87 |
| Manomet | 29 |
| Chiltonville | 21 |
| Cedarville | 2 |

There was a total of 168 interments in nine cemeteries. There were 23 more burials this year than the 145 interments last year. Of the 168 interments, 37 were veterans.

| BURIALS | FULL | CREMATIONS | TOTAL |
|-------------------------|------|------------|-------|
| Vine Hills | 86 | 16 | 102 |
| Manomet | 18 | 5 | 23 |
| Oak Grove | 15 | 2 | 17 |
| Chiltonville | 13 | 3 | 16 |
| Cedarville | 1 | 3 | 4 |
| Faunce * | 3 | | 3 |
| South Pond | 1 | | 1 |
| Jordan Rd/Russell Mills | | 1 | 1 |
| Braley Lane | | 1 | 1 |
| | 137 | 31 | 168 |

Faunce Church owns this cemetery but the town does burials there.

The Cemetery Division installed 28 veteran's markers; Vine Hills -17; Oak Grove - 4; Manomet - 4; Chiltonville - 2 and Russell Mills - 1.

The Cemetery Division installed 47 foundations for headstones and monuments; Vine Hills - 32; Manomet - 8; Chiltonville - 3; Oak Grove - 2; Cedarville - 1 and South Pond - 1.

The Cemetery Division has done a good job of keeping up over 20 cemeteries with only a 5 man crew. Our thanks to the rest of the DPW divisions for their assistance.

We would like to thank Chris McKinnon for his work in cleaning and restoring the Indian Cemetery in Cedarville.

I would like to thank the Cemetery and Park Division personnel for their assistance in getting the cemetery ready for the burial of Fredrick Garside (MIA since 1961).

The Cemetery Division would like to thank all of the other Department of Public Works Divisions for their assistance during the past year. Engineering for their maps and information on Cemeteries; Highway and Water Divisions for cleaning up the junk pile of tar and gravel near Route 44 and their help in digging graves when needed; Sewer Division for the use of their trailer to move our backhoe; Maintenance Division for repairing and maintaining our vehicles; Park Division for helping to cleanup some areas with their leaf vac and the Forestry Division for their help in cutting down and disposing of the trees that were damaged during Hurricane Bob and the "no-name" storm.

Engineering Division

The Engineering Division will remember 1991 as the year of Plymouth's "E Dig". This is the nickname given to the Route 3A Reconstruction Project - a \$ million effort for rebuilding the main road through downtown Plymouth (Jabez Corro to Cushman Street). Actual construction began about Labor Day and, thanks to fast track methods, is scheduled to be completed by Memorial Day, 1992. The in-house staff played an integral role in the process leading to the construction by administering the design contract and preparing right-of-way and layout plans of the entire corridor.

Our staff and housing remained constant throughout the year, thus enabling us to maintain the previous level of service. Because of the slumping economy, the cost for plan review services by other town agencies decreased dramatically. This, however, was partially offset by continued high volumes of Assessors Map revisions and over-the-counter activity. Other support services remained constant.

A summary of our activities follows:

A. ASSESSORS MAP REVISIONS:

858 parcels on 51 maps. Full and half size original plans revised.

B. STREET ACCEPTANCES (5):

Driftwood Lane, Cranberry Circle, Sugarbush Lane and portions of Crabtree Road and Lafayette Road.

C. DPW PROJECTS AND MISCELLANEOUS SURVEYS:

| | |
|---------------|--|
| Completed — | Summer Street - Reconstruction |
| | Shore Drive - Reconstruction |
| | Pinewood Road - Reconstruction |
| | Kingsbridge Shores - Water Betterment |
| | Cedarville Cemetery - Survey |
| | Police Station Study Committee - Survey |
| | Historic Commission - Zoning Revision |
| In Progress — | Ellisville Road - Storm Drainage |
| | Water Street/Municipal Parking - Reconstruction |
| | Federal Furnace Road - Intersection Improvements |
| | Bay Shore Drive (Sec. B) - Reconstruction |
| | IMS - Yearly Update |
| | Town Maps - Yearly Update |

D. PRINTING SERVICES

- 17 sets Assessors Maps (142 sheets each)
- 71 sets Zoning Maps (9 Sheets each)
- Approximately 800 prints of various plans

E. PLAN REVIEWS (6)

ZBA - 3 Building Dept. - 3

F. STATE AID RECONSTRUCTION PROJECTS

- Route 3A (Stage A) - Under Construction
- Route 44 (Samoset St./Carver Rd.) - Public hearing on 75% plans held 11-7-91. Final designs about to commence. Right-of-way and layout plans being prepared in-house.

G. MISCELLANEOUS

Smaller projects and requests for information processed as received.

We take this opportunity to extend our annual thanks to the many agencies and individuals, both public and private, who throughout the year have been so gracious with their assistance and counsel.

Highway Division

The following is a report of work done in the Highway Division of the Department of Public Works from January 1, 1991 to December 31, 1991.

STREET CLEANING

On March 5, 1991, two mobile sweepers started cleaning winter sand. The main roads, Main Street and the waterfront are swept daily during the summer months and every other day the rest of the year. The side streets are swept in rotation. The second sweeper serviced Manomet, Cedarville, Chiltonville, Long Pond, Buttermilk Bay and private developments.

DRAINAGE AND DRAINAGE MAINTENANCE

The installation of a drainage system was completed on Pinewood Road which consisted of twelve catch basins and eight manholes with 1,880 feet of reinforced concrete pipe.

Installation and repairs to catch basins were completed on the following streets: Pine Needle Lane, Nelson Street, Taylor Avenue, Oak Street, Haven Road, Jan Marie Drive, Matthew's Landing, Montgomery Drive, Court Street, Eagle Hill Drive, Whiting Street, Sandwich Street, Murray Street, Lawrence Road, Fisherman's Landing and Filmore Street.

The cleaning of drain lines and several retention areas was also complete during the year.

To alleviate a large drainage problem, complete drainage systems were installed at the following locations:

- A. 721 Long Pond Road — Consisted of (1) catch basin, 30' of 12" corrugated pipe and (1) 6X10 1500 gallon leach pit.
- B. Bourne Road — Consisted of (1) 6X8 1000 gallon leach pit.
- C. Halfway Pond Road — Consisted of (1) catch basin, 20' of 12" corrugated pipe and (1) 6X10 1500 gallon leach pit.
- D. Flintlocke Drive — Consisted of (2) manholes and 416' of 12" RCP dispersing into a retention area.
- E. Bayshore Drive — Consisted of (3) manholes and 152' of 15" RCP exiting into existing drainage system.
- F. Driftwood Lane — Consisted of (1) drop inlet, (1) manhole and 236' of 18" RCP.

FENCES

Fences, guardrails and cement posts were repaired and painted. Sections of guardrail were replaced at the following locations:

Summer Street, Federal Furnace Road, Beaver Dam Road and Clifford Road

ASPHALT SIDEWALKS AND CONCRETE SIDEWALKS

New concrete sidewalks were installed on the following streets:

Summer Street, Fremont Street, Union Street, Hedge Road and portions of Water Street, Chilton Street, Howland Street and Winslow Street.

Numerous repairs to sidewalks throughout the town were made by town personnel.

HIGHWAY CONSTRUCTION AND RECONSTRUCTION

A leveling course of Type 1 bituminous concrete was placed by a contractor with the assistance of town personnel on the following streets:

Long Pond Road; Halfway Pond Road; Magoni Terrace; Peck Avenue; Fores

Avenue Ext.; Murray Street; Stafford Street; Elm Street; Manomet Point Road; Bay Shore Drive; Braley Lane; Newfield Street; Boutemain Avenue; Boot Pond Road; Garabaldi Street; Durigan Street and Nook Road.

Reconstruction and paving was completed on:

Pinewood Road; Long Pond Road; Halfway Pond Road; Summer Street; Fremont Street; Union Street and Darby Station Road.

Road reclamation work infrared heat patching and paving was also done by contract. Paving work was completed by Simeone Corporation. Micro Paving was completed by the contractor on Peck Ave., Magoni Terrace and Nook Road.

PRIVATE ROADS

Repairs with funds allocated at Town Meeting are spent under the direction of the Board of Selectmen. Repairs on private roads included grading, graveling, patching and drainage work.

Parking areas, meter spaces, stop lines, school zones, directional arrows, handicapped areas and crosswalks were painted by personnel in the Highway Division. Center lines on various streets were painted by a contractor.

Many signs were made and installed during 1991. A great expense to the town is replacing signs which are vandalized, stolen or destroyed by accidents.

MISCELLANEOUS

The work in the Manomet, Long Pond and Cedarville areas have been carried out satisfactorily.

Other work done by the Highway Division included patching of roads, sidewalks and roadside mowing, grading and graveling of dirt roads, installing and removal of snow fence; application of calcium chloride on dirt roads; replacing parking meters' blowing and sanding; rubbish pickup; removal of tree stumps; patching and pumping of poor drainage areas. The basin cleaner cleaned out catch basins from March to December.

We also had two major storms, Hurricane Bob in August and the second storm in October. A great deal of damage resulted on both occasions. Highway personnel and rental equipment worked together to repair the extensive damages done to the beaches, dunes and roads in the Plymouth and Manomet areas.

Requests from the public, Selectmen's Office and Office of the Department of Public Works were taken care of by this office.

We wish to thank all division heads as well as the employees of the Highway Division for the cooperation given during this year.

Maintenance Division

Last year brought on many changes at Town Hall, all of which were completed by the men of the Maintenance Division. Among all the small repairs to the various buildings, the Division was able to accomplish major painting Town Hall. All the hallways, public restrooms and the main hearing room were painted a light beige which added light to all areas. Nobody missed the old green color.

Also, the division was requested to tear down the old, two-story wood building behind the Howland Street Water Division Shop. This building wasn't used by the town and, due to its condition, it had become a liability. The Town's insurance carrier recommended its razing.

The division was requested to make certain improvements at the Dog Pound. Time was spent both inside and out to make the building presentable. I wish there was more money available for this project but more work can be scheduled for next year.

The vehicle maintenance effort continued to keep the division's four mechanics busy. With over a hundred registered vehicles in the D.P.W. and twenty-five units in the Police Department, this creates a large maintenance task for these men. We do most all repairs in-house with only those such as transmission repair going to the outside. Costs are held to a minimum with the cooperation of these men. The three new district trucks will also add to the work load but this change will save money for the town.

I would like to thank all Superintendents, department heads and the men of this division for all their assistance in the past year. Without their help we could not have accomplished these many endeavors.

Parks & Forestry

The year of 1991 will be known to our Park and Forestry personnel as the year of storms. Two major storms struck Plymouth causing extensive damage and requiring thousands of man-hours in debris clean-up.

Hurricane Bob blew through town on August 19th leaving our streets in a tangle of snapped trees, limbs, branches and downed wires. Although the damage suffered by Plymouth was not as great as that experienced on the Cape, the vast size of our

wn created a clean-up project that took nearly two months to complete. Men from
th the Tree and the Park Divisions were attempting to clear streets even before the
irricane subsided. A town-wide street debris clean-up program began the day after
e storm using D.P.W. personnel. We feel that a commendable job was done to
omplete this project and we extend our thanks to those men who were involved.

At about the time our personnel were able to get back to their normal
aintenance schedule, the October 30th coastal storm struck, causing damage to
elson Street Memorial Playground, Stephen's Field and extensive damage to
ymouth Beach parking lot and Long Beach. It was necessary to immediately begin
edging Eel River because of the amount of fill material that had washed into the
ver causing it to flood areas upstream. The dredging operation lasted over a week
s the material was taken out of the river and put back into the parking lot. The parking
t had lost approximately three feet of gravel for its entire length. The bath house was
so severely damaged by the storm waves as it had been during the Blizzard of
978. Although extensive damage occurred, the dune system on Long Beach
sorbed the force of the ocean storm there by protecting our harbor and mainland
horeline within the harbor. The installation of sand fencing used to trap sand and
build dunes was started shortly after the storm and will continue through the winter
onths of 1992. Plymouth Long Beach is a very fragile barrier beach which serves
any purposes including harbor protection, wildlife habitat and as a recreational
ea for our townspeople. For these reasons Long Beach deserves and will receive
e best work we can put into it.

There were other highlights this year also. At the Annual Town Meeting, funds
ere appropriated to begin the reconstruction of Jenny Pond Park, a project that has
een a goal of this department for several years. This work will be started during
992. Town meeting also voted to approve a by-law which prohibits the feeding of
aterfowl from publicly-owned property along Town Brook from Billington Sea to the
arbor including Jenny Pond. The approval of this by-law was later re-inforced by a
referendum vote of our townspeople. The by-law will not only benefit migratory
aterfowl by allowing natural processes to take place but also help ensure that the
own's park system along Town Brook can serve as natural wildlife habitat as well
s a much needed passive recreational area and important green space within the
owntown and harbor districts.

The Tree Division was also able to attain an important goal this past year by
own Meeting's vote to appropriate funds for a bucket truck. This piece of equipment
ill allow our personnel to work more safely and efficiently while pruning and
imming the trees that line our streets. Also, the tree planting program continued
gain this past year in an effort to provide for future generations with roadways that
re aesthetically pleasing as well as environmentally beneficial.

The Parks and Forestry Divisions would like to thank all the other D.P. divisions for their aid and cooperation this past year especially during the aftermath of both storms.

Sewer Division

In the months between January and December, 1991, 803,484,000 gallons of wastewater were treated at the Plymouth Wastewater Treatment Plant on Water Street. This represents a reduction of 57,736,000 gallons from 1990 or a 7.2% reduction in total flow. This reduction indicates that the town's sewer line rehabilitation program is having a positive effect on reducing the hydraulic loadings on the Wastewater Treatment Plant. The facility treated a total of 5,052,115 gallons of septic waste in 1991, a 27% reduction of intake from 1990. The septic flow was .63% of the total sewer flow.

The belt filter press processed 6,983,480 gallons of waste sludge, a 10% reduction from 1990. The belt press processed 5,623 cubic yards of sludge cake with an average of 17.7% solids, an increase of .4% dryness from 1990 which works out to 703.9 total dry tons of solids that were taken to the Manomet Landfill for disposal.

The four new aerators, ordered and received in 1989/1990, were installed in July 1991 completing the replacement of all the original.

Through contract, we video taped, inspected and installed insitu pipe (relining existing sewer pipe), completely rehabilitating the following:

- Court Street, 242' of 8" diameter pipe
- Sandwich Street, 430' of 15" diameter pipe
- Billington St/Town Brook Easement, 1,254' of 8" diameter pipe
- Water Street, 397' of 15" diameter pipe
- Bourne Street, 1,222' of 8" diameter pipe

The grease and scum treatment system and building were completed and became operational in March, 1991.

Replacement parts for the clarifier #2 superstructure were ordered and received. The Massachusetts Department of Environmental Protection will approve the installation for early 1992 in order to protect the waterways during the fishing tourist season should any adverse discharge occur as a result of shutting down the clarifier.

Sampling and inspections of those industries permitted under the Town of Plymouth's Industrial Pretreatment Program were continued in compliance with the Attorney General's mandated Pretreatment Program in accordance with the Environmental

Environmental Protection Agency's regulations. The division purchased a specialized computer program to facilitate the tracking and reporting of industrial discharge and permit violations. Through contact with an engineering firm, we continued its work in setting the technology-based local limits for incorporation into the Town of Plymouth's Sewer User Ordinance and Industrial Discharge Permits. A draft report has been submitted to EPA for approval of the recommended limits and, at the end of 1991, we were still awaiting EPA's response.

The Sewer Division is continuing to work closely with the Health Department to locate failed septic systems within the town by monitoring the pumping at the Night Soil Depository.

The Cordage and Harbor Interceptor work has been substantially completed. The New Hedge Road Pump Station went on-line November 15. The old Cordage Interceptor and Knapp Terrace Pump Station were sealed off and are no longer in use.

In November, the Board of Selectmen voted to increase the sewage usage rate from \$1.40 per 100 cubic feet of water used to \$1.52 per 100 cubic feet of water used for Fiscal 1992. The septic disposal fee was increased from \$.04 per gallon pumped to \$.045 per gallon.

In January, Gary Frizzell was appointed Superintendent of the Sewer Division and Pretreatment Coordinator. Sherry Caldeira replaced Mary Gatslick as Laboratory Technician and Pretreatment Monitor. Mrs. Gatslick resigned her position to enter private industry.

Sewer Division personnel cleaned, rebuilt, maintained, painted and repaired all pumps and motors within the wastewater system through the year.

The Sewer Division will continue its aggressive sewer line rehabilitation and plant and equipment upgrading to insure the highest quality of treatment possible.

The division wishes to thank all other departments for their assistance and cooperation throughout 1991.

Water Division

This 137th Annual Town Report is respectfully submitted for your consideration by the Water Division Superintendent for the calendar year 1991.

The "Surface Water Treatment Rule", a subdivision of the Federal Safe Drinking Water Act of 1986 is now legally binding on all suppliers of drinking water. This rule requires that all surface water sources be filtered by a fixed plant process or replaced with groundwater wells. The Town of Plymouth Water Division has opted to construct one gravel packed well, two wells if necessary, to off-set the use of Great and Little South Ponds. The ponds will be maintained in perpetuity as an emergency supply for the town should the well(s) fail or be removed from service for any reason. The deadline set for completion of this project by the rule is June, 1993.

Of special note is the completion of the Darby Road Well Pump Station. This station was placed in service June 27th. The drought conditions of July and August were considerably lessened by the water supplied from this new source. The well will serve the West Plymouth area of town and thus greatly reduce the need to repump water from the Plymouth Center area into West Plymouth by means of the Deepwater Booster Station.

The total rainfall for the year was 47.29 inches as compared to 45.53 inches for calendar year 1990. The annualized average elevation for Great South Pond was 103.7 feet. The full pond elevation for Great South Pond is 106.0 feet.

The total pumpage for all sources was 1,653,286,700 gallons. This represents an increase of 107,507,200 gallons over the last calendar year. The increase was the direct result, principally, of the extremely hot weather experienced in July and August coupled with the additional pumpage from the new Darby Pond Well Pump Station.

For calendar year 1991, \$1,949,858.00 was committed to charges (water bills) for the sale of water, connections to watermains, various services rendered, etc.

1991 was an extremely active year for the Water Division. With the advent of Hurricane BOB, and The No Name Storm, the Water Division was very fortunate in that no personnel were injured and no pumping facilities or standpipes sustained direct damage. The year saw the completion of four major watermain replacement projects and one extension of service to the Kingsbridge Shore area in Cedarville.

The Water Division remains committed to providing a safe, clean supply of water to all its consumers and stands poised to meet the challenges of a new year.

Summary of Statistics

| | |
|-----------------------|--|
| Population: | 45,608 (U.S. Census) |
| Summer Population: | 58,000 (estimated) |
| Date of Construction: | the town built water system began production of drinking water in 1855 |
| Sources of Supply: | Great and Little South Ponds, Lout Pond Well, Wanno's Pond Well, Ship Pond Well, Federal Furnace Well, North Plymouth Well, Bradford Well, Ellisville Well and Darby Pond Well |
| Mode of Supply: | Direct pumping to a distribution system with storage provided by nine standpipes |

Pumping

Pumpage for the Year — All Sources (via electric powered pumps):

| | |
|---|---------------------|
| Lout Pond Pump Station (surface supply) | 415,333,000 gals. |
| Lout Pond Well | 19,316,700 gals. |
| Wanno's Pond Well | 95,319,900 gals. |
| Ship Pond Well | 105,473,000 gals. |
| Federal Furnace Well | 164,086,700 gals. |
| North Plymouth Well | 274,775,100 gals. |
| Bradford Well (iron removal plant) | 325,229,600 gals. |
| Ellisville Well | 205,103,700 gals. |
| Darby Pond Well (new source) | 48,649,000 gals. |

Size ranges: 2 inches to 20 inches

Linear Feet (L.F.) Extended: 11,180 L.F.

Linear Feet (L.F.) Discontinued: -0-

Linear Feet (L.F.) Replaced: 6,710 L.F.

Total Linear Feet (L.F.) in use: 1,035,513.6 L.F. or 196.12 miles

Number of Leaks per Mile: 0.12

Total Linear Feet of Pipe 4" or less in use: 15,840 L.F. or 3.0 miles

Number of Hydrants: 1,506 public and 25 private

Gate Valves added: 46

Gate Valves removed: 23

Number of Gate Valves in use: 2,612

SERVICE CONNECTIONS

Type of Pipe: copper tubing (K), PVC, Cement lined cast iron, cement lined galvanized, lead

Size Ranges: 3/4" to 6"

Service taps added: 108

Service taps removed: -0-

Number of Service taps in use: 11,208

Average cost of new service tap: \$475.00

Water meters added: 197

Number of water meters in use: 10,111

Percentage of services metered: 90.2%

HUMAN SERVICES

Council on Aging

1991 marked the beginning of Governor Weld's administration and the appointment of Franklin P. Ollivierre as Secretary of Elder Affairs of the Commonwealth. A committee, headed by Thomas H. Mahoney, was named to study the structure of elder services. It focused on the home care of corporations in order to develop a more cost-effective long-term care system of services in the community. Secretary Ollivierre continued the policies of his predecessors in channeling federal and state monies through regional and local agencies to maintain current programs.

Programs under Older Americans Act, Title III, included our outreach to the over 10,000 elders of our town who are 60 years and older. Outreach Coordinator David Saylor initiated programs with students of our local schools to provide chore assistance. Plymouth South High School and Plymouth Community Intermediate School participated. Other outreach services included telephone contacts made by volunteers; individualized transportation to hospitals, physicians and nursing homes; and answering inquiries concerning the home sharing program. Carol Lefieri worked closely with case managers and the nutrition segment of Old Colony elderly services in overseeing the over 100 home delivered meals going out on weekdays. Viola Kessell managed the kitchen and dining room. With the assistance of volunteer Pam Carr, she served our congregate meals.

The Senior Community Service Employment Program, under Older Americans Act, Title V, provided senior aides to our staff. This year we lost Robert Rogers and Ginny Haskins. A new hire to perform the duties of dispatcher was Mildred Baker. Bernadette Tarjick, Alpheus Richmond and Laura Gavoni delivered meals on wheels. Victor Lopes served as nutrition aide. Barbara Grefe served our senior center as clerical assistant. Antonnette Scalabroni, John Ferrigno, Mary Valeriani and Mary Boyle worked in the nutrition program under the Elder Service Corps.

One hundred and two volunteers who freely contributed 21,821 hours of their personal time to the Council on Aging were honored during the volunteer recognition luncheon conducted at Plymouth South High School on May 6. Selectmen Alba Thompson and Linda Sam Lenox and IRS Tax Education Coordinator Martha Clapp were in attendance and assisted in making the presentations. A delicious menu was prepared and served by culinary arts students directed by their instructor, Christopher Napurano.

Our Dial-A-Ride program, operated under the Greater Attleboro-Taunton Regional Transit Authority (GATRA), provided an average of 1,756 rides per month (a total of 21,068 rides for 1991) to the elderly and handicapped of our town. Reimbursement to our town (January through November, 1991) amounted to

\$38,311.72. CURA Visiting Nurse Association conducted health clinics and agreement with the Plymouth Health Department. The November flu shot clinic brought \$1,388 to the town in fees. More elders were inoculated with the flu vaccine at the CURA Office.

The Board of Selectmen reappointed Harry Fox, Richard Hengst and Robert Weiss to the Council on Aging, and following the resignation of Hugo Pereira, the Selectmen appointed Walter Baker to the Council. Agnes Fernandes, Harry Fox and Walter Baker were named to the Old Colony Elderly Board of Directors; Christia Schembri, Richard Hengst and Louise Sullivan, to the Area Agency on Aging Advisory Committee. Genevieve Ash received an appointment from Secretary Franklin P. Ollivierre to the Citizens Advisory Committee of the Executive Office of Elder Affairs.

Our Council on Aging lost a long time senior aide this past year. Robert Rogers employed for two hours each day, assisted in the nutrition program and served coffee and tea at our congregate meals. He was a faithful senior aide working with us approximately twelve years. To him, we dedicate this report.

Old Colony Planning Council Area Agency on Aging

In Fiscal Year 1991, the Old Colony Planning Council completed its 11th year as the Area Agency on Aging. The Area Agency is responsible for administering Title III funds under the Older Americans Act. This federal funding has enabled the Area Agency to meet the growing needs of elders, particularly those very old and infirm. Working closely with local councils on aging and other community agencies, Title III funds are frequently combined with other monies to develop and support a broad range of in-home and community services.

During FY 1991, an estimated 12,000 elders received assistance through 2 Title III programs. Services funded in FY 1991 by the AAA include:

- Senior center and outreach programs
- Home health and respite services
- In-home mental health services
- Services for deaf, blind and physically handicapped elders
- Transportation services
- Legal services
- Emergency services
- Congregate and home delivered meals
- Services to families and caregivers
- Nursing home ombudsman services

The service and planning area encompasses 23 communities in southeastern Massachusetts from Stoughton/Avon to Marshfield to Wareham to Easton. The Area Agency on Aging acknowledges with gratitude the generous support and cooperation of these communities, especially the local citizens who serve on the Advisory Committee chaired by Dolores Kent of Easton. The Advisory Committee, consisting of citizens from each of the 23 communities served, assists the agency in its important work of determining service needs, the priority of programs, and selecting subgrantees.

The council further notes with appreciation the work of local boards and commissions, public and private agencies, various institutions and individuals who have cooperated with or otherwise assisted the council.

The Plymouth Health Department is pleased to present its Annual Report for 1991.

Reappointed to the Board of Health were members Warren F. Whitaker, Robert J. McKenna and Dr. Sidney Nirenberg. In 1991, the Health Department was able to maintain a level funded budget without lowering public assistance and departmental priorities as they may relate to the preservation and protection of public health and sanitation. Permits issued in 1991 resulted in approximately \$50,000 returned to the town treasury.

The contracts for health services for veterans and the elderly were combined to one departmental contract, resulting in approximately a \$9,000 savings to the town. Included in the contract for health services was the testing of town employees for blood sugar, cholesterol and blood pressure in an effort to help keep medical bills and worker's compensation, in the above areas, to a minimum.

With the water testing program, the department was able to identify high coliform counts at two public bathing areas, resulting in the timely closing for public health safety.

Housing Authority

The Plymouth Housing Authority entered 1991 facing cut backs in basically all its state and federal programs. For the past three years, operating budgets have been capped at zero percent. In 1991, budgets were capped at minus 5%, the Commonwealth recaptured PHA Operating Reserves, imposed employee furloughs, and increased tenant shares of rents on our state programs from 25% to 30%.

Of greatest concern among public housing administrators, and our participants across the state was the future of many of our housing and service programs. For public housing, it was the Chapter 707 Rental Assistance Program. Both the House and the Senate side of the Ways and Means Committee, believed the program to be too costly. State administrators stressed, however, that although the current economics did reduce the fair market rents in comparison with similar rental assistance programs, the Chapter 707 program costs are not driven by the market, but by the

budget set by the Legislature and by requirement by the state's funding agency. Throughout 1991, considerable time and effort has been spent introducing legislation that would continue to fund this program, in order to assist the increasing numbers of families and elderly that are now eligible for this program due to the recession.

In August of 1991, Governor Weld's appointment of former State Senator, Ms. Padula to the position of Secretary of the Executive Office of Communities and Development was a sign of encouragement. Ms. Padula comes from an extensive background in local government. Therefore, with this new appointment, local public housing officials are looking forward to a greater sensitivity to local problems and issues.

In July of 1991, the legislature enacted a bill allowing direct access by local public housing authority to the Criminal Offender Record Information. After several years of work by local housing authorities this CORI access will provide public housing authorities the ability to screen its own public housing residents in order that the current residents have the right to a peaceful and safe environment. Although a major accomplishment, the bill is limited and housing administrators will continue to work toward the use of this system with all applicants for public housing.

In spite of these regulatory problems and the Commonwealth's budget problems, our agency has endured due to the strength of its own financial planning and budgeting, etc. The PHA has continued its efforts to secure additional funding, and new programs as well as providing assistance to other community groups such as the Greater Council of Human Service Agencies, Inc., the Town of Plymouth Community Development Agency, Old Colony Planning Council, Cura, Council on Aging, and others. These efforts have resulted in the town being awarded over \$1 million in funds by the Executive Office of Communities and Development for assistance to low and moderate income homeowners and further economic growth of businesses in the downtown district as well as 16 area social service initiatives.

These funds, which will be administered through Plymouth's Community Development Office is a direct result of community team work and the dedicated involvement of the many agencies, including this authority who wish to serve the residents of Plymouth.

Also, our agency supported, and the Executive Director now serves on the Advisory Board, for the OSAP Grant that was awarded to the Greater Plymouth Council of Human Services for a drug and alcohol program called HALT (Helping Adults Learn Together). This \$950,000 grant awarded to this community will develop policies for a three town region and support the business community to develop the approach to the prevention of alcoholism and assist in forming task groups that will address at-risk groups in the community through the media and other educational programs.

The authority recently submitted its application to HUD for additional units under the HUD's Section 8 and Voucher Program for the Family Self-Sufficiency Program. The competitive application, if awarded, will provide the authority with a program that is designed to assist low and moderate income families to receive assistance while working toward self-sufficiency in a five year period. Assistance will be provided by this agency and other supportive service agencies for education, job training, day care, transportation and other services in order that individuals will move from welfare dependency to self-sufficiency.

The authority was awarded over \$150,000 in Capital Improvement Funds from the Department of Housing and Urban Development as a first stage modernization program at its federal development. These initial funds will begin the PHA's comprehensive plan to upgrade and improve structural conditions at an 82 unit elderly facility. The authority anticipates proceeding with additional applications, identifying other needs for this facility with funding expected in 1992.

Based on changes within each of the authority's regulatory agencies and given the political and economic conditions of the state. The PHA aimed its involvement in organizations where it could actively seek out and provide expertise to both local and state organizations involved in both policy making and decision making. To this extent, the Executive Director was appointed in 1991 to the Mass Chapter of the National Housing and Redevelopment Organization Board of Directors, the Board of the Area Office of Department of Mental Health, the Advisory Board of the Halt Program, as well as Vice-President of the Southeast Executive Director's Association. In serving in these advisory or working committees both in the local community and at the state level, the Plymouth Housing Authority will be in a position to identify and address the needs of both our community and our residents.

In conclusion, in spite of the difficulties that faced this agency in 1991, the authority has continued to maintain its standards, its staff, improve conditions, and continue to involve itself in the needs of the residents of the community. We look to 1992 with some optimism. Obviously the struggle for new funds and programs will continue. However, our ongoing relationship with the town and other community agencies has resulted in a united effort to serve the Plymouth community and its residents.

Public Library

On October 27, 1991, the library held a Grand Opening Celebration for the new main library on South Street, just a little more than three years after the vote was passed to build and equip a new library for Plymouth. The referendum allowed the town to borrow 9.75 million dollars for the project. However the total cost to Plymouth tax payers was only 8 million dollars, thanks to the favorable building climate, a state grant of over a million dollars and the fiscally responsible management of the project by the Library Corporation Building Committee.

The building contains 54,830 square feet, compared with the 12,800 in the old building. Since the referendum included funds to purchase books and audiovisual items, the size of the collection in the new library has increased about 55% from about 55,000 to 85,000 items. This includes new books, reference resources, compact disks, software, and audio and video cassettes. The Plymouth collection is in an area which is climatically controlled to preserve the materials housed there. This room is open to everyone and is staffed by volunteers. The audiovisual department has two viewing rooms for use of videos as well as ten listening stations where patrons can listen to music or recorded books. The library has several meeting rooms which are used by a variety of town organizations and agencies, including weekly use of the large meeting room for selectmen's meetings. What is also much appreciated by patrons is the number of places to sit and read or do research. They range from casual lounge chairs to tables and study carrels with individual lighting. The parking lot contains 130 spaces compared with three at the old location.

The new library has been experiencing a tremendous increase of use by the public. During the first month of operation, more than three times more items were circulated than during that month the previous year. New registrations are up from an average of 400 a month to more than 2,000 a month.

Only one additional person was added to the staff this year to respond to the demand for service at the main library. Two part time staff were hired to work at the Russell Branch. The library has been relying on volunteers to do everything from shelving books to washing tables, in addition to using a large volunteer crew to help with the physical move of the library.

The library closed to the public September 15 for the move to the new library. A new small branch (the Russell Branch) opened October 15 in the original library section of the former main library on North Street. The rest of the former library building was leased to Quincy College to be the site of their new Plymouth campus. Use of this little library during the first two and a half months of operation was less than expected, with only about 300 items circulated each month and daily average patron count of less than ten.

The Manomet Branch has continued to serve the people of Manomet well. Use of this branch is steady and consistent.

With the new building, up to date equipment and expanded collections, the library is reaching more of the population of Plymouth and is better able to provide them with the informational, educational and recreational resources that they need.

The Board of Trustees of the Plymouth Public Library Corporation as of December, 1991 are: Linda Murphy (President), Williston Holbert (Vice President), Joyce Stewart (Treasurer), Charlotte Collins (Secretary), Genevieve Ash, Stanley

Bernstein, Paul Blanchard, Jill Brooks, Jeffrey Chute, Kenneth Fosdick, Gloria Higgins, and Jacqueline Winokur. Otto Fehlow, Treasurer of the Corporation from 1977 to 1990, and Trustee until November, 1991, died January 20, 1992. The meeting room of the new library has been named The Otto A. Fehlow Meeting Room in honor of his many years of service to the library.

The Plymouth Public Library Corporation is a non-profit corporation dedicated to the provision of quality library service to the Town of Plymouth.

Recreation Department

The Recreation Department planned and conducted a variety of events and programs which were well received by the thousands of residents who participated in 1991. Activities held included: the annual field trip to Boston Garden during the February school vacation to see the Disney characters perform on ice. During the month of March, basketball shooting contests were held at the Manomet Youth Center, a gymnastics program was held for children in grades 4 thru 6, the annual Youth Hoop Basketball Tournament was held at Memorial Hall, and the Youth Basketball Program at the Manomet Youth Center.

In the spring and early summer the department held the Annual Haskell Fishing Derby for children ages 4 thru 17, and registrations were held for the many summer programs offered.

During the summer, the Recreation Department held playground programs at Stephens Field, West Elementary School, South Elementary School, Briggs Field (Manomet), and Elmer Raymond Playground (Cedarville). Red Cross swimming lessons were conducted at Morton Park, Plymouth Beach, Fresh Pond, and Taylor Avenue Beach with an enrollment of nearly 1000 youngsters. The department also supervised the beach and pond parking attendants who collected \$53,993.00 in non-resident parking receipts and one day four-wheel-drive Long Beach permits. Week long Sports' Clinics were held featuring soccer, baseball, basketball, tennis, golf, and gymnastics for ages 8 thru 14. The popular Summer Basketball League for ages 8 through 13 was again conducted, and over 100 youngsters and parents attended a Red Sox game in July. The summer playground activities concluded with an "All Playgrounds Day" program held at Stephens Field in August. The town's lifeguards positioned at Morton Park, Plymouth Beach, Fresh Pond, and Taylor Avenue Beach were also under the supervision of the Recreation Department.

In the fall the department staged the annual Kite Day program at Plymouth Beach which attracted a gathering in excess of 1,000 and held a town-wide Halloween party on Halloween evening at Memorial Hall which was attended by more than 400 youngsters.

The Recreation Department would like to thank Mr. Gray and the Park Division staff, Mr. Harlow of the Maintenance Division, the Plymouth School Department, the Board of Selectmen, Doug Hadfield and the Civil Defense office and the many others who were instrumental in the many successful programs conducted.

The Recreation Department and the town were deeply saddened by the untimely passing of Recreation Commission Vice-Chairman, Vincent Sgarzi, who served on the Recreation Commission since its inception in 1976. Vinny will be greatly missed.

Saving Lives Program

The Plymouth Saving Lives Program is a unique, comprehensive community based traffic safety program model whose purpose is to address and change attitudes and behaviors to reflect positive healthy driving habits.

Its aim is to create and expand new and existing traffic safety initiatives and to assist the community in recognizing, preventing and solving traffic safety problems through consultation, education and training.

The program task force is co-chaired by Alba Thompson and Judge Dennis Collari (Honorary) and is comprised of five broad-based components each of which is chaired by a key community leader.

Program Components include:

| | | |
|---------------------|---|----------------------------|
| Community Awareness | — | Paul Worcester |
| School Education | — | Richard Silva |
| Alcohol Server | — | Joel Urdang |
| Business for Safety | — | Robert Hollis |
| Law enforcement | — | Chief George Madsen |
| | | Safety Officer Robert Webb |

This year the School Education component was expanded to include three student peer leaders representing Plymouth North, Plymouth South and Carver High School. The students attend all task force meetings and play a vital role in the program's structure.

The multitude of activities carried out in each of the five components collectively form the tools used to reduce the number of traffic injuries and fatalities among citizens of all age groups. Examples of these highly successful activities include:

- During the month of December the Safe Ride/Save-a-Life Program, co-sponsored in part by the Saving Lives Program, offered free cab service to people who did not wish to operate a motor vehicle due to excessive alcohol consumption. This service was available throughout the towns of Plymouth, Carver, Kingston, Duxbury and Marshfield. This initiative helped to generate a community-wide awareness concerning the dangers of drinking and driving.
- The Koala Bear Program was developed to provide the groundwork for promoting the child passenger safety law in a positive manner. At a crash scene, a child 12 and under who is found to be properly restrained in a car seat or safety belt will be given a bear by a Plymouth Police Officer to calm and reassure them. The first koala bear was awarded to a 7 year old Indian Brook Elementary School student who survived an October crash in which he was wearing a safety belt. The Koala Bear Program is sponsored by the generosity of the American Legion Post #40 and the Plymouth Lions Club.
- The Saving Lives Program provided support and funding for the revitalization of the after prom parties for Plymouth North, Plymouth South, and Carver High School. The purpose of these events was to offer students who attended the Junior Prom the alternative of a drug and alcohol-free environment in which they were able to continue safely celebrating their special evening. Plymouth North and Plymouth South held their after prom parties at the Plymouth Athletic Club and Carver High held their party aboard the sight seeing ship - "Spirit of Boston", a cruise which students won by showing their school spirit at a pre-prom dance sponsored by Mr. Tux. A total of 450 students attended the after prom parties and a safe, fun-filled time was had by all.
- Saving Lives disbursed funds for overtime details with the Plymouth Police Department specifically targeting areas of concern such as child passenger safety, OUI drunk driving enforcement and speeding. It is through these combined efforts that there has been a measurable increase in the number of people using safety belts and a notable decrease in speeding. This translates into elevated awareness among citizens.
- Two bicycle safety clinics were held to foster the safe bicycle riding habits of youngsters. Safety Officer Robert Webb educated campers at Camp Clark on the proper techniques of riding and caring for a bicycle. During a clinic held at West Elementary School, the Safety Officer instructed members of Cub Scout Pack #42 as to bicycle "rules of the road" and the correct procedures for ensuring a well-maintained bike. Thirty-four participants completed a four-stage bike course, signed a Safe Bike Pledge, and successfully completed a written examination which qualified them as recipients of an official Safe Bike License. Each license was numbered and signed by Safety Officer Webb and a formal list of names was presented to the Board of Selectmen.

- In an effort to increase awareness of bicycle helmet safety, the Plymouth Saving Lives Program, the Plymouth Police Department, the Personal Injury Law Center of Winokur, Winokur, Serkey and Rosenberg, and Troxel Manufacturing offered a holiday bicycle helmet rebate/discount program for Plymouth school children in grades K-6. This program enabled parents to receive as much as 40% off the purchase price of a bicycle helmet as well as promote safe riding practices. In conjunction with the Plymouth Police Department, a bicycle helmet safety poster contest was conducted for Plymouth students in grade 1-6, and the winners in each category were awarded bike helmets donated by leading manufacturers.

The Plymouth Saving Lives Program is part of the Massachusetts Saving Lives Program which is comprised of six sites strategically located throughout the state.

As we draw closer to the conclusion of the grant in 1993, we will strive to become a self-sufficient program which will enable us to continue the current level of awareness and education in the community. To achieve our goal of self-sufficiency, various means including fund raising events and monies from outside sources such as grants, memberships and sponsorships are options being explored.

Veterans' Services

1991 was a most eventful year. On January 7, 1991, one hundred members of the local National Guard unit, the 772nd Military Police, was mobilized. The Persian Gulf War began on January 17, 1991 and eventually these troops were sent to the scene of action.

A tremendous and emotional send-off ceremony was held at the Memorial Hall for this group. Many dignitaries, including their Chief Commanding Officer General Wayne E. Wagner, were present. This office is proud to be associated with the planning and coordinating of both their "send-off" and "welcome home" ceremonies.

After being missing in action for more than thirty years, the remains of a local veteran, Staff Sergeant Frederick T. Garside, was found and returned to Plymouth. His plane was shot down over Laos in 1961. He is considered the first Massachusetts casualty of the Vietnam era. Many local, state, and national dignitaries attended his memorial services.

On July 7, 1991, Governor Weld approved legislation that includes services in Panama and the Persian Gulf as "wartime services." In order to conform to the provision of legislation, Chapter 109, this Department promulgated an emergency regulation which amends 108 CMR 3.03 to include these veterans to be eligible for benefits. This is similar to providing the Lebanese Peace Keeping Force and the Grenada Rescue Mission servicemen the same privileges.

The continuation of a slumping economy and a high unemployment rate state wide remains a great concern. The recession necessitated a small transfer of funds in the amount of \$12,000 just two weeks before the close of the fiscal year. Despite the difficult economic times, this office remains confident and innovative with a positive outlook for 1992. I wish to express my thanks and appreciation to my assistant, Anne Torrance, and to Mary Zacchilli for their dedicated assistance.

Department of Veterans' Affairs

President Bush's call-up of reservists for the Persian Gulf War raised numerous questions regarding military personnel's rights as borrowers and also employment rights. The Soldiers and Sailors Civil Relief Act of 1940, (501) U.S. Code establishes protection as to obligations and liabilities against real estate foreclosures. Interest rate reduction to six per cent applies only to those on active duty.

The federal statute known as the Veterans Reemployment Rights Act provides the same protection for a volunteer enlistee as well as a reservist involuntarily called to active duty. As long as the employee is qualified to perform duties required, the employee must be returned to work. Unless the employer's circumstances change making it impossible or unreasonable to do so, veterans are to be returned to their former positions.

In 1991 VA insurance dividends paid out totaled \$1.025 billion. Only policies that have been kept in force receive these annual dividends. No application forms from policy holders are necessary.

New legislation includes P.L. 102 which increases life insurance coverage from 50,000 to \$100,000. Congress approved HR 2519, the VA budget for FY 92 for 32.526 billion. The President signed P.L. 102-152 providing a COLA of 3.7 per cent for disability compensation and DIC recipients. Pensions were also increased by the same per cent. P.L. 102-86 contains significant changes in medical care, real property and facilities, and scientific reviews under the Agent Orange Act.

The VA inaugurated a toll-free 24 hour help line for veterans exposed to radiation during military service, (800) 827-0365. A toll-free service national line to assist deaf and hearing-impaired veterans and their families is now in effect, (800) 29-4833. Interest rates on VA home loans was reduced to eight per cent. Legislation pending: S.868, Persian Gulf Veterans' Educational Assistance Amendments to Chapters 30, 32, and 35. Also, 1991 marked the 50th anniversary of Pearl Harbor. Over 16 million Americans served in the armed forces during World War II.

Plymouth Airport Commission

The Plymouth Airport Commission respectfully submits the following for annual report.

Despite a continued downturn in the local and national economy, the Plymouth Airport appears to be holding its own, especially in the sale of fuel and the number of General Aviation aircraft that are based here in Plymouth. Operations and sale of single-engine aircraft and recreational flying are showing a downward trend; however, due to airport improvements here at Plymouth Airport and the ability to keep aviation fuel prices low, pilots find this airport attractive to fly in and out of. Additionally, there was an upgrading of the airport snack bar facility which provided a wider menu selection for airport and town customers.

For 1991 the commission has been very involved with an Airport Advisory Group and User Committee to help formulate and update the latest Plymouth Airport Master Plan. Many issues regarding the airport need to be resolved. None more important than, "are the runways at the airport long enough to permit the safe operation of the types of aircraft that, if based and operated at Plymouth Airport, would support the economic aspirations of the community?" Equally important is the need to document the environmental issues concerning the airport. Aircraft noise is a sensitive issue and is being addressed. The commission has undertaken an extensive Water Management Plan for Plymouth Airport. As this report is being written, a draft report on the water well tests have been given to the Commission. Results are exceedingly good showing a drinkable water quality of water in all parts of the airport, thus providing protection of town property. Additionally, the Commission has a program of installing a security fence around the perimeter of the airport. This is not only for security, but to protect town property from intruders who would dump and trash the airport environs. During this past year a major construction project was completed when the parallel taxiway for Runway 06-24 was reconstructed. Also, for the first time taxiway lights were installed throughout the Plymouth Airport. New lighted signs were installed depicting specific runways. This not only enhanced night operations at the airport, it was a great improvement on safety for aircraft operations for Plymouth Airport.

The Plymouth Airport Commission would like it to be noted that monies for the airport improvements comes 90% from the Airports Trust Fund (sale of tickets at airports) through the Federal Aviation Administration (FAA), 5% from the Massachusetts Aeronautics Commission (MAC), and 5% from local airport users. Presently the Airport Commission is on track to be self-sufficient by Fiscal Year '95. The budget to operate the airport is close to one million dollars, and 10% of this figure was supported by local taxpayers. The commission has plans to reduce this 10% figure to about 6% for the FY '93.

The Plymouth Airport staff handled in excess of 1000 visitors to the airport that included school children, scouts and adult groups. Aviation continues to be a fascination to many persons. Generally, there are approximately 200 people in some phase of aviation training in the Flight Schools that operate at Plymouth. Our maintenance facilities continue to draw aircraft from all over New England and New York to use these repair stations. The airport continues to be a viable employer with its many businesses.

In closing, your Plymouth Airport Commission is very optimistic for the future of the airport in Plymouth. From all studies, the airport has served the community and the South Shore of Massachusetts in an excellent manner. The citizens of the Town of Plymouth can be assured the Plymouth Municipal Airport is still one of the best General Aviation facilities in New England. Everyone is welcome and encouraged to visit this excellent aviation facility in "America's Hometown."

Annual Report of the Principal of Plymouth Community Intermediate School

The year 1991 has been exciting and challenging at PCIS. PCIS is in its fourth year as a middle grade school. We now house 1860 students in grades 6, 7, and 8. Our goal this year has been to continue developing unique programs at each grade level which would fit the growing and changing needs of early adolescents. Sixth graders and staff are located in two "houses". To ease in the transition from the elementary schools, sixth graders work primarily with two teachers following a model similar to what is done in grade five. Seventh graders are on "teams" of 125 students and six teachers. Eighth graders are clustered into two houses with preparation for high school as a major theme. Our use of the "House" plan offers students the opportunity to be part of a small school while having the enriching opportunities of a large facility. Within a house, students know an administrator and a counselor as well as a small number of teachers.

It is with great enthusiasm that we begin planning for the fifth year of improving and enhancing our middle grades program at PCIS. We hope that budget constraints and growing enrollments do not have a serious impact on current or future program planning. We will open school in the fall of 1992 with over 1900 students.

In my fifth year in the Plymouth School Department and the Plymouth-Carver Regional School District, I appreciate the tremendous support and cooperation of students, staff, community, the Home School Association, Office of the Superintendent, and School Committees in making PCIS a place "where good things happen everyday."

Annual Report of the Principal of Plymouth North High School

This past year has been a very positive one at Plymouth North High School.

In June, 170 Seniors graduated in Memorial Hall with Representative Peter Forman as the guest speaker. In addition, at Convocation, Plymouth North Senior received over \$53,000 in local scholarship assistance. Over 71% of the Senior class continued its education.

Athletically, Plymouth, a member of the Old Colony League, joined the Pilgrim Conference, a group of 27 schools divided into three leagues. In addition, Plymouth helped out schools, such as Brockton and New Bedford, by scheduling them when many schools would not. The Massachusetts Inter-scholastic Athletic Association (MIAA) has been concerned with the fact that Plymouth has two high schools with one set of athletic teams. This situation will have to be addressed shortly.

Extra-curricular activities continue to provide the opportunities for students to expand their horizons. Band Concerts continue to be given at Memorial Hall. Drama Productions, Choral Concerts, Blood Drives, and Spirit Week were just some of the activities that enlivened the year at Plymouth North.

I would like to thank the Senior Class of 1991 for its donation of a new school flag and a computer table for the Library.

I want to thank the Plymouth North student body, the dedicated professional support personnel, the Central Office Administration, and the Plymouth-Carver Regional School Committee for their continued support. With this support, it is my hope that Plymouth North High School will continue to be the home of high ideal achievements, and goals.

Annual Report of the Principal of Plymouth South High School

As Plymouth South High School enters its fourth year of operation, its evolution as a truly comprehensive high school continues to expand.

The Class of 1991 is the first class at Plymouth South to have its own separate graduation ceremony and its own yearbook. The yearbook became a pacesetter for future years, as it won regional and national recognition.

The Class of 1992 will be the first class to spend all four years at Plymouth South, establishing yet another milestone in its short history. The Class Dinner and Yearbook Distribution Night followed by Class Day are eagerly anticipated traditions begun for the first time in 1991.

April of 1991 marked the first induction ceremony of the newly formed William Bradford Chapter of the National Honor Society of Plymouth South High School, with Alba Thompson as guest speaker.

In March of 1991 and December of 1992, the first two Fashion Shows sponsored by the Plymouth South High School DECA Club were held in the Cafeteria. In fact, both VICA and DECA clubs continue to win local, regional, and state honors, with the two DECA students competing in the national levels last spring. We hope to see similar success this year.

Plymouth South High School continues to draw international attention. In addition to the four foreign students attending this year, PSHS was visited by French exchange students and Russian students this past summer. So far during 1991-1992, Plymouth South has been visited by a group of Japanese businessmen, a Japanese exchange teacher from a technical high school, and a group of Japanese teachers on an educational tour. The Lord Mayor of Plymouth, England visited and spoke to our Social Studies classes. A visiting group of Argentinian students also toured PSHS and remained for lunch.

Honors continue to flow to our students in academic programs as well, in such exciting competitions as the National Latin Exam and the Math Olympiad. A team of PSHS Physics students won first prize at a regional Physics Olympics. Work from one of our art students progressed to the national level of competition through the Scholastic Arts Program.

Internally, Plymouth South High School continues its programs of Student of the Month; our unique Annual Honors Awards Banquet; and our Success Card Program, where students are honored and receive school privileges based on high honors, perfect attendance, and most improved grades calculated each quarter.

Overall, Plymouth South High School continues to move toward its first full four years along its chosen theme - A Pathway to Excellence - with excitement and anticipation.

Annual Report of the Principal of Carver High School

Carver High School's fifth year began with an enrollment of 834 students - 35 students in grades 7 and 8; 475 students in grades 9 through 12. The largest enrollment increases are in the senior high school grades.

A full range of academic courses is offered to our high school students to prepare them for their life's vocation. Extracurricular activities are an integral part of a student's life. 300 of our high school students are involved in extracurricular activities; 200 in the Crusaders Sports Program and 100 in other activities such as Yearbook, Drama, School Newspaper, Peer Leadership, Students Against Drunk Driving and Model U.N.

80% of our graduating class of 87 students has gone on to further education. 14% chose to go into the work force and 2% went into the armed forces. 4% went into nursing/technical schools. We are particularly grateful to the organizations and individuals from the Town of Carver that contributed approximately \$50,000 in scholarship funding to help reduce the cost of post secondary education for our deserving students. We are constantly seeking scholarship donations and have been able to add another \$10,000 for this year's graduating seniors.

We are currently engaged in a self evaluation of the entire school including academics, extracurricular activities, school atmosphere, sports, student services, and guidance. The New England Association of Schools and Colleges will visit Carver High School with a team of administrators and teachers to validate the self studies. A full report including recommendations and commendations will be received from the association. The recommendations will provide a guideline for improvement within the total school for the benefit of our students.

The students, faculty and administration of Carver High School take great pride in the accomplishments of our students and continue to strive to make Carver High School a warm, caring and concerned place for the students and townspeople. The student body and staff are committed to excellence!

Plymouth-Carver School District Proposed School Calendar 1992-93

OTHER BOARDS AND COMMITTEES Ad Hoc Airport Siting Committee

Following the vote of the Special Town Meeting held in the fall of 1990, which declared the unequivocal opposition of the Plymouth Town Meeting to the siting of a Second Major Airport in Plymouth, the Board of Selectmen affirmed unanimous opposition to such a siting and appointed the Ad Hoc Major Airport Siting Committee to muster the town's defenses and present the facts and arguments to the Massachusetts Aeronautics Commission. The Aeronautics Commission had announced that two large sites in South Plymouth east of Route 3 had made the final list of the ten most suitable sites in Massachusetts for the Second Major Airport, which was projected to be substantially larger than the present Logan Airport.

The committee met frequently through the late fall and winter of 1990 and, in March, 1991, made an oral presentation to the Aeronautics Commission and prepared and submitted an extensive brief detailing the many environmental, zoning, marketing, social and topographical factors which disqualified the two

Plymouth sites from any further consideration. After two public meetings held by the Massachusetts Aeronautics Commission at which the Ad Hoc Committee again presented their arguments against further consideration of the Plymouth sites, the commission announced in August, 1991 that the two Plymouth sites had been removed from further consideration as a potential major airport site.

The committee was very pleased with this decision, believing that the quality of life in the Manomet and Cedarville sections of the town, and indeed, the quality of life in the entire community, had been well served by removing this potential threat to Plymouth. The committee believes that the prompt action of the Town Meeting and Selectmen to confront this unsound proposal early on and to systematically mount an early and effective opposition based on facts and reasoned arguments enabled our position to prevail.

Advisory and Finance Committee

The Plymouth Advisory and Finance Committee continues to fulfill its function under our home rule charter by reviewing budgets, capital outlay and warrant articles and reporting our findings to the Town Meeting. These reviews are conducted in a series of public hearings. The public is always invited to join in the scrutiny and add their suggestions and comments. I am happy to report that this past year some members of the public actually took us up on that offer.

This year the Advisory and Finance Committee reviewed operating budget, for the town totalling \$64,410,591. In addition to the budget, the committee presented recommendations to the April 1991 Town Meeting on forty articles in the Annual Town Meeting warrant, plus an additional twenty-two articles in the April Special Town Meeting. These two meetings, along with Special Town Meetings in June and September, addressed issues such as infrastructure improvements, zoning by-law amendments, funding for social service endeavors, and an annual collection of household hazardous waste.

In addition to our usual fare of budgets, balance sheets and bottom lines, the Finance Committee was called upon to help settle a variety of matters, ranging from the bonding of school expenditures to the feeding of water fowls. Through it all, the committee attempted to provide a forum at which both sides to an issue could be heard fairly and honestly.

Mention must be made of members who have moved on to greater challenges. This number includes two Skips, Anusewicz and Collins, both of whom met with success at the polls last spring, freeing them from the bonds of Finance Committee duty. Their wise counsel and plain hard work will be missed. Sadly, this number also includes former members Angelo Brigida, Vincent Sgarzi, and Henry Cappella, all of whom were freed from the bonds of this mortal life. They, too, will be missed.

Arts Lottery Council

The Spring '91 grant cycle went relatively smoothly and was actually the last part of the state's '91 fiscal year budget. We made an effort to fund projects across all disciplines and age groups. We were able to fully fund all the P.A.S.S. (Performing Arts Students Series) grants. This program enables students to go outside of their school building to attend a performance. This program will fund up to \$5.00 per ticket per student. We were also able to support the events that the Plymouth Public Library planned for its grand opening week in October. We partially funded several in-school cultural events and programs that the whole community was able to benefit from this year. The results of this grant round are listed below:

MARCH 1991 LOCAL AND STATE APPROVALS

PASS Grant Applications

| Number | Applicant | Request | Award |

| Total amount to be spent | | | 4,921 |
| Holdover at the State level (this round) | | | 1 |

Although the process that eventually resulted in the above decisions went smoothly, the Massachusetts Cultural Council was having massive problems at the Fiscal Year '92 budget hearings. As the final decision was handed down, the overall budget of the MCC was allocated an all time low of \$3,585,000. The MCC decided to divide 3 million dollars in two, giving the local arts lottery councils 1.5 million dollars and the MCC grant programs determined by peer review the other 1.5 million dollars. Administration of both programs would be carried with the remaining \$585,000.

These severe budget cuts from the FY '91 budget of \$12.6 million represented 71% cut in funding for cultural programs in Massachusetts. The cuts resulted in the immediate resignation of the MCC Executive Director Mary Ann Piantentini and the cancellation statewide of the usual Fall '91 grant deadline that our local council had announced as Friday, September 13, 1991. The MCC no longer has regional liaisons to field questions and help the local arts lottery councils in their region.

Responding to an almost chaotic situation, the MCC held regional roundtable discussions across the state in the month of September and solicited input and advice from members of local arts lottery councils as to our immediate needs. I attended one of the meetings held in Brockton on September 23, 1991. Those attending were encouraged to envision the potential reorganization of the administration of the local arts lottery councils. It is possible that more autonomy will be given to the council in the future as administrative funds dwindle and administrative procedures become more streamlined. It maybe that towns with good track records over the years of funding cycles will be entrusted with more fiscal responsibility and eventually become "certified" by the state, renewable every two years.

Plymouth's track record with the state got an official perfect rating this summer when our books were audited by random selection by an auditor from the MCC. Town Clerk Ed Maccaferri was able to show the state auditor a "trouble-free" fiscal year 1990 with excellent accounting of all accounts payable and receivable of the Plymouth Arts Lottery Council.

Carol Vesco and Pam Sterling attended the 10th Local Arts Lottery Network conference on October 19t, 1991 at Boston University as representatives of the Plymouth Arts Lottery Council. Pam Sterling was asked to be a presenter at one of the workshop sessions entitled "Tapping In": Building Networks In Your Community. The conference was an affirmation of the success and power of the grassroots nature of the local arts lottery councils. Participants were all of the opinion that funding for cultural arts programs in this state must be restored to acceptable levels and that organized advocacy at the state and local levels was necessary to accomplish this. Further involvement by this local council is planned for 1992.

The next grant round deadline was announced in December as Friday, January 10, 1992. At this time, the FY92 amount of \$5492 will be determined at the local level. An article in the Old Colony Memorial dated December 26, 1991 served as an excellent description of the dilemma the council will have in making these local allocations.

I would like to take this opportunity to thank the current members of the Plymouth Arts Lottery Council for their continued support and vision through 1991.

Contributory Retirement Board

Our fiscal year 1990 ended December 31, 1990 and we are again pleased to report that much was accomplished .

The system's assets were up almost \$2.4 million. Our investments earned enough to pay our members over \$530,000 interest on their deposits and to put over \$1,000,000 into the system's pension reserve fund. This fund, which is for the system's future pensions, is now over \$5,000,000.

Our most significant accomplishment of the year was the acceptance of MGL C32, s22D at the December Special Town Meeting. Through this action, the major reforms made available under Chapter 697 of the Acts of 1987 were implemented within our system. Due to this action, disabled retirees have had their dependent allowance increased, the pension calculation formula for members working past age 70 has been improved and most importantly, members hired after January 1, 1971 have had the \$30,000 cap removed from the formula used to calculate their retirement benefits.

In addition, the actions of the Town Meeting resulted in the three employers in our system funding pensions using an actuarial method over the next 37 years. This will allow the system to eliminate its present unfunded liability and assures our members that there will always be funds in the system to pay pensions.

Over the past year, the board has conducted 25 disability desk reviews which resulted in 17 disability re-examinations. The desk reviews, which are required under MGL C32, s8, provide a communication link between the Board and our disabled members. This process allows the Board to accommodate the interests of both the public and its members.

The firm of J.A. Hannah Associates served as our performance analyst this year. With their help and the investment management experience of the State Street Bank, the system's investments were able to generate a favorable return for the year.

We are grateful for the opportunity to have served you this past year and look forward to an equally successful fiscal year in 1991.

Harbor Committee

The Harbor Committee was established by Town Meeting in 1962. Originally an eleven member committee, there are now nine positions on the committee. The committee was established to study all phases of the shore frontage of the town, including the harbor, use and operation of all waterfront facilities, shore protection, landings and beaches; and to make recommendations to the Board of Selectmen and to assist the Board in its duties in connection with the entire waterfront.

A position on the committee position was recently vacated by Arthur Smith. Art served several years as the secretary for the Harbor Committee, a position involving a great deal of time. The committee would like to thank him for his many hours of work.

Meetings are held on the first Thursday of every month at the Town Hall. The meetings are open to the public for observation, questions, and input. The committee is receptive to reviewing any presentations which involve the waterfront.

After two years of letters from the Harbor Master and the committee, the State Boat Ramp was repaired. The Long Pond boat ramp was part of the bid package and was also repaired.

The committee dealt with several safety issues; cross-walk for the entrance of the pier area; painting of the curbing in the parking lot of the state boat ramp with reflector paint; welding and burning at the Town Pier. The welding and burning issue is still being discussed. Recommendations for guidelines for welding and burning should be complete by the end of the February 6, 1992 meeting. These recommendations will be sent to the Board of Selectmen.

Waste oil disposal has been a problem and topic of discussion at several meetings. The Harbor Master's office did their best to control a difficult problem. Stickers were made available for non-resident fishermen to give them access to waste oil drop off. Waste oil problems were improved this past summer.

Inland Fisheries Committee

In 1991 the committee was assigned the task of commencing a three year project to reestablish a viable herring spawning run in Town Brook and Eel River. The Committee first contacted Joseph DeCarlo, senior Marine Fisheries biologist to advise us on the problems we faced. They were considerable. Following Mr. DiCarlo's advice, a crash program was begun. A daily tour of both streams was initiated to remove obstacles and debris from the ladders. Temporary repairs were

made where possible to ladders and water flow controlled by altering the gates as needed. After the spawning run, permanent repairs were undertaken. One complete ladder needs replacement, and several others require minor or major work. We continue to plan and work through the winter months on these problems.

The Eel River run suffers from extreme over fishing and will require careful monitoring to curb such abuse. However, a fairly good nucleus of fish offers encouragement for future success.

Town Brook had a fair run. This was augmented by Division of Marine Fisheries stocking of four thousand fingerlings into Billington Sea.

We look forward to ever increasingly large spawning runs in the future.

Old Schoolhouse Committee

The Old Schoolhouse Committee meets the second Tuesday of each month at 6:30 p.m. The Schoolhouse is located at 1144 Long Pond Road in Cedarville.

We are happy to report that there has been an increased use of the facility this past year. Various civic groups and organizations using the building include: The Cedarville Task Force, Cedarville Arts & Crafts Guild, Boy Scouts of America, Alcoholics Anonymous, Kingsbridge Shores Civic Association and Cedarville Landing Associates., Blood Pressure Clinics are held the third Monday of each month and workshops on income tax preparation are provided each year. In addition, the Schoolhouse is also the town voting headquarters for Precinct 8.

This year, for the first time, the building is maintained on a weekly basis. We have been able to institute this program as a result of donations from the various groups that use the facility.

130 Court Street Committee

As mandated by Town Meeting, our responsibility is to approve the use of the 130 Court Street property. Since there have been no vacancies at 130 Court Street front, and since the Plymouth School Department still assumes all responsibility for 130 Court Street rear, it has not been necessary for this committee to meet during the year.

Plymouth Beach Advisory Committee

The Plymouth Beach Advisory Committee (PBAC) is appointed yearly by the Selectmen and charged with long range planning toward the future preservation and best interests of Plymouth Beach. The PBAC members deserve to be recognized for their continued volunteer efforts to preserve Plymouth Beach for as many years as possible for the crucial protection of the Plymouth waterfront and the recreational use of the town's taxpayers. The 1991 activities commenced with the yearly volunteer Plymouth Long Beach erosion control project - performed by the Mass. Beach Buggy Association (MBBA) and others concerned with beach conservation under the supervision of Plymouth Conservation Officer John Crane. The PBAC thanks all of those faithful volunteers who participated in the project and those behind the scenes who donated their discarded Christmas trees - equipment- refreshments and support. Thanks are also in order for the volunteer beaches clean up crews organized by PBAC member Heather Leslie and Conservation Agent Carlos Fragata. To conclude a previous Plymouth Beach ad hoc study committee's recommendations, the Selectmen appointed a Plymouth Beach Management Committee to manage the day to day activities on Plymouth Beach. The system didn't work out as anticipated and after much consideration the Selectmen rescinded the Management Committee replaced it with a Management Team and enlarged the PBAC membership to eleven. The charge of the PBAC continued to be long rang planning - but for Plymouth Long Beach only.

Early in 1991 the PBAC voted that education should be the priority goal, but due to occurring business determined to be of an emergency nature ,the education goal will be extended forward into 1992. The PBAC was made aware and investigated active state legislation known as the Mass. Endangered Species Act (MESA) - which a majority of the PBAC believed, if passed into law, would be a potential threat to the town's customary management decision making concerning town owned land on Plymouth Beach. On 13 March, 1991 the PBAC voted to alert the Selectmen - Management Committee and Conservation Commission of their concerns and on 18 March, 1991 notified those town agencies with a request that they investigate and if in agreement with the PBAC findings, to take a position in opposition to the proposed law. The 1991 proposed Mass. Endangered Species Act was determined to be the continuation of state legislation first introduced in 1988 by the Mass. Audubon Society. The PBAC served their charge to the town by fully investigating the MESA , contacting state officials, holding and attending several special meetings, taking a voted position of opposition and informing the Selectmen of all findings and documented evidence. The end of 1991 observed the Mass. Endangered Species Act (MESA) passed into law by the legislature as M.G.L. Chap. 131A. State Rep. Peter Forman voted for and complimented the new law. The Plymouth Board of Selectmen took no position. The Plymouth Park Department and Conservation Commission recommended approval of the new law. The full impact of the

new M.G.L. Chap. 131A to Long Beach will be evaluated and recorded in the 1992 Plymouth Annual Report. The O.R.V. sticker fee for Long Beach was voted by the Selectmen to be \$35 with no dump privilege and \$17.50 for senior citizens. It should be recorded that on 19 August 1991 Hurricane Bob caused severe damage to Plymouth Beach and was followed on 30 October 1991 by a "no name" storm which devastated all of Plymouth's Beach. Brian Harrington, a long time PBAC member and employee of the Manomet Bird Observatory, resigned on 1 November, 1991 and was voted a thank you for service letter by the PBAC. During 1991 Plymouth resident Steve Grattan exhibited outstanding participation and involvement in focusing attention on issues concerning Plymouth Beach. The PBAC needs just such public participation and will be welcome at the PBAC meetings.

Plymouth County Mosquito Control Project

The project is a special district created by the state legislature in 1957 and is now composed of 24 Plymouth County towns, the City of Brockton, and the Town of Cohasset in Norfolk County. On July 1 the Town of Abington rejoined the project. The project is a regional response to a regional problem and provides a way of organizing specialized equipment, specially trained employees, and mosquito control professionals into a single agency with a broad geographical area of responsibility.

In 1991, the project was again challenged by the threat of the mosquito transmitted disease, Eastern Equine Encephalitis (EEE), but rainfall did not reach levels of the previous year. Residential complaints were received earlier than normal due to the anticipated EEE threat and resultant media coverage. Efforts were again aimed at larval mosquitoes starting with the spring brood, and aerial larviciding was expanded using B.T.I., an environmentally selective bacterial agent. Upon emergence of the spring brood of adult mosquitoes, ultra-low-volume spraying began. All available manpower responded to requests concerning mosquitoes, and all sprayers and trucks performed well with little time lost to breakdowns.

In April of 1991, the Massachusetts Department of Public Health issued an advisory on EEE to local Boards of Health, Mosquito Control Districts, and all campgrounds in Southeastern Massachusetts. Virus was first isolated from *Culiseta melanura*, a bird biting species collected in Carver the week of July 28. The project responded by targeting areas of high risk. Concern of transmission of EEE to both horses and humans developed, and on August 2 a Westborough horse died with symptoms consistent with EEE. On August 8 another horse from the same farm was destroyed. However, no human or equine cases occurred in Plymouth County although additional virus-positive bird biting mosquitoes were collected. Historical case data suggest a return in 1992 of the EEE virus, which runs in a two or three year cycle.

Insecticide Application. 29,408 acres were treated using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in May and the last in October.

Our greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes, and other standing water areas. Inspectors continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present. Last year a total of 289 inspections were made to 175 catalogued sites.

Finally, we have been tracking complaint response time, that is the time between notice of a mosquito problem and the response by one of our inspectors. The complaint response time in the Town of Plymouth was less than two days with more than 555 complaints answered.

Water Management. During 1991 crews removed blockages, brush and other obstructions from 650 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito breeding. This work, together with machine reclamation, is most often carried out in the fall and winter.

Machine Reclamation. 950 linear feet of ditch was reconstructed in Plymouth using one of the project's two track driven backhoes.

Mosquito Survey. A systematic sampling of mosquitoes in Plymouth indicates that *Coquillittidia perturbans* was the most abundant species. Other important species collected included *Uranotaenia sapphirina* and ***Culiseta melanura***.

We encourage citizens or municipal officials to call our office for information about mosquitoes, mosquito-borne diseases, control practices, or any other matters of concern.

Recycling Advisory Committee

The Recycling Committee was established in November 1990 and consisted of fifteen members. The Selectmen nominated five constituents from town groups and committees and ten at-large from the community. The committee's function is to serve in an advisory capacity to the Board of Selectmen and Director of Public Works and has been responsible for reviewing the current and future recycling efforts and needs of the Town of Plymouth. The committee's charge was to suggest areas of improvement, study alternative strategies, costs and savings and generally serve as an advocacy group for recycling within the community.

After weekly informational meetings that on occasion were attended by representatives of disposal and recycling firms, the Recycling Committee made initial recommendations to the Selectmen in March. The highlights of the report included a recommendation that the town commit to recycling on a larger and more consistent scale, incorporating better promotion, education, accountability and facilities for long term recycling in Plymouth. In June, the committee made its final report showing the costs and savings associated with recycling. It was agreed upon by the Selectmen and Recycling Committee to maintain a standing recycling committee of five members to provide guidance and direction for the Recycling Program. The committee members appointment is annual ending June 30.

During the last six months of 1991, the committee has worked toward establishing an effective recycling program supervised by the DPW until a recycling contract can be secured. Specifications for a request for proposals have been drafted and under review at year's end. It is projected that a contract will be signed in early 1992.

1749 Court House Committee

Although we were down in attendance during the 1991 (1100 less than last year), it was a most interesting and, in many ways, a most unusual year. The heat and humidity were unbearable, especially during July, and all tourist attractions in the state were adversely affected. From opening day in May to closing on October 2 there wasn't a week that passed without someone rushing in, thinking we were the modern day courthouse.

We were very pleased that so many of our local town officials and attorneys stopped by to visit. There were almost twice as many tourists from England compared to previous seasons, and those from Australia, for some reason, were almost nil. On the other hand, there were far more from Spain and France than usual. Also, many more from Texas and California as compared to previous years. As usual, we had many repeat visitors from all over the country. Some of the most unusual countries represented were Hong Kong, Thailand, So. Africa, Philippines, Zimbabwe, Transylvania, West Samoa and Venezuela.

Two authors were among our more distinguished guests; one a writer and an illustrator of children's books. Both gentlemen enjoyed the tour of our museum and asked many questions regarding its history. One very unique visitor in June was a woman from Arizona, who was into metaphysical studies. After spending much time alone in the courtroom, she told of "sensing" a spirit. It was uncanny, as she described it; it might well have been that of Judge Peter Oliver, a leading justice in our courthouse's history!

Our 1890's gallows received a bit of notoriety in the news this fall. It is the one referred to by the judge who presided at the Meinholtz trial.

On December 5th, Attorney. Michael Vidette interviewed John P. Ryan, Chairman of 1749 Court House Committee, and Mrs. Martin, Museum Guide. This was a half hour videotaped segment for local Channel 3. They toured the Museum in depth, showing exhibits on both floors. We were most grateful for the opportunity to share our unique museum with the Channel 3 viewers and invite them to stop in, next season.

We added a new exhibit to the courtroom this season, a prisoners' dock. It has proved to be the most popular place for photo taking sessions and completes the courtroom setup. It added a marvelous touch to the November 25th mock trial with the El Paso Texans, who claimed the First Thanksgiving was held there in April, 1585. The trial was covered by news media from all over New England and was a great success. The "trial" is to be reconvened in Texas in April with a return visit to Plymouth by the Texans next November.

We are always ready and willing to accommodate any interested group(s) year round. Currently, we open in early May to host elementary school groups from Hartford, Conn. and local schools. We are happy to report that some out-of-state fall bus groups have discovered us and are now making annual visits. We'll gladly open evenings as well as we have often done in the past, to accommodate any special event. If interested, please contact with Mr. Ryan or Mrs. Martin.

As usual, visitors expressed gratitude that there is no admission charge. The Town of Plymouth's D.P.W. is to be complimented for the excellent maintenance of our historic building. Not only is the building itself the subject of much picture-taking, but many people pose on the doorstep or in front of our sign as well.

Town Forest Committee

1991 marks the second year of our ten year management plan. Despite a limited budget, our progress is right on schedule. Two important accomplishments have been achieved. The first and most important was the reduction of rubbish dumping. This year only one truck load of rubbish was removed from forests lands by the Plymouth Parks and Forestry Division as opposed to six loads the previous year. We credit this to the installation of three cable gates located at the more heavily used areas. One of these gates was destroyed and promptly replaced this fall. The second accomplishment is one of recognition. Many of us remember the large old black and white Town Forest sign once located where the Plymouth Intermediate School now stands. Finally a new Town Forest sign now stands at the intersection

of Drew and Long Pond Roads which is the main access for the Town Forest. The sign is beautifully hand carved and blends nicely with its rustic woodland setting. This sign was designed to incorporate a map and brochure display for future recreational use.

We feel the Plymouth Town Forest is on its way to being reclaimed as a functional and managed forest. We look forward to its future.

In closing, we'd like once again to thank the Plymouth D.P.W. for their continued help and a special thanks to mother nature who has been kind in sparing us fire, insect and minimal hurricane damages.

On March 23, 1992, a caucus of Town Meeting members from Precinct 5 was held at the Town Hall, 11 Lincoln Street. Five members were present, and at this time they elected Marie M. Chaffee to serve as a Town Meeting Member for Precinct 5. Mrs. Chaffee will serve to the next election. Her address is: 197 Bay Shore Drive, Plymouth, MA 02360. Mrs. Chaffee replaces Mr. Charles Maccaferri.

SPECIAL TOWN MEETING WARRANT

April 4, 1992

To any of the constables of the Town of Plymouth, Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Saturday, the Fourth day of April, 1992, at 10:00 A.M., to act on the following articles, to wit:

ARTICLE 1: To see if the Town will vote to raise, appropriate, transfer or borrow a sum of money to be added to funds already appropriated under Article 7 of the 1991 Annual Town Meeting for the purpose of supplementing departmental expenses, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 2: To see if the Town will vote to authorize the DPW Parks Division to expend Insurance Recovery funds received as a result of the October, 1991, storm to repair the Plymouth Beach Bathhouse, or take any other action relative thereto.
DEPARTMENT OF PUBLIC WORKS

ARTICLE 3: To see if the Town will vote to transfer a sum of money for the purpose of repairing the washthrough area of Plymouth Beach, including the access road, or take any other action relative thereto.
DEPARTMENT OF PUBLIC WORKS

ARTICLE 4: To see if the Town will vote to raise, transfer or borrow a sum of money for the purpose of purchasing software necessary for the processing of quarterly tax bills and payments, or take any other action relative thereto.
DEPARTMENT OF FINANCE

ARTICLE 5: To see if the Town will vote to raise, transfer or borrow a sum of money for the purpose of performing the comprehensive townwide revaluation of property required to set the F.Y.93 tax rate, or take any other action relative thereto.
DEPARTMENT OF FINANCE

ARTICLE 6: To see if the Town will vote to rescind the following unused borrowing authority:

| AMOUNT | PURPOSE | AUTHORIZATION |
|---------------|----------------|----------------------|
| \$1,725,000. | Library | Art. 1 STM 2/87 |

| | | | |
|----------|------------------------|----------|----------|
| 180,000. | Sandwich Street Sewer | Art.9H | ATM 4/88 |
| 105,000. | Darby Pump Station | Art.9B | ATM 4/88 |
| 94,492. | Cedar Bushes Watermain | Art.63 | ATM 4/88 |
| 15,000. | School Roofs | Art.9-44 | ATM 4/90 |

take any other action relative thereto.

DEPARTMENT OF FINANCE

ARTICLE 7: To see if the Town will vote to borrow a sum of money for the purpose of purchasing a parcel of land shown on Plat 97, Lot 5-4 of the Town of Plymouth Assessors' map for airport purposes, or take any other action relative thereto.

PLYMOUTH AIRPORT COMMISSION

ARTICLE 8: To see if the Town will vote to accept the provisions of MGL Chapter 40, Section 22 F which allows the Town to set fees and charges for services, licenses and permits presently set by state statute, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 9: To see if the Town will vote to transfer the care, custody, management and control of a portion of Plat 101, Lot 22A(Samoset Street Water Tank), as shown on a plan entitled "Plan of Land in Plymouth, Massachusetts, Owned by the Town of Plymouth to be Taken for Highway purposes, Scale: As noted, Dated March 16, 1992, Plymouth Department Public Works Engineering Division, Frederick J. Smith, Town Engineer" from the Board of Selectmen for general municipal purposes to the Board of Selectmen for highway purposes in conjunction with the reconstruction of Samoset Street (Route 44) , or take any other action relative thereto.

DEPARTMENT OF PUBLIC WORKS

ARTICLE 10: To see if the Town will vote to transfer the care, custody, management and control of a portion of Plat 103, Lots 41 and 42 (Seven Hills Fire Station), as shown on a plan entitled "Plan of Land in Plymouth, Massachusetts, Owned by the Town of Plymouth to be taken for Highway purposes, Scale: As noted, dated March 17, 1992, Plymouth Department Public Works Engineering Division, Frederick J. Smith Town Engineer" from the Board of Selectmen for general municipal purposes to the Board of Selectmen for purposes in conjunction with the reconstruction of Samoset Street (Route 44), or take any other action relative thereto.

DEPARTMENT OF PUBLIC WORKS

ARTICLE 11: To see if the Town will vote to accept a gift of land from Digital Equipment Corporation for the purpose of a public safety building, said land located on a portion of Lot 14, Plat 77, as shown on a plan entitled "Proposed Land Conveyance Long Pond Road and Clark Road, Plymouth, Massachusetts, Scale: 80 feet to an inch, dated March 9, 1992,

Plymouth Department of Public Works Engineering Division, Frederick Smith, Town Engineer," or take a other action relative thereto.
POLICE STATION STUDY COMMITTEE

ARTICLE 12: To see if the Town will vote to raise, appropriate, transfer borrow a sum of money to design and construct a police station, or take any other action relative thereto.
POLICE STATION STUDY COMMITTEE

ARTICLE 13: To see if the Town will vote to convey to William J. Chase and Rosemary F. Chase a certain parcel of land shown as Lots 1 and Plat 60 of the Plymouth Assessors' Map, upon conditions as may be determined by the Board of Selectmen; or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 14: To see if the Town will vote to create a Permanent Public Facility Building Committee appointed by the Board of Selectmen; or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 15: To see if the Town will vote to authorize the Board of Selectmen to grant, in so far as they have the right to do so, to Commonwealth Electric Company, its successors and assigns or any licensee, the perpetual right and easement to locate, relocate, erect, construct, reconstruct, install, lay, dig up, operate, maintain, patrol, inspect, repair, replace, alter, change the location of, extend or remove transformers, together with service conductors and other apparatus, equipment and fixtures deemed necessary for the purposes specified above; under, above, along, upon and over a certain parcel of town owned land, namely, the South Pond Well Sites, being shown on Town of Plymouth Assessors map as Lot 1, Plat 8 and Lot 7, Plat 91, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 16: To see if the Town will vote to authorize the Board of Selectmen to grant, in so far as they have the right to do so, to Commonwealth Electric Company, its successors and assigns or any licensee, the perpetual right and easement to locate, relocate, erect, construct, reconstruct, install, lay, dig up, operate, maintain, patrol, inspect, repair, replace, alter, change the location of, extend or remove transformers, together with service conductors and other apparatus, equipment and fixtures deemed necessary for the purpose specified above; under, above, along, upon and over a certain parcel of town owned land, namely the Darby Pond Well Sites, being shown on Town Of Plymouth Assessors' Map as Lot 20w, Plat 107, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 17: To see if the Town will vote to authorize the Board of Selectmen to grant, insofar as they have the right to do so, to Commonwealth

Electric Company and New England Telephone, their successors and assigns as tenants in common or any licensee from either of them, the perpetual right and easement to locate, relocate, erect, construct, reconstruct, install, lay, dig up, operate, maintain, patrol, inspect, repair, replace, alter, change the location of, extend or remove one or more lines for the transmission and/or distribution of intelligence by electricity or otherwise, and all necessary and proper wires, cables, conduits, conductors, transformers, transformer enclosures, foundations, platforms, terminals, insulators, fittings, switches, poles, cross arms, guys, braces, anchors, supports, manholes, hand holes, street light standards and fixtures, and other apparatus, equipment and fixtures deemed necessary for the purposes specified, under, above, along, upon and over a certain parcel of town owned land, namely the Plymouth Public Library site, at the intersection of South Street and Nook Road, as shown on Plan 887 of 1987 in Plan Book-28, Page 586 recorded with the Plymouth County Registry of Deeds, or take any other action relative thereto.

BOARD OF SELECTMEN

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town, by posting notices thereof fourteen days, at least, before such meeting, in the Town Office Building and in a public place in each precinct and make return thereof with your doings thereon at the time and place abovementioned.

Given under our hands this the Seventeenth Day of March, 1992.

Approved as to Legal Form and Content
s/ Elizabeth A. Lane

BOARD OF SELECTMEN

s/ Samuel H. Butterfield, Chairman
s/ Bruce M. Arons
s/ George W. Cameron
s/ Linda Sam Lenox
s/ Alba C. Thompson
Plymouth, s.s.

Pursuant to the foregoing warrant, I have this day notified and warned the Inhabitants of Plymouth qualified to vote in elections and Town affairs, to meet in said Plymouth on Saturday, the Fourth Day of April, 1992, at 10:00 A.M. at the Plymouth North High School, by posting copies of this warrant in the Town Office Building and in a Public place in each precinct.

March 18, 1992

s/ Jeffrey B. Peck
CONSTABLE, TOWN OF PLYMOUTH

| 94,492. | Cedar Bushes | ART.63; ATM 4/88 |
| | Watermain | |
| 15,000. | School Roofs | ART.944; ATM 4/90 |

ARTICLE 7: NO ACTION ON ARTICLE 7

ARTICLE 8: VOTED: That the Town accept the provisions of MGL Chapter 40, Section 22F, which allows the Town to set fees and charges for services, licenses and permits presently set by state statute.

ARTICLE 9: VOTED (UNANIMOUSLY) That the Town transfer the care, custody, management and control of a portion of Plat 101, Lot 22A (Samoset Street Water Tank) as shown on a plan entitled "Plan of Land in Plymouth, Massachusetts, owned by the Town of Plymouth to be taken for Highway Purposes, Scale: As noted, dated March 16, 1992, Plymouth Department of Public Works Engineering Division, Frederick J. Smith, Town Engineer" from the Board of Selectmen for general municipal purposes to the Board of Selectmen for highway purposes in conjunction with the reconstruction of Samoset Street (Route 44).

ARTICLE 10: VOTED (UNANIMOUSLY) That the Town vote to transfer the care, custody, management and control of a portion of Plat 103, Lots 1 and 42 (Seven Hills Fire Station) as shown on a plan entitled "Plan of Land in Plymouth, Massachusetts, Owned by the Town of Plymouth to be taken for Highway Purposes, Scale: As noted, dated March 17, 1992, Plymouth Department of Public Works Engineering Division, Frederick J. Smith, Town Engineer" from the Board of Selectmen for general municipal purposes to the Board of Selectmen for highway purposes in conjunction with the reconstruction of Samoset Street (Route 44)

ARTICLE 11: VOTED: That the Town accept a gift of land from Digital Equipment Corporation for the purpose of a public safety building, said land located on a portion of Lot 14, Plat 77 as shown on a plan annotated Proposed Land Conveyance Long Pond Road and Clark Road, Plymouth, Massachusetts, Scale: 80 feet to an inch, dated March 9, 1992, Plymouth Department of Public Works Engineering Division, Frederick J. Smith, Town Engineer, said plan on file in the Town Clerk's Office. Custody of said land to be held by the Board of Selectmen, and legal fees associated with conveyance of the gift to be borne by the Town of Plymouth

And further, subject to reversion of this parcel in the event that the construction of a public safety building has not commenced on this parcel within ten (10) years of its conveyance by Digital Equipment Corporation to the Town of Plymouth.

ARTICLE 12: NO ACTION ON ARTICLE 12.

ARTICLE 13: VOTED: (Unanimously) That the Town transfer the custody of Lots 1 and 2 of Plat 60 of the Plymouth Assessors' Map to the Board of Selectmen for the purpose of sale;

and further, that the Town authorize the Board of Selectmen to convey to William J. Chase and Rosemary F. Chase and their successors of record as their interest may appear, a certain parcel of land shown as Lots 1 and 2, Plat 60 of the Plymouth Assessors' map upon conditions as may be determined by the Board of Selectmen.

ARTICLE 14: Mr. Provenzano moved that the Town vote to create a Permanent Public Facility Building Committee consisting of twelve members appointed by the Board of Selectmen for three year overlapping terms, three members being citizens at large and nine members preferably with expertise in the following areas: contract law, accounting, architecture, engineering, electricity, plumbing, HVAC, masonry and carpentry. The Board of Selectmen shall be entitled to appoint up to three ex-officio members to the Committee for each building project who shall represent the department or departments associated with the building project. In the case of a local school building project, the Plymouth School Committee shall appoint one of its members or its designee as a voting member of the Plymouth Permanent Public Facility Building Committee. The Permanent Public Facility Building Committee shall be responsible for building projects authorized by Town Meeting after approval of this article. The Committee shall report on its activities to each Annual Town Meeting. this motion did NOT PASS.

ARTICLE 15: VOTED: That the Town authorize the Board of Selectmen to grant, insofar as they have the right to do so, to Commonwealth Electric Company, its successors and assigns or any licensees the perpetual right and easement to locate, relocate, erect, construct, reconstruct, install, lay, dig up, operate, maintain, patrol, inspect, repair, replace, alter, change the location of, extend or remove transformers, together with service conductors and other apparatus, equipment and fixtures deemed necessary for the purposes specified above, under, above, along, upon and over a certain parcel of town owned land namely the South Pond Well Sites, being shown on Town of Plymouth Assessors' Map as Lot 1, Plat 87 and Lot 91, Plat 91.

By vote of 76 AFFIRMATIVE, and 6 NEGATIVE, this motion PASSED.

ARTICLE 16: VOTED: (UNANIMOUSLY) That the Town authorize the Board of Selectmen to grant, insofar as they have the right to do so, to the Commonwealth Electric Company its successors and assigns or any licensee, the perpetual right and easement to locate, relocate, erect, construct, reconstruct, install, lay, dig up, operate, maintain, patrol, inspect, repair, replace, alter, change the location of, extend or remove transformers, together with service conductors and other apparatus, equipment and fixtures.

ures deemed necessary for the purposes specified above, under, above, long, upon and over a certain parcel of town owned land, namely the Parby Pond Well Sites, being shown on Town of Plymouth Assessors' Map s Lot 20W, Plat 107.

ARTICLE 17: Mr. Provenzano moved that the Town vote to authorize the board of Selectmen to grant, insofar as they have the right to do so, to Commonwealth Electric Company and New England Telephone, their successors and assigns as tenants in common or any licensee from either or them, the perpetual right and easement to locate, relocate, erect, construct, reconstruct, install, lay, dig up, operate, maintain, patrol, inspect, repair, replace, alter, change the location of, extend or remove one or more lines for the transmission and/or distribution of intelligence by electricity or otherwise, and all necessary and proper wires, cables, conduits, conductors, transformers, transformer enclosures, foundations, platforms, terminals, insulators, fitting, switches, poles, cross arms, guys, braces, anchors, supports, manholes, handholes, street light standards and fixtures, and other apparatus, equipment and fixtures deemed necessary for the purposes specified above, under, above, along, upon and over a certain parcel of townowned land, namely the Plymouth Public Library site, at the intersection of South Street and Nook Road., as shown on Plan #887 of 1987 in Plan Book-28, Page 586 recorded with the Plymouth County Registry of Deeds, or take any other action relative thereto

By vote of 80 AFFIRMATIVE, and 2 NEGATIVE this motion PASSED.

At 2:40 P.M., Mr. Brewster moved to adjourn and dissolve this Special Town Meeting. SO VOTED.

The Annual Town Meeting was reconvened at 2:40 P.M.

ARTICLE 2: Mr. Provenzano moved that the Town receive reports of various Town Committees, Boards, Commissions and Departments, and place them on file with the Town Clerk's Office.

SO VOTED.

The following Committees, etc. placed reports on file after presenting them to the Town Meeting:

Visitor Service Board — Mrs. Lincoln

Permanent Elementary School Building Committee — Mr. Lane

Police Station Building Committee — Mr. Fry

(Report given at S. T. M. in conjunction with article)

Town Hall Study Committee — Mr. Durkee

Fire Station Study Committee — Chief Fugazzi

Public Works Study Committee — Mr. Lee Peck

(Note: The Animal Shelter Study Committee and the 130 Court Street study Committee did NOT present a report at this time.)

At 3:10 P.M. there was a recess of 20 minutes.

ARTICLE 3: VOTED: Mr. Provenzano moved that the Town continue the following revolving funds for Fiscal 1993, as established under Article 1 of the April 6, 1991, Special Town Meeting:

- a) The Manomet Village Parking Revenue Revolving Fund
- b) The Cedarville Village Parking Revenue Revolving Fund
- c) The West Plymouth Village Parking Revenue Revolving Fund
- d) The North Plymouth Village Parking Revenue Revolving Fund
- e) The Plymouth Center Village Parking Revenue Revolving Fund

1) These five funds shall be for the programs and purposes identified in Section 305.12 of the Plymouth Zoning By-laws.

2) The departmental receipts credited to these five funds shall be those identified in Section 305.12 of the Plymouth Zoning By-laws. Such departmental receipts shall be deposited to the appropriate revolving fund relative to the Village Center for which the funds have been collected.

3) The Board of Selectmen shall be empowered with the authorization to make expenditures from the funds so established.

4) The limit of expenditures authorized for Fiscal Year 1993 shall not exceed \$1.00 from any parking fund so established; and further,

Mr. Provenzano moved that the Town establish the Recreation Revenue Revolving Fund for recreational programs and purposes for Plymouth residents and their children. The Recreation Director shall be empowered with the authorization to make expenditures from the fund, and the limit expenditure authorized for Fiscal Year 1993 shall not exceed \$50,000.00.

ARTICLE 4: VOTED: That the Town take the following actions pursuant to Article I, Section 4 of the Town By-laws:

Declare that the Recreation Activities Commission has been discharged. (This was automatically accomplished upon acceptance of the revised Charter.)

Continue the Temporary Animal Shelter Study Committee for one year

Continue the 130 Court Street Committee for three Years

Continue the Fire Station Building & Study Committee for three years

Continue the Temporary Police Station Study Committee for one year

Continue the Temporary Public Works Facility Study Committee for one year, and

Continue the Temporary Town Hall Study Committee for one year.

ARTICLE 5: Mr. Provenzano moved that the Town vote to amend the Classification and Compensation Plan and the Personnel By-law and Collective Bargaining agreements contained therein, as follows:

Adopt job descriptions and classifications for:

| | |
|---------------------|------|
| Treasurer | S-17 |
| Tax Collector | S-17 |
| Town Clerk | S-16 |
| Director of Finance | S-21 |

| | |
|---|------|
| Director of Planning and Development | S-21 |
| Assistant Town Manager | S-18 |
| Accounting Officer | S-15 |
| Town Planner | S-16 |
| Tree Climber/Aerial Lift Operator | M-07 |
| Special Repairman | M-05 |

and further to amend language in the following sections:

Section 3 Authorization and Authority of the Personnel Board
 Section 4 Classification Plan
 Section 12 Overtime Compensation
 Section 12A Compensatory Time
 Section 15 Sick Leave
 Section 18 Physical examination
 Section 18A Physical examination Seasonal

is recommended by the Personnel Board and Personnel Director as outlined in a letter to the Board of Selectmen, Advisory and Finance Committee and Town meeting members dated February 28, 1992:

Section 3 Authorization and Authority of the Personnel Board

(a) Add "the Town Manager." will now read: There shall be a Personnel Board consisting of five members responsible, in conjunction with the Town Manager and the Personnel Director, for the administration of this Law including the classification and compensation plans."

(b) Change this paragraph to read: "The Personnel Board May advise the Town on matters relating to personnel as provided by G.L. C.41, Section 108C."

(c) Replace "Board" with "Town Manager". Will now read: The Town Manager shall administer the plans and shall establish procedures as deemed necessary for the proper administration thereof.

(f) Replace "Board" with "Personnel Director". Will now read: "Department Heads shall provide information as the Personnel Director may request."

(g) Eliminate "Personnel Board". Will now read: "The Personnel Director shall maintain Written job descriptions."

(h) Replace "Personnel Board" and "Board" with "Town Manager". Will now read: "Upon recommendation of a department head, supported by evidence

dence in writing by the Personnel Director of special reasons and exceptional circumstances satisfactory to the Town Manager the Town Manager may authorize an entrance rate higher than the minimum rate for a position."

(j) Replace "Executive Secretary" with "Town Manager".

(l) Eliminate "Personnel Board, with the technical assistance of" and replace "Board" with the "Personnel Director". Will now read: "The Personnel Director shall investigate the standard rates of salaries or wages of all or all positions subject to the provisions of this ByLaw. Such reviews shall be made at such intervals as the Personnel Director deems necessary and to the extent which the Personnel Director considers practical which may include all occupational groups in the classification plan."

Section 4 — Classification Plan

(d) Change the words "determined" to "reviewed" and "to be" to "for". Will now read: "No position may be reclassified or no class may be assigned to a different compensation grade, until the Personnel Board, with the technical assistance of the Personnel Director, has reviewed such reclassification or such reassignment for consistency with the classification and compensation plans."

Section 12 — Overtime Compensation

(Supervisory Group) Change the word "Executive Secretary" to "Town Manager." Will now read: "Employees claiming compensatory time due to special circumstances shall seek the approval of the Town Manager and file with the Personnel Director. Also eliminate: "If a dispute arises it shall be reviewed by the Personnel Board."

Section 12A — Compensatory Time

(c) Eliminate "and to the Executive Secretary." Will now read: "Compensatory time shall be granted with the approval of the department head and shall be reported to the Personnel Director."

Section 15 — Sick Leave

(d) Change "Board" to "Town Manager." Will now read: "If the amount of leave credit provided under subsection (b) has been or is about to be exhausted, an employee may make application for additional allowances to that provided under subsection (a). Such application shall be to the Town Manager who is authorized to grant such additional allowances as it may be determined, etc."

(g) Replace "Executive Secretary" with "Town Manager."

(i) Change "Personnel Board" to "Town Manager." Re: Worker's Compensation. Will now read: These payments which are to be made by the town shall continue for not more than six months unless extended beyond that period by the Town Manager.

Section 18 — Physical Examination

Replace "Executive Secretary" with "Town Manager."

Section 18A — Physical Examination Seasonal

Replace "Executive Secretary" with "Town Manager."

Mr. Pomarole moved to divide the question to vote separately on the Classification and Compensation Plan.

By vote orally, this motion to divide the question did NOT PASS.

Mr. Provenzano's original motion in its entirety was voted and PASSED.

ARTICLE 6: VOTED: That the Town fix the salaries of elected Town officials as follows:

| | |
|------------------------------|-----------|
| Moderator | \$ 300.00 |
| Chairman, Board of Selectmen | 3,000.00 |
| Selectmen, Other (Each) | 2,000.00 |

Mr. Provenzano moved that the adjourned sessions of the Annual Town Meeting be held on Monday, April 6, at 7:30 P.M. and subsequent sessions be held on Tuesday, April 7 at 7:30 P.M. and Wednesday, April 8 at 7:30 P.M., if needed. SO VOTED

Mr. Provenzano moved to adjourn until Monday, April 6, at 7:30 P.M. SO VOTED.

ANNUAL TOWN MEETING APRIL 6, 1992

ADJOURNED SESSION

The adjourned session of the Annual Town Meeting was called order at 7:39 P.M. in the Plymouth North High School.

The number of Town Meeting Members present was 91, as reported by the checkers.

The Moderator, Clarence Krueger, declared a quorum present.

Mr. Pomarole moved to reconsider Article 5. On voice vote, Mr. Krueger declared that Mr. Pomarole's motion to reconsider did NOT PASS.

At least 8 Town Meeting Members having questioned the vote, Mr. Krueger requested a second vote. At this point Mr. Pomarole asks for standing vote to be taken.

Standing vote results 21 AFFIRMATIVE 48 NEGATIVE 2 ABSTAIN

Therefore, Article 5 will not be reconsidered at this time.

Mr. William Griffin, Town Manager, presented the budget message with an explanation of the allocation formula (Copy of same is available in the Town Clerk's records.)

ARTICLE 7: Mr. Provenzano moved that the Town raise and appropriate the sum of \$63,888,081.00 to provide for a Reserve Fund and to defray the expenses of the Town and for the purposes as listed in the printed Report and Recommendations of the Plymouth Advisory and Finance Committee, and amendments thereto voted, of which:

- \$ 140,000.00 Shall come from the Airport Revolving Fund for Airport-Personal Services, Item #31
- \$ 36,160.95 Shall come from State Aid to Libraries for Library-Personal Services, Item #215
- \$ 70,000.00 Shall come from Cemetery Perpetual Care Funds for Cemetery-Personal Services, Item #162
- \$ 29,894.00 Shall come from the Parking Meter Receipt Fund for Police-Personal Services, Item #73
- \$ 200.00 Shall come from the Parking Meter Receipt Fund for Police Building Maintenance/Parking Control-Personal Services, Item #88
- \$ 3,000.00 Shall come from the Parking Meter Receipt Fund for Police Building Maintenance/Parking Control-Supplies and Materials, Item #90
- \$ 35,760.00 Shall come from the Parking Meter Receipt Fund for Principal, Item #236
- \$ 4,760.00 Shall come from the Parking Meter Receipt Fund for Interest, Item #237
- \$ 14,638.00 Shall come from the Waterways Improvement Fund for Harbor Master-Personal Services Item #120
- \$ 150.00 Shall come from the Waterways Improvement Fund for Harbor Master, Waterfront Services Personal Services, Item #124

\$ 3,481.00 Shall come from Receipts Reserved for Appropriation for the purpose of Administering the Wetland Protection Act for Conservation, Personal Services Item #55

and the balance from the tax levy for the ensuing twelve month period beginning July 1, 1992.

Mr. Krueger presented the operating budget by Department and line item, as prepared by the Finance Committee in their report, each budget being approved as presented, through line 176;

Sewer Budget — lines 177-184 being presented, Mr. McSharry requests that a "sense of Town Meeting" vote be taken to see if the body approves of the action of the Town Officials concerning the sewer hookup to the proposed new correctional facility.

The Moderator ruled that this consensus vote would be considered after the budget action.

9:30 P.M. recess

9:51 P.M. resume

Water Division Budget — lines 185-193, presented and voted.

Inspectional Services Budget — lines 194-196, presented.

Mr. Butterfield moved to amend Article 7, Im. #194, "Building and Zoning, Personal Services", by substituting the amount of \$236,886. for the amount of \$266,838. by eliminating the position of Zoning Field Inspector.

Mr. Butterfield's motion to amend did NOT PASS.

Budget line items #197-214, presented and Passed as presented.

Mr. McSharry moved to add \$25,000.00 to Library Item #215 Personal Services. This motion to amend did NOT PASS.

Budget line Items #215-244 presented and PASSED as presented.

Line #245 Mrs. Adele Manfredi moved to substitute \$20,757,663. for the amount of \$20,195,783. Plymouth Schools Budget.

Mr. Triffletti moved that the vote on Mrs. Manfredi's motion be taken by roll call; this motion PASSED.

By vote of 54 AFFIRMATIVE, 33 NEGATIVE, Mrs. Manfredi's motion to amend line 245 was PASSED.

Mr. William Abbott moved to substitute \$15,452,123. for \$15,042,236. Item number 246, Plymouth-Carver Regional School, Operating Assessments.

Mrs. McCarthy moved to vote on Mr. Abbott's motion by roll call.

Mrs. McCarthy's motion to vote by roll call did NOT PASS.

Mr. Abbott's motion to amend Item #246 was voted and PASSED.

At 12:32 A.M., this adjourned session was adjourned to April 7, at 7:30 P.M. (4-7-92)

ADJOURNED SESSION

April 7, 1992

The adjourned session of the Annual Town Meeting was called order at 7:35 P.M. in the Plymouth North High School.

The number of Town Meeting Members present was 90, as reported by the checkers.

The Moderator, Clarence Krueger, decreed a quorum present.

The Moderator presented to the body Mr. McSharry's request for a vote of the Town Meeting to give a consensus as to whether the Town Meeting approves of the action of the Town Officials concerning the sewer hookup for the proposed correctional facility. (Non-binding)

Upon voice vote by the body, it is the Moderator's decision that the sense of the Meeting is "Very Evenly Divided".

Mr. A. Cotti moved to reconsider Article 7, Library Budget. This motion to reconsider was PASSED.

Mr. Cotti moved to amend Line #215 by adding \$21,282. to Personal Services new total for this line becoming \$557,332. This motion PASSED.

Mr. Cotti moved to amend Line #222 by adding \$5,250. to Purchase of Services, new total for this line becoming \$113,250. this motion Passed.

Mr. Parker moved to reconsider Article 7, Line #246. This motion did NOT PASS. At least 7 questioned the vote.

Mr. E. Lane, Jr. requests a standing vote on the amendment to reconsider. By vote of 17 AFFIRMATIVE 56 NEGATIVE, the motion to reconsider did NOT PASS.

Mr. Provenzano's original motion with an amended total figure of \$64,886,380. for Article 7 was voted and PASSED.

ARTICLE 7 OPERATING BUDGET FOR FY 1993 JULY 1 1992 TO JUNE 30 1993

At 11:05 P.M., it was voted to adjourn to Wednesday, April 8, 1992, at 7:30 P.M. in the Plymouth North High School.

ANNUAL TOWN MEETING

Adjourned Session

APRIL 8, 1992

This adjourned session of the Annual Town Meeting was called to order at 7:40 PM. in the Plymouth North High School.

The number of Town Meeting Members present was 89, as reported by the checkers.

The Moderator, Clarence Krueger, declared a quorum present.

Mr. Long moved to reconsider Article 9, Item #53.

This motion to reconsider did NOT PASS.

ARTICLE 17: Mr. Provenzano moved that the Town authorize the Board of Selectmen to petition the Massachusetts General Court for special legislation to establish a "Plymouth Promotions Fund" which reads substantially as follows:

Plymouth Promotions Fund (Home Rule Petition)

Section 1. Notwithstanding the provisions of G.L.M.c.44, Section 1, or any other provision of law to the contrary, the Town of Plymouth hereby authorized to establish in the town treasury a special account to be known as the "Plymouth Promotions Fund," into which account shall be deposited certain receipts which comprise a portion of the total local room occupancy tax received annually by the Town under the provisions of G.L.M. c.64G, Section 3A, as set forth at Section 2 of this Act.

Section 2. For the purposes of establishing the portion of the local room occupancy tax that may be deposited in said Fund, the Town hereby authorized to deposit, commencing during fiscal year nineteen hundred and ninety-four, twenty-five percent of all local room occupancy tax receipts; in fiscal year nineteen hundred and ninety-five, thirty-five percent of all receipts from said tax; in fiscal year nineteen hundred and ninety-six, forty-five percent of all receipts from said tax; and in each fiscal year subsequent to fiscal year nineteen hundred and ninety-six, forty-five percent of all local room occupancy tax receipts shall be deposited in said Fund. The interest earned from said Fund shall be treated as general fund revenue of the Town of Plymouth.

Section 3. There is hereby established in the Town of Plymouth a Visitor Services Board consisting of seven members appointed by the Board of Selectmen, as follows: one member nominated by the Plymouth Area Chamber of Commerce, one member nominated by the Plymouth County Development Council, one member nominated by the Plymouth Development and Industrial Commission, one member representing retail interests within the Town, and three members at-large. If any of the organizations with nominating privileges hereunder cease to exist or operate, the Board of Selectmen may appoint in place of such nominees individuals qualified to serve on said Visitor Services Board, as appointees at-large. The Board of Selectmen shall fill any vacancies in said Visitor Services Board in a like manner.

Section 4. Said Visitor Services Board shall recommend to the Annual Town Meeting, commencing with the nineteen hundred and ninety-four town meeting, programs and projects that enhance the beautification, recreational resources, public safety, promotional and marketing activities, events, services, and public improvements which are of clear mutual interest to the residents and visitors of the Town of Plymouth, and which strengthen said Town as an attractive center for tourism, conventions, and related purposes of the visitor industry. The cost of such programs shall not exceed the funds available in the Plymouth Promotions Fund, and shall

be allocated as follows: beginning with fiscal year nineteen hundred and ninety-four receipts appropriated for expenditure in fiscal year nineteen hundred and ninety-five, and appropriations made each subsequent fiscal year, no less than ten percent and no more than forty percent of the Plymouth Promotions Fund shall be used for public improvements including beautification, recreational resources, and public safety related to the mutual needs of visitors and residents with the balance available for promotional programs and projects.

Section 5. Upon approval by Town Meeting of the programs, services and other projects set forth under Section 4 of this Act, the Visitor Services Board with the approval of the Town Manager shall be empowered to expend from said special revenue fund for the uses authorized by Town Meeting, and may for the purposes of this Section designate funds to be expended under the direction of the Plymouth Department of Public Works or other town agency as applicable; or obtain competitive proposals or bids for any services, programs or projects to be provided to the Town by vendor contracts, all in accordance with the requirements of G.L.M.c.30B or any other general law governing public bidding and procurement as may apply to the program or project. Any and all contracts for services, programs and projects authorized hereunder shall be awarded and executed by the Town Manager on the recommendation of the Visitor Services Board, subject to compliance with applicable procurement laws of the Commonwealth.

Section 6. The provisions of this Act shall take effect as of January first, nineteen hundred and ninety-four.

After lengthy discussion, Mr. Brewster moved to limit debate. SO VOTED

Mr. Triffletti moved that the vote on Article 17 be taken by roll call. SO VOTED.

The roll call vote results 75 AFFIRMATIVE, and 14 NEGATIVE, Article 17 PASSED.

ARTICLE 18: Voted: That the Town accept an Equal Educational Opportunity Grant for Fiscal Year 1993, under the provisions of Section 5 of Chapter 70A of the Massachusetts General Laws, said funds to be expended under the supervision of the Plymouth School Committee for direct service expenditures.

ARTICLE 19: Voted: That the Town accept an Equal Educational Opportunity Grant for Fiscal Year 1993, under the provisions of Section 5 of Chapter 70A of the Massachusetts General Laws, said funds to be expended under the supervision of the Plymouth-Carver Regional School Committee, for direct service expenditures.

ARTICLE 20: VOTED: That the Town raise and appropriate the sum of \$25,000. to sponsor or contribute to an area household hazardous waste

collection day or other activity, said funds to be expended under the supervision of the Town Manager.

ARTICLE 21: VOTED: That the Town accept the provisions of MGL Chapter 59, Section 57C.

ARTICLE 22: Mr. Provenzano moved that the Town vote to accept and allow as Town Ways the following streets or portions thereof, as laid out by the Board of Selectmen and reported to the Town

| ROAD | PETITIONER |
|-------------------|----------------------------|
| Old Mill Lane | Department of Public Works |
| Saw Mill Road | Department of Public Works |
| Kristin Road | Department of Public Works |
| Anawon Road | Department of Public Works |
| Paddington Way | Department of Public Works |
| Pilgrim Hill Road | Department of Public Works |

Mr. Malone moved to divide the question and have Pilgrim Hill Road considered and acted on separately. SO VOTED.

VOTED: That the Town accept and allow as Town Ways the following streets: Old Mill Lane, Saw Mill Road, Kristin Road, Anawon Road, Paddington Way.

VOTED: That the Town accept and allow as a Town Way Pilgrim Hill Road.

ARTICLE 23: VOTED: That the Town accept the provisions of clause forty-six of Section 5 of Chapter 59 of Massachusetts General Laws in accordance with Section 2 of Chapter 637 of the Acts of 1986, relative to exemption from taxation, real estate of certain economic development corporations. (Mr. W. Burke voted "Present")

ARTICLE 24: VOTED: (Unanimously) That the Town amend the Zoning Bylaw, Section 208, "Design Review Board/Appearance Code", as shown in the Final Report and Recommendation of the Planning Board of the proposed "AMENDMENT TO THE ZONING BY-LAW AS IT RELATES TO DESIGN REVIEW BOARD/APPEARANCE CODE."

ARTICLE 25: VOTED: (UNANIMOUSLY) That the Town amend Zoning Map No.4, Aquifer Protection District, Sagamore Quadrant, by enlarging the limits of the Primary Recharge Area as shown in the Final Report and Recommendation of the Planning Board on the proposed "ZONING AMENDMENT OF MILLARD JOSEPH LANDRY, JR. et al."

ARTICLE 26: NO MOTION ON ARTICLE 26.

ARTICLE 27: NO MOTION ON ARTICLE 27.

ARTICLE 28: VOTED: That the Town amend the Town of Plymouth By-laws Article Plymouth Beaches, by substituting for Section 17 and Section 18 the following:

8.17 LIMITATION OF USE - Limitations may be placed by the Park Police/and/or the Beach Conservation Officer on the number of vehicles to be allowed on the beach at any one time.

8.20 PARKING RESTRICTIONS

Except for property owners, their guests, Plymouth fishermen, and campers with a special permit, Plymouth Beach and its parking lot shall be closed to all vehicles between 9:00 P.M. and 4:00 A.M.

ARTICLE 29: VOTED: That the Town amend the comprehensive plan entitled "Refined Village Center Plan", as adopted on May 27, 1980, as amended, by adding to that plan a document entitled "Cedarville Master Plan", dated November, 1991.

ARTICLE 30 VOTED: That the Town establish a Permanent Cedarville Steering Committee for purposes including implementing the recommendations outlined in the Cedarville Village Center Master Plan. The Committee to be advisory in nature and its primary function to assist in the implementation of the Cedarville Village Master Plan, and to advocate for the needs of the area.

Membership of the committee shall be seven (7) members appointed on three year overlapping terms, as follows:

Six (6) appointed by the Planning Board

One (1) appointed by the Board of Selectmen

Any Town Meeting Members who live within the defined Cedarville Village Service Area who are not appointed to the Committee shall be non-voting "ex-officio" members.

The Planning Board shall appoint a temporary Chairman. The Committee shall report annually to the Town, either at the Annual Town meeting, or a written report placed on file with the Town Clerk's Office to be included in the Annual Town Report for the Town of Plymouth.

ARTICLE 31: VOTED: That the Town authorize the Board of Selectmen to accept by gift to the Town the conveyance of certain parcels of land, for general municipal purposes, and shown as:

Lot 2-763 of Assessors Plat 50

Lot 49C of Assessors Plat 48.

ARTICLE 32: NO MOTION ON ARTICLE 32.

ARTICLE 33: NO MOTION ON ARTICLE 33.

ARTICLE 34: NO MOTION ON ARTICLE 34.

ARTICLE 35: NO MOTION ON ARTICLE 35.

At this point the body of Town Meeting was informed of the retirement of Mr. Remo Lodi from the School Department. Mr. Lodi has been the head of the custodial staff of the Plymouth school plants and grounds. A standing ovation was offered to Mr. Lodi at this time.

Mr. Brewster moved that this Annual Town Meeting be adjourned and DISSOLVED at 10:45 P.M. SO VOTED.

**CAUCUS
June 17, 1992**

On June 17, 1992, at 7:00 P.M., a caucus of Town Meeting members from Precinct 5 was held in the Hearing Room of the Town Hall on Lincoln Street. Four members attended and nominated and appointed Marie Chaffee of 197 Bay Shore Drive to fill a vacancy until the election of May, 1993. Mr. Larry Gay, Mr. Steve McSharry, Mr. Robert Regan and Mr. John Phaneuf were in attendance and voted unanimously to appoint Mrs. Chaffee to serve until the next annual election.

**CAUCUS
August 11, 1992**

On August 11, 1992, at 7:00 P.M., a caucus of Town Meeting Members from Precinct 3 was held in the Hearing Room of the Town Hall on Lincoln Street. Four members attended and nominated and appointed Donald P. Matinzi of 1 Massasoit Street to fill a vacancy until the election of May 1993.

Mr. Erich Scharath, Mr. David Moreland, Mr. Dale Webber and Mr. Antonio L. Gomes were in attendance and voted unanimously to appoint Mr. Donald P. Matinzi to serve until the next annual election.

**Special Town Meeting Warrant
September 14, 1992**

To any of the constables of the Town of Plymouth, Commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on

onday, the Fourteenth Day of September, 1992, at 7:30 PM, to act on the following articles to wit:

ARTICLE 1: To see if the Town will vote to raise, appropriate, transfer or borrow a sum of money for the construction and/or repair and/or purchase and/or lease of departmental buildings or equipment and/or for feasibility and other types of studies, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 2: To see if the Town will vote to raise, appropriate, transfer or borrow a sum of money for the purpose of funding the court judgment associated with the water tank in Manomet, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 3: To see if the Town will vote to appropriate a sum of money to fund the town's 12 1/2% share of the cost of repairing the seawall at Warren's Cove, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 4: To see if the Town will vote to raise, appropriate, transfer or borrow a sum of money to be added to funds already appropriated under Article 7 of the 1992 Annual Town Meeting for the purpose of supplementing departmental expenses, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 5: To see if the Town will vote to appropriate a sum of money to demolish an abandoned house at 2 Mayflower Drive, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 6: To see if the Town will vote to appropriate a sum of money for constructing, originally equipping and furnishing a new police station; to determine whether this appropriation shall be raised by borrowing or otherwise; or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 7: To see if the Town will vote to rename the Police Station Study Committee to Police Station Building Committee and expand the charge to include oversight of the design and construction of a new police station, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 8: To see if the Town will vote to appropriate a sum of money for constructing, originally equipping and furnishing a new elementary school; to determine whether this appropriation shall be raised by borrowing or otherwise, or take any other action relative thereto.

PLYMOUTH SCHOOL COMMITTEE

ARTICLE 9: To see if the Town will vote to transfer custody of land cated off Long Pond Road and Lunn's Way as shown on Assessors Map 113, Lots 28-1, 29-1, 30-1 and 31-1 from the Board of Selectmen to the Plymouth School Committee for the purpose of locating a new elementary school.

PLYMOUTH SCHOOL COMMITTEE

ARTICLE 10: To see if the Town will vote to authorize the Permanent Elementary School Building Committee to be the awarding authority for contracts for design services and construction of elementary schools and to further authorize the Permanent Elementary School Building Committee to enter into any and all contracts necessary to carry out such projects, take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 11: To see if the Town will vote to discharge the Manomet Sewerage Study Committee, or take any other action relative thereto.

BOARD OF SELECTMEN

Peter Paulding

Plymouth, s.s.

Pursuant to the foregoing warrant, I have this day notified and warned
the Inhabitants of Plymouth, qualified to vote in elections and Town affairs,
to meet in said Plymouth on Monday, the Fourteenth Day of September,
1992, at 7:30PM, at the Plymouth North High School, by posting copies of
this warrant in the Town Office Building and in a public place in each
precinct.

CONSTABLE

Town of Plymouth

SPECIAL TOWN MEETING SEPTEMBER 14, 1992

The Moderator, F. Steven Triffletti, opened the meeting at 7:30 P.M. on Monday, 14 September 1992. Troop 1620 presented the colors and led the pledge of allegiance. The Combined Concert Choir of Plymouth North and Plymouth South High Schools sang the National Anthem. The Rev. Robin Bickel of the Church of the Pilgrimage gave the invocation.

The Moderator called the meeting to order at 7:38 P.M. after the Clerk certified to him that a quorum was present. The Moderator found the Call to Meeting to be in order and with permission of Town Meeting Member dispensed with the reading of the articles. He then presented Mr. Pizer, Town Clerk, who spoke to Town Meeting. The Moderator recognized Mr. Cameron, who introduced the Board of Selectmen. The Moderator spoke on practices at Town Meeting. He introduced Nancy Scheid, Chair of the Advisory and Finance Committee, who made introductory remarks.

George Parker MOVED as a standing rule of this town meeting that no new article be taken up after 10:30 P.M. The motion PASSED.

ARTICLE 1: Mrs. Scheid moved that the Town vote to transfer the sum of \$61,530.00 as follows:

| FROM | TO | AMOUNT |
|--------------------------|--|-------------|
| Article 9-49 1991 ATM | Removal of Oil Tanks and convert to natural gas | \$23,030.00 |
| Article 9-7 1989 ATM | Article 9-1 1990 ATM Transfer Station Containers | 38,500.00 |

Barry Wood moved to divide the motion into its two sections. NO OBJECTION. On the motion Part 1 PASSED; Part 2 PASSED.

ARTICLE 2: Mrs. Scheid moved that the Town vote to transfer the sum of \$370,000 for the purpose of funding the court judgment associated with the water tank in Manomet as follows:

| SOURCE OF FUNDING | AMOUNT |
|---|--------------|
| Sale of Real Estate Fund | \$77,000.00 |
| Bank Stock Trust Fund | 111,000.00 |
| Budget #752 (BANs) | 120,000.00 |
| Article 9, Item #38, 1991 Annual Town Meeting (Bradford Well) | 50,000.00 |
| Article 8, 1985 Annual Town Meeting (Standby Engine) | 12,000.00 |
| TOTAL TRANSFERRED: | \$370,000.00 |

The motion PASSED.

ARTICLE 3: Mrs. Scheid moved that the Town vote to raise and appropriate the sum of \$26,500.00 to fund the town's share of the cost of repairing the seawall at Warren's Cove.

The motion PASSED.

ARTICLE 4: Mrs. Scheid moved that the Town vote to:

Raise and appropriate the sum of \$41,000.00,
Transfer the sum of \$24,125.00 from Fiscal 1993 Operating Budgets,
Transfer the sum of \$8,500.00 from the Waterways Fund,
And reduce Fiscal 1993 Operating Budgets by the sum of \$352,763.00 as outlined in the Report and Recommendation of the Advisory and Finance Committee, Article 4 spreadsheet;

and further, Mrs. Scheid moved that the Town vote to raise and appropriate the sum of \$277,608 to be added to Budget #300, Plymouth School Budget;

and further, Mrs. Scheid moved that the Town vote to raise and appropriate the sum of \$32,289.00 to be added to Budget #310, Regional School Operating Assessment.

Barry Wood MOVED to divide the motion into three parts. There was NO OBJECTION.

On the motion, Part 1 PASSED. Part 2 PASSED, but the vote was CHALLENGED. The standing vote confirmed PASSAGE by 64 in favor and 27 opposed. Part 3 PASSED.

ARTICLE 5: Mrs. Scheid moved that the Town vote to raise and appropriate the sum of \$3,500.00 to demolish the building located at 2 Mayflower Drive, subject to the determination by the Board of Selectmen that the building is a public nuisance in need of demolition as provided by Chapter 139, Sections 1-3A of the General Laws.

The motion PASSED.

Prior to Article 6, William Griffin, Town Manager addressed the meeting concerning financing capital projects. Laurence Pizer, Town Clerk, addressed the meeting concerning the implications for elections pursuant to the date of passage of bond exemptions.

ARTICLE 6: Mrs. Scheid moved that the Town vote to appropriate the sum of \$4,500,000.00 for designing, constructing, originally equipping and furnishing a new police station; that to meet this appropriation the Treasurer with the approval of the Selectmen is authorized to borrow \$4,500,000.00 under G.L. c. 44, S7(3), and that the Board of Selectmen is authorized to take any other action necessary to carry out this project.

The meeting recessed from 9:07 P.M. to 9:25 P.M.

Mr. Abbott moved to amend the main motion by adding the following: "provided, however, that this vote shall not take effect until the Town votes to exempt from the limitation on total taxes imposed by G.L. c. 59, S21C

(Proposition 2 1/2) amounts required to pay the principal and interest the borrowing authorized by this vote."

Mr. Moreland moved that the method of voting be fixed as roll call. Mr. Moreland's motion PASSED. Mr. Abbott's amendment PASSED 46-44.

Mrs. Scheid moved to postpone further consideration of the Main Motion of Article 6 to Monday, 21 September 1992. Her motion PASSED.

Mrs. Scheid moved to adjourn to Wednesday, 16 September 1992 and, if necessary, Monday, 21 September 1992, at 7:30 P.M. at Plymouth North High School. Her motion PASSED.

The meeting recessed at 11:29 P.M.

**Special Town Meeting
Adjourned Session
September 16, 1992**

The Moderator, Mr. Triffletti, called Town Meeting to order at 7:38 P.M. on Wednesday, 16 September 1992 after the Town Clerk certified a quorum.

Mr. Tavares moved to reconsider the vote on Mr. Abbott's amendment to the Main Motion of Article 6. After a challenge, the reconsideration PASSED 54 in favor and 21 opposed.

Following debate, Mr. Edward Ryan moved the previous question. After a challenge, Mr. Ryan's motion FAILED 48 in favor and 27 opposed, with a 2/3 vote required.

Mr. Husted moved the previous question. His motion PASSED.

Mr. Husted moved to fix the method of voting by roll call. His motion PASSED.

Mr. Abbott's amendment FAILED, 29 in favor and 49 opposed.

The meeting recessed from 9:26 P.M. to 9:43 P.M.

Mrs. Scheid moved to adjourn following this meeting to Thursday, 17 September 1992. Her motion FAILED. Mrs. Scheid moved to adjourn following this meeting to Monday, 21 September 1992 and, if necessary, Wednesday, 23 September 1992. Her motion PASSED.

Mrs. Chaffee moved to amend the main motion by reducing the sum of \$4,500,000 to \$3,500,000 in the two instances in which it appears in Article 3. Her motion FAILED.

Mr. Fry moved to amend Mrs. Scheid's motion by adding the following language after the words "police stations": "the Town of Plymouth, Plat 77, Lot 14, as shown on the September 14, 1992 Special Town Meeting Locus

Map to accompany Article 6." A Motion to move the previous question PASSED. Mr. Fry's motion to amend FAILED.

Mr. Cotti moved to amend the Main Motion of Article 6 by adding "property currently owned by Plymouth County." A motion to move the previous question PASSED. Mr. Cotti's amendment FAILED.

Mrs. McCarthy moved to fix the method of voting as roll call. Her motion PASSED.

The vote on the main motion PASSED 59 in favor, 20 opposed.

The meeting adjourned at 11:42 P.M.

**Special Town Meeting
Adjourned Meeting
September 21, 1992**

On 21 September 1992, the Moderator and the Town Clerk made announcements concerning the procedure for roll call votes preceding the Call to Order. Following the Town Clerk's certification of a quorum, the Moderator called the meeting to order at 7:32 P.M.

ARTICLE 7: Mrs. Scheid moved that the Town vote to rename the Temporary Police Station Study Committee to the Temporary Police Station Building Committee and expand the charge to include oversight of the design and construction of a new police station.

Mr. Parker moved to amend the main motion by changing the makeup of the Police Station Building Committee from the detail of its acceptance on Article 20, 1987 Annual Town Meeting to include two citizens at large appointed by the selectmen; two citizens with building trade licenses, appointed by the selectmen; one citizen who must be an architect or trade engineer, appointed by the selectmen; the Chief of Police; a superior officer, appointed by the Chief of Police; a patrolman, appointed by the Chief of Police; and one person from the Temporary Police Station Study Committee, appointed by the selectmen.

Mr. Benjamin Brewster called the previous question. His motion PASSED. Mr. Parker's amendment PASSED on a standing vote, 52 voting in favor, 34 opposed. The main motion PASSED. (For additional action, see 9/23/92 session.)

The Moderator made a special presentation to Theresa Leonardi to the applause of Town Meeting on the occasion of her upcoming retirement after more than four decades of service to Plymouth.

ARTICLE 8: Mrs. Scheid moved that the Town vote to appropriate the sum of \$18,000,000.00 for designing, constructing, originally equipping and furnishing a new elementary school; that to meet this appropriation the Treasurer with the approval of the Selectmen is authorized to borrow \$18,000,000.00 under G.L. C. 44, S7(3) or Chapter 645 of the Acts of 1948 as amended; and that the Plymouth School Committee is authorized to take any other action necessary to carry out this project; provided how-

ever, that this vote shall not take effect until the Town votes to exempt from the limitation on total taxes imposed by G.L. c. 59, S21C (Proposition 2 1/2) amounts required to pay the principal of and interest on the borrowing authorized by this vote.

Mr. Parker moved to amend the Main Motion to add, "and further to authorize the Town Manager to execute all contracts associated with design, construction, originally equipping, and furnishing a new elementary school." The motion FAILED on a voice vote and was challenged by Eugene T. Lane. The counted vote revealed 31 in favor and 63 opposed.

Dr. Whitfield moved the previous question. His motion PASSED. A motion to fix the method of voting as roll call PASSED. The motion PASSED 36 in favor, 5 opposed.

A motion to adjourn PASSED at 10:35 P.M.

Special Town Meeting Adjourned Session September 23, 1992

On Wednesday, 23 September 1992, the Moderator opened the meeting with a discussion of procedural matters. Following certification of a quorum by the Town Clerk, the Moderator called the meeting to order at 7:37 P.M.

John Phaneuf moved to reconsider ARTICLE 7. On a voice vote the Moderator declared that Mr. Phaneuf's motion failed. The vote was challenged and PASSED with 37 in favor, 36 opposed, and two abstentions.

Mr. Phaneuf moved to amend Article 7 by changing the makeup of the Temporary Police Station Building Committee to the following:

2 citizens at large, appointed by the Advisory and Finance Committee; 2 citizens from the Temporary Police Station Study Committee, appointed by the selectmen; 2 Town Meeting Members, appointed by the Town Moderator; 2 citizens, one being an architect, one holding a Building Trade License, appointed by the selectmen; the Chief of Police; 1 ranking officer, appointed by the Chief of Police; 1 patrolman, appointed by the Chief of Police.

Mrs. MacKenzie moved the question. Her motion PASSED.

Mr. Phaneuf's motion to amend PASSED.

The vote on the Main Motion of Article 7 as amended PASSED.

ARTICLE 9: Mrs. Scheid moved that the Town vote to transfer the custody of land located off Long Pond Road and Lunn's Way as shown on Assessors Map 113, Lots 28-1, 29-1, 30-1 and 31-1 from the Board of Selectmen for general municipal purposes to the Board of Selectmen for the purpose of transfer, and further that the Town vote to transfer the custody of Lots 28-1, 29-1, 30-1 and 31-1 from the Board of Selectmen to the Plymouth School Committee for the purpose of locating a new elementary school, provided however that this vote shall not take effect until the Town votes to exempt from the limitation on total taxes imposed by G.L. c. 59, S21C A (Proposition 2 1/2) amounts required to pay the principal of and interest on

the borrowing authority authorized by action taken under Article 8 of the town meeting, and until the Town votes under clause (g) of that statute assess at least an additional \$3,800,000.00 in property taxes for School Department operating expenses for the fiscal year beginning July 1, 1995.

The motion PASSED unanimously.

Mrs. Scheid moved to take Article 15 out of order. Her motion PASSED by more than a two-thirds margin on a voice vote.

ARTICLE 15: Mrs. Scheid moved that the Town vote to grant a location and license agreement to Algonquin Gas for the installation of a pipeline over town-owned land in South Plymouth, subject to receipt of payment from Algonquin Gas in the sum of \$20,000.00, and subject to any further conditions imposed by the Board of Selectmen.

Mr. Lombard moved to amend Article 15 by increasing the sum from \$20,000 to \$25,000. His motion to amend FAILED.

Mr. Wood moved the question. His motion PASSED.

The Main Motion of Article 15 PASSED.

ARTICLE 10: Mr. Lane moved that the Town vote to authorize the Permanent Elementary School Building Committee to be the awarding authority for all contracts for design services and construction of elementary schools, and to further authorize the Permanent Elementary School Building Committee to enter into any and all contracts necessary to carry out such projects.

Mr. Parker moved to amend the main motion by adding the following: "That the awarding authority for all contracts for design services and construction of elementary schools be the Board of Selectmen through the Town Manager." The Town Moderator ruled the amendment not within the scope of Article 10.

The Town Meeting recessed from 9:28 P.M. to 9:43 P.M.

Mrs. Scheid moved that the next adjourned session, if necessary, be held on Wednesday, 30 September 1992. Her motion PASSED.

On the Main Motion of Article 10, the Moderator declared that the vote failed. The vote was challenged. The motion PASSED 40 in favor, 39 opposed.

ARTICLE 11: Mrs. Scheid moved that the Town vote to discharge the Manomet Sewerage Study Committee.

Her motion PASSED.

ARTICLE 12: Mrs. Scheid moved that the Town vote to authorize the Temporary Animal Shelter Study Committee to investigate and recommend sites for the construction of a new Animal Shelter.

Her motion PASSED.

ARTICLE 13: Mrs. Scheid moved that the Town vote to modify the membership requirements for the Temporary Animal Shelter Study Committee by substituting "two members appointed by the Police Department, one of whom shall be a Dog Officer" for the current requirement, "two members from the police Department, one of whom shall be a Dog Officer,".

Her motion PASSED.

ARTICLE 14: Mrs. Scheid moved that the Town vote to accept as a gift the land shown as Lots 403 and 404 on a plan of land entitled "Compiled Land Court in Plymouth MA. filed with the Land Court as Plan No. 11398L, located on Shore Drive, for municipal water purposes.

Her motion PASSED.

ARTICLE 16: Mrs. Scheid moves that the Town vote to accept as a gift an easement for the purpose of drainage over a portion of Lot 10-1, Plat 84, Long Pond Road, for a sum and upon conditions as may be determined by the Board of Selectmen, including the release of any prior inconsistent easements, said conveyance to be in confirmation of a certain easement taken pursuant to the vote on Article 12 of the 1967 Annual Town Meeting.

Mr. Serkey announced his abstention on the following vote.

Mrs. Scheid's motion PASSED.

Mrs. Scheid moved adjournment at 10:13 P.M. Her motion PASSED.

Caucus October 1, 1992

Upon call from the Town Clerk, Precinct 11 Town Meeting Members met in the Town Clerk's Office at 7:32 p.m. on 1 October 1992. Present were Bruce Allen, Richard Gilbert, and Albert McChesney. Also present were the Town Clerk, Laurence Pizer, and Carolyn Collins. Bruce Allen nominated Carolyn Collins. Albert McChesney seconded the nomination. She was elected unanimously to fill the unexpired term of James Bell.

| Precinct 12 | West Elementary School |
| Precinct 13 | West Elementary School |

in said Plymouth on Tuesday, the Third Day of November, 1992, between the hours of Seven O'Clock in the forenoon and Eight O'Clock in the evening; the following questions shall appear on the ballot for the voters of the Town of Plymouth to cast a decision upon:

QUESTION 1

Shall the Town of Plymouth be allowed to exempt from the provisions of Proposition 2 1/2, so-called, the amounts required to pay for the bonds to be issued in order to design, construct, equip and furnish a new elementary school?

QUESTION 2

Shall the Town of Plymouth be allowed to assess an additional \$3,900,000 in real estate and personal property taxes for the purposes of meeting increased school department operating expenses related to the opening of a new elementary school for the fiscal year beginning July 1, 1995?

And you are hereby required to serve this Warrant in the manner prescribed by vote of the Town by posting notices thereof, seven days at least before the meeting, in the Town Office Building and in public places in each precinct and make return thereof with your doings thereof at the time and place above-mentioned.

Given under our hands this the Thirteenth day of October, 1992.

Approved as to Legal
Form and Content
Elizabeth A. Lane

Board Of Selectmen
s/Samuel Butterfield, Chairman

s/George W. Cameron
s/Eugene T. Lane
s/Linda Sam Lenox
s/Peter Paulding

Plymouth, ss

Pursuant to the foregoing Warrant, I have this day warned the Inhabitants of Plymouth qualified to vote in elections to meet in Precinct 1, Hedge School, Precinct 2, Cold Spring Elementary School, Precinct 3, Town Hall, Precinct 4, Plymouth North High School, Precinct 5, Plymouth Community Intermediate School, Precinct 6, Manomet Elementary School, Precinct 7, Indian Brook Elementary School, Precinct 8, Old Cedarville School House, Precinct 9, South Elementary School, Precinct 10, Federal Furnace Elementary School, Precinct 11, Plymouth Airport, Precinct 12, West Elementary School, Precinct 13, West Elementary School in said Plymouth to cast their votes for Town Officers between the hours of Seven O'Clock in the forenoon and Eight O'Clock in the evening on Tuesday, the Third Day of November, 1992, by posting copies of this Warrant in the Town Office Building and in a public place in each precinct, seven days at least before such meeting.

Upon call from the Town Clerk, Precinct 6 Town Meeting Members met at Plymouth North High School at 7:15 P.M. on 7 December 1992. Present were Charlotte Collins, Eugene T. Lane, Jr., Peter Gellar, and Barry Wood. Mrs. Collins nominated Paula Barrett. Mr. Wood nominated John Sullivan. Ms. Barrett received one vote. Mr. Sullivan received three votes and was declared elected Town Meeting Member until the next annual election. The meeting adjourned at 7:25 P.M.

SPECIAL TOWN MEETING WARRANT

December 7, 1992

To any of the constables of the Town of Plymouth, commonwealth of Massachusetts:

GREETINGS:

In the name of the Commonwealth, you are directed to notify and warn the Inhabitants of Plymouth, qualified to consider and vote on articles at a Special Town Meeting, to meet at the Plymouth North High School on Monday, the Seventh Day of December, 1992, at 7:30 PM, to act on the following articles to wit:

ARTICLE 1: To see if the Town will vote to raise, appropriate, transfer or borrow a sum of money to be added to funds already appropriated under Article 7 of the 1992 Annual Town Meeting for the purpose of supplementing departmental expenses, or take any other action relative thereto.

BOARD OF SELECTMEN

ARTICLE 2: To see if the Town will vote to raise, appropriate, transfer or borrow a sum of money to purchase a police cruiser to replace a cruiser damaged in an accident, or take any other action relative thereto.

POLICE DEPARTMENT

ARTICLE 3: To see if the Town will vote to raise, appropriate, transfer or borrow a sum of money to purchase a personal computer and printer for use with a data base for computerized production of birth, death and marriage certificates, or take any other action relative thereto.

TOWN CLERK

ARTICLE 4: To see if the Town will vote to raise, appropriate, transfer or borrow a sum of money to purchase a refurbished IBM personal computer to replace an outdated and currently broken and non-repairable similar system; such funds to be expended by the Commission for Handicapped Affairs, or take any other action relative thereto.

COMMISSION FOR HANDICAPPED AFFAIRS

ARTICLE 5: To see if the Town will vote to raise, appropriate, transfer or borrow a sum of money to be expended by the Decommissioning Study Committee to allow them to purchase some outside services they require to correctly and within a reasonable amount of time produce a report on

the impacts of the decommissioning of the Pilgrim Nuclear Power Station to the Town of Plymouth, or take any other action relative thereto.
AD HOC DECOMMISSIONING STUDY COMMITTEE

ARTICLE 6: To see if the Town will vote to appropriate a sum of money for designing, constructing, originally equipping and furnishing a new elementary school; said appropriation to be raised by borrowing or otherwise, or take any other action relative thereto.
BY PETITION: Daniel J. Sullivan, et al.

ARTICLE 7: To see if the Town will vote to amend the comprehensive plan entitled "Refined Village Center's Plan," as adopted on May 27, 1991, as amended, by adding to that plan a document entitled "North Plymouth Master Plan" dated November, 1992, and further to establish a standing committee for purposes including implementation of the recommendations outlined in said North Plymouth Master Plan, or take any other action relative thereto.
PLANNING BOARD

ARTICLE 8: To see if the Town will vote to discharge the Permanent Land Use Study Committee, or take any other action relative thereto.
BOARD OF SELECTMEN

ARTICLE 9: To see if the Town will vote to accept Chapter 41, Section 100G 1/2 of the Massachusetts General Laws: members of the police department in a city, town or district may be excused from duty without loss of compensation while in attendance of meetings of the executive board of the Massachusetts Police Association when such meetings are held during the regular tour of duty of such member, or take any other action relative thereto.
BY PETITION: John R. Abbott, et al.

And you are hereby required to serve this warrant in the manner prescribed by vote of the Town by posting notices thereof fourteen days at least before such meeting, in the Town Office Building and in a public place in each precinct and make return thereof with your doings thereon at the time and place above mentioned.

Given under our hands this the Seventeenth Day of November, 1992
Approved as to Legal Form and Content
Town Counsel

Board Of Selectmen
Samuel Butterfield, Chairman
Eugene T Lane
Linda Sam Lenox
Peter Paulding

Plymouth, s.s.

Pursuant to the foregoing warrant, I have this day notified and warned the Inhabitants of Plymouth, qualified to vote in elections and Town affairs, to meet in said Plymouth on Monday, the Seventh Day of December, 1992, at 7:30PM, at the Plymouth North High School, by posting copies of this warrant in the Town Office Building and in a public place in each precinct.

CONSTABLE

Town of Plymouth

SPECIAL TOWN MEETING

December 7, 1992

The Moderator, F. Steven Triffletti, opened the meeting at 7:30 P.M., on Monday, 7 December 1992 at Plymouth North High School. Girl Scout Troop 13 and Cadet Troop presented the colors and led the pledge of allegiance. The Plymouth North and Plymouth South High Schools Ensemble played the National Anthem. Rabbi Lawrence Silverman of Temple Beth Jacob gave the invocation.

The Moderator called the meeting to order at 7:36 P.M. after the Clerk certified to him that a quorum was present. The Moderator found the Call Meeting to be in order and with permission of Town Meeting Members dispensed with the reading of the articles.

Mrs. Scheid spoke for the Finance Committee concerning hearings on the Annual Town Meeting Warrant.

ARTICLE 1: Mrs. Scheid moved that the Town vote to raise and appropriate the sum of \$440,000 and transfer the sum of \$18,000 as follows:

| PURPOSE | AMOUNT | SOURCE |
|---|---------------|---------------------------|
| Salary Reserve, Selectmen's Budget 0100-122-01-5110-000 | \$440,000.00 | Raise/Appropriate |
| Remove Oil Tank/Convert to Gas Heat, DPW Maintenance Division Budget 0100-422-03-5240-130 | \$ 18,000.00 | Transfer from Budget #750 |

Mr. Wood moved to divide the question. The Moderator declared the motion to pass, but Mr. Burke questioned the vote. The motion FAILED 32 in favor and 42 opposed.

Mr. Serkey moved to set the method of voting by standing vote. The Moderator held action until completion of discussion.

Mr. Burke moved the previous question. By a vote of 41 in favor and 8 opposed, the motion FAILED for lack of a two-thirds majority.

Mrs. Collins moved the previous question. Her motion PASSED.

Mr. Wood moved to fix the method of voting by roll call.

Mr. Serkey withdrew his motion. Mr. Wood's motion PASSED.

The main motion PASSED, 56 in favor, 22 opposed, and 1 present.

ARTICLE 2: Mrs. Scheid moved that the Town vote to transfer the sum of \$9,665.00 to purchase a Police cruiser, said funds to be expended under the supervision of the Chief of Police, as follows:

| SOURCE | AMOUNT |
|---------------------------------------|-------------|
| Article 8-J, 1992 Annual Town Meeting | \$ 2,320.00 |
| Article 8-K, 1992 Annual Town Meeting | 1,103.00 |
| Budget #750 Interest | 6,242.00 |

The motion PASSED.

ARTICLE 3: Mrs. Scheid moved that the Town vote to raise and appropriate the sum of \$2,300.00 to purchase a personal computer and printer, said funds to be expended under the supervision of the Town Clerk.

The motion PASSED.

ARTICLE 4: Mrs. Scheid moved that the Town vote to raise and appropriate the sum of \$349.00 to purchase a refurbished personal computer system, said funds to be expended under the supervision of the Commission for Handicapped Affairs. .

The motion PASSED.

ARTICLE 5: Mrs. Scheid moved that the Town vote to raise and appropriate the sum of \$110.00 for the purchase of services required to produce a report on the impact of the decommissioning of the Pilgrim Nuclear Power Station, said funds to be expended under the supervision of the Ad Hoc Decommissioning Study Committee.

The motion PASSED.

ARTICLE 6: No action as requested by the petitioner.

The meeting recessed from 9:15 P.M. to 9:28 P.M.

Mr. Kelleher spoke concerning the Ad Hoc Committee on Town Meeting. Representative Peter Forman presented a state check to the Town for a capital grant.

ARTICLE 7: Mrs. Scheid moved that the Town vote to amend the comprehensive plan entitled "Refined Village Center's Plan," as adopted on May 27, 1980, as amended, by adding to that plan a document entitled "North Plymouth Master Plan" dated November 1992

and further,

that the Town vote to establish a Permanent North Plymouth Steering Committee, to be advisory in nature and its primary function to assist in the implementation of the North Plymouth Village Master Plan, and to advocate for the needs of the area.

Membership of the committee shall be seven (7) members appointed for three year overlapping terms, as follows:

Six (6) appointed by the Planning Board

One (1) appointed by the Board of Selectmen

Any Town Meeting members who live within the defined North Plymouth Village Service Area who are not appointed to the committee shall be non-voting "ex-officio" members.

The Planning Board shall appoint a temporary Chairman. Beginning with the 1994 Annual Town Meeting, the Committee shall report annually to the Town, either at the Annual Town Meeting, or a written report placed on file with the Town Clerk's Office to be included in the Annual Town Report for the Town of Plymouth.

The motion PASSED.

ARTICLE 8: Mrs. Scheid moved that the Town vote to discharge the Permanent Land Use Study Committee.

The motion PASSED.

ARTICLE 9: Mrs. Scheid moved that the Town vote to accept Chapter 41, Section 100G 1/2 of the Massachusetts General Laws.

The motion PASSED.

Mrs. Miller moved adjournment, which was voted at 9:47 P.M.

BOARD OF SELECTMEN

Nineteen ninety two was an especially challenging year for the Board Selectmen. It was also a year of new initiatives and creative thinking. Ongoing economic recession and fiscal constraints stress every department and taxpayer. Yet, as a result, we continue learning together to do more with less.

We acknowledge with gratitude and great respect the services of Al Thompson and Bruce Arons, both of whom retired from the board after two terms. Their good humor and tireless dedication to our community will be missed. Peter Paulding, a veteran sergeant in our Police Department, and Eugene Lane, a corporate risk manager with BayBank, won the honor of filling the vacant seats at the spring election. George Cameron served with characteristic distinction as the board's chairman from May until October, then left the board for retirement in Maine. We wish George happiness and good fortune in his new life. With Sam Butterfield presiding as chairman, the board scheduled a special election for January, 1993 at which veteran former board member Bill Nolan was elected to serve out Mr. Cameron's term.

During the first full calendar year of the Town Manager form of government, the board endeavored to give up our management responsibilities and work within our primary role as policymakers. Though our urge to "micro-manage" persists, progress was made easier as Town Manager Bill Griffin continued to demonstrate integrity, skill and leadership in his new role. With the board's support and encouragement, Mr. Griffin's team implemented major changes through consolidation of departments, centralized financial management, quarterly tax billing, insurance cost controls, "Total Quality Management" initiatives (winning statewide recognition for Plymouth), extremely successful grant applications and dramatically improved tax collections. These initiatives translated not only into several hundred thousand dollars in tax savings, but to continuous improvement of services.

The foundation of the board's policy development began with a goalsetting process and its first-ever "Mission Statement":

"The mission of the Town of Plymouth is to provide effective and efficient municipal services to all its residents and taxpayers; to honor the public trust through open and honest communication; to foster teamwork and innovation; to treat employees with the respect and dignity they deserve; and to make Plymouth the best managed and most livable community in the Commonwealth of Massachusetts."

Strategies were developed by the Town Manager's Guidance Team to support the board's thirteen goals. They are ambitious and far-reaching. Most are well on their way to implementation, including:

- a Citizen Survey on town service needs and quality
- consolidated budgets for Departments of Finance and Planning & Development
- a Strategic Plan for Economic Development with state grant assistance and active participation by Plymouth's business community

- consolidation and coordination of town tourism services and marketing, including creation of a promotions fund funded by room tax receipts and award of a 3-year contract for marketing services and operation of the new waterfront Visitor Center
- partnership with the Plymouth Downtown Harbor Corporation for revitalization and marketing of the downtown waterfront business district, also with state grant assistance
- a prioritization process for "major capital projects" as a refinement to the town's widely-recognized capital improvements planning process
- implementation of the town's Recycling Program, begun in full in August and now processing over 60 tons per month of recyclables with the help of 65 volunteers
- a cultural needs assessment, including a citizen telephone survey with funding through the Arts Lottery Council
- formation of a reorganized Land Use & Land Acquisition Committee for purposes of accomplishing prudent acquisitions of land for municipal uses and, in special instances, for more effective growth management and environmental protection. This committee will also oversee a more concentrated effort to dispose of tax title properties and other unneeded town owned parcels.

The board has initiated more proactive communication with citizens through the semi-weekly publication of an informational newspaper column called "Hallways" in cooperation with the Old Colony Memorial. The column has run approximately nine articles ranging in topics from the town's sewage disposal problems to collective bargaining processes. Once again we acknowledge the efforts of the Town Manager's team in producing most of these informative pieces.

Major ongoing projects that will demand the board's careful attention for several years to come are Wastewater Facilities (planning and construction) and Solid Waste Management. Each of these efforts involves an exhaustive look at innovative alternative technologies and solutions which, if successful, will offer substantial savings and environmentally sound solutions for the citizens of Plymouth.

The board is grateful to all residents and employees of the community who continually offer their time, talent and resources in mutually constructive efforts to improve the quality of life in Plymouth, especially those who unselfishly volunteer (including many employees) for the benefit of us all. It is through such effort and caring that we will weather these difficult times and show the strength and character of our community.

TOWN MANAGER

It is with pleasure that I submit the Town Manager's annual report for 1992. I am very pleased to report that the implementation of the Town Manager system continued unabated in 1992. The consolidation of departments, the sharing of manpower resources across departmental lines, and improved customer service all began to evolve in 1992.

The year 1992 was marked by the appointment of several key administrators. In the Fire Department, Thomas Fugazzi was appointed Fire Chief, while in the Police Department, Robert Pomeroy was appointed Police Chief. And finally, Laurence Pizer was chosen among a large field of candidates to serve as Plymouth's Town Clerk. In each case, the chosen candidate brings to his position outstanding credentials, interpersonal skills, high ethical standards and a strong desire to serve the public.

The implementation of the total quality management (TQM) system for town government continued in 1992. Total Quality Management is a system to improve the quality of services to the taxpayer through teamwork and focus on the customer. During 1992, quality improvement teams were created to address issues relating to water and sewer billing operations, and to undertake a citizens survey, an employee recognition program and an employee activities program. To date, substantial progress has been made by the water/sewer teams to reduce account receivables and improve the billing system, all for the benefit of the ratepayers. The employee activities team developed a "Town Employees for Charity" program that has already included a Thanksgiving food drive and sponsorship of needy families this past Christmas. In addition, that team is now developing a social activities program and an educational workshop program for town employees. During 1993, the work of the citizen survey and employee recognition teams will begin to bear fruit.

I am pleased to say that the Town of Plymouth continues to play a leadership role in TQM in local government in Massachusetts. During 1992, I was elected president of the Massachusetts Municipal Quality Network. In addition, I was asked to participate in a number of forums and meetings associated with TQM, including the Rhode Island Quality Conference. Finally, the Town of Plymouth was fortunate to receive a grant in 1992 from the Massachusetts Executive Office of Communities and Development to enhance our TQM training program for town employees.

There were, of course, several major projects or events that required the participation and commitment of the Town Manager's office during 1992. The Town Manager's office was responsible, in cooperation with the Recycling Committee and the Department of Public Works, to solicit bids and coordinate the implementation of a longterm recycling program. In addition, the Town Manager and staff were closely involved in negotiations with the Plymouth County Commissioners on the benefits to the town of the new county prison facility and the facility's connection to the town's waste water system.

A dominant issue for this office in 1992 was the commencement of the Phase I waste water treatment facility study by the consulting firm of

Camp, Dresser & McKee (CDM). That study has proceeded with considerable public participation and the active involvement of the town's Citizen Advisory Committee.

In closing, I wish to thank Assistant Town Manager Eleanor Beth, office staff, department heads and employees for their dedication and commitment to the Town of Plymouth and its citizens.

TOWN CLERK'S OFFICE

1992 brought extraordinary change to the Town Clerk's office. The Town Charter of 1991 mandated appointment of the Town Clerk rather than election. The Town Manager took advantage of the opportunity to separate the offices of Treasurer and Clerk after many years of the two offices held by one person. On June 30, 1992, the Town Manager selected Laurence R. Pizer to be the first appointed Town Clerk.

Over the year, the Clerk's office conducted four elections, including a national election that produced the largest single day registration in the town's records and the largest vote in the town's history. The clerk supervised the temporary moving of a polling place because of a lack of handicapped access when Precinct 8 voted at Indian Brook School rather than the Cedarville Schoolhouse for the state primary in September.

The clerk oversaw a recall plan that completed the first stage of attempted removal of four school committee members but failed to complete the second stage. The clerk's office reviewed a petition to reverse a town meeting article that failed for lack of sufficient signatures.

Several processes in the office received electronic assistance. Business certificates became part of a database, allowing quick answers to inquiries about Plymouth companies. Vital records came from computer printing, preparing for more complete indexing in 1993.

Following Edward Maccaferri's three years as Town Clerk/Treasurer, he became Town Treasurer in July. Jeanne O'Donnell assisted Mr. Pizer in his transition and then left for the Tax Collector's Office. Marlene Pedro joined the staff after 24 years in other Town Hall positions.

DEPARTMENT OF FINANCE

The department's consolidation was completed in May, 1992 when the terms of the elected Town Treasurer and Town Collector expired. At that time, the former elected officials became appointed employees of the town.

The Department of Finance has continued to increase our use of automation. During the past year, a quarterly tax billing system was implemented. As a result, the town's long standing tradition of temporary borrowing was eliminated and considerable savings were achieved.

The state required the town's Assessors to completely revalue every piece of property in town before setting the 1993 tax rate. The process began last year and was completed this year. In spite of a very complex and volatile real estate market, the town's tax bills were issued on time and the current flow of applications for abatements indicates that the values established by the Assessors were accurate.

During the past year the Department of Finance focused considerable energies towards automating our accounts receivable collections system. This process continues to be the department's highest priority into the future. It is expected that improvements to these systems will continue through FY '93 and into FY '94. The most visible result of this effort will be a sale of properties taken for non-payment of taxes that is scheduled for the spring of 1993.

The town's Department of Finance also played a major role in last year's refinancing of the Plymouth-Carver Regional School District's bond for Plymouth South High School. Much of the work required to call in the old bond and finance the new one was done by Department of Finance staff. This single financial project reduced the amount of interest Plymouth's taxpayers will pay over the next 10 years by almost \$1,000,000.

The following pages provide additional details regarding each of the divisions' activities over the past year. The Department of Finance appreciates the support and encouragement that has been provided us by all segments of the community during our formative stages. We enthusiastically look forward to the challenges of the coming year.

ACCOUNTING

Hereby submitted this annual report for the fiscal year ending June 30, 1992.

In order to comply with MGL Ch41, s50 there is provided a June 30, 1992 Reconciliation of Treasurer's Cash.

In order to comply with MGL Ch41, s53 there is provided a June 30, 1992 Town of Plymouth Trust Fund Combined Balance Sheet and Detail Balance Sheets for the Expendable and the Non-Expendable Trust Funds as well as Statement of Revenues, Expenditures & Changes in Trust Fund Balances.

In order to comply with MGL Ch41, s58 and MGL Ch41, s61 there is provided the the following financial statements:

June 30, 1992 Combined Balance Sheet.

June 30, 1992 Combined Statement of Revenues, Transfers and Expenditures with Changes in Fund Balance.

June 30, 1992 Summary Statement of Revenues, Transfers and Expenditures Budget and Actual - General Fund.

June 30, 1992 Statement of Revenues, Transfers and Expenditures for All Budgetary Items.

| Treasurer's cash | 7,294,69 |
| Contributory Retirement System | 1,365,19 |
| Total Cash | <u>8,659,88</u> |

ASSESSORS

The Assessing Division had a very busy and complicated schedule during 1992. The second half actual Fiscal 1992 real and personal property tax bills were mailed on April 1, 1992. The payments were due on May 1, 1992.

In the spring a number of personnel changes were made. Kathleen M. aVallee departed for a relocation with her family to Florida. Anne Dunne was promoted from Lister/Appraiser to Assistant Assessor to fill that vacancy. Ellen Blanchard was hired from the Conservation Department to fill the Lister/Appraiser position.

At the annual Town Meeting in April, the town meeting members voted to institute a quarterly tax billing system. The staff had to update all deeds and abstracts current to January 1, 1992. The first quarter tax was sent out on July 1, 1992. This bill was due August 3, 1992.

In July, the Board of Assessors was reorganized from one full-time and two part-time members to a five member volunteer citizen board. The five original members appointed by the town are William A. Burke: Chairman, Catherine Rebell: Vice-Chairwoman, Corinne McDonnell, Laurien Enos and Gerald Kelleher.

Bill Burke left his part-time position after 7 years. As Chairman of the new board he has brought a sense of continuity and a wealth of knowledge.

The two part-time positions were combined into a new Lister/Appraiser position. Carolyn Colligan was hired from the Collector's office to fill this job. Ellen Formica left to work in the Department of Public Works and was replaced by Marsha Britto who had worked for the Historic District Commission.

Most of the work done by the Assessing Department was in regard to the mandatory triennial FY '93 revaluation.

The analysis started in March by researching the sales that occurred in 1991 and the income and expense requests that were returned to the department. After the Department of Revenue reviewed the reports, we started the field review. Every commercial and industrial parcel was reviewed in the field from July through October. Every residential parcel was reviewed in the field from August through October.

The Department of Revenue again reviewed the values and issued preliminary certification in mid-November. The Assessing Department held a mandatory public disclosure period from November 30 through December 7. All changes in value greater than 10% were reported to the D.O.R. On December 8, the Assessing Department received final certification. The public classification hearing was held by the Board of Selectmen on December 16. At that hearing the Board voted to shift the tax rate. With the new values and new tax rates the Town issued tax bills on December 31, 1992 for FY '93.

Special thanks this year to Anne Dunn and Claire Soares for their ever ending devotion to excellence.

| | | |
|--------|---|---------------|
| FY '92 | Tax rate | \$16. |
| FY '92 | Total value | \$3,410,835,2 |
| FY '93 | Residential & Open Space Tax Rate | \$17. |
| FY '93 | Commercial, Industrial & Personal Property Rate | \$19. |
| FY '93 | Total Value | \$3,183,961,3 |

DATA PROCESSING

This department has had a very energetic year with many changes taking place under the Division of Finance.

In August of this year, Corinne D. McDonnell was employed as Assistant to the Data Processing Manager. She works 18 hours per week and her services have greatly improved the work flow in the department.

Due to vote of Town Meeting, we instituted Quarterly Tax Bills. With use of a scan line on the bottom of all tax bills, all postings are loaded into our computer, resulting in automatic postings from our lockbox service. With quarterly billing, the Collector's office now posts 100,000 bills per year. Although still in the early stages, this automation should result in less manual work and better audit controls. We encourage all taxpayers to use the return envelope, with our lockbox address, enclosed with your bill in order to take advantage of this process. This ought to result in timely posting to their accounts.

The Department of Finance has begun an aggressive program to increase the cash flow with regards to our Water and Sewer Charge Collections. This now includes monthly "Demand" letters for outstanding accounts, explaining charges being added to bills. The effect of this can be seen in our collection rate.

We continue to work with all town departments on new ways to improve the quality of work, as well as their efficiency, through automation.

This office would like to thank all departments for their efforts during the past year.

TREASURY

In May of 1992 the term of the elected position of Town Clerk and Treasurer had been completed. The positions became appointed as required under the Town Charter. Both positions were served by the previously elected Clerk/Treasurer until the end of the fiscal year.

During the fiscal year the town's treasury recorded gross receipts of \$118,117,023.05 and gross warrant payments of \$118,938,939.91. During this period the Treasurer found it necessary to borrow several times in anticipation of tax revenue in order to meet the Town's obligations. The following amounts were borrowed:

| | | |
|-------------------|-----------------|-------|
| 08/22/91-11/14/91 | \$11,000,000.00 | 4.39% |
| 01/31/92-05/15/92 | 6,000,000.00 | 2.89% |
| 04/03/92-05/15/92 | 5,000,000.00 | 3.06% |

On November 15, 1991 temporary debt for several projects previously authorized by Town Meeting were consolidated into a bond issue. The bond was for \$7,460,000.00 at a net interest cost of 6.0094%. The projects included were as follows:

| | |
|-------------------------------|--------------|
| Public Library Construction | 5,000,000.00 |
| School Roof Repairs | 1,265,000.00 |
| Sandwich Street Sewer Mains | 95,000.00 |
| Darby Pump Station | 255,000.00 |
| Cedarbushes Water Mains | 58,000.00 |
| Kingsbridge Shore Water Mains | 450,000.00 |

The Annual Town Meeting of April 1992 accepted the use of quarterly tax billing for personal property and real estate tax. Treasury closed the year looking forward to a more efficient cash flow for the next fiscal year along with working to implement the transition of an appointed Treasurer within the new Department of Finance.

PERSONNEL DEPARTMENT

During 1992, the Personnel Department continued to provide the most cost efficient and effective human resource services to 475 Town employees and 283 retirees and their spouses. Efforts to reduce costs while maintaining services in the areas of benefits administration, workers' compensation, employee relations, employment, and labor relations were achieved through the implementation of new systems and the continuous monitoring of services.

HEALTH INSURANCE

The Town's health insurance budget for FY '94 will be increased by 12%. The municipal health insurance budget will be funded at \$3,080,000. During the year, every step was taken to reduce costs and carefully scrutinize claims under our existing medical plan design. Over the past three years, the Town's health insurance budget has increased an average of 6.5%. Even with the significant constraints set forth by Massachusetts General Law Chapter 32B, collective bargaining agreements and the existing health insurance plan we continue to monitor claims very closely and at the same time look for innovative ways to reduce health care costs. One example was an objection of medical payments made by Blue Cross on behalf of the Town that resulted in Blue Cross ultimately agreeing to reduce one bill by \$60,000 because of third party liability. This type of monitoring is a continuous process.

Trust Fund

A Health Insurance Trust Fund was established two years ago commensurate with MGL Chapter 32B. The Town has two months worth of claims on hand for town and schools. For the FY '94 budget, approximately, \$414,125 will be utilized from the trust fund to offset the overall 20% in health insurance for both town and schools. The establishment of the Trust Fund has greatly assisted the Town in the funding of the health insurance budget for the last two years.

Preventative Health Care Programs

The town has continued its efforts in the area of providing preventative health care clinics. Once again, blood pressure, blood sugar, cholesterol screening, and flu vaccine clinics were provided to our employees through CURA.

The Hepatitis B inoculation program for town employees has been completed. The program was made available to all fire fighters, police officers, harbor master personnel, wastewater treatment personnel and highway department personnel responsible for rubbish collection. A total of 186 town employees were inoculated.

During 1992, the Town of Plymouth worked with the Plymouth Athletic Club to set up a corporate membership for town employees. Because of the town's new payroll system employees were given the opportunity to join the health club without an enrollment fee and make automatic payroll deductions on a weekly basis. There are 119 town and school employees and families enrolled in the health club.

Employee Benefits Advisory Committee

During 1992, the Employee Benefits Advisory Committee met on a monthly basis. The committee, made up of representatives from town and school union and non-union groups, became more knowledgeable on health insurance issues and researched and recommended program enhancements to the overall benefits package without increasing costs to the Town. One of the recommendations made was to implement a Section 125 Cafeteria Plan. The Section 125 Plan allows employees to use pre-tax dollars for dependent care and out-of-pocket medical expenses. This plan was made available to employees who work at least 20 hours per week. Employees pay all of the costs associated with the program and town saves money because FICA payments are reduced through the pre-tax dollar plan. Approximately 75 employees took advantage of the program.

Additionally, the Employee Benefits Advisory Committee sponsored a Fitness and Benefits Fair at the Plymouth Athletic Club for employees and retirees. Representatives from Blue Cross, Cafeteria Plan Advisors, Jordan Hospital Physical Therapy, Plymouth Saving Lives Program and the Plymouth School Department were on site to provide benefit and health information to employees and retirees. A total of 76 people attended the fair.

Injured on Duty (111F) Claims & Disabled Retiree (100B) Claims

Massachusetts General Laws require the town to pay directly for all 111F (police and fire injured-on-duty) and 100B (police and fire injured-on-duty retiree) claims. The Personnel Department continues to closely monitor the injured-on-duty claims with the Police Chief and Fire Chief. Partnerships with many medical providers continue to expand. All medical claims for injured on duty and retired disabled police and fire fighters are sent to AccuMed for review and discounting appropriate to workers' compensation rates. Last year, the average reduction was 45% resulting in a cost savings to the Town of \$30,322.79.

Other

The town is currently exploring with the Jordan Hospital various ways in which the Jordan can assist the town provide up-to-date training and medical programs to town employees. Some of the areas being explored are:

- an infectious disease program for public safety personnel
- CPR and First Responder training programs for public safety and town employees
- physician services for employees injured-on-the-job, employee training on nutrition, AIDS, drugs and alcohol, stress management, etc.
- pre-placement physicals for police, fire and DPW new hires

WORKERS' COMPENSATION

This year the Town of Plymouth was given the Best Overall Safety Performance Award for a new member by the Massachusetts Interlocal Insurance Agency in recognition of the town's continued efforts in the area of employee safety.

All of the components of the program offered through MIIA have significantly increased employee safety awareness. In 1992, training was presented to employees on topics such as: back injury prevention, work area protection, dog bite prevention, work zone traffic safety, and video display terminal safety. Additionally, a supervisory workshop on accident investigation was presented to all DPW supervisors.

The DPW Safety Committee comprised of three union representatives and three management representatives met on a quarterly basis during 1992 and compiled a safety handbook for all DPW employees. Distribution of the handbook is expected sometime in the Spring.

One of the most significant improvements made this year in the area of workers' compensation was a "Modified Work Programs" policy for DPW employees. This newly adopted policy, agreed to by DPW employees and management, was established to bring employees back to work on a modified work program commensurate with restrictions set forth by the employee's physician until they were physically fit to perform the full scope of their job responsibilities.

COMPENSATION

In response to the charter amendments approved by the voters in March 1991, the Personnel Department reviewed, consolidated, reclassified and established job descriptions for the positions affected by the newly adopted charter. New job descriptions were written for the positions of Collector, Treasurer and Clerk. These three positions were previously elected positions and they were never classified in the Personnel By-Law. Job descrip

ions were also developed for the Director of Finance and the Director of Planning and Development. Three (3) other positions were affected by the charter change and new job descriptions were written for the Assistant Town Manager, Accounting Officer, and Town Planner.

EMPLOYEE RELATIONS

During the year steps were taken to quantify the need for an Employee Assistance Program. Several hundred thousand dollars continue to be spent in this area. A RFP has been developed to identify an organization that will supply services to employees on such issues as marital or family issues, emotional upsets, alcohol or drug abuse, addictions, loss or grief, legal problems, financial problems, issues about dependent care and other life issues. The expenses associated with the program will come under the health insurance budget. An employee assistance program will have a significant positive impact for employees and their families. We also believe this approach will help employee performance and reduce overall health insurance claims.

EMPLOYMENT

During 1992, 30 permanent new employees were hired to replace employees who either terminated or retired from their employment with the town. Additionally, 39 employees were either promoted or transferred within the organization. A total of 22 employees either retired or resigned.

During the summer months, the town worked with the South Coastal Career Development Administration to provide career education and experience to economically disadvantaged and disabled young people between the ages of 14 through 21. A total of 12 young people were assigned to work in the Department of Public Works, Council on Aging, Economic Development Commission, and the Library. The program enhanced the participants' marketability, provided access to positive employment experiences, and contributed to their job skill development and career exploration.

LABOR RELATIONS

In 1992, a total of 15 grievances were heard at the step 2 level of the grievance procedure for DPW, Clerical, Dispatchers, and Library unions.

All eight collective bargaining agreements expired on June 30, 1991. Negotiations with each of the unions continued throughout 1992 without any agreements being ratified.

DEPARTMENT OF PLANNING & DEVELOPMENT

The year 1992 was the first full year of operation for the consolidated Department of Planning & Development. Under the new Town Charter, the department is responsible for the planning, community development and economic development functions of the town. This includes the supervision and coordination of town agencies related to subdivision control, land acquisition, conservation, redevelopment and revitalization, zoning appeal design review, historic preservation, affordable housing, and economic development.

The implementation of the new charter is an ongoing task as individual boards and agencies are working more closely together. There is also increased administrative efficiency in working under the Director of Planning & Development and Town Manager. The professional staffs continue to meet on a weekly basis with the goal of improving communication and coordination of activities.

The new organizational structure continues to change and adapt to new challenges. The following boards and agencies present individual reports as to 1992 activities, however, many are shared tasks and accomplishments.

CEDARVILLE STEERING COMMITTEE

With the adoption of the Cedarville Master Plan by Town Meeting in April, the Cedarville Steering Committee was formed to help implement the plan and advocate for the needs of the village. The following members were appointed by the Planning Board in July.

Genevieve Ash

Bernard Hennessy

John Lee

Ann Skelly

Laura Briggs

Robert Duffy

Joseph Piccolo (Board of Selectmen Appointee)

There were several organizational meetings held in August. During this time the various tasks cited in the Cedarville Master Plan were prioritized and members chose tasks according to their interests and expertise. It was agreed that some of these goals could be best accomplished by an individual and other projects would require a group effort.

Ann Skelly was elected as Chairman and Joseph Piccolo was selected as Vice-Chairman.

The committee chose the project of converting the large parcel of town-owned land into conservation as its primary task. A citizens' petition was submitted for the warrant for the Annual Town Meeting in April 1993. The 10 Citizen petition requested that a large parcel of town-owned land in Cedarville be changed to conservation land.

The committee met with the Cedarville-Sagamore Business Association to discuss common problems and ways that we can help each other to improve Cedarville. The committee also met with Peter Lynch, Star Market's Vice-President of store operations, for a presentation on the new Cedarville Star Market Plus. The visual presentation was extremely interesting; it was learned that the store will employ about 300 people, most of whom will be from the area. Hours of operation, traffic issues, traffic impact etc. were also discussed.

Members of the committee are beginning to make contact with town departments to see how some goals can be worked into the department's plans and budgets. Members are also working on finding possible beach access, a Cedarville Beautification Day, transportation needs, a new fire station, and traffic and safety issues. The committee is off to an ambitious start and thanks Mr. Lenox, Ms. Beth, Mr. Griffin, Mr. Hartmann, Mr. Peck and Mr. Pizer for their help as this new committee tackles its many ambitious goals.

OFFICE OF COMMUNITY DEVELOPMENT

Community Development's programs expanded considerably during 1992. With more than \$1 million awarded through two grants from the Massachusetts Small Cities Program, this department was able to meet a much wider variety of community needs.

In housing, Community Development loaned over \$300,000 to lower income families who needed help improving their homes. The very successful Housing Services Program also provided 1:1 matching loans to landlords to improve tenant-occupied properties, especially in North Plymouth. Code violations and safety hazards were abated in a total of 30 housing units during 1992.

In keeping with its charge to coordinate implementation of the Plymouth Center/Waterfront Area Master Plan, Community Development administered several programs in conjunction with the Plymouth Downtown/Harbor Corporation (PDHC) and the Visitor Services Board. A second year of commercial property improvement grants led to the rehabilitation of 10 downtown/harbor district buildings and new signs for 10 small businesses. This \$100,000 commitment of public funds leveraged more than \$250,000 in private investments. A new directional signage system and downtown business recruitment and retention programs were also developed in preparation for 1993. Community Development again facilitated Visitor Services Board programs to strengthen tourism. Among those: completion of the Water St. Visitor Information Center, which opened in July, 1992, under a management contract with Destination Plymouth, Inc.; tourism promotional programs with the Plymouth Area Chamber of Commerce and Destination Plymouth; and the board's successful Promotional Mini-Grants Program which helped several organizations promote events and attract visitors.

Finally, Community Development administered \$425,000 in town and regional grant funds earmarked for social services. These monies were allocated to 21 agencies through vendor contracts, benefiting thousands of elderly and low-income persons. Eighty percent of the clients served with these grant monies were Plymouth residents.

COMMUNITY DEVELOPMENT ADVISORY COUNCIL

The Community Development Advisory Council (CDAC) has continuously met throughout the year to advise and assist community development staff on a wide variety of projects. As appointees of the Board of Selectmen & Planning Board, CDAC tries to identify needs within the community which may be best addressed with grant funds or a combination of grant, town and private resources. Recommendations are then developed for the selectmen to consider in scoping out requests for various grant funds.

During 1992, CDAC reviewed and advised on over 30 requests from local residents seeking loans through Community Development's Housing Services Program; screened and selected agencies to provide social services to local residents; co-managed a human services needs study with the Greater Plymouth Council of Human Service Agencies; and conducted an assessment of community development needs for the Small Cities grant application that was submitted to the state in the fall. Because of the strength of needs data included in that application and the availability of matching funds from either the town or private business, Plymouth was successful in obtaining \$737,130 for new and expanded community development programs next year.

CDAC's purpose is to identify programs that can help Plymouth implement its community planning aims. The council appreciates suggestions from local residents, businesses, non-profit organizations and town officials and does its best to locate grant sources that can help manage development needs in the town.

CONSERVATION COMMISSION

The Conservation Commission consists of seven volunteer members who are appointed by the Board of Selectmen. Assisted by a Conservation Administrator, they are charged with several duties including the acquisition of land for the purpose of management and promotion of unspoiled natural resource areas and the protection of inland and coastal natural resources. The protecting of these natural resources benefits the town by providing flood control, protection from storm damage, protection of clean water supplies, promotion of wildlife diversity and recreation. Any time which remains is spent pursuing long range planning and community education.

The Conservation Commission protects the town's natural resources through the State Wetlands Protection Act and the Town Wetlands Protection Bylaw. The commission and its staff have been extremely busy this past year, especially because of the October 31, 1991 coastal storm, which kept the commission busy well into 1992. The commission met almost every Monday night at the Town Hall in order to act on over one hundred thirty-seven (137) Notices of Intent, and twenty-one (21) Requests for Determination, with only one project denied, making 1992 our busiest year to date. The projects ranged from sheds, to stairs, to single family houses, to storm damage construction/reconstruction projects such as stairs, houses and stone revetments and walls. On December 12, 1992, another storm hit Plymouth which caused property damage along our approximately eighteen mile long coastline.

If you plan to do any bank stabilization, stone moving, earthmoving construction, or even tree or shrub cutting projects, please check with the Conservation office beforehand. A permit may be required. The office answering machine (508) 830-4060 is on twenty-four (24) hours a day, taking messages while the staff is out of the office.

The commission also protects the town's natural resources through acquisition and management of existing land. The commission has accepted six (6) inland parcels of land this year, adding further to the existing open space inventory. Two parcels, located off Blueberry Road, were donated by Mr. Kevin Kenney. Mr. Kenney's father, Joseph Kenney, also donated a lot nearby. Ms. Marilyn Swenson donated two lots, off Pond View Circle, which abut Ship Pond. The last lot donated, located off Bourne Road and abuts wetlands on Ezekiel Pond, was donated by Ms. Mary Moriarty.

The commission sponsored the fifth annual Massachusetts Coastal Zone Management Beach Cleanups on both Nelson and White Horse Beaches. If you or your family are interested in participating in keeping the beaches clean, please contact the commission.

In an effort to increase everyone's knowledge about the environmental laws, pollution and resource/wetlands protection, the commission will make themselves available for presentations to schools, boards, clubs or groups.

A few changes occurred on the Conservation Commission this year. The commission has retained last year's members and their respective position in office, with the exception of Linda M. Kunhardt, who replaces

Carol A. Paone. Richard Daniels has resigned as an assistant member to the Commission, however, John and Mary Lou Flattery have become new assistant members, helping with special projects on an as-needed basis. The commission welcomes assistance from anyone with the enthusiasm and desire to protect our resources.

In closing, the commission and their staff wish to thank their assistant members, all the boards, departments, commissions and committees from the Town of Plymouth and the various local, state, county and federal agencies and organizations, for their assistance this past year.

DESIGN REVIEW BOARD

The Design Review Board had an active and beneficial year for the Town of Plymouth. The board's function is twofold, first as an advisory board for the Zoning Appeals Board, and, secondly, overseeing the Appearance Code for the town.

The volunteer board consists of professionals including architects, a landscape architect, a builder, an attorney, and an appointee of the Planning Board. With the new charter change, the board works directly with the Director of Planning and Development. There was one change in the makeup of the board this year, as David F. Connor was appointed to replace Jonathan Balas.

In the advisory capacity the board has reviewed petitions to the appeals board at least once a month and often every other week. The second function is to review for the Appearance Code any new commercial buildings, except one and two family homes and structures within the industrial parks. Both alterations and new construction are reviewed in order to recommend to the petitioner what the town, through its Appearance Code would prefer, keeping in mind the colonial character of Plymouth. Although not limited to colonial styling, the code does mention that new construction should be "in harmony with its neighbors" so that a quonset hut could not be built beside a beautiful old building. The landscaping, lighting, colors, and site locations are also considered, and recommendations given. To date, there has been a good relationship with the petitioners with most agreeing with the board's proposals.

Among the petitions the board has reviewed were the new Star Market in Cedarville the proposed Stop and Shop at Rich's Plaza, the proposed Shaw's Supermarket at the rear of Cumberland Farms off Samoset Street, and the Tracy new car dealership on Samoset Street. Also reviewed were the proposed sewerage treatment plant for nightsoil off Long Pond Road, a communications tower in the same area, and numerous other submissions large and small.

There was also some bad news and good news to report. The bad news was that the loss of the board's excellent secretary, Marcia Britto, to a full time position in the Assessors Office. Marcia had been with the Board for several years, and an integral part of the board was lost when she left. The good news is that Clare Day, with Marcia's help, has stepped in and is doing a fine job. It seems as though she has been here right along.

OFFICE OF ECONOMIC DEVELOPMENT/ PLYMOUTH DEVELOPMENT AND INDUSTRIAL COMMISSION

The Plymouth Office of Economic Development is pleased to submit its annual Report for 1992. "The Office of Economic Development" is the result of a name change intended to have the office be more reflective of its actual mission as outlined by the Charter changes of 1991, which repositioned the professional staff as part of the town's Department of Planning and Development.

The Plymouth Development and Industrial Commission, a nine member volunteer commission, will continue as part of the town's overall economic development team, as they have since their creation in 1957. The commission and professional staff will proceed with their efforts to develop and implement economic development programs and initiatives and to address problems and situations impacting the town's overall economic development.

Commissioners David C. Hager and CathyAnn Viveiros were reappointed to five year terms by the Board of Selectmen in 1992.

During 1992, a year that witnessed a deepening of the national recession, (one that was having a severe impact on our regional economy, specifically the banking industry), this office continued its efforts to attract new businesses, as well as to retain those wishing to expand or who may be considering alternative sites (outside the community) for location.

The professional staff, consisting of the Executive Director and Administrative Secretary, handle all inquiries about Plymouth as a business site and work with existing Plymouth businesses to address issues and problems, plan promotions and activities, and develop joint efforts.

In 1992, the town benefitted from some outstanding economic news; Info Systems, one of the world's largest manufacturers of computer floppy disks expanded their world headquarters facility in Plymouth; Shaw's supermarkets, Super Stop and Shop, Star Supermarkets, and Tracy Chevrolet-Cadillac-Oldsmobile-GEO announced plans for new retail stores in Plymouth. Tracy Chevrolet opened their doors for operation late in 1992 in the former Gene Wildes Cadillac Olds.

Boston Edison Company broke ground in December for their new Engineering and Plant Support building which will be sited adjacent to the Pilgrim One Nuclear Power Plant.

Jordan Hospital broke ground on an eight million dollar expansion project. The Phase III Program will serve to improve the health care facility's ability to provide emergency, diagnostic, cardiology, oncology, and rehabilitation services to area and regional residents for their planned and unexpected medical needs on a 24 hours a day seven days a week basis. This office continues to work with the Jordan Hospital in order to attract new physicians and health care professionals to the area.

One summer weekend the town witnessed one of its most successful tourism events of all time. "The Plymouth Festival of Sails" sponsored by the Plymouth Area Chamber of Commerce attracted an estimated crowd of

200,000 people during the three days of waterfront festivities. The highlight was an open air free concert provided by Livingston Taylor.

In other tourism related activities this office worked jointly with the Chamber of Commerce and a number of private sector businesses in the development and creation of a major new campaign intended to reposition the town in the visitor industry marketplace. Utilizing an expanded northeast market approach and a campaign based on the slogan "Plymouth...America's Favorite Past Time" the effort served to attract families that live within a one day drive. The program was funded through the town's Tourism Promotion Budget and a match of private sector monies that exceeded 1:1.

In the Spring of 1992, Congressman Gerry Studds announced that Plymouth had been selected as the site for the newly designated Stellwagen Bank Ocean Sanctuary Headquarters. The Sanctuary Office will be the center of operation for all activities that go on at the sanctuary.

This office was an instrumental part of the team that worked together to bring the headquarters to Plymouth. Communities from Cape Cod to Gloucester were vying for this important federal government agency.

The North Plymouth Commercial Area Revitalization District (CARD) designation renewal was applied for and granted during 1992.

In addition, this office worked with business people and the North Plymouth Task Force in order to establish a North Plymouth Business Association. The Association has developed a mission statement and a four part strategic plan intended to improve the North Plymouth business community through joint promotion, design improvements, communication, and improvement of the overall North Plymouth environment. A result of this initial effort was the first annual "Festival of Northern Lights" which took place during the holiday season late in 1992.

During the summer of 1992, the Office of Economic Development participated in a training program for Plymouth High School students sponsored by the Plymouth School Department. This office was privileged to have a Plymouth North Senior Class student, Hoang Vu, as an intern during the summer school break.

The PDIC and the Office of Economic Development continued to work with private developers and the Plymouth Industrial Development Corporation (PIDC) in an effort to expand the town's commercial and industrial base as well as to create job opportunities through business attraction, retention, and expansion.

The PDIC operates under Chapter 40 Sub Section 8A of the General Laws of Massachusetts.

The Commission and the Office of Economic Development professional staff are appreciative of the support they receive from town, state and federal officials, residents, and business community members.

PLYMOUTH HISTORIC DISTRICT COMMISSION/PLYMOUTH HISTORICAL COMMISSION

The year 1992 was a year of growth and recognition for the Historical and Historic District Commissions. In June the town won recognition as a Certified Local Government from the Massachusetts Historical Commission, one of only nineteen municipalities in the state to be so honored. The designation recognizes support for the commissions by the town and the quality of work by the commission and staff. In recognition of this status, the town has received preference in certain grant competitions.

Within weeks of the designation, the Massachusetts Historical Commission awarded the Historical Commission a grant for survey and planning. The commission engaged Public Archaeological Laboratory to prepare documentation south of the present historic district and in North Plymouth. The commission expects to continue the project annually. In addition, the Historical Commission has been working with the Massachusetts Historical Commission on updating survey materials at the Massachusetts Commission's library.

The Historical Commission submitted a district nomination to the National Register of Historic Places for the Town Brook historic district, comprising 75 properties running along Town Brook from Route 3 to the Harbor. The Historical Commission also reviewed other nominations prepared by individuals to the National Register.

In recognition of the expanded historic district, the Historic District Commission moved to biweekly meetings. Its part time secretary, Marcia Britto in the beginning of the year and Clare Day at the end, organized the increased workload. The Historic District Commission processed 92 cases during the year, several comprising multiple applications. The Commission worked with the Plymouth Downtown Harbor Corporation and the Office of Community Development on facade and sign grants.

MANOMET VILLAGE STEERING COMMITTEE

Meetings are held at the Manomet Branch library, 7:30 PM, on the last Wednesday of each month. The committee continues to address planning identified in the Manomet Village Master Plan and has been available for consultation to the public in regard to issues affecting our village.

Traffic and pedestrian circulation remain a concern of the committee. The premier pedestrian issue is still a sidewalk looping White Horse Beach by Manomet Elementary School to the center. The committee encourages an eminent domain taking of easement rights or lookout alteration on Manomet Point Road to achieve this end since no other solution has been found.

The committee has met with interested citizens regarding the concept and location of a connector road for the south side of the village. The original task force recommended for the concept of such a road to relieve existing and future congestion at the center. The present committee makes no recommendation for a specific location without detailed study and an appropriate procedure.

White Horse Beach residents have met regularly with the committee during the year in regard to ownership and use of White Horse Beach and its access. Selectmen established temporary reclusions while research on ownership continued.

Results of the "Manomet Business Survey", a collaborative effort with The Plymouth Office of Economic Development, became available in November. Responses showed roads and sidewalks as the most needed improvement, organization of village businesses most desired as a Manomet Council within the Plymouth Area Chamber of Commerce, service and retail businesses in demand, and a need for design coordination to improve appearance.

The committee met with planning and community development staff, business and community representatives to explore grants, procedures and priorities.

The Manomet Village Steering Committee continues its charge as set forth in the Manomet Village Master Plan.

OLD COLONY PLANNING COUNCIL

This year, the council launched a major initiative to conduct a series of forums on the topic of regionalism for local elected officials and the members of the general public. The council is supported in this effort by the Martin Institute of Stonehill College and other state, regional and county organizations. The thrust of the three forums is to increase awareness of what the options are in providing governmental services on an area wide basis; what cost savings can be expected through inter-municipal cooperation; and, what alternative governmental structures are appropriate for consideration in Southeastern Massachusetts. These and other questions are expected to be considered as the Regionalism forums are held.

In 1992, the Old Colony Planning Council continued to serve as the designated organization for: elder services planning and programming in its responsibilities as the Area Agency on Aging (AAA); as the Metropolitan Planning Organization (MPO) for Transportation and Transit Planning; and, as the Economic Development District (EDD) in coordinating strategies to improve the area's economic conditions. We are proud to report that the Old Colony Planning Council has the distinction of being the only regional council in New England to hold all of these official designations at the same time. In addition to these designated responsibilities, the Council is authorized by state statute as the regional planning agency to be concerned with a wide variety of area-wide and inter-municipal concerns as they pertain to the physical, social and economic development of the district. The council also assists its member municipalities with technical planning assistance, grant application preparation assistance and with information on local and regional trends by maintaining current socioeconomic data.

The Old Colony Planning Council District includes fifteen communities for general planning purposes consisting of the City of Brockton and the fourteen towns of: Abington, Avon, Bridgewater, East Bridgewater, Easton, Halifax, Hanson, Kingston, Pembroke, Plymouth, Plympton, Stoughton, West Bridgewater and Whitman. As the Area Agency on Aging, the Council serves a twenty-three community area, which, in addition to the regular planning district, includes the eight communities of Carver, Duxbury, Hanover, Lakeville, Marshfield, Middleborough, Rockland and Wareham.

Each municipality is represented on the council by one delegate and one alternate delegate. Plymouth's delegate is John F. Lenox and the alternate is Lee Hartmann. The council members establish policy, develop the work program, employ the professional staff and determine the activities of the council to be carried out by the staff. The council meets on the last Wednesday of each month at 8:00 PM in the council offices located at 10 School Street, Brockton MA.

In 1992, the council reelected John F. Lenox of Plymouth as President of OCPC; James A. Kassos of Brockton as Council Secretary; and, John A. Mather of Halifax as Council Treasurer.

The council gratefully acknowledges the generous support and cooperation of its member communities, the participation and involvement of

members of the Joint Transportation Committee chaired by Stephen Baker, the Overall Economic Development Committee chaired by Joseph Joseph and the Area Agency on Aging Advisory Committee chaired by Delores Kent. The council also recognizes the work of local boards and commissions and the government agencies, public and private institutions and individuals who assisted the council.

PLANNING BOARD

As in the past several years, the Planning Board took advantage of a slowdown in development activity to help better prepare the Town for the future. Considerable time and effort has been given to long range planning with anticipation that the economy will eventually turn and Plymouth will once again face significant growth pressure.

The board held 23 Scheduled meetings in 1992, and met additionally with other boards and agencies as a cooperative participant in the Department of Planning & Development. The membership changed this year as Bob Hollis completed five years of service. H. Judson Terzian was elected to fill the vacancy. The board thanks Mr. Hollis for his many contributions and welcomes its newest member. On a staff level, Lee Hartmann was promoted to the position of Town Planner. The structure of the board was as follows:

Michael F. Babini, Chairman Malcolm A. MacGregor, Vice Chairman
Jeffrey M. Metcalfe, Clerk H. Judson Terzian, Clerk Pro Tem
Donald A. Nicholson, III Member

Subdivision Control

In administering its duties under the Massachusetts subdivision control laws, the Planning Board reviewed 48 Approval Not Required Plans.

The continued economic downturn has limited the number of new development proposals. However, the board continued to have an important role in reviewing work underway in previously approved subdivisions. The increased number of bankruptcies, foreclosures, and bank failures required the board to work closely with both developers and financial institutions so as to protect neighborhood interests.

Zoning By-Law

The Planning Board reviewed and made recommendations on 44 Zoning Board of Appeals Cases. In addition, the board also reviewed industrial and commercial site plans. Some of the major projects included:

Cumberland Farms

Located off Samoset Street and Pilgrim Hill Road, this 118,000 square foot planned shopping center would be anchored by Shaws Supermarket.

Myles Standish Plaza

Located off Samoset Street at the Route 3 interchange, this project includes major renovation of the existing Rich's Plaza increasing the square footage to 180,000 sq. ft. to accommodate a super Stop & Shop.

Boston Edison

Located off Rocky Hill road adjacent to Pilgrim I this 100,000 square foot office building consolidates Edison's engineering and plant support functions, providing a major increase in employment and tax base.

In addition, the board sponsored and received approval by Town Meeting of two Zoning Bylaw amendments. These involved the Aquifer Protection District and the Appearance Code.

Street Name Changes

The board continued to make progress in eliminating duplicate street names. Through a public hearing process there were two duplicate names eliminated and two unnamed ways were given names. This process is important to the implementation of the 911 emergency telephone system.

Master Plan Update & Implementation

Work continued this year on updating the town's Comprehensive Plan and implementing its many elements. The Annual Town Meeting adopted the Cedarville Master Plan, and in July the Cedarville Steering Committee was established. In the spring, the North Plymouth Task Force was appointed and subsequently formulated the North Plymouth Village Master Plan. This document was adopted by Town Meeting in December.

An important project initiated this year was the formulation of a Strategic Plan for Economic Development. A grant application for \$27,000 was submitted to the Executive Office of Communities & Development and funding was awarded at year's end. Work begins in the new year as economic development is a high priority of the town.

PLYMOUTH REDEVELOPMENT AUTHORITY

The activities of the Plymouth Redevelopment Authority (PRA) for the year 1992 paralleled the activities of the previous year except for the addition of two new First Time Homebuyer Programs. The new programs are: *The First Time Homebuyer Counseling Program* sponsored by Massachusetts Housing Finance Agency (MHFA), and *The Home Advantage Program* sponsored jointly by MHFA, Fannie Mae and Economic Office of Community Development (EOCD).

First Time Homebuyers Counseling Program: In order to be able to participate in this program, it was necessary to become an approved MHFA Counseling Agency. To gain this status, the PRA was required to prepare and submit to MHFA for approval, a first time home buyer counseling program curriculum. The curriculum consists of all the steps a first time home buyer would encounter in purchasing a first home.

In May 1992, MHFA approved the PRA's curriculum and by the end of the year the authority successfully ran three counseling classes graduating 10 prospective first time home buyers. As of this writing, at least 1/3 of the total graduates have purchased, or are in process of, purchasing their first home. Graduates of the program can purchase a home with interest rates as low as 6%.

Home Advantage Program: A program designed jointly by EOCD, MHFA and Fannie Mae gives a first time home buyer the advantage of reviewing a list of federally owned for sale foreclosed properties before the homes are released for sale to the general public. The homes are discounted to allow for the rehabilitation necessary to bring the home up to minimum code standards. The interest rate is 7.5%, or a 6% graduated payment. The program, introduced in October is still too new to determine its viability and success.

Other MHFA Programs: The *MHFA Home Improvement Loan Program* (HILP) and the *Neighborhood Rehabilitation Program* continue to be the most sought after loan programs by homeowners.

Home Improvement Loan Program (HILP): The HILP program is a 5% loan program available to homeowners depending upon income. The proceeds of the loan can be used to make most kinds of home improvements.

Neighborhood Rehabilitation Program: The *Neighborhood Rehabilitation Program* is an MHFA program used in Plymouth since its inception in 1975. The program was designed for two purposes. They are: (1) to give a existing home at a low interest rate and low down payment. The home must be in need of at least \$3,000 worth of repairs in or to qualify as eligible under The *Neighborhood Rehabilitation Program*, and (2) to bring existing housing stock into compliance with the Massachusetts Sanitary and Building codes. During the past 12 months, the PRA's part time staff interviewed and pre-qualified approximately 600 potential first time home buyers and low interest loan applicants. Over the past 30 months, the Authority processed loans valued in excess of \$2,000,000.

Summer High Street Urban Renewal Project Area (SHSURPA): Background: In 1962, the Town Meeting charged the authority with the respon-

sibility to carry out an Urban Renewal Program as detailed in a plan called *The Summer High Street Urban Renewal Plan (SHSURP)*. The plan, approved by the governing body of the town, the Planning Board and by town meetings, called for the clearance and revitalization of a 32 acre slum and decadent area adjacent to the center of Plymouth, bounded by Bur Hill to the north, Edes Street and Newfield Street to the west, southerly by Poorhouse Pond and Town Brook and easterly by Main Street Extension. The total project cost at completion in 1971 was in excess of \$6,000,000.

The town's share of the costs for the project was \$23,465. Since the major part of the funding for the project came from the federal government, the government required that the area be protected from again falling prey to slum and decadence for a period of 40 years. This was done by the insertion of a 40 year control in the "Plan" and in all disposition contracts between the authority and the revaporize in the SHSURPA. In an effort to comply with this 40 year control, the PRA each year makes a windshield inspection of all the properties in the project area. In cases where a building begins to show signs of decadence, the authority advises the proper owner of the condition and in some cases, depending upon income, is prepared to offer low interest loans to make necessary maintenance and repairs. Over the past 30 years, the authority has been pleased with conditions in the area.

The authority is now becoming increasingly alarmed over the condition of the Spring Hill Complex. Many of the apartment buildings are beginning to show signs of serious deterioration. It is the authority's contention, that the Spring Hill Complex is allowed to continue to deteriorate unchecked, slum and blight could easily reoccur in the area, the result of which would have a disastrous impact on all the surrounding properties within its proximity and the downtown area itself.

In an effort to check and prevent further deterioration, the authority will plan a series of meetings with owners of the Spring Hill Complex, the Building Department, the Planning Board and the governing body to see out a strategy to ensure compliance with its agreements. Should the authority fail to gain compliance by a series of meetings, legal actions may be required to bring compliance through the courts. Should this kind of action be required, it is hoped that there will be complete cooperation from all the applicable departments of the town to bring about the compliance.

Town Brook Park/Jenney Poorhouse Pond Park: In last years' annual report, the PRA commented on the idea of creating an Industrial Plymouth Plantation along the banks of Town Brook, Jenney and Poorhouse Ponds. The idea evolved during the developmental stages of the Town Brook Jenney and Poorhouse Ponds Park where it was realized by the authority's findings that some of America's first industries started in Plymouth on the Brook. Over the years the idea of recreating some of these earliest industries on the Brook as a historical nonprofit project prevailed, and in December of 1992, the town through the office of community development executed a contract with a consultant to study the area to pinpoint mill sites, comment on the mills product and the kinds of machinery that might have been used to produce the product. The study will be presented to applicable town boards as an historical educational source and for comment or

the idea of recreating some mills on the Brook. The completion date for the study is set for March, 1993.

Jenney Pond Rehabilitation: The authority members wish to commend Douglass Gray and others member of the Park Department for the fine job rehabilitating the Jenney Pond Park area. We are confident that the results of their efforts will be appreciated by the majority of the people visiting the park.

The authority held its annual meeting and election of officers in December. The results of the election were:

| | |
|--|--------------------------------|
| John J. Droege - Chairman | Robert Wollner - Vice Chairman |
| Chester Bagni - Treasurer | Catherine Farren - Secretary |
| Edward Angley remains as the State appointed Board member. | |

VISITOR SERVICES BOARD

The Visitor Services Board enjoyed a very active, productive year. In July, 1992, the new Visitor Information Center on Water St. opened its doors following a nine-month construction period in which Plymouth South High School students and faculty donated most of the labor required to bring this project to fruition. The center is managed by Destination Plymouth, a new organization run by and for Plymouth's hospitality community.

The board was responsible for inducing and steering major changes in the town's tourism promotion strategies. A new town brochure and media program were initiated under a contract with the Plymouth Area Chamber of Commerce, and in late summer a three-year promotions contract was awarded to Destination Plymouth. This organization will be working with us to design, develop and execute tourism promotional and marketing work for Plymouth through FY 1995, and provides matching funds to the town's promotions budget. We are enthusiastic about the new destination marketing program and look forward to its success in years to come.

In addition, the board won town meeting's support to earmark a percentage of each year's room occupancy tax receipts for tourism. A home-rule petition to the state legislature followed, and is awaiting the governor's signature.

A comprehensive tourism strategy is being developed in order to make optimal use of these funds, beginning in FY 1995.

The board created a subcommittee of interested citizens to produce a Plymouth float for the Washington, D.C., July 4 parade. This year's Independence Day festivities reflected a "Celebration of Discovery" to mark the 500th anniversary of Columbus' discovery of America, and Plymouth was one of 30 nationwide communities invited to participate. It was a pleasure (and not at all surprised) to learn that the Parade Float Committee's entry won First Place in Washington, bringing visibility and great pride to Plymouth. Special thanks to Geoffrey Metcalfe, a local architect and Planning Board member, and his team of co-workers for their round-the-clock devotion to this project.

A successful Promotional MiniGrants program was launched in FY 1993, helping several organizations plan and implement events for local residents and visitors. With help from Mark Johnston Associates, the board finished a data collection and analysis project to profile overnight visitors to Plymouth. A toll-free telephone service was instituted for visitors to seek information and a better reporting system to track information requests received by phone or mail.

Finally, the board worked with the Plymouth Downtown/Harbor Corporation and Community Development Office to develop a new directional signage system in Plymouth. This seven-member committee has worked tirelessly to carry out the charge from the Board Of Selectmen and to implement the basic directives of the Plymouth Center/Waterfront Area Master Plan, which first recommended the creation of a Visitor Services Board for the Town.

ZONING BOARD OF APPEALS

The Zoning Board of Appeals (ZBA) consists of seven members, 5 regular members and 2 alternates. Their function is to consider relief when appropriate, from the Plymouth Zoning By-laws under Massachusetts General Laws Chapter 40A of the Zoning Act. The Zoning Board of Appeals is a judicious board and renders their decisions accordingly.

Each application is reviewed by various boards, commissions and departments recommending their findings and opinions. This provides the members with an in depth look and a precise review of the properties in petition. Any interested person has the right to voice their support, objection or opinion during the Public Hearing which is held twice a month at the Town Hall. The board then discusses all of the information presented and deliberates until a decision is rendered.

The Plymouth ZBA had another productive year with 26 public hearings held at the Town Office Building for Special Prompts, Variances and Appeals. There was a total of \$ 3,025.00 collected in filing fees.

The following are a few petitions that were presented in 1992:

- Cumberland Farms, Inc. was granted approval for a 118,000 square foot Planned Shopping Center on Pilgrim Hill Road.
- S.R. Weiner and Associates, Inc. was granted approval for the renovation and addition of a Planned Shopping Center, consisting of a 54,350 square foot supermarket located at the Myles Standish Plaza Route 44).
- Ocean Spray Cranberries, Inc. was granted to convert office space for specialty shops, art galleries and non-feature films located on Water Street.
- The Jordan Hospital was granted approval for the construction of a 35,480 square foot addition to the existing facility and will house a new emergency treatment department, physical therapy center, cardiology and oncology units, waiting rooms, an admissions department and other related conference/medical record/computer rooms.
- Little Hios Hills was denied a Comprehensive Permit for 81 units of affordable housing on Hios Hills Road.
- Ninety Long Pond Road Trust was denied a communications tower on Long Pond Road.

Under the new Charter the staff of the ZBA works under the Director of Planning and Development.

The board re-organized as follows: Leonard J. Vaz, Chairman, A. Wendy Longo, Vice-Chairman, Stephen W. Murphy, Clerk, Marc J. Garrett and Sandra E. Leet, regular members.

Howard Kelman and Brendan Halligan were newly appointed as alternates.

The board wishes to thank George Yeaton for his many years of service and dedication as a board member.

Appreciation goes out to the boards, commissions, and departments that have continued to provide their assistance.

FIRE DEPARTMENT

Herewith submitted is the annual statistical report of the Fire and Forest Fire Departments for the year ending December 31, 1992.

Retired:

- Captain Porter A. Holmes - Entered the Fire Department on March 30, 1960. Appointed as a Fire Lieutenant on November 6, 1963. Appointed Fire Prevention Officer on July 1, 1974. Appointed as Captain on July 1, 1982. Retired on July 31, 1992. Served with pride and dedication to duty.
- Captain Kenneth S. Hall - Entered the Fire Department on April 26, 1966. Appointed as a Fire Lieutenant on June 19, 1978. Appointed Captain on June 20, 1982. Retired on January 31, 1992. Served with pride and dedication to duty.
- Captain David A. Strassel, Jr. - Entered the Fire Department as call Fire fighter on February 1, 1967 and was appointed as a permanent fire fighter on August 31, 1967. Appointed Fire Lieutenant on May 25, 1975. Appointed Captain on August 27, 1978. Retired on September 1, 1992. Served with pride and dedication to duty.
- Peter Gage - Superintendent of Fire Alarm - entered the department as a fire fighter in 1953. He was appointed to the call force on February 1, 1959 - promoted to a Lieutenant in the Manomet Call Force from April 1959 to 1979. He served as superintendent of the fire alarm division from November 18, 1974 to July 31, 1992, retiring after 39 years of dedicated service to the Town. He was responsible for the design, construction and maintenance of the fire alarm and radio communication system for the department. His knowledge and expertise in the field of emergency fire communication will certainly be missed.
- Walter J. Burt - entered the department as a call fire fighter on September 11, 1951. Appointed as a call force Lieutenant on February 4, 1959. Appointed as call force Captain on April 7, 1959. Retired on June 30, 1992. Captain Burt served the Town, stationed in the Manomet section, for over forty years and earned the respect of all the fire fighters and officers of the department. His invaluable service, particularly during the "Woods Fire Season" will be missed. Served with pride and dedication to duty.

Resigned:

- Jeffrey Sundnas - Entered the Fire Department on October 10, 1991 and resigned on February 15, 1992 to go back to Gardner Fire Department.

Promotions:

- Lieutenant Thomas J. Minahan to Captain - February 5, 1992

- Lieutenant John E. Hedge to Captain - July 5, 1992
- Lieutenant Anthony A. Thompson to Captain - September 1, 1992
- Fire fighter Allan S. Thom to Lieutenant - February 5, 1992
- Fire fighter Donald E. Brown to Lieutenant - July 5, 1992
- Fire fighter Michael A. Young to Lieutenant - October 14, 1992

New Appointments:

- Daniel C. Brolly - Fire fighter - March 12, 1992
- Stanley E. Eldridge - Fire fighter - March 12, 1992
- Douglas A. Pigeon - Fire fighter - March 12, 1992
- Paul F. Alden - Fire fighter - July 19, 1992
- Richard T. Furlong - Fire fighter - July 19, 1992

The Fire Department consists of a fire fighting force of 104 fire fighters, a training division of one fire officer, a fire prevention division of two officers, a Chief and Deputy Chief. In addition the fire alarm division is staffed by one person, apparatus repairs by a staff of two people and a clerical staff of two persons. To supplement the fire fighting force in the southern section of town there is a call force of twenty members.

Currently, six fire stations are staffed on a twenty-four hour a day basis by four groups of twenty-six fire fighters. Stations are located as follows: Headquarters - 114 Sandwich Street, Seven Hills - Samoset Street, North Plymouth - Spooner Street, Manomet - State Road, Cedarville Station - Hedges Pond Rd, Bourne Road Station - Bourne Road. There are twenty-four pieces of fire apparatus within the department, seven support vehicles and six rescue boats.

Fire and rescue services are provided to a year round residential population of 46,000 and a seasonal population of approximately 60,000. Land mass covers an area of 103 square miles which consists of 365 ponds, 30 miles of coastline and several unique features including over 12,000 acres of state forest, beach areas such as; the Gurnet and Saquish, which are only accessible by four-wheel drive apparatus.

The department continues to provide quality fire and rescue services, but as the growth of the town continues so do the demands on public safety. If we are to provide quality service in the future, we must address some very important issues such as increased staffing, providing a modern training program to all personnel, maintenance of a modern fleet of apparatus and construction of additional stations in those areas of the town which do not currently receive adequate protection.

| 1992 Responses: | Station Responses | Apparatus Responses |
|---|--------------------------|----------------------------|
| Headquarters Station, 114 Sandwich Street | 1040 | 1677 |
| Seven Hills Station, Samoset Street | 626 | 707 |

The threat of a major forest fire continues to be of considerable concern.

Over the past years the towns' residential population spread from the village center into and bordering many of our large woodland areas. Most of this new expansion has taken place without the benefit of extension of the municipal water system which is vital in providing sufficient water for fire extinguishment. This development commonly referred to as wildland-urban interface presents us with fire situations not unlike those in other

parts of the country where many homes and lives have been lost as a result of forest fires burning into developed areas.

The types of vegetation in our local woodland, such as scrub pine and scrub oak, contribute to a spread index which is very high and extremely dangerous.

The current economic conditions have made it difficult for us and also for our neighboring towns to continue to replace and maintain a fleet of specially designed forest-fire apparatus that provides rapid response and rapid containment of fires originating in woodlands. In addition, cutbacks on the state level have left us with little assistance with fires originating in the 12,000 acre Myles Standish State Forest.

We will continue to provide the best possible protection from the threat of forest fires. It is important for all residents of the town to understand that Plymouth has a long history of major forest fires and that the threat of major forest fires continues.

FIRE ALARM DIVISION 1992

The growth in use of the Municipal Fire Alarm System for automatic notification to the Fire Department of alarm conditions in industrial and commercial properties continues. These systems are installed at no cost to the taxpayer and utilize existing fire alarm circuits throughout the town. Many alarms are received by the automatic activation of detection devices that are connected to the municipal fire alarm system, most are trivial in nature due to this early detection and reporting. The potential for considerable reduction in fire loss is great, and therefore fire department operating expense is reduced. The chance of loss of tax base and employment within the community is also reduced.

MUNICIPAL FIRE ALARM SYSTEM ACTIVITY FOR 1992

- 468 Box Alarms Received From System
- 232 Malicious False Alarms
- 7 Significant Fires Automatically Reported

NEW FIRE ALARM BOXES 1992

- 1365 Cherrywood Circle & Nicks Rock Rd.
- 1356 Party-Lite - Armstrong Rd.

- 395 New England Telephone - Court St.
- 1233 Carver Rd. & Sparrows Way
- 1247 West Village Trail
- 1547 Camelot Park
- 434 Sandwich St. & Lincoln St.

ACTIVITY IN THE FIRE ALARM OFFICE FOR 1992

- 2773 Fire Emergency Responses
- 2493 Ambulance Emergency Responses
- 5266 Total Combined Responses
- 1359 Burning Permits Issued

Two examples of the value of our Municipal Fire Alarm System this year were:

- Box 77 - Plymouth Community Intermediate School
- Box 672 - The waste water treatment Plant on Water Street

Both fires might have cost the town substantial amounts of money and a prolonged curtailment of services. Automatic reporting to the Fire Station kept both fires to a minimum amount of damage.

At this time there are in excess of 50,000 devices connected to the Municipal Fire Alarm System that automatically detect fire and transmit alarms by fire alarm box to Fire Headquarters.

NEW CONSTRUCTION

Extensive work to the fire alarm system on Rt 3A has been completed. The fire alarm cable from Jabez Corner to Lothrop St. has been removed and replaced with new I.M.S.A. spec cable. The new cable will allow the Fire Dept. to expand our system to include telephone, radio control and computer networking between station 2 & 7 (Seven Hills & North Plymouth) and Central Headquarters; this will happen when the remaining part of the 3A project (Lothrop St. to Kingston Line) and Rt. 44 construction are completed. The fire boxes and pedestals were either rebuilt or replaced as needed. New boxes were installed at Sandwich & Lincoln St. & Shirley Square as part of this project. Also included in this project were traffic control signals at Central Station allowing us to stop traffic for safe access of fire apparatus to Sandwich Street.

While the 3A project was under construction, we were also involved with the telephone company in installing new duct work and relocating cable on Cherry Street and Long Pond Rd.

NEW PLANNED CONSTRUCTION

The Fire Department and the State DPW are now in the planning stages for removing, replacing and relocating fire boxes along Rt. 44, from Allerton Street & 44 to the Seven Hills Fire Station. This work is to start in the spring or early summer of 1993.

This project should be funded by the state at no cost to the town.

COMPUTERS

The addition of new computers to our department this year will enable us to file reports from other stations through our network, saving substantial man hours. A substantial part of the set up of this system, including the fire program, was developed by in-house personnel.

Valuable assistance has, as usual, been rendered this division by other members of the Fire Department. Many projects would still remain incomplete without this aid.

POLICE DEPARTMENT

The Plymouth Police Department experienced many changes in 1992. Chief George B. Madsen, Jr. retired after twenty-seven years of dedicated service to the Town of Plymouth.

The town and the Police Department will also miss two fine officers that passed away this year — Patrolman William G. Fistori, Jr. and Park Police Officer John Youngman.

On a brighter note, the Annual Town Meeting approved the construction of a desperately needed new police facility and the plans are well underway.

Listed below is the statistical information pertaining to logged calls for service in calendar year 1992:

(Please see attached chart)

In addition to the chart, please note the following:

| | |
|-------------------------|-------|
| Motor Vehicle Citations | 3,234 |
| Arrests | 1,727 |

| | |
|----------------------------------|--------------|
| Total value property recovered | \$494,787.41 |
| Total value illegal drugs seized | \$334,257.14 |

Funds turned over to the Town of Plymouth from sources indicated:

| | |
|--------------------------|--------------|
| Court fines and fees | \$112,720.00 |
| Reproduction of requests | \$ 5,947.00 |
| Pistol Permits/FID cards | \$ 10,480.00 |
| FID Dealers Licenses | \$ 269.00 |
| Parking Tickets | \$ 87,405.00 |

The following were appointed as indicated in 1992:

| Name | Title | Date |
|-----------------------------|-----------------------------|----------|
| Robert J. Pomeroy | Police Chief | 11/04/92 |
| Curtis L. Ireland | Police Captain | 12/23/92 |
| William O'Meara | Temporary Police Lieutenant | 12/27/92 |
| Kevin Coakley | Police Officer | 10/05/92 |
| Antonio Gomes | Police Officer | 10/05/92 |
| Timothy O'Hara | Police Officer | 10/05/92 |
| Brian Stas | Police Officer | 10/05/92 |
| Robert Crowley(rein-stated) | Police Officer | 06/01/92 |
| Scott Hendry | Police Dispatcher | 03/05/92 |

| Name | Title | Date |
|------------------|------------------------|----------|
| Edward Hurley | Police Dispatcher | 05/13/92 |
| Cheryl Pierce | Part Time Senior Clerk | 07/01/92 |
| Kenneth Lombardi | Dog Officer | 07/1992 |

The following individuals retired from this department in 1992:

| Name | Title | Date Hired | Date Retired |
|---------------------|--------------------------|---------------|-----------------|
| George B.Madsen,Jr. | Police Chief | 07/1965 | 11/04/92 |
| Peter J.Alves,Jr. | Police Officer/Detective | 05/1970 | 04/12/92 |
| Joseph Correira | Police Officer | 04/1965 | 03/27/92 |
| Richard Roderick | Police Officer | 05/1966 | 07/21/92 |

The following individuals resigned from this department in 1992:

| | | | |
|-----------------|-------------------|----------|----------|
| S. Keith Romano | Police Dispatcher | 10/1985 | 05/01/92 |
| Daniel Mosher | Police Dispatcher | 8/1991 | 01/02/92 |
| Donald Lambert | Dog Officer | 04/24/89 | 07/03/92 |

IN MEMORIAM

Officer William G. Fistori, Jr.

04/09/1947—09/17/1992

Officer Fistori was appointed to this department as a Permanent Intermittent Officer in September, 1980. He was appointed as a Permanent Police Officer in November, 1982. He served this department and the Town of Plymouth with loyalty and dignity.

Park Police Officer John F. Youngman

09/25/1926—11/12/1992

Officer Youngman started with this department in the spring of 1980. His last season with us was the summer season of 1991. He was a conscientious and dedicated man serving the town loyally for many years.

OFFICE OF EMERGENCY PREPAREDNESS/CIVIL DEFENSE

The Office of Emergency Preparedness/Civil Defense is located in Memorial Hall on 83 Court St. This department is dedicated to helping the residents of Plymouth in time of emergency, whether it be natural or man-made. The department is extremely active in the community, helping out during various events.

During any emergency, the office becomes fully activated on a 24 hour basis until the State of Emergency is over. Fortunately, there was just one State of Emergency during 1992 which was the December 11-13 Northeaster. During the storm, a shelter was opened to residents that had to evacuate due to the storm.

Much of the time, on a daily basis, is spent on plans which would be used in case of an emergency. Planning involves town departments as well as outside businesses and organizations such as nursing homes, nursery schools, and camps. Updating of the plans is done on a continuous basis as well as training for all people involved in the plans. This organization has also been involved the following events held at various times and locations in the town:

- The Myles Standish bike race

- The various "Walk-a-Thon's" for charities

- The Festival of Sails

- The Handicapped Picnic at Plymouth Airport

- The Fourth of July activities, both parade and fireworks

A dedicated group of 35 volunteers assist with traffic control, provide information to visitors, and help the Police and Fire Departments with communications, etc. In some cases, such as the Handicapped Picnic, volunteers help in other ways to make the event as enjoyable as possible. The town is, indeed, very fortunate to have these dedicated volunteers.

HARBOR MASTER

This department is taking a more active role in the protection of Plymouth's natural resources. It is now responsible for the hunting and fishing laws, as well as all the shell-fish and boating laws.

The Pond Patrol was very effective again this year with less violations issued and inspections at an all time high. Again this year there were no boating accidents on any ponds which is a direct result of efforts to instruct the boating public and the town's boat inspection policy.

The party fishing and whale watching vessels had a fairly good year.

The dragger fisherman had a very poor year, again, due to the decrease in fish stocks. Lobster fisherman had a good year with prices holding at a steady level.

The town weathered only one storm that did much damage. That came in December and devastated Brewer's Plymouth Marine. They will rebuild with new docks and hardware. The Town facilities made out much better due to the fact that our floats had been hauled out for the winter.

The commercial soft-shell clamming program that began in December of 1991 is working well. It has enabled some residents to get through some hard times.

1992 HARBOR STATISTICS

| | |
|--|-----------|
| Response to Medical Emergencies | 7 |
| Overdue Boat Calls | 12 |
| Boats Towed | 124 |
| Valuation of Vessels Rescued | 2,728,000 |
| Boats Reported Missing/Stolen | 18 |
| Boats Recovered | 16 |
| Boats Pumped | 26 |
| Boat Fires | 2 |
| Boats Jump Started | 8 |
| Arrests | 1 |
| Dragger Trips Logged Out | 4,600 |
| Visiting Boats Logged In | 3,200 |
| (Including Marina & Yacht Club facilities) | |
| Boats Launched at Boat Ramp (estimated) | 7,900 |
| Moorings in Harbor | 554 |
| Charter Boats Using Wharfs | 10 |
| Fishing Vessels Using Wharfs | 24 |
| Parking Violations Issued | 1040 |

SHELLFISH

| | |
|--------------------------------|-----|
| Commercial Blue Mussel Permits | 8 |
| Resident Clamming Permits | 608 |
| Non-Resident Clamming Permits | 77 |
| Commercial Soft-shell Permits | 17 |

REVENUE FROM HARBOR

| | |
|-------------------------|-------------|
| Dockage | \$15,165.00 |
| Mooring and Tender Fees | \$56,128.00 |
| Shellfish Permits | \$7,820.00 |
| Parking Violations | \$10,400.00 |

BUILDING/ZONING DEPARTMENT

1992 saw an increase in permits issued and money received in the Building/Zoning Department. This is a good indication that the economy is on the up swing. The Building Department is a multi-facet department, which enforces regulations and issues permits for the following:

1. Building
2. Zoning
3. Wiring
4. Plumbing
5. Gas
6. Places of Assembly
7. Handicap requirements
8. Board of Appeals decisions

Trying to enforce all of the above regulations and covering the biggest town area wise in the state (103 square miles) is not an easy task and keeps the department quite busy whether the economy is up or down.

Over the last three or four years this department has developed a court procedure that allows the town to go into court for code enforcement without the need of Town Counsel. This has saved the town residents thousands and thousands of dollars. One of the biggest increases this past year has been new industrial and commercial development. We currently have a new Super Star Market under construction, a 1200-bed new county prison and a large addition to the Jordan Hospital. Those are the larger projects now going on, but there are a number of smaller ones also.

The department is also reviewing plans for a new Super Stop & Shop as well as a Shaw's Market. One of the strongest things the Building/Zoning Department has going for it is the caliber of professional people working in the department. They are highly qualified, all licensed and/or Certified by the State of Massachusetts.

This department is an important aspect of town government and encourages the citizens of Plymouth to address their questions and concerns at any time. This department works best protecting the citizens interest and safety when the public is well informed.

BUILDING DEPARTMENT

| | 1991 | 1992 |
|--|------------|-------------|
| Total number of building permits issued | 1,082. | 1,385. |
| Total receipts from building permits | \$118,517. | \$219,732. |
| Total receipts from certifications | \$8,737. | \$10,200.50 |
| Inspections made by the Building Inspector | 4,279. | 3,989. |
| Mileage of the Building Inspector | 10,060. | 8,526. |
| Zoning permits issued | 1,325. | 1,465. |
| Total receipts from zoning permits | \$11,210. | \$12,680. |

| | | |
|---|-------------|-------------|
| Inspections made by Zoning Inspector | 1,944. | 2,182. |
| Mileage of Zoning Inspector | 3,429. | 3,204. |
| Total receipts from wiring permits | \$29,851.50 | \$50,958.50 |
| Total number of wiring permits issued | 967 | 1,165 |
| Wiring inspections made | 2,160 | 2,098 |
| Mileage of the Wiring Inspector | 12,358 | 12,762 |
| Total receipts from Plumbing/Gas Inspector | \$49,207. | \$64,213. |
| Total number of Plumbing/Gas permits issued | 1,385 | 1,633 |
| Plumbing/Gas Inspections made | 2,919 | 3,261 |
| Mileage of Plumbing/Gas Inspector | 3,128 | 4,098 |

NOTE: Figures for mileage are from the use of the Inspector's personal car only, not included is the mileage on the town car. Also the Alternate Inspector does not receive mileage.

PUBLIC WORKS DEPARTMENT

The following is the annual report of the Department of Public Works for the year ending December 31, 1992.

The Department of Public Works was established in Plymouth in November, 1974, at which time the following divisions were consolidated under one department: Engineering, Maintenance, Park and Forestry, Sewer, Highway, Water and Cemetery. Following this report, you will find the statistical data and accomplishments of the divisions of the Department of Public Works.

Through many funding sources, both local and state, the department has been able to make major infrastructure improvements (roads, water and sewer) over the last year. When the economy has been slow, it has been financially responsible and very prudent on the Town's part to make these improvements. As the economy strengthens, the Town will be ready and able to provide the services required of it in the years to come.

The Department has worked with state and federal agencies and area legislators to assist this Department in our accomplishments, and the department is grateful to them for their assistance.

As we look to the future, the Department is very optimistic that major transportation improvements in Plymouth will be started in the coming year. The relocated Route 44 and the restoration of the Old Colony Railroad are two of the major projects scheduled to begin.

The state's Solid Waste Management Act requires the closing of the Manomet Landfill by January, 1994. This Department has been working closely with the Town's Recycling Committee and the SEMASS Partnership to recycle or reuse as much of the Town's solid waste as possible. The challenge ahead is to reduce the amount of solid waste which would have to be landfilled out of Town at a very high cost.

As the Department of Public Works closes another year of improvements and accomplishments, they would like to express their honor and pleasure in serving the residents of Plymouth.

CEMETERY DIVISION

The Cemetery Division maintains and services sixteen (16) town cemeteries and ten (10) smaller cemeteries with veterans buried within.

This division repaired fourteen damaged stones this year, most of which were in Vine Hills and Oak Grove cemeteries. These were the results of storms during which branches and trees that fell down damaged or knocked over monuments.

The first quarter of the new section of Manomet cemetery was opened in July of 1991, twenty lots - 180 graves. The second quarter was opened in July, 1992. This section has 20 lots - 240 graves. The second half, third and fourth quarters were cleared and destoned in April. This section was loamed and seeded in November.

The maintenance division worked off and on building the addition to the cemetery office building from August — December. This was done between other town jobs.

The water division installed a new water main, half way through the Oak Grove/Vine Hills cemetery approximately 1400 feet of pipe over a nine day period between July and August.

A total of 134 graves were sold in five cemeteries:

| | |
|--------------|-----------|
| Vine Hills | 81 |
| Manomet | 36 |
| Chiltonville | 15 |
| Oak Grove | 1 |
| South Pond | 1 |
| | <hr/> 134 |

There was a total of 155 interments in seven cemeteries. 14 of these are known veterans.

| CEMETERY | FULL | CREMATES | TOTAL |
|---------------|-----------|----------|-----------|
| Vine Hills | 79 | 23 | 102 |
| Oak Grove | 12 | 8 | 20 |
| Manomet | 19 | 5 | 24 |
| Chiltonville | 5 | 1 | 6 |
| Cedarville | 1 | | 1 |
| *Faunce | 1 | | 1 |
| Russell Mills | | 1 | 1 |
| | <hr/> 117 | <hr/> 38 | <hr/> 155 |

* Faunce Church owns this cemetery but the town does the burials there.

The cemetery division installed 17 veteran markers: Vine Hills —13; Chiltonville —2; Cedarville—1; and Manomet—1

The cemetery division installed 57 foundations for headstones and monuments: Vine Hills—37; Manomet—13; Chiltonville—5; Oak Grove—2

The cemetery division has done a good job of keeping up over twenty (20) cemeteries with only a five (5) man crew.

The division thanks all other D.P.W. divisions for their assistance this year: the maintenance division for the new addition to the cemetery building and the up keep of vehicles, the sewer division for the spot welding of broken equipment and the use of their trailer, the water division for the new water main and the use of their back hoe when needed, the highway division for the back hoe and front end loader when needed and also for sanding the cemetery roads after snowfalls, the park division for their help with cleaning up areas after the northeaster this year, the forestry division for their help with cleaning up after storms, as well as deciding which trees to save and which to remove in the new section of Manomet cemetery and for pruning the low branches in Chiltonville cemetery, and the engineering division for their help in locating lots and areas around town as well as supplying the division with maps when needed.

ENGINEERING DIVISION

In 1992, the Town of Plymouth entered what could be called "an era of material infrastructure improvement". During the year, State Road in Manomet was rebuilt by the state, the reconstruction of Route 3A through the downtown area was essentially completed, the rebuilding of Water Street was started, and a dangerous tri-intersection area on the Federal Furnace corridor was reconfigured. During the next five years, it appears that the Route 44 reconstruction and relocation projects will become reality. This will mean new interchanges on Route 3 at Samoset Street and Cherry Street, Samoset Street/Carver Road will be rebuilt to Route 80, and a new Route 44 will be built to Carver. In addition, intersection improvements are planned on State Road at Beaver Dam Road and along the South Street corridor. From an engineering view point, the coming years should prove both interesting and rewarding.

During the year, the staff and housing remained constant, which enabled the department to handle the workload and maintain a level of service equal to that of recent years.

Our activities in 1992 were as follows:

A. ASSESSOR MAP REVISIONS:

The revision process was altered to facilitate quarterly tax billing. A reduced volume year enabled us to adjust with little or no impact on the total work load. Revisions amounted to 463 parcels on 66 maps. Full size map originals only are now revised. Half size mylar plans are made photographically from the originals.

B. STREET ACCEPTANCES (6):

Anawon Road, Kristin Road, Paddington Way, Old Mill Lane, Saw Mill Drive and Pilgrim Hill Road.

C. DPW PROJECTS AND MISCELLANEOUS SURVEYS:

Completed

Route 3A Reconstruction — Stage A (Downtown)
Water Street Reconstruction (Sandwich St. to Brewster St.)
Ellisville Road Drainage
Pine Mountain Estate Water Tank Lot Survey
Manomet Landfill Closure Plan

In Progress

Water Street Municipal Parking — Reconstruction (Memorial Drive to Nelson St.)
Federal Furnace Road — Intersection Improvements
Cherry Street — Reconstruction
Bay Shore Drive (Sec. B) — Reconstruction
Riviera Lake Shores — Storm Drainage
IMS Yearly Update
Town Maps — Yearly Update

D. PRINTING SERVICES:

18 sets Assessors Maps (142 sheets each)
80 sets Zoning Maps (9 sheets each)
Approximately 760 prints of various plans

E. PLAN REVIEWS (9)

Planning Board — 1; ZBA — 3; Building Dept. — 5

F. STATE AID RECONSTRUCTION PROJECTS

Route 3A (Stage A) — Completed

Route 3/44 Interchange/Samoset St./Pilgrim Hill Road

Scheduled construction start: Spring '93

Route 44 Reconstruction (Samoset St./Carver Rd.)

Final design in progress — Scheduled construction start: F
93

G. MISCELLANEOUS:

Joint effort with Fire Department to generate street number li
ings relative to implementation of E911 System. Smaller pr
jects and requests for information process as received.

Thanks is extended to those who so gratuitously have assisted and
counseled the division throughout the past year.

HIGHWAY DIVISION

The following is a report of work done in the highway division of the Department of Public Works from January 1, 1992 to December 31, 1992.

STREET CLEANING

On March 1, 1992, two mobile sweepers started cleaning winter sand. The main roads, Main Street and the waterfront are swept daily during the summer months and every other day the rest of the year. The side streets are swept in rotation. The second sweeper serviced Manomet, Cedarville, Miltonville, Long Pond, Buttermilk Bay and private developments.

DRAINAGE AND DRAINAGE MAINTENANCE

The installation of a drainage system in McGrath's parking lot was installed as part of the Water Street reconstruction project.

Repairs and installations were made to numerous catch basins in all areas of the town.

The cleaning of drain lines and several retention areas was also completed during the year.

To alleviate a large drainage problem, complete drainage systems were installed at the following locations:

- A. Squanto Road — Consisted of a 8 x 6 pre-cast leach pit and approximately 60 tons of stone.
- B. Colony Beach — Consisted of 3 catch basins and approximately 75' of 12" RCP which was connected to an existing drainage system.
- C. Boot Pond Road — Consisted of a 11 x 6 pre-cast leach pit and approximately 70 tons of stone.
- D. Shore Drive — Consisted of a 6 x 8 precast leach pit and approximately 70 tons of stone.
- E. Jenny Grist Mill — Consisted of 4 catch basins, 1 manhole and approximately 200' of 12" RCP.
- F. Federal Furnace Road — Consisted of 1 6 x 11 leach pit, and a 6 x 10 leach pit and approximately 100 tons of stone.

FENCES AND GUARDRAILS

Fences, guardrails and cement posts were repaired and painted. Sections of guardrail were replaced at various locations throughout the town.

ASPHALT SIDEWALKS

Sidewalks were repaired and installed at locations throughout the town including Main Street, North Plymouth, Oceanview Avenue, Stafford St., etc. All work was performed by highway personnel.

HIGHWAY CONSTRUCTION AND RECONSTRUCTION

A leveling course of Type 1 bituminous concrete was placed by a pri-

vate contractor with the assistance of town personnel on the following streets:

North Spooner Street; Esta Road; Mayflower Street; Lothrop Street; Alden Street; Allerton Street; Driftwood Lane; Jefferson Street; Sagamore Street; Massasoit Street; Vinal Avenue; Manomet Avenue; Windsor Drive; Rexford Road; Cheryl Avenue; Thrush Avenue; Hemlock Street; Pine Street; Homer Avenue; Williams Avenue; Jocelyn Avenue; Wind Rose Lane; Pheasant Avenue; Scarlet Drive; Nicholas Avenue; Cardinal Drive; Arlington Avenue; Clifford Road; Rodman Lane; Gre Ave; Boot Pond Road; Colony Beach Blvd; Hedges Pond Road

Reconstruction and paving was completed on the first phase of the Water Street project. The second phase has been started from the rotary at the 1620 Restaurant to Nelson Street. The drainage and regrading has been completed and a base of bituminous concrete has been installed with the remainder of the work to be completed this spring, which will include curbing, sidewalks and the finish coat of asphalt.

Road reclamation work was done by P. A. Landers, Inc. Paving work was completed by Bardon Trimount.

PATCHING OF TRENCHES

The infra-red heat patching of streets at various locations was completed by Felix A. Marino Co., contractor from Peabody.

PRIVATE ROADS

Repairs with funds allocated at Town Meeting are spent under the direction of the Board of Selectmen. Repairs on private roads included grading, graveling, patching and drainage work.

TRAFFIC AND STREET MARKING

Traffic Markings and Markings, Inc. painted center lines on various streets throughout the town.

Parking areas, meter spaces, stop lines, school zones, directional arrows, handicapped areas and crosswalks were painted by personnel in the highway division.

Many signs were made and installed during 1992. A great expense to the town is replacing signs which are vandalized, stolen or destroyed by accidents. Included in this department is the constant maintenance of the traffic, warning and school lights.

MISCELLANEOUS

The work in the Manomet, Long Pond and Cedarville areas have been carried out satisfactorily.

Other work done by the highway division included patching of roads sidewalks and roadside mowing, grading and graveling of dirt roads, installing and removal of snow fence; application of calcium chloride on dirt roads; replacing parking meters; plowing and sanding; rubbish pickup; re

removal of tree stumps; patching and pumping of poor drainage areas. The
main cleaner cleaned out catch basins from March to December.

There was also a major coastal storm on December 12th. A great deal
of damage occurred at the White Horse Beach area, Taylor Avenue and
Plymouth Beach. Highway personnel and rental equipment worked to-
gether to remove sand and debris from Taylor Avenue and to re-open
Hartlett Brook which was completely blocked. Park personnel along with
highway personnel and equipment have been working to restore the dam-
age done to Plymouth Beach and continue to do so.

Requests from the public, selectmen's office and the Department of
Public Works were taken care of by this office.

Thanks to all division heads as well as the employees of the highway
division for the cooperation given during this year.

MAINTENANCE DIVISION

Under the direction of the Town Manager, this division made several changes at the Town Office Building. The former selectmen's office was divided which allowed for an additional meeting area to be created. Areas to hold meetings are at a premium and this new conference room has been very useful. The division also created a modest office for the Town Manager, as his former office was no larger than a closet. There was also a small office created for a member of his staff and this room serves as an office and storeroom for central purchase. Needless to say, neither of these offices are any more than the bare essentials. The Tax Collector's office also underwent changes. The inner office was enlarged and the treasurer was relocated in the same office, this all being part of the update and improvement in town government. It was also necessary to enlarge the main portion of this office. Residents now carry on their transactions at the window located in the hallway. The Town Office Building is only accessible to the handicapped on the first floor and this creates problems for those who wish to do any sort of business. This problem is of great concern to the administration and the town is seeking solutions to the many problems.

Besides the renovations, the three member crew of this division were very busy with the every day repairs at the twenty other buildings which D.P.W. is responsible for. These buildings range in size from Memorial Hall to the Harbor Master Office and include the Police Station and all Fire Stations. In all cases, the division tries to do all work in house to control the cost.

The vehicle maintenance portion of this division was kept busy with the maintenance of the hundred plus pieces of equipment and motor vehicles of D.P.W. as well as the twenty-six vehicles of the Police Department.

PARK AND FORESTRY DIVISIONS

The work this past year involved a great amount of restoration effort as well as normal maintenance throughout the town's park system. Some of the restoration work was planned for, while some was caused by nature's capriciousness.

Winter at the beach. Not a bad idea except when it happens to be Plymouth Beach. But that's where the work was needed since the Halloween coastal storm in 1991 had caused so much damage to Plymouth Long Beach. Town employees installed approximately 13,500 feet of sand fencing, 2,000 fence posts, 350 pieces of utility poles, and installed cabling, bought out and wired 2,500 discarded Christmas trees and removed tens of thousands of storm debris during January, February and part of March. All this effort was beginning to be rewarded by the fact that the wind and tides were allowing the fragile barrier beach system to rebuild its strength. Unfortunately nature did not allow enough time for rebuilding former strength at the beach. Another serious coastal storm struck the area during this December and almost all of the work was gone again. The dredging of Eel River began again immediately while the beach restoration work will take place early in 1993.

On a more positive note, Plymouth Long Beach was impacted by another event this past year. A plan was presented by the park division that provided for a balanced management approach to the off-road vehicle and wildlife habitat issues that are a part of this fragile barrier beach. A review and appeal of this plan to the Massachusetts Department of Environmental Protection resulted in an increase in the vehicle restricted area. The few vehicle restricted areas, however, are still available for use by the people on the beach. The beach serves many functions while providing for a barrier beach that protects our harbor and mainland shore. The task has not been easy, nor without controversy, but was definitely necessary and worthwhile.

The reconstruction of Jenny Pond Park began during the fall and will be completed next spring or summer. The concept for this project began in 1981 but finally became a reality this past year. This reconstruction, in which town forces are performing a major part, will provide once again an important and pleasing park area for town citizens and those visiting Plymouth. The park & forestry personnel are very proud of the role they have taken in this reconstruction. Not only has it been excellent work but it has also been done at a great savings to the town. This project will also serve to complement the revitalization work that has and will continue to take place in the downtown business district.

The tree division personnel provided a valuable portion of the work in the downtown area by the planning, selecting, and planting of twenty-seven trees along Court and Main Street. These trees will offer an added aesthetic quality to the revitalization of our downtown business district.

The park division also added to the downtown project by completely rejuvenating Depot Park and creating a smaller landscaped area near the Main St. Extension bridge. At Depot Park, site of the former information

booth, new shrubbery, grass and a donated flagpole were installed greatly improve the area. It is these kinds of projects that help to enhance the town and environment.

During this past year, park personnel continued to maintain all of the many parks, playgrounds and ballfields. Infield reconstruction again took place at Siever Field. Extra time and effort went into this field during the season since it was elected to host the Babe Ruth League State Championships. The league's volunteer group also expended time, money and lots of energy to add to this endeavor. It is encouraging to continue to see the kind of involvement from various groups and it certainly assists in the division's work.

The tree division had a very productive year in the shade tree management of the town's street trees. This work involves pruning, lifting for clearance, fertilizing, insect and disease detection and control and tree removals. Both the safety and the productivity of work increased this year through the purchase of an aerial lift truck. This piece of equipment will add to the ability to provide and maintain healthy and beneficial shade trees along the streets.

In summary, 1992 was a year that saw major repair projects as well as greatly needed rejuvenation projects within the town's park system. The majority of this work was performed by personnel of the park and forestry divisions as well as help from the other D.P.W. divisions. These projects were well done and something in which the town can take pride. The division would like to thank all of the other divisions, especially the highway who had a hand in this year's work.

SEWER DIVISION

In the months between January and December, 1992, a total of 33,629,000 gallons of wastewater were treated at the Plymouth Wastewater Treatment Plant on Water Street. This represents a reduction of 39,855,000 gallons from 1991, or a 29.85% reduction in total flow. This reduction indicates that the town's sewer line rehabilitation program and new Cordage and Harbor Interceptor have had a positive effect on reducing the hydraulic loadings on the Wastewater Treatment Plant. The facility treated a total of 4,069,958 gallons of septic waste in 1992, a 7.5% reduction of intake from 1991. The septic flow was .83% of the total sewer flow.

The belt filter press processed 6,992,070 gallons of waste sludge. The belt press processed 5,894 cubic yards of sludge cake with an average of 7.5% solids which works out to 731.9 total dry tons of solids that were taken to the Manomet Landfill for disposal.

Through contract, the town video taped and inspected 3,400 feet of 30" diameter sewer main along Water Street and 1,900 feet of 18" diameter sewer main in Cordage Park.

On March 16, 1992 work began to replace the superstructure on the 2 final clarifier. This was a major and complex project undertaken by treatment plant personnel who worked around the clock to complete the work in a timely and efficient manner while maintaining the highest degree of treatment possible to minimize any non-compliance of the effluent.

Replacement parts for the clarifier #1 superstructure were ordered and received and replacement has been scheduled for February-March 1993.

Chemical root control work was completed on Billington Street, Newfield Street and Atlantic Street.

Specifications were drawn up, bid and contracted for a new sewer jet loader and hi-pressure vacuum sewer line cleaning truck to more effectively clean and maintain the fifty-plus miles of sewer lines throughout the town. Delivery is anticipated in the Spring of 1993.

Work was completed in late June on the removal of 19 manholes and grapp from the beach between Brick Kiln Road and Nelson Street as part of the Cordage and Harbor Sewer Rehabilitation work.

In late June, the sludge drying beds were cleaned, capped and hydroseeded, thus completing the work as required by the Interim Order. Beta Engineering completed Phase I of the Residuals Management Study and is presently working on Phase II. Because the state requires the Manomet Landfill to close by January, 1994, an interim plan must be completed to dispose of the sludge produced at the plant which is now landfilled in Manomet. A composting facility has been proposed to be built by 1995.

As required by the Attorney General's Interim Order, the town has contracted with Camp Dresser and McKee to address the issue of a new treatment plant facility which must be built and operational by 1998.

In accordance with the Interim Order, the plant staff revised and rewrote the Operation and Maintenance Manual for the treatment plant and

pump stations. The Department of Environmental Protection, Southeast Regional Office, approved the new OEM manual in July, 1992.

The town's building maintenance craftsmen created an administrative office at the Wastewater Treatment Plant in early March, thus bringing the division together into one central office.

Sampling and inspections of those industries permitted under the Town of Plymouth's Industrial Pretreatment Program were continued in compliance with the Attorney General's mandated Pretreatment Program in accordance with the Environmental Protection Agency's rules and regulation 40 CFR 403. The town, its consultant, Gale Associates, and the Regional EPA office are continuing to work toward setting technology based local limits. A new computerized composite sampler/flow monitor was purchased to facilitate the sampling process.

The sewer division is continuing to work closely with the Health Department to locate failed septic systems within the town by monitoring the pumping at the Night Soil Depository.

Sewer division personnel cleaned, rebuilt, maintained, painted and repaired all pumps and motors within the wastewater system through the year.

The following employees received their Wastewater Treatment Operator's Certification:

| | |
|---------------------------------|---------|
| Gary Frizzell, Superintendent | Grade 6 |
| Dale Webber, Plant Operator | Grade 6 |
| Sherry Caldeira, Lab Technician | Grade 5 |
| Richard Coit, Maintenance Man | Grade 2 |

The sewer division wishes to thank all other departments for their assistance and cooperation throughout 1992.

WATER DIVISION

This 138th annual town report is respectfully submitted for your consideration by the water division Acting Water Superintendent for the calendar year 1992.

December 23, 1992 the Water Division Superintendent Michael A. Hunter resigned his position with the Town of Plymouth to assume a new position with a town in Northwest Ohio.

The construction of two new gravel packed wells began in early 1992. The end of this year saw the completion of the first well site and the near completion of the second well site. The new wells are located on town owned land situated between Great and Little South Ponds. The new wells will permit the Town of Plymouth to comply with the stipulations of the federally mandated requirements of the "Surface Water Treatment Rule" by eliminating the use of the surface water supply for drinking water purposes.

The total rainfall for the year was 42.76 inches as compared to 47.29 inches for calendar year 1991. The annualized average elevation for Great South Pond was 103.5 feet. The full pond elevation for Great South Pond was 106.0 feet.

The total pumpage for all sources was 1,687,821,000 gallons. This represents an increase of 34,534,300 gallons over the last calendar year. The increase was the direct result, principally, of the extremely hot weather experienced in July and August coupled with the additional pumpage from the new Darby Pond Well Pump Station.

CONSUMPTION OF WATER

- Estimated Population on Pipeline: 39,200 (approx'y 86% of Town)
- Total Yearly Consumption: 1,687,821,000 gals.
- Average Daily Consumption: 4,623,671 gals.
- Gallons Per Day Per Capita: 115.23 gals.

CONSTRUCTION

| Location | Length and Size |
|--------------------------------|------------------|
| Cemetery Ext | 1700 L.F./8" PVC |
| Morton Park Road | 1000 L.F./8" PVC |
| Total Length of Main Extention | 2700 L.F. |

New Hydrants Added to System

| | |
|--------------|---|
| Cemetery | 1 |
| Water Street | 1 |

DISTRIBUTION SYSTEM

Type of Pipe: Cement lined sheet iron (jacket pipe), cement lined cast iron, cement lined ductile iron, asbesto-cement lined and PVC

Size ranges: 2 inches to 20 inches

Linear Feet L.F. Extended: 2,700 L.F.

Linear Feet (L.F.) Discontinued: -0-

Total Linear Feet (L.F.) in use: 1,035,513.6 L.F. or 196.65 miles

Number of Leaks per mile: 0.12

Total Linear Feet of Pipe 4" or less in use: 15840 L.F. or 3.0 miles

Number of Hydrants: 1,509 public and 25 private

Gate Valves added: 46

Gate valves removed: 23

Number of Gate Valves in use: 2,612

SERVICE CONNECTIONS

Type of Pipe: copper tubing (K), PVC, cement lined
cast iron, cement lined galvanized, lead

Size Ranges 3/4" to 6"

Service taps added: 50

Service taps removed: -0-

Number of Service taps in use: 11,258

Average cost of new service tap: \$475.00

Water Meters added: 166

Number of water meters in use: 10,262

Percentage of services metered: 90.2%

For calendar year 1992 \$1,885,439.94 was committed to charges (water bills) for the sale of water, connections to water mains, various services rendered, etc.

The Water Division remains committed to providing a safe, clean supply of water to all its consumers and stands poised to meet the challenges of a new year.

Summary of Statistics

Population: 45,608

Summer Population: 58,000 (estimated)

Date of Construction: The Town built water system began production drinking water in 1855

Sources of Supply: Great and Little South Ponds, Lout Pond Well, Wanno's Pond Well, Ship Pond Well, Federal Furnace Well, North Plymouth Well, Bradford Well, Ellisville Well and Darby Pond Well

Mode of Supply: Direct pumping to a distribution system with storage provided by nine (9) standpipes.

Pumping

Pumpage for the Year--All Sources (Via Electric Powered Pumps)

Gals:

| | |
|---|---------------------|
| Lout Pond Pump Station (surface supply) | 376,257,000 |
| Lout Pond well | 1,725,500 |
| Wanno's Pond Well | 159,645,700 |
| Ship Pond Well | 101,383,400 |
| Federal Furnace Well | 172,833,500 |
| North Plymouth Well | 240,583,300 |
| Bradford Well (iron removal plant) | 375,376,500 |
| Ellisville Well | 182,100,100 |
| Derby Pond Well (new source) | 77,916,000 |
| Total Pumpage | <hr/> 1,687,821,000 |

| Pine Hill Booster Station | 91,629,000 |
| Ellisville Booster Station | 47,354,900 |
| Total Repump Pumpage | <hr/> 173,509,100 |

COUNCIL ON AGING

1992 was a year of expansion of the Council on Aging volunteer programs. Two one-time grants enabled the Director of Elder Affairs to add two part-time staff; namely, Coordinator of Volunteers Kathy Taber and Clerical Assistant Grace McCarthy. The new grants were: a Massachusetts Small Cities Grant amounting to \$20,808, and a Bay State Health Care Grant of \$4,883. The two grants were combined to bring services to low and moderate income elders. Bay State Health Care provided Ambassador Program Volunteers to expand and enhance transportation services to older adults.

The new volunteers were utilized to beef up our home delivered meal pool of drivers and those who drive individuals to out-of-town medical appointments. Some new volunteers were assigned to regional programs such as Ombudsman and SHINE (Serving Health Information Needs of Elders), which require training and certification. Other volunteers became leaders of Line-Dancing and Low-Impact Aerobics; still others participated in performing arts activities at the senior center and at Independence Mall.

Programs under Older Americans Act, Title III, developed our outreach to those in need of our services. Outreach Coordinator David Saylor initiated programs with the University of Massachusetts to assign and oversee field experience of undergraduate students of gerontology studies. He continued the utilization of volunteers for making contacts by telephone. A major part of his time was spent matching volunteer drivers with individuals who called for rides to out-of-town hospitals, physicians and nursing homes and helping people with forms for fuel assistance, housing, and Qualified Medicare Beneficiary. Viola Kessell managed the kitchen and dining room. With the assistance of volunteer Pam Carr, she served our congregational meals and filled the meals on wheels containers each day. Under our Formula State Grant, Carol Lefieri oversaw the over 100 home delivered meals that went out each weekday. She coordinated this program with the drivers and with Old Colony Elderly Services.

The Senior Community Service Employment Program, under Older Americans Act, Title V, provided Senior Aides to our staff. This program has dwindled by attrition. We lost Victor Lopes, Alpheus Richmond and Mildred Baker. These community job slots were not replaced. However, through the kind efforts of State Director of Elder Employment Program William Jackson, our Council on Aging was given more Elder Service Corps slots. Mildred Baker, John Ferrigno, Antonnette Scalabroni, Maria Valeriani, Mary Boyle and Joseph Poirier were Elder Service Corps volunteers. Barbara Grefe, Bernadette Tarjick and Laura Gavoni survived as Senior Aides.

One hundred fourteen volunteers who gave 24,105 hours of their personal time to serve the needs of elders through the Council on Aging were honored during a volunteer recognition luncheon conducted at Isaac's Restaurant on the Waterfront on May 14. Secretary of Elder Affairs of the Commonwealth Franklin P. Oliver thanked the volunteers and presented a certificate of outstanding service signed by Governor William Weld to Hop R. Cole for her 18 years of faithful service to the elders of our town.

Our Dial-A-Ride program, operated under the Greater Attleboro-aunton Regional Transit Authority(GATRA), provided an average of 1,916 rides per month(a total of 22,992 rides for 1992) in serving the elderly and handicapped of our town. Reimbursement to our town amounted to \$35,060.99. CURA Visiting Nurse Association conducted monthly health clinics under agreement with the Plymouth Health Department. The November flu shot clinics brought \$1,303 to the town in fees. More elders were inoculated with the flu vaccine at the CURA Office.

The Board of Selectmen reappointed Joseph Barrett, Walter Baker and Sam Ferrari to the Council on Aging; and following the resignation of Robert Weiss, the Selectmen appointed Attorney Stephen K. Leonardi to the Council. Walter Baker, Agnes Fernandes and Harry Fox remained on the Old Colony Elderly Services Board of Directors; Christian Schembri, Richard Hengst and Louise Sullivan served on the Area Agency on Aging Advisory Committee. Genevieve M. Ash was awarded a certificate of recognition from Secretary of Elder Affairs Ollivierre for "distinguished service and dedication toward improving the quality of life of the Commonwealth's older citizens." And Christian W. Schembri was awarded a letter of praise from the Secretary for the excellence of his newsletter OLD COLONY ELDER, adding, "You know how to mobilize, how to create team spirit, and how to put the team to work on projects of worth and substance."

Our Council on Aging lost three long time staff members the past year. Bus Driver Ray Coville retired after twenty years of service during which he touched the lives of hundreds of elders and handicapped persons. Death took away from us Senior Aide Victor Lopes who assisted in our nutrition program, and Volunteer Marjorie Anderson who served at our dispatcher's desk every Friday afternoon for many years.

OLD COLONY PLANNING COUNCIL AREA AGENCY ON AGING

The Old Colony Planning Council Area Agency on Aging is responsible for administering Title III funds under the Older Americans Act. This federal funding enables the Area Agency to address the growing needs of elders in twenty-three communities in southeastern Massachusetts. Working closely with local councils on aging and other community agencies, Title III funds are combined with other resources to develop and support a broad range of in-home and community-based elder services.

During FY 1992, an estimated 13,000 elders received assistance through more than twenty-five nutrition and social service programs. The following services were funded in FY 1992 by the Area Agency:

- Senior center and outreach programs
- Home health and respite services
- In-home mental health services
- Services for deaf, blind and physically disabled elders
- Transportation services
- Legal services
- Emergency services
- Congregate and home delivered meals
- Services to families and care givers
- Nursing home ombudsman services

The Area Agency on Aging acknowledges with gratitude the generous support and cooperation of the communities in the planning and service area, especially the local citizens who serve on the Advisory Committee, chaired by Dolores Kent of Easton. The Advisory Committee, consisting of representatives from each of the communities served, assists the Area Agency in assessing elder service needs, establishing funding priorities, and selecting subgrantees to provide the various Title III services.

The council further notes with appreciation the work of local boards and commissions, public and private agencies, various institutions and individuals who have cooperated with or otherwise assisted the council.

BOARD OF HEALTH

Environmental Health

Private Sewage Disposal Systems

| | 1991 | 1992 | Change |
|--------------------------|------|------|--------|
| Permits for New Systems | 171 | 286 | +115 |
| Permits for Repairs | 111 | 143 | + 32 |
| Final Sewage Inspections | 217 | 220 | + 3 |

The Plymouth Health Department is pleased to present its Annual Report for 1992.

Reappointed to the Board of Health were members Chairman Warren F. Whitaker, Robert J. McKenna and Dr. Sidney Nirenberg. The health department has been able to maintain a level funded budget without lowering public assistance and departmental priorities as they may relate to the preservation and protection of public health and sanitation. Permits issued in 1992 resulted in approximately \$50,000.00 returned to the town treasury.

Chairman Whitaker has taken an active role in the pursuit to solve the town's sewage treatment plant problem. He has spent many hours attending meetings and listening to residents' concerns which has enabled him to return to the board information so they can jointly decide on an appropriate site location.

With the water testing program, the department was able to identify and solve a high coliform count at the town's Fresh Pond swimming area.

Proper measures were taken to insure the safety of the residents using the public beach.

Chairman Whitaker has been appointed to CURA's Professional Advisory Council. His input has enhanced medical services provided to the community.

The Board of Health has met with local veterinarians to establish an emergency response program to address the state's advisory of an impending rabies epidemic.

CURA VISITING NURSE ASSOCIATION FOR HEALTH SERVICES CONTRACT

Cura Visiting Nurse Association continues to fulfill it's mission to the Plymouth community by providing home health care, supportive services, health education and preventative public health to assist individuals and families attain their maximum health, independence and comfort.

The professional services of registered nurses, therapists, and medical social workers provide essential assessments and education of disease processes, exercise regimes to promote increased abilities and activities of daily living and advocacy and linkage for housing, meals, utilities and ongoing counseling needs.

Cura VNA's nurses also provide elder Plymoutheans with ongoing health counseling at various clinic sites in cooperation with the Council on Aging. Town employees receive blood pressure testing and immunization against Hepatitis B at yearly clinics. The children in the Plymouth community receive ongoing care from birth through school age; new born assessments, immunizations at Cura's weekly clinic, monthly Well Child Clinic and school vaccination programs.

The weekly clinic at Cura VNA, 89 Court St., offers residents of all ages adult immunizations, testing for tuberculosis and blood pressure screening.

Public safety is ensured as Cura VNA's Public Health Nurse provide follow-up of all communicable and infectious diseases reportable to the Board of Health. Yearly flu clinics also offer protection for Plymouth residents against strains of viruses that are anticipated during our winter months.

The following statistics describe in numerical detail the magnitude of services provided to the community of Plymouth.

| | |
|--------------------------------|------|
| Home Visits | 113 |
| Communicable Disease Control | 15 |
| Influenza (Flu Vaccines) | 1483 |
| Tuberculosis Testing (Mantoux) | 684 |
| Well Child Clinics | 11 |
| Immunizations | 427 |
| Outreach (Health Clinics) | 437 |

PLYMOUTH HOUSING AUTHORITY

1992 was another challenging year for the authority. Faced with the demise of the Chapter 707 Rental Assistance Program, the authority was confronted with the challenge of converting existing participants into the newly designed Mass. Rental Voucher Program (MRVP). New regulations under this program eliminated over 1300 participants across the state which included participants in the Town of Plymouth. Continuation of funding by the Commonwealth for this program remain at risk, and funds are subject to the approval of the state's budget. The Plymouth Housing Authority along with 245 local housing agencies in Massachusetts, are working together to maintain this program and address other housing issues with our representatives at the state level, by advocating the growing need for housing programs that serve low income elderly and families.

In 1992, public housing agencies in the state were introduced to HUD's newest concept of housing initiatives, called Family Self Sufficiency. Funded by the Department of Housing and Urban Development, this innovative program combines housing assistance with social service needs. The program was designed to serve only those families who wished to seek and obtain employment through education or job training, in order to become self-sufficient.

Gratified by this long awaited and highly supported concept to combine housing assistance with commitments from participants who are interested in becoming self-sufficient, the authority entered into a demonstration program with HUD for 25 families.

The authority designed a highly intensive program incorporating the skills and expertise of community based organizations who provide counseling, education, child care, transportation, etc. These services, which are limited for a five year period, are available only to participants who demonstrate interest and motivation to obtain independence from all government programs, including housing assistance.

Recognizing that the role of local housing agencies and officials were changing, the authority acknowledged that additional funding for programs could require more involvement with community based organizations and case management for both elders and families. Therefore, along with expanding administrative policies and management procedures, the authority now includes limited case management to coordinate resources made available by over 20 community based organizations, as well as four universities, including Fisher College, University of Mass, Massasoit, and Boston University.

These organizations along with grants through Mass. Small Cities have been very successful and have broadened the commitment of the Plymouth Housing Authority to continue to address the needs of its residents and the community.

In addition to the establishment of family service programs, the authority was also introduced to the changing trends in elder home care. In 1992, the Department of Elder Affairs along with home care organizations, began design the "Managed Care Program". Through this program, the author-

ity is now able, in cooperation with home care providers, to assist in determining the degree of services necessary in order for an elder to remain residing in public housing.

In 1992, the authority also concentrated on establishing and identifying the needs of both the organization as a whole and the facilities it owns and maintains. In doing so, the authority applied for another Comprehensive Improvement Grant from HUD to develop a plan to improve the exterior and upgrade the common areas in its federal development. The combined grant for the 1991-1992 period totals \$307,000 for both exterior and interior improvements.

Looking forward to the needs of the future, the authority obtained consulting service to conduct a comprehensive capital inventory and needs assessment for its state and federal developments. Through this survey the authority will develop a 20 year Capital Improvement Plan. All aspects of the buildings, mechanical systems, etc. will be included in this survey and provide the authority with an important tool for budgeting modernization needs in the future.

The authority also began a comprehensive assessment of its facilities and administrative procedures under Section 504 and the American Disabilities Act. Upon the completion of this assessment, the authority will have identified, by a review of its entire housing stock, policies and procedures, and through public forums, the needs of residents requiring handicap accessibility.

In 1992, the authority feels it met its challenges and maintained its capability to adapt to new trends and ideas from both HUD and EOCA. Looking beyond the brick and mortar has been a welcomed opportunity. Although the need continues to grow, families and elders served by our agency, and those that we anticipated to serve in the future have found that the direction taken by this agency has or will enhance the quality of life for our residents and the community.

LIBRARY

The new library, which opened in October of 1991 showed tremendous increase in use during 1992. More than half a million items were checked out and the reference and children's departments answered more than 10,000 reference questions. Use of the library is nearly triple what it was in the old building. Plymouth now has the busiest library on the South Shore. Town Meeting members added money to the library's budget to pay for open hours on Sunday. Sunday has proved to be the busiest day of the week in terms of number of transactions per hour, with Saturday a close second. Local organizations and government agencies — including the Selectmen — are using the meeting rooms for regular meetings, hearings, conferences and programs. The library has become a real community center.

The book collection has been increased to about 130,000 items, which is about 3 items per capita. This means that, for the first time, Plymouth has reached the minimum number of items recommended for a public library. However, because Plymouth Library's circulation has also increased dramatically, maintaining the collection at recommended standards will be a challenge. The audiovisual collection continues to be heavily used as well.

The new library relies heavily on volunteer help for many projects. Volunteers staff the Plymouth Collection Desk, shelve 10,000 books a week, answer the telephones all day long and do a hundred other necessary tasks. The library has 275 registered volunteers who put in about a thousand hours a month.

The Russell Library, which was located in the old library building on North Street was open from October of 1991 through June of 1992. The number of people using the library and the number of items circulated were not large enough to justify the expense of staffing and maintaining the library there. However, Quincy College, which was already occupying the rest of the building, was happy to expand into this space, and officials at the college agreed to continue to allow the public to use the reading room. The Plymouth Public Library Corporation is providing magazine and newspaper subscriptions and paper back books, and there is a regular delivery service between the Plymouth Public Library and the Russell Library. Because of this cooperative agreement, people in the downtown area continue to have library services.

Use of the Manomet Library dropped off somewhat during the year, though the library has many users and serves students and recreational readers well.

The Friends of the Library as well as other local organizations have assisted staff in carrying out a variety of programs for both children and adults. Some highlights of the year were the TV turnoff week activities, the Festival of Friends programs in the fall and the many activities during Birthday Celebration Week.

The Board of Trustees of the Plymouth Public Library Corporation as of December 31, 1992 are: Linda Murphy (President), Williston Holbert

(Vice President), Joyce Stewart (Treasurer), Jill Brooks (Secretary). Genevieve Ash, Stanley Bernstein. Paul Blanchard, Jeffrey Chute, Charlotte Collins, Kenneth Fosdick, Ruez Gallerani. Gloria Higgins, and Jacqueline Winokur.

The Plymouth Public Library Corporation is a nonprofit corporation dedicated to the provision of quality library service to the Town of Plymouth.

RECREATION DEPARTMENT

The Recreation Department organized and conducted a multitude of events and programs in 1992. Thousands of local residents participated. Activities included the annual field trip to Boston Garden during the February school vacation to see the Disney characters perform on ice. During the month of March, basketball shooting contests were held at the Manomet Youth Center, a gymnastics program was held for children in grades 4 thru 6, the annual Youth Basketball Tournament was held at Memorial Hall, and the Youth Basketball Program was again conducted at the Manomet Youth Center.

In the spring and early summer the department held the annual Haskell Fishing Derby for children ages 4 thru 17. The Hershey's National Track & Field Youth Program was held in June at the Carver High School Track for Plymouth and Carver youngsters ages 9 thru 14. Eleven youngsters from this meet qualified for the State Finals which were held in Braintree in July.

During the summer, the Recreation Department conducted playground programs at Stephens Field, West Elementary School, South Elementary School, Briggs Field (Manomet), and Elmer Raymond Playground (Cedarville). Red Cross swimming lessons were conducted at Morton Park, Plymouth Beach, Fresh Pond, and Taylor Avenue Beach with an enrollment of nearly 1000 youngsters. The department also supervised the beach and pond parking attendants who collected \$53,993 in non-resident parking receipts. Week long Sports' Clinics were held featuring soccer, baseball, basketball, tennis, and gymnastics for ages 8 thru 14. The popular Summer Basketball League for ages 8 thru 13 was again conducted, and over 100 youngsters and parents attended a Red Sox game in August. The summer playground activities, which featured tennis lessons, arts and crafts classes and baseball concluded with an "All Playgrounds Day" program held at Stephens Field in August. The town's lifeguards stationed at Morton Park, Plymouth Beach, Fresh Pond, and Taylor Avenue Beach were also under the supervision of the Recreation Department.

In the fall, the department held a Halloween party on Halloween evening at Memorial Hall which was attended by more than 400 youngsters and just prior to Christmas the Charles Dickens' classic "A Christmas Carol" was staged at Memorial Hall which resulted in over \$4,000 being raised for the department.

The Recreation Department would like to thank Mr. Gray and the park division staff, Mr. Harlow of the maintenance division, the Plymouth School Department, the Board of Selectmen, Mr. Hadfield and the Civil Defense office and the many others who were instrumental in the many successful programs conducted. In addition, sincere thanks go out to the many who donated to the Children's Fishing Derby and to the Christmas show fund raiser.

SAVING LIVES PROGRAM

As reported last year, the intent of the Plymouth Saving Lives Program was to develop a plan for self-sufficiency by the conclusion of grant funding in 1993. To start this process, a self-sufficiency component was added to the existing five program components, thus enabling the program to conduct activities geared toward its objective. It was through the creation of this sixth component that it was decided the formation of a non-profit organization would be the most logical solution to continue on-going educational measures. After many hours of research and development, bylaws were written, board members were elected and the Articles of Organization were filed; on September 28, 1992 the Friends of the Plymouth Area Saving Lives Program, Inc. was formally recognized by the Commonwealth of Massachusetts, Office of the Secretary of State.

With the help of high school students and various community volunteers, the Friends launched two successful fund raising events in 1992:

On a sunny, but cold November day a car wash was held in the 11 Court Street parking lot. Volunteers and peer leaders from Plymouth North, Plymouth South and Carver High School as well as peers from Plymouth Community Intermediate School assisted in this first fund raiser of the non-profit.

On Tuesdays throughout the month of December, students, town employees, and community residents spent many volunteer hours staffing a gift wrapping booth at the Independence Mall. Due to its success, this will likely be an annual event.

In the year ahead, the Friends will actively seek memberships and grants as supplemental funding sources to ensure continuation of educational activities and events facilitated by Plymouth Saving Lives Program.

In addition to the creation of a non-profit organization, the Plymouth Saving Lives Program carried out many activities over the year. New initiatives of 1992 were:

- The creation of the Safety Belt Helpline with support from Boston Edison. This 800 line was developed as a result of the community's concern about the need to educate neighbors on the Massachusetts Child Passenger Safety Law. Upon observing a potential violation of this law, citizens are able to call 1-800-52-BELT whereupon an answering machine will instruct them to leave specific information regarding their observation. A letter of advisement along with an informational card stating the law is sent to the owner of the vehicle reminding them of the need to properly restrain children 12 and under.
- During Passenger Safety Month in February, Buckle-Up Valentines were given to Town of Plymouth employees, local daycares, centers and Plymouth elementary school students in grades K-5. The theme was buckling up for those you love.
- In conjunction with the President's national goal of obtaining a 70% safety belt usage rate, Saving Lives conducted unannounced observations.

servational surveys at various locations throughout the community. The results were documented and upon review, safety belt educational campaigns including distribution of pamphlets and brochures were conducted to coincide with the outcome.

- Recognizing common goals and objectives, Saving Lives, along with the Plymouth-Carver Drug Free Schools Grant and the HALT Project, created a working alliance to educate all segments of the community about the dangers of alcohol, drugs, and other risk-taking behaviors. Community resource cards with the telephone numbers of various health agencies and community services are being developed for distribution in 1993.
- Saving Lives was awarded a community prevention initiative grant by the HALT Community Partnership. The proposal submitted was for the implementation of the Keg ID tagging program in Plymouth and Carver. Keg ID is an initiative designed to deter underage drinking as well as over drinking by those of legal age, which could result in drunk driving fatalities and serious injuries.
- A successful proposal to the Governor's Highway Safety Bureau resulted in Plymouth being awarded ten pedestrian crosswalk signs for use in specific crosswalks throughout the community. Local businesses will aid in the placement and housing of the signs which are designed to remind motorists to yield to pedestrians in crosswalks.
- The Saving Lives Program along with the Massachusetts Governor's Highway Safety Bureau and the HALT Project sponsored a free, informative workshop on liquor laws and host liability entitled "Responsible Beverage Service in the 90's". The workshop was open to all liquor license holders, owners and senior level management of bars and restaurants in the towns of Plymouth, Kingston and Carver. The keynote speaker was Attorney Ronald S. Beitman, a nationally recognized authority on drunk driving litigation.
- Saving Lives and the Massachusetts Head Injury Association sponsored a demonstration on the correct use of child car seats along with a discussion on head injuries to the Teenage Mother's Program. A 30 year old head injured crash survivor told the students "her story" and how her life was significantly changed after receiving a brain injury. Her emotional story reinforced the message about the importance of wearing a safety belt and properly restraining children.
- During the Christmas holiday season, Saving Lives in conjunction with the HALT Project, Kingston Police Department, Plymouth Police Department, Howard Johnsons, Massachusetts Governor's Highway Safety Bureau and the National Highway Traffic Safety Administration sponsored a workshop entitled "Being the Life of the Party: How to be a Responsible Social Host". The forum was designed to enable residents in the community to gather information on how to promote responsible consumption of alcohol by guests at their home.

- A representative of the Business for Safety component from the Plymouth Saving Lives Program spoke about the dangers of alcohol and drugs in the workplace at a workshop co-sponsored by the Plymouth Area Chamber of Commerce.

In addition to the development of new activities, Saving Lives continued the operation of existing programs:

- Over 20 bears have been distributed by the Plymouth Police Department to children 12 years of age and under who, at the scene of a motor vehicle crash, were found to be properly restrained in a car seat or safety belt. The Koala Bear Program, sponsored by the American Legion Post #40 and the Plymouth Lions Club, has proven to be a successful approach to promoting the Massachusetts Child Passenger Safety Law.
- 364 alcohol servers have been certified through the H.E.A.F. (Help Eliminate Alcohol Related Tragedies) training program, which is now entering its fourth year of operation.
- Saving Lives continued to provide funds to support various school programs including the Peer Leadership Recognition Evening and after prom parties.
- Saving Lives continued to participate in various health fairs and community awareness events such as the Festival of Sails, MA Motor Exposition, Festival of Turkeys at PCIS, South Elementary's community night, Family Fest, Town of Plymouth employee health and benefits fair, Plymouth North High School's health fair, Spindles 12th Annual Autofest '92, Council on Aging's "It Takes More Than An Apple" Health Fair, Cedarville's Founders Day Parade, Mashpee Medical Association's Child Safety Fair, Plymouth Public Library's First Anniversary Celebration, and Adelphia Cable Communication's annual drunk driving awareness program.
- Saving Lives provided funds for various coordinated selected enforcement patrols with the Plymouth Police Department, targeting impaired driving, child passenger safety, and speeding. These patrols were deployed during the traditionally high risk times of the year (i.e. proms, graduation, Labor Day, New Year's Eve).

In the year ahead, the Plymouth Saving Lives Program and Friends will strive to continue the level of services and activities it provides to all aspects of the community. They look forward to expanding new and existing programs and creating a broad-based support network to enhance the level of traffic safety education throughout the Plymouth area.

VETERANS SERVICES

One of the most important legislations passed by Congress in 1992 was the Emergency Unemployment Act (EUC). This act has tremendously relieved the internal limits of the local budget. This comes especially during a time of high unemployment along with a scarcity of jobs. Although it required considerable extra work in research and other administrative duties, the department's goal was accomplished. In many cases EUC granted extensions ranging from 33 weeks to 13 weeks of benefits. The Division of Employment and Training was most cooperative.

M.G.L. Chapter 153 of the Acts of 1992 provides a state funded bonus to qualified Persian-era veterans. Bonuses are in two denominations, one in the amount of \$500 and the other for \$300. Applications are constantly being taken and processed in our office by the local military and National Guard personnel who qualify.

In November, all agents and directors received a memorandum from the commissioner's office and the Chief Authorizer regarding changes in fees/codes authorized by the Rate Setting Commission. It authorizes increased payments for medical bills. Medical costs continue to be the fastest rising cost of all services provided.

Because there is an acute shortage of affordable housing for veterans, and also to exercise leadership and advocacy within state government, the commissioner's office has formed a State Advisory Board. Plymouth's Veterans' Agent was selected as a member of that board and represents the Mass. Association of Veterans' Agents. Recently he was re-appointed through the Executive Office of Communities and Development's Secretary, Mary L. Padula to a five year term as the state appointed Commissioner of the Local Housing Authority. The local housing authority has selected him as Vice Chairman.

The department wishes to thank Bernard Reed of the Division of Employment Training, Anne Torrance, and Mary E. Zacchilli for all their cooperation and assistance.

DEPARTMENT OF VETERANS' AFFAIRS

During 1992, the state's Veterans' Affairs Secretary, Edward Derwinski, resigned his Cabinet post. He has been replaced temporarily by the First Deputy Anthony J. Principi. He is a combat-decorated Vietnam veteran and has held several high-ranking government positions.

The appropriation for FY 1993 was established at \$34.7 billion. This represents an increase of \$1.918 billion over the FY 1992 budget. The VA made its second home loan reduction in the interest rate ceiling in two months, bringing the maximum rate to 7.5 percent. This is the lowest it has been in 19 years.

Several important legislations were passed during 1992. The President signed Public Law 102-3 which increases COLA's for all the troops and for disability compensation plans. Public Law 102-4 codifies the action of the Secretary of Veterans' Affairs in providing compensation for choracne, non-Hodgkins lymphoma, and soft-tissue sarcoma suffered by veterans who served in the theater during the Vietnam War. Public Law 102-25 provides VA guaranteed home loan eligibility after 90 days for active force members, including National Guard and Reserve forces called to active duty. It also increases GI Bill educational benefits. Public Law 102-82 makes technical amendments in the law that establishes the U.S. Court of Veterans Appeals. H.R. 939 establishes a two-year pilot program for fiscal year 1993 and 1994 on Adjustable Rate Mortgages (ARMS) at no less than two, but no more than ten VA regional offices.

For the fourth time in the 75-year history of the veterans' life insurance program, more than \$1 billion in dividends will be paid during 1992 to veterans holding active policies. No applications from individual policy holders is necessary. Veterans with questions about their VA insurance may call this toll free number: 1-800-669-8477.

The cost of the Persian Gulf war was \$61 billion. The United States' share of expenses is approximately \$7 billion. By January, the United States had received \$52.4 billion (97 percent) of the pledged amount by other countries according to the Department of Defense.

During 1992, local veterans were assisted in receiving medical assistance at the following VA Medical Centers: 940 Belmont Street, Brockton; 150 So. Huntington Ave., Boston; 1400 VFW Parkway, W. Roxbury; and Davis Park, Providence, Rhode Island. The Disabled American Veterans have been very helpful in providing transportation to these facilities for those who are in need, and they deserve recognition for their service.

PLYMOUTH AIRPORT COMMISSION

The Plymouth Airport Commission did definitely recognize the downturn in the economy, airport operations depend on fuel sales. Annual fuel sales and services were down approximately 15%. The commission as it has in the past is still working towards a goal of self-sufficiency for the Plymouth Airport. What this means is no tax dollars will be used to support the airport. Monies used will be only those dollars or the income the commission gets from the businesses at the airport. Target date for this self-sufficiency is still FY '95 and the commission fully intends to accomplish his task.

In addition to the above self-sufficiency of the airport, the commission worked hard to complete an Airport Master Plan. This plan has some excellent features that include many capital improvements for the airport. One exceptional part of the plan is the completion of a groundwater management plan which was done by IEP Associates of Sandwich, MA. The commission is particularly proud of this plan because of the many issues concerning the environment and the issue of protecting water and the aquifer in Plymouth and Cape Cod. The results of this plan where that the airport was clean and the commission put into place a testing procedure to protect the water and aquifer. In another area the commission was successful in obtaining a 3.3 acre parcel of land which hopefully in the future will be the location of a crash, fire and rescue (CFR) building for the protection of the airport and the citizens of West Plymouth. In a final project the commission completed a crack sealing program to try and preserve portions of the main 6/24 runway and the ramp area on the west side of the airport.

The Plymouth Airport Commission changed this year with the resignation of Commissioner Edwin LaVallee who relocated out of state. He was replaced by Dr. Ken Laytin who resides in West Plymouth. Dr. Laytin joined the commission in July, 1992.

News was received from Florida of the passing of William H. "Pinkey" Prentice, Jr. (1924-1992). "Pinkey" was the Plymouth Airport Manager from 1965 until his retirement in 1980. He was a popular figure here at the airport and worked exceedingly hard to make Plymouth airport the success that it is. He will be missed by his family and those in aviation that knew him.

The commission's program for naming a "Citizen of the Year" award went to David Belcher. Mr. Belcher made strong contributions as an Federal Aviation Administration (FAA) Accident Prevention Counselor for the Plymouth Airport. He has served in this volunteer capacity for the past three (3) years providing safety seminars and counseling for the many pilots that use this airport. Mr. Belcher was presented with a plaque by the commission and was advised by the commission that his efforts were greatly appreciated and contributed directly to the safety of the flying activity at Plymouth airport.

New businesses did find their way to the airport with the establishment of South Shore Computer Testing owned and operated by Mrs. Susan Mc-

Manus. The business is aviation related and provides computerized testing for those pilots that need to pass their written tests with the Federal Aviation Administration (FAA). Results of the testing can be obtained instantly upon completion of the test. This has proven to be very popular for pilots and we welcomed this business here at Plymouth airport.

Also, Boston Med Flight established a presence here with a flight crew and one of their medical evacuation helicopters. Med Flight crews have a critical care nurse, a paramedic and a pilot who can be on the scene of an accident within minutes. Plymouth was chosen because the airport is near the center of a busy region and with this equipment and crew it can respond quickly. This the commission welcomed aboard realizing the importance of having this operation for the benefit of the area and the Town of Plymouth.

The airport is still the home of approximately 180 aircraft and 17 businesses that employ approximately 125 people from this area. It's economic base is a very viable asset for the Town of Plymouth. The commission is aware it faces many challenges in the future as the airport seeks a moderate amount of growth and expansion. The airport management and staff are here to welcome everyone to visit this fine aviation facility. As in the past many of the visiting citizens and visiting pilots have said, "great airport". The commission intends to keep it that way.

Lastly, the Plymouth Airport Commission would like to take this opportunity to thank the airport management and staff that includes: Warren Smith, Airport Manager; Jeanette White, Administrative Assistant; Harold Frizzell, Line Supervisor; Howard Wood, Assistant Line Supervisor; and Linemen Paul Ottino, Eugene Johnson and Paul Cotti. This is an outstanding group of people that keep the airport operating on a day to day basis.

PLYMOUTH SCHOOL DEPARTMENT SCHOOL COMMITTEE

The Plymouth School Committee and its administration would like to express its appreciation to the many citizens and parents of Plymouth who have voluntarily given many hours of their time and expertise to assist on various committees and projects.

PLYMOUTH SCHOOL DISTRICT PROPOSED SCHOOL CALENDAR 1993-94

OPENS

| | |
|------|-------------|
| 1993 | 8 September |

PRINCIPAL OF PLYMOUTH NORTH HIGH SCHOOL

It is with mixed feelings that I write my last annual report as Principal Plymouth North High School.

The focus during 1992 was to strive for academic excellence and both the freshman and senior classes met this challenge. The seniors took the Massachusetts Educational Assessment Test in the spring and exceeded the state average significantly in all areas. The freshmen took the Basic Skills Test and achieved a passing rate of 96% which matched their year graduation.

In June, 1992, Plymouth North graduated 185 Seniors in a ceremony at Memorial Hall. Over 68% of the graduates continued their education. The Plymouth Scholarship Committee awarded over \$58,000 to Plymouth North graduates. The Class of 1992 presented a donation to the Technology Education Department to be used in the computer related program.

Athletically, 1992 proved to be a year where as much action took place in the court room as on the athletic fields. At the end of the year, the school committee and the M.I.A.A. still had differences which had not been solved. Old Colony League Championship banners were won by the girls' soccer team, boy's cross-country team and varsity ice hockey. The Terrico-Romano Trophy, symbol of victory in the Thanksgiving Day football game, was returned to Plymouth following the thrilling win over Silver Lake.

School clubs and activities enjoyed a productive year as well. In addition, clubs and classes reached out to help the community with donations to nursing homes, food pantries, and needy families. The school also made a donation to Plimoth Plantation.

I personally want to thank the Plymouth North student body, the dedicated professional and support staff, fellow administrators, central office personnel and the regional school committee for its support during these past six years. My hope is that Plymouth North remains the "Home of High Goals, Achievements, and Goals — Where We Care."

PRINCIPAL OF PLYMOUTH COMMUNITY INTERMEDIATE SCHOOL

The year 1992 has been exciting and challenging at PCIS. PCIS is in its fifth year as a middle grades school. We now house 1930 students in grades 6, 7, and 8. Our goal this year is to continue developing unique programs at each grade level which would fit the growing and changing needs of early adolescents. Sixth graders and staff are located in two "houses." To ease in the transition from the elementary schools, sixth graders work primarily with two teachers following a model similar to what was done in grade five. Seventh graders are on "teams" of 130 students and six teachers. Eighth graders are clustered in two houses with preparation for high school as a major theme. Our use of the "house" plan offers students the opportunity to be part of a small school while having the enriching opportunities of a large facility. Within a house, students know an administrator and a counselor as well as a small number of teachers.

It is with great enthusiasm that we continue planning for ways of improving and enhancing our middle grades programs at PCIS. We hope that budget constraints and growing enrollments do not have a serious impact on current or future program planning. We will open school in the fall of 1993 with an enrollment very close to 2000 students.

In my sixth year in the Plymouth School Department and Plymouth-Carver Regional School District, I appreciate the tremendous support and cooperation of students, staff, community, the home school association, office of the superintendent, and school committees in making PCIS a place "where good things happen everyday."

PRINCIPAL OF PLYMOUTH SOUTH HIGH SCHOOL

Plymouth South High School is now in its fifth year of operation. The first class to spend all four years at Plymouth South graduated in June of 1992. Currently, Plymouth South has its own graduation, newspaper, yearbook, National Honor Society, and class officers. The school has started to establish its own traditions, including such events as an underclass honors banquet, a freshman/sophomore semi-formal, a senior dinner and senior class day. The junior prom has established itself at Plimoth Plantation, and the juniors look forward to the third annual after prom party later this year. A yearly dinner theater program tradition, housed at Plymouth South, has been established that includes participation with Plymouth North High School students.

Plymouth South High School's use of outstanding outside programs to supplement the curriculum continues. The U.S. Army band performed early in 1992 for the entire school, and the U.S. Navy band performed in the fall of 1992. The spring of 1992 saw the use of a number of pre-prom season assemblies aimed at reinforcing the danger of drinking and driving. The fall of 1992 included a program by Logie Meachum on the black experience in America presented to the entire school. A speaker from N.A.S.A. visited and spoke to our science classes.

A new Director of Technical Studies, Ms. Carole Rowell, was appointed in the summer of 1992. Two new technical studies areas, metal fabrication and CAD/CAM, are in the planning stages with anticipated start dates early in 1993.

Plymouth South's involvement with foreign students continues. Students from Russia, Columbia, Sweden, Denmark, and Spain have attended Plymouth South, with additional visits by students from Argentina and Japan.

The Whittle Network Channel One News Program will become a regular feature of homeroom period at Plymouth South. The building was wired and all the equipment installed in December of 1992.

A parent group, Parents Against Racism and Violence, evolved out of parent concerns in the spring of 1992, followed by the establishment of a chapter of the Student Alliance Against Racism and Violence in the fall of 1992.

Test scores, particularly in the Massachusetts Educational Assessment Program, have shown significant improvement in all areas.

All of the student organizations continue to involve themselves in a variety of community service projects, from blood drives to beach clean-ups, to food and clothing drives, to entertaining our senior citizens, and much more.

The Math Club, VICA and DECA Clubs, art students, Latin students, English students, music students, etc., continue to compete and win individual and group awards at the regional and state level, and even the national level in some instances.

Plymouth South High School — A Pathway to Excellence continues to be a meaningful theme for staff, students, and parents. It will only get better!

CARVER HIGH SCHOOL

Carver High School's sixth year began with an enrollment of 867 students — 366 students in grades 7 and 8; 501 students in grades 9 through 12. The largest enrollment increases are in the senior high school grades.

A full range of academic courses are offered to our high school students to prepare them for their life's vocation. Extracurricular activities are an integral part of a student's life. 350 of our high school students are involved in extracurricular activities; 220 in the Crusaders Sports Program and 130 in other activities such as Yearbook, Drama, School Newspaper, Peer Leadership, Students Against Drunk Driving and Model U.N.

82% of our graduating class of 107 students have gone on to further education. 13% chose to go into the work force and 5% went into the armed forces. We are particularly grateful to the organizations and individuals from the town of Carver that contributed approximately sixty thousand dollars (\$60,000) in scholarship funding to help reduce the cost of post secondary education for our deserving students. We are constantly seeking scholarship donations and have been able to add another ten thousand dollars (\$10,000) for this year's graduating seniors.

Community and parent support have made possible the establishment of the Academic Boosters' Club that helps to recognize student achievement in subject areas and the expansion of the Crusaders Athletic Booster Club that helps to improve our athletic facilities and provides funding for a variety of athletic needs.

The students, faculty and administration of Carver High School take great pride in the accomplishments of our students and continue to strive to make Carver High School a warm, caring and concerned place for the students and townspeople. The student body and staff is committed to excellence!

ADVISORY AND FINANCE COMMITTEE

1992 was an interesting year for the Advisory and Finance Committee with the election in May of a new Town Moderator. At our annual re-organizational meeting, we welcomed six new appointees to the FinCom, bringing our membership up to the full complement of fifteen.

Two former members were elected Town Meeting members. Their vision and hard work will be an asset to the town in this capacity, although they are missed at committee meetings.

The debates and discussion were exciting as the committee heard warrants for two special town meetings, one in September and one in December. FinCom recommended, and town meeting endorsed, a recommendation to build a new police station. This statement cannot begin to convey the many hours of debate devoted to this single project, to the extent of a full second night of discussion on town meeting floor.

In November the Board of Selectmen, both School Committees and the Finance Committee met in joint session. An attempt was made to formulate a plan that would allow budgeting in such a manner as to preserve vital services, yet mitigate the cost of these services to the taxpayer. The result of these efforts will be presented to the April 1993 town meeting.

Finance Committee members have voiced concern over the low numbers of public attendees, especially town meeting members, at their meetings. In order to increase attendance, improve access to the meeting room, and generate public interest and participation, all Finance Committee meetings have been moved to the main hearing room at the Town Office Building.

On behalf of the members of the Advisory and Finance Committee, sincere appreciation must be expressed to the professional management and staff of the Town of Plymouth. It is the guidance of managers such as the Director of Finance and the Town Manager that helps FinCom members find their way through the maze.

ANIMAL SHELTER COMMITTEE

The Animal Shelter Committee had in previous years made reports to town meeting confirming the fact that the present facility is outmoded and is far from requirements of the humane society. But the previous committee was limited in the scope of their charges thus resulting in a decreasing lack of resolve, mostly through frustration. In the spring of 1992, this committee was resurrected and brought to full strength with the help of town meeting in making several changes the shelter committee believed necessary to help it proceed in a positive manner. A search is now in progress to acquire a suitable piece of land either donated or town owned property, with great care as to make it acceptable in the community in which it will exist.

The committee, because of the need for a new and more humane facility, is also engaged in preliminary planning of the building in order to expedite the completion of the project. It is the intent of this committee to utilize, if possible, the high school as an information center, and to raise as much private and public monies to help in financing the shelter before coming to town meeting to get additional funding if needed.

The animal control problem in Plymouth is growing along with the growth of Plymouth itself. There is no accurate barometer of the increase of dogs in town as many citizens fail to license their animals because of the large area this town encompasses. To be blunt there are many scoff-laws.

It is the belief of the shelter committee that a new modern facility with more humane inside runs will make for better community acceptance and encourage volunteer assistance. A clean inviting facility will bring back those concerned citizens who were driven away by the present building. Volunteers will enable the shelter to be manned for a minimum of an hour a day which will make it possible for the animal officers to spend more time in the field without added cost. Another consideration is the adoption of pets. No one really relishes choosing an animal in the present surroundings, as the odor of the present facility drives potential adopters away before they near the place.

The present expenditure in the police budget will be more efficiently used with the new shelter, so the committee urges support for these endeavors in supplying a new home for animals in Plymouth

PLYMOUTH ARTS LOTTERY COUNCIL

Purpose and Membership

The Plymouth Arts Lottery Council is a town committee whose volunteer members are appointed by the Selectmen for up to two three-year terms. It serves the town by re-granting funds allocated to the Town of Plymouth by the state arts agency, The Massachusetts Cultural Council. These funds are specifically designated for community cultural programs and events. The council meets regularly on the fourth Monday of every month (except December), and holds one or two special "grant round" meetings a year. The council usually meets "in retreat" once a year for the purpose of board development, brainstorming and policy setting. Presently the membership numbers seven voting members. John Madden, Assistant Town Accountant, serves as the Treasurer in an ex-officio capacity. We have been included in the Town's Annual Report since 1989. These reports list the programs and events funded.

State Funding

Every town in Massachusetts must establish a local arts lottery council in accordance with state guidelines to be eligible for the state funds. The Plymouth Arts Lottery Council has been viable since the inception of the guidelines and program in 1979. Funding allocation amounts to the towns are determined by the Massachusetts Cultural Council using a formula based primarily on population and property value.

The MCC receives its annual working budget monies from the Massachusetts Lottery Fund as determined by our state legislators and the final state budget approval. Amounts awarded to the MCC fluctuate with the economic and political climate in the state. Funding levels for the MCC reached an all time low during the fiscal year of 1992, when funding was cut 66%. The 1993 MCC budget was approved for 6.1 million dollars which is double the 1992 level. With these funds the MCC administers several peer review grants programs for the performing arts and humanities, arts education, and cultural programs as well as the local arts lottery program. The Local Arts Lottery program's portion of this funding reflects a statewide increase of 44% over last year's (FY 1992) funding level. Funding allocation amounts to the towns generally reflect the level of funding at the state level. Plymouth's allocation is a 38% increase over last year's funded amount.

FY 1992 GRANT ROUND

The Plymouth Arts Lottery Council had to announce the postponement of the FY 92 (October 1991) grant round deadline due to a request by the Massachusetts Cultural Council. The postponement to a January 1992 deadline was largely due to the significant decrease of funds in the Massachusetts state budget of fiscal year 1992 (see Plymouth Arts Lottery Council Annual Report 1991 and above). The decrease severely cut administrative support to all the local Arts Lottery Councils in the state, thereby delaying the smooth functioning of the process statewide. The Massachusetts Cultural Council was forced to initiate an annual rather than a biannual re-granting schedule. Following are the results of the FY 1992 (January 1992) grant round as awarded by the Plymouth Arts Lottery Council:

FY 1992/JANUARY 1992 Grant Round

| NUMBER | APPLICANT | REQUEST | AWARD |
|--------|-------------------------------------|----------|--------|
| 1 J92P | Nathaniel Morton Elementary School | \$395.50 | \$260 |

| 9 J92 | Maria Young | \$500 | Reject |
| | Water color exhibit | | |
| 10 J92 | Ruffini Concert Committee | \$750 | Reject |
| | Permanent display | | |
| 11 J92 | Elaine M. Sciog-Lazarov | \$2,445 | \$400 |
| | 10 performances of "Love Songs" | | |
| 12 J92 | Amy Garbaczski | \$375 | \$200 |
| | Kids as Authors/Publishing for Kids | | |

| NUMBER | APPLICANT | REQUEST | AWARD |
|--|---|-----------------|----------------|
| #13J92 | H.S.A. of F.F./N.M./C.S./Hedge Shirim Klezmer Orchestra | \$576 | \$250 |
| #14J92 | Cranberry Shores Chorus Video Equipment | \$250 | Reject |
| #15J92 | Plymouth Elem. Arts Assoc. Vacca & Moran/World Music Concert | \$1,300 | \$650 |
| #16J92 | Plymouth Elem. Arts Assoc. Bunny Tales: The Velveteen Rabbit | \$1,584 | \$750 |
| #17J92 | Plymouth Public Library Springtime Singtime | \$325 | \$150 |
| #18J92 | Indian Brook H.S.A. Japanese Children's Book Author | \$90 | \$82 |
| #19J92 | Indian Brook H.S.A. Songs in concert for K & 1st grades | \$208 | \$150 |
| #20J92 | H.S.A. of I.B./Manomet/South/West N.M./Hedge Theatre("The Indian in the Cup- board") 7 performances | \$924 | \$450 |
| #21J92 | H.S.A. of West & Cold Spring and the Cultural Arts Committees Afro-American storyteller | \$280 | \$140 |
| #22J92 | Richard Sparrow House Clay for Kids! | \$200 | \$200 |
| #23J92 | Richard Sparrow House Mary Cotter/Recent Prints | \$475 | \$400 |
| #24J92 | Friends of the Ply. Public Library Children's Author/Lois Lowry | \$1,000 | \$400 |
| #25J92 | Pilgrim Hall Museu Video equipment | \$258 | Reject |
| Total Amount Requested | | \$15,605 | \$5,492 |
| Total Amount Available from State (including holdovers) | | \$5,390 | |
| Local Holdover | | \$102 | |
| TOTAL AVAILABLE | | \$5,492 | |

The above grant round allocation from the state reflects the record low dollar amount for Plymouth since the inception of the Arts Lottery program in 1979. Due to heavy arts advocacy at the State level these funds increased as evidenced below.

FY 1993 Grant Round

This year the Plymouth Arts Lottery Council received \$7,132 as its 1993 fiscal year allocation and had additional funds held at the local level consisting of earned interest and some FY 1992 grant round awards that fell through, totalling \$1,584.70. The MCC allows each local arts lottery council to take 5% of its allocation for administrative funds, making the total amount available for re-granting in the FY 1993 year, \$8,337.60.

Applicants and Application Deadline

The FY 1993 Fall Statewide Local Grant deadline was Thursday, October 15, 1992. Copies of the newly written local and state guidelines, new application forms for regular arts lottery grants and P.A.S.S. grants (Performing Artists Student Series) and the new P.A.S.S. roster were available at the Town Manager's Office at Town Hall and at the PALC office located at 29 Samoset Street. The PALC accepts applications for grants from individuals, artists, and educational, social, and cultural organizations. This year the Council actively sought first time applicants. The Plymouth Arts Lottery Council may also apply for a 'council-originated' grant, fulfilling certain criteria. It chose not to do so this year.

FY 1993 "Coming Together Through the Arts"

A major goal of the Massachusetts Cultural Council and the Plymouth Arts Lottery Council is to encourage cultural access* practices by arts, humanities, and science organizations with special emphasis on populations designated as underserved by the State Office of Affirmative Action. These underserved populations are identified as: people of color, people with differing abilities**, Vietnam-era veterans, and women. In addition, the Council seeks funding requests from organizations serving low-income and rural populations. At the local level, the Plymouth Arts Lottery Council identified the youth and elderly of our community as underserved populations.

*MCC is currently using the term "cultural access". Other commonly used language is "affirmative action".

**MCC is currently using the term "people with differing abilities". Other commonly used language is: people with disabilities; people with mixed abilities; people who are physically and mentally challenged.

The Plymouth Arts Lottery Council sponsored the theme "Coming Together through the Arts" as an expression of this goal. PALC is committed to cultural access to the community cultural arts it funds. PALC encouraged all applicants to reach out to underserved audiences through their PALC funded programs and events. The PALC supports cultural arts programs and events that can be an empowering force in the Plymouth community. PALC funded grants should have a positive impact on the life of

the community by bringing groups or artists together in new ways to celebrate the arts and the creative spirit in all. The rich ethnic diversity of the people living here can be shared in the best way by celebrating cultural differences and similarities through the arts.

PALC also challenged individual artists to apply for grants that include interactive components, collaborative efforts, new forms, multi-media presentations, installations, or 'new-works', as key elements in their applications addressing this year's theme.

At the local level, priority was given to those applicants who:

- were first time applicants
- targeted underserved audiences
- provided for cultural access

Technical Assistance

The Plymouth Arts Lottery Council offered technical assistance and support to applicants at its office on a call-ahead or drop-in basis, and held two grant application workshops at 7:30 PM on: Thursday, August 27th and Thursday, September 17th for prospective applicants. PALC encouraged dialogue with all applicants during the entire granting process. Over thirty-five prospective applicants attended these workshops at our new office. Several others received technical assistance by telephone or individual appointment.

The following reflects the Plymouth Arts Lottery Council decisions regarding the FY 1993 grant round awards.

PLYMOUTH ARTS LOTTERY COUNCIL FY 1993 (OCTOBER 1992) GRANT ROUND

Total requests/PASS and Regular

grants applications combined: \$38,232.50

Total amount available at the local level: \$ 8,337.60

Other Community Cultural Projects

In addition to the re-granting process, the Plymouth Arts Lottery Council has identified three major community cultural projects that it will sponsor during the 1993-94 fiscal years. Funds for these projects are available from the earned interest on state allocations over the past thirteen years. The Massachusetts Cultural Council encouraged PALC to designate and actively spend the prior years funds on a non-grant basis for the cultural benefit of Plymouth. Faced with this challenge, the Plymouth Arts Lottery Council held a retreat in early March 1992 to discuss and vote on binding policies regarding the spending of this sum of money totalling \$20,049.60. At the retreat, the Plymouth Arts Lottery Council determined that the following three projects would best benefit the cultural life in the Plymouth community at this time:

- The completion of a community cultural needs assessment and cultural plan
- The funding of a piece of public art

-The beginning of a permanent town art collection

All three projects will be implemented through an open public process.

Cultural Needs Assessment and Cultural Plan

Initial planning for the community cultural needs assessment has begun, and a small committee met this summer and fall to plan the process. The PALC hired Kerry R. Scott to serve as administrative coordinator for the committee at the beginning phase of the project. He is a member of the Plymouth Arts Lottery Council and the executive director of Art Exchange, a new non-profit arts agency. The committee developed a community contact list, initiated outreach to the community, and screened consultants. The committee solicited both advisory and working members for the community Cultural Needs Assessment Planning Committee. Although the PALC is sponsoring the project, the Planning Committee will be the implementing body for the assessment and planning process. The PALC is seeking input from all interested community members at any stage of the process.

Public Art Work

The PALC will establish a study group to develop a request for proposal for a piece of public art for the town of Plymouth. The group will research suitable locations for the work, existing successful public art pieces, and develop criteria for the public art work in Plymouth. A process for the ongoing maintenance of the work will also be established by the group.

Permanent Art Collection

The PALC will establish a study group to develop criteria for beginning a permanent art collection for the Town of Plymouth. The group will research suitable locations for the collection, and determine what type of art and which artists should be represented in the collection. A process for the ongoing growth and care of the collection will also be established by the group.

CONTRIBUTORY RETIREMENT BOARD

Fiscal year 1991 ended on December 31. The Retirement Board reports that much was accomplished over the year.

During FY '91 the state issued its 1990 report on the 107 Retirement Systems of the Commonwealth. The retirement system's investments obtained the fourth highest rate of return in the state during 1990.

In 1991 the retirement system's assets increased in value by \$5.5 million. This 25% growth in asset value was primarily due to the performance of the system's investments.

After paying members almost \$600,000 of interest on their accounts last year, the system deposited \$840,000 into the pension reserve fund. In addition to providing that future savings for the taxpayers, \$3.34 million was added to the pension fund. That increase equates to one and one half times the dollars appropriated by the taxpayers into the pension fund last year.

Many members of the system have voiced concerns that funds will not be available to pay their retirement benefits into the future. Over the last two years, with the help of an investment advisor, State Street Bank and Trust Company, the Retirement Board has increased the amount of funds available for future pensions by over \$5.15 million. This amounts to a 61% increase in funds available for future pensions.

In addition to investment activities, last year the Retirement Board sought and received town meeting's acceptance of a new state law that increased retirement benefits for the working members of our system over age 70.

During 1991 the board continued with a program of disability desk reviews and re-examinations and broadened the rules regarding eligibility for membership.

The board is pleased to report that during 1991 John Kirby was reappointed to another three year term. He was also re-elected to the chairmanship. Mr. Kirby is the only non-member serving on the board. He has represented the taxpayers very capably during his first term.

It has been a pleasure to serve this last year and the board looks forward to another year of accomplishments on behalf of its members.

INLAND FISHERIES COMMITTEE

In 1992 the committee restored the fish ladder at Hayden Pond with help from William Wrye and his Eagle Scout Project. The new ladder was very successful during the 1992 herring spawning run.

The last fish ladder in the Eel River system at Russell Mills Pond had to have a lot of repair work done to the old cement ladders due to deterioration over the many years. Many hours were spent before and after the spring spawning run in patching cracks and filling holes in the old cement ladders. These ladders will need constant care and monitoring to keep them working successfully.

The Town Brook system had to have a large tree and several fallen logs removed before the spring spawning run started. This was accomplished with help from the Parks Commission and its Tree Department crew.

A major problem developed at the beginning of the Newfield Street fish ladder. The herring could not get under Newfield Street because two broken cement baffles were causing such a fast turbulence most fish could not overcome it and never entered the fish ladder itself.

The Division of Marine Fisheries has agreed to work on this problem with the town early in the spring of 1993 before the spawning run starts. The Town Brook system has had problems for many years, and has not been very successful in allowing the herring to return to Billington Sea. Hopefully by fixing the problem at Newfield Street, the committee will finally be able to monitor the herring all the way up Town Brook and into Billington Sea.

Many thanks and much appreciation goes to Doug Gray and the Parks Commission, Ralph Savery the Harbor Master, and Ken Reback of the Division of Marine Fisheries for all their help during 1992.

MOSQUITO CONTROL PROJECT

The Project is a special district created by the state legislature in 1957, and is now composed of 24 Plymouth County towns, the City of Brockton, and the Town of Cohasset in Norfolk County. On April 1st., the Town of Hanover rejoined the project. The project is a regional response to a regional problem and provides a way of organizing specialized equipment, specially trained employees, and mosquito control professionals into a single agency with a broad geographical area of responsibility.

In 1992, the project was again challenged by the threat of the mosquito transmitted disease, Eastern Equine Encephalitis (EEE). Spring and early summer were drier than normal. Residential complaints were received later, with isolated mosquito problems in our coastal communities. Efforts were again aimed at larval mosquitoes starting with the spring brood, and aerial larviciding continued using B.T.I., an environmentally selective bacterial agent. Upon emergence of the spring brood of adult mosquitoes, ultra-low-volume adulticiding began. The project responded to requests concerning mosquitoes, and all sprayers and trucks performed well with little time lost to breakdowns.

EE Virus was first isolated from *Culiseta melanura*, a bird biting species, by the Massachusetts Department of Public Health from collections in Carver the week of August 23rd. Of the season's total of ten EEE isolates, six were from Plymouth County: Carver (8/23 and 9/28), Kingston (9/21 and 9/28), Brockton and Halifax (9/28). In September, a human case of EE was confirmed in a 59 year old man from Braintree who had been fishing in the Carver/Plymouth area during the last week of August. The recurring problem of EEE in Southeastern Massachusetts continues to ensure cooperation between this project and the Massachusetts Department of Public Health.

The figures specific to the Town of Plymouth are given below. While mosquitoes do not respect town lines the information given below does provide a tally of the activities which have had the greatest impact on the health and comfort of Plymouth residents.

Insecticide Application. 10,080 acres were treated using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in May and the last in October.

The greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes, and other standing water areas. Inspectors continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present.

Finally, the project has been tracking complaint response time, that is the time between notice of a mosquito problem and the response by an inspector. The complaint response time in the Town of Plymouth was less than two days with more than 262 complaints answered.

Water Management. During 1992, crews removed blockages, brush and other obstructions from 1,325 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito breeding. This

work, together with machine reclamation, is most often carried out in the fall and winter.

Machine Reclamation. 240 linear feet of ditch was reconstructed in Plymouth using one of the project's two track driven backhoes.

Mosquito Survey. A systematic sampling of mosquitoes in Plymouth indicates that *Culiseta melanura* was the most abundant species. Other important species collected included *Culex pipiens* and *Aedes vexans*.

The project encourages citizens or municipal officials to call the office for information about mosquitoes, mosquito-borne diseases, control practices or any other matters of concern.

RECYCLING ADVISORY COMMITTEE

The Recycling Advisory Committee was established in November, 1990, to serve in an advisory capacity to the Board of Selectmen and Dept. of Public Works and has been responsible for reviewing the current and future recycling efforts and needs of the Town of Plymouth and generally serve as an advocacy group for recycling within the community. The committee membership is five, appointment is annual, ending June 30th and has a standing appointment of the Plymouth Volunteer Recycling Coordinator.

A request for proposals drafted in 1991 was put out for bid in early 1992. After the bids were reviewed and evaluated an interim contract with SEMASS Recycling L.P. was instituted beginning in August. From August through December, the recycling program was very successful and recovered 295 tons of recyclable newspaper, glass, plastic and metal containers. The Recycling Advisory Committee is proud of all the hard work and grateful to all who have contributed to this effort. An all volunteer group, Plymouth Volunteer Recycling, has been the monumental force that has kept the recycling program processing clean grade A material with the help of a D.P.W. staff person at South Street and Cedarville transfer stations.

During the last four months of 1992, the Recycling Advisory Committee has been working with the D.P.W., P.V.R. and SEMASS to keep the program effective and functioning smoothly, while the D.P.W. continues to recycle other items, such as white goods, oil, batteries and asphalt rubble. The committee's goals for 1993 include the opening of the Manomet transfer/recycling station, increased household participation in the separation and collection of recyclable material, addition of other recyclables and increased education and awareness in the schools and the community at large.

1749 COURT HOUSE

The 1979 Court House had an extremely busy season this year. Other than the May-June period when the building was open fewer days than last year, each month showed an increase. We were up 500 in July; 1000 in August; 400 in September; 100 in October. Thanksgiving was a dreadful day weatherwise, and the court house had about 350 visitors, as against our usual 500+. Total for 1992 was 10,377; 1991 was 9,042; 1990 total was 10,208.

As usual there were visitors from all 50 states. There seemed to be more than usual from California and Texas. Some unusual countries represented were: Belgium, New Zealand, Iceland, Ecuador, Hong Kong, So. Africa, Taiwan, Canary Islands, Martinique, Switzerland. The court house was virtually over-run by the English in early Spring, and more so in the Fall. Many large family groups and campers visited in August. Two ADR cousins were in; one in Summer and one on Thanksgiving Day. Other notable visitors included Lee Hartmann, Town Planner and soon-to-be Probate Judge Anna Doherty. Many more school groups have found us, among them, Vermont, No. Reading, W. Hartford, Conn. And two senior citizen bus groups are making the court house a regular Fall stop; from So. Dakota and Kansas. Three charming young "au paires" (nannies) visited on June 13th. They were from Iceland, Denmark and France, and employed at homes on Beacon Hill.

There was a wedding in the courtroom on Saturday, June 27th. John Montanari, who'd worked as a guide a few years ago and met bride-to-be here, asked for permission to hold the ceremony upstairs. It was a charming affair. The couple wore turn-of-the-century style clothing, which ideally suited the building. There was only a small gathering of family and guests, and seating was no problem.

At the request of Pilgrims Progress people, the court house opened Friday nights in August from 6:00pm - 9:00pm. It was a "Family Night" concept with special activities all around the Town and our area. It proved to be very successful and it is anticipated that this will become an annual event.

On September 23rd, the committee invited David Torrance, and in a short informal ceremony, officially thanked him for the gift of two courtroom benches. We have affixed two plaques to them to this effect. He was also presented with a Pairpoint 1749 Court House cup plate.

The Museum Director, Florence Martin, has attended many Destination Plymouth-Thanksgiving meetings. The idea is to extend the Thanksgiving activities in the town. As part of the event, they asked permission to use our upstairs courtroom for two presentations for a short 20-30 minute pageant on November 14th and November 21st. The two Saturday performances went very well, with overflow audiences. At a later meeting held to review this year's activities, it was agreed that the endeavor was a success and will be an annual happening.

It was a great year at the Museum and there was so many wonderful people from all over the country and world. We hoped the 1993 season will be even more successful.

TOWN HALL STUDY COMMITTEE

As reported at the 1992 Annual Town Meeting, due to the present economic climate and the ever-increasing need to improve working conditions and citizen access to town services, the Town Hall Study Committee's efforts were to be directed toward renovation of the present Town Office Building on Lincoln Street.

Thus, over the past year, the committee has focused its efforts on how to best utilize the existing facility with regards to the space needs of each department. In addition, and more importantly, the committee has discussed and reviewed other issues such as full handicapped accessibility and compliance with the Americans With Disability Act, improvements to the heating, cooling and ventilation systems, better utilization of meeting room space, and increased parking if possible.

The committee has asked for, and received, updated reports from all town department heads as to their current and future space needs. The committee has performed a preliminary review of the town hall for compliance with the Americans With Disabilities Act and has had the heating system looked at by a heating contractor and asked for his recommendations.

In light of all of this, the Town Hall Study Committee feels that improvements to the existing town hall must be made soon and, to that end, intend to continue to concentrate the efforts of the committee on improving the building and environmental conditions of the town hall, while at the same time, continuing to look for other long-range options for improved citizen access to all town services.

OLD SCHOOLHOUSE COMMITTEE

The Old Schoolhouse Committee meets the second Tuesday of each month at 6:30 p.m. The committee is comprised of five members. They oversee the use of the schoolhouse.

This year there have been many renovations made to the facility. The schoolhouse is the Precinct 8 polling place. It was brought to the committee's attention, in September of 1992, that the schoolhouse did not conform to certain handicap regulations required for a public building. This situation resulted in having to move the primary election to the Indian Brook School in Manomet.

At that time, the committee met with town officials to discuss the problem. Through joint effort it was possible to have the necessary renovations made in time for the November 3rd presidential election. The residents of the Precinct 8 area were very pleased to have the polling place returned to the schoolhouse. The committee thanks the town officials for their prompt attention to the situation.

The schoolhouse continues to be utilized by various civic associations in the area, along with the Boy Scouts of America, Cedarville Arts and Crafts, Cedarville Task Force, Alcoholics Anonymous. This past year there has also been a food co-op program. Monthly blood pressure clinics and tax preparation programs are also held.

The committee continues to have the facility cleaned on a bi-weekly basis by means of the donations the town receives from the various user groups. They look forward to another successful year.

130 COURT STREET COMMITTEE

As mandated by Town Meeting this committee's responsibility is to approve the use of the 130 Court Street property.

At this point in time the front building is fully occupied. The Plymouth Development and Industrial Commission is located on the first floor. Council on Aging occupies space on the first and second floor. The Old Colony "Y" has offices on the first, second and third floor. Also located on the third floor is the Office of Community Development, the Saving Lives Program and H.S.P.C.C.

The Plymouth School Department still assumes all responsibility for 130 Court Street rear.

The committee met in October. At that time 130 Court Street front was surveyed and appeared to be in good repair.

PLYMOUTH BEACH ADVISORY COMMITTEE

Most of 1992 was consumed by implementation of the Mass. Department of Environmental Protection (DEP) rules and regulations. Although the DEP did have the Mass. Wetlands Act (C.131, S.40) and the newly legislated Mass. Endangered Species Act, they chose to go further and force the town to formulate a local "ORV/Wildlife Management Plan", which would fit the requirements of the DEP and the Mass. Div. of Fisheries & Wildlife. A Plymouth citizen appealed the town plan. The citizen didn't pursue his appeal, and the town did not choose to appeal the deadline. So, therefore, Plymouth Beach is now under the jurisdiction of that plan. Plymouth did not get the 1.4 million dollar free U.S. Army Corp. project to rebuild a portion of the breakwater on Plymouth Beach. The Mass. DEP continued to hold up the project. On 11 December 1992, a severe northeast storm caused extensive damage to Plymouth Beach, which had never had been completely restored from the August and October storms of 1991. It is estimated by the park department that Plymouth may need as much as \$200,000 - \$400,000 to restore Plymouth Beach in 1993. The Mass. Coastal Zone Management State Agency has been holding "Barrier Beach Task Force" meetings since July of 1992, which are co-sponsored by the Mass. Audubon Society and the Society for the Preservation of Cape Cod. Although the policies generated from those meetings can effect Plymouth Beach - there have been no reports issued. The Plymouth representative to the meetings informed the PBAC a draft report will be issued in approximately one month.

TOWN FOREST COMMITTEE

1992 marks the third and most progressive year to date in our ten year forest management plan. With the help of the D.P.W. Engineering Division over 5,400' of overgrown and unmarked boundaries were blazed and re-established. The establishment and maintenance of these boundaries is critical as it delineates the borders of the stands to be worked.

This having been accomplished, stand improvements and harvesting can be done. As this goes to print, the new consulting forester is contracting for two stands of "pre-commercial thinning" and three stands of firewood sales. This work will pay for itself at this stage and in future years will generate a profit. Along with this, several woods roads are contracted to be brushed back and improved to facilitate access for equipment. Also, rubbish dumping has again been minimal as a result of last year's cable gates.

It is the committee's goal to return the Plymouth town forest to a self-supporting, functional and managed forest. Progress is being made.

In closing, the committee would like to thank the Engineering Department for their efforts and expertise in reclaiming several key boundaries.
